The Editor's column

By S. R. PADDOCK

"Oh, what a beautiful morning!" We may have first heard that in "Oklahoma," but it was a beautiful, beautiful morning Saturday when, after three days of blindness, we were able to see the sun.

Robert Casey, who wrote of his similar experience in a Chicago newspaper, had nothing on us. It took him seven installments to tell his story. We are going to tell ours in one column.

It was only a week ago that we discovered that practically all our seeing was from one eye and as we were able to enter the hospital, we did not hesitate to turn down an invitation from a national airlines to participate in a press junket to Arizona.

We told them we would not be able to see very much anyway with only one eye.

We were particularly interested in the mechanics of the operation. With both eyes open under a floodlight that nearly blinded us, a half circle cut is made in the iris. The pupil is partially lifted out and a suction spoon removes the lens that is back of the pupil. With the lens out, the muscles of the pupil pull it back in place. All that remains to be done are six stitches.

They did not charge the patient anything extra for the privilege of watching his own operation.

We offered to be responsible for our life if they would be responsible for the eye. We shook hands on it, but they were not quite willing to trust us, and they insisted upon getting the information that they would need in case we fell down on our part of the bargain.

That was the beginning of our experience in a hospital, the first time in the 73 years of our life. It wasn't bad at all. As a nurse told us, "the Eye, Ear, Nose and Throat hospital is an unusual hospital. The average hospital is dedicated to saving lives, our hospital to saving eyes."

It confines itself almost exclusively to cataract operations, but it has a terrible lot of "don't do's." Some people will ask if the operation or the resulting effects were painful. They were not, but it appeared that we never suffered such agony to our muscles as it was required that we lie perfectly motionless on our back for 24 hours. A special nurse was there to see that we obeyed those orders.

When the specialist examined the offending eye this morning, he said, "Somebody must be doing a lot of praying, because your eye is in wonderful shape." We replied, "If it isn't, it's nobody's fault but the doctor's, because pastors of four denominations have told us they were going to do the praying for us."

As our one good eye was uncovered for the first time, we discovered that the nurses were as pretty looking as their hands were soft and their voices were sympathetic. We will no longer wonder why food being given to a young child sometimes overflows the mouth. Even the experienced nurses could not always give all of the spoonful into the opening where it belonged.

This is the first hospital I ever heard of that serves home cooked food. They explain it with the statement that the cook has been with them for years.

We do not know if they count the calories, but we do know that physically aside from the eye, we never felt better.

Visitors tell me I am on my way to being a beachcomber. The no shave edict is a bit disagreeable but if movie actors can stand the discomfort, I can too. I must look as badly as I feel because I note that I do not receive any affectionate greetings from my feminine friends.

The doctors and nurses had many a chuckle over the crayon drawn greetings of 36 primary children of the Palatine Methodist church who meet every Sunday in the Margaret Paddock memorial room.

On our way to the hospital, we discovered that a resident of Northwest Meadows lives so close to Arlington Heights that he has acquired the Good Neighbor spirit. Both of us were strangers to each other as he offered to carry my grip from the depot towards the Loop. He was happy to meet the editor and the editor was happy to learn that his group was successful in defeating smaller lot sizes in the area as was requested of the zoning board.

•

I missed the Sunday paper but, thanks to the radio, I got to church on time although I was not able to sign the attendance register. Palatine Methodist church installed the register, we were told, because they believed that even church members occasionally go AWOL.

It will be interesting to learn what happens next. It is an even bet they won't even discover the omission of our signature on the 8:15 roll.

•

We were happy to receive word today that the Arlington Heights breakfast club is still functioning and still in disagreement as to the truth of statements that we make in this column. The roses were lovely and we don't care whether we got them for telling the truth or prevaricating. Some of the members of the club have never agreed with what we say anyway.

•

Visitors tell us that the Arlington Heights police department is enforcing the parking regulations to the letter. We couldn't expect anything different. They waited five years for the opportunity.

Naturally, contributors to the Fence Post on this subject will have to stand in line.

Santa Arrives Saturday

Santa Claus advised the Arlington Heights Chamber of Commerce he would arrive in town about 3:45 p.m. this Saturday.

A parade, led by the Arlington Heights police and fire departments and the Arlington Heights high school band, will herald his arrival. In order that parents can have their children at the right place to see the parade the line of march is as follows: Assemble at Miner and Dunton, south on Dunton to Northwest Hwy., east on highway to State road, south on State to Davis, west on Davis to Campbell, continuing west to Vail, then north to the village hall, where Santa will greet the children at his headquarters during the rest of the afternoon.

Santa plans to visit all stores in the business district. He will be in stores south of the railroad tracks from 7 to 9 p.m. Monday, Wednesday and Friday next week, and also Thursday, December 23. He will visit stores north of the tracks next week Tuesday and Thursday, and Monday, December 20 and Wednesday, December 22, also from 7 to 9 p.m. He will be at his headquarters in the village hall December 18, from 4 to 6 p.m.

Local merchants have a wonderful stock of the latest toys which every child would be delighted to receive at Christmas. Gifts to please every member of the family, as well as friends and relatives, can be found in Arlington Heights stores this Christmas season. Merchants invite residents to shop early for best selections. Stores will remain open until 9 p.m., beginning Monday, and continuing until December 23.

The decorations which adorn the loop were made possible through the Chamber of Commerce. All is in readiness for the arrival of Santa and the colorful Christmas lights will be turned on Saturday to put the finishing touch to the holiday scene.

Yule Concert At High School Sunday

About 400 students will take part in the annual Christmas Concert at Arlington Heights high school Sunday afternoon.

The program will get underway at 3 p.m. in the high school gymnasium, with the toyland scene, "A Child Looks at Christmas." This will be followed by "A Teenager Looks at Christmas," featuring a teenage party scene and a caroling scene. The Bible story of Christmas is the principal feature of "An Adult Looks at Christmas." "Christians of All Ages Look at Christmas" is set in a church and the choirs and orchestra will feature familiar religious music.

* * *

THREE of the choruses will present musical interludes between the major scenes. These will feature traditional Christmas music primarily.

The entire music department will take part in the finale of the program, the "Hallelujah" Chorus from the "Messiah."

All the groups in the music department will take part except the beginning band and beginning orchestra, whose members will include the freshmen boys' chorus, freshman girls' chorus, treble clef chorus, the choirs, mixed octette, harmonettes, concert band, and orchestra.

Also appearing in the program are dancers from the special gym classes directed by Elaine Wissen, and members of Larry Jenness' advanced speech classes.

* * *

THE ART department has constructed the scenery and backdrops under the direction of Ed Fischer, and members of Thespians and Paint and Wig society will help with the staging, under the direction of Douglas Murphy.

Teachers in the music department planning and directing the program, June Leick and James Cockrum handling the vocal direction, Martin Dahlberg and Frederick Schmoyer the instrumental.

All who wish to come are invited to attend the program. No admission charge will be made, and no tickets will be required. While past programs have been well attended, the large capacity of the gymnasium should assure everyone of a seat. No seats will be reserved.

400 Parking Tickets Issued During First Week Of Parking Meters

Nearly 400 shoppers in Arlington Heights have called at the police station since December 1 to pay 50 cents for parking violations.

The police department started issuing real tickets for overtime parking as of that date. Most of the offenders have paid their fines good naturedly, while a few have cussed the policemen up and down for daring to issue them a ticket.

To pay her fine one woman literally threw her 50 cents in change at the desk sergeant. On the other hand, a young man asked to keep his ticket after paying the fine. He said it was the first one he had ever received and he wanted to have it for a souvenir.

Several offenders complained the parking meters didn't work, in which case the meters were checked and if found not working the tickets were voided.

Violators are charged 50 cents if the fine is paid within two hours, $1 if paid within 48 hours, and 50 cents for each day the fine remains unpaid after that time.

Airport Residents Begin Migration To New Homes

by CHARLES HAYES

A strange atmosphere of quiet is settling over Arlington airport as the January 1 evacuation deadline nears for families living in the barracks apartments and trailer park.

In the background can be heard the roar of steam shovels and diesel trucks, the shouts of workmen speeding progress on the air force's guided missile center under construction at the old airport.

This is the quiet of worried people, tense people, bewildered and anxious, wondering where to go and what to do.

* * *

IN THE BARRACKS, most of the small apartments are empty and deserted, the families gone to live in Chicago's teeming southside or else home to the distant states they left to find security and happiness in Chicago.

Only three families remain in the building, and soon they will be gone. The shouts of children echo loudly in deserted hallways.

On the first floor, a smiling, congenial woman stands behind a lunch counter and admits she is closing her store and restaurant and moving next Wednesday.

"This is no place to bring up children," she says.

In the next room, a little boy stands tip toe on the wooden seat of a pay phone booth and holds the receiver close to his grimy, questioning face.

"Dada? Dada?" he calls.

There is no answer.

In the dusty trailer park, white patches of crushed rock mark former resting places of trailer homes. Close by is a litter of loose boards, discarded cans, old bricks and blocks.

* * *

FIFTY-FIVE trailers remain, waiting out the few short weeks before the government closes the airport permanently.

Some trailers have moved out of state, back to where they started from.

A few have been sold.

Some have moved to new trailer projects such as one at Lily Lake.

And some have apparently been abandoned by discouraged owners.

Here and there an old toy lies forgotten in dry mud.

A little boy runs up to you, eyes bright, and says he's going to live in a house!

* * *

A MOPPET dressed in coveralls dances around a fence post and tells you she's going to live with her grandma.

Their faces bear no trace of the concern that is their parents.

One woman put it this way:

"We've been happy here. We tried to make a home here. It's hard on us having to leave, but we aren't bitter. After all, most of us have to face something like this in all our lives."

November Building In Heights Totals $733,136

Building permits issued in Arlington Heights during November totaled $733,136.

Included were permits for 35 single family homes amounting to $569,400. Other permits were: 7 private garages, $6,736; 8 alterations to buildings, $12,500; 3 commercial buildings, 10 E. Miner, $33,000; 1706 W. Campbell, $15,000; and 1414 E. Davis, $11,500; and addition to industrial plant, $85,00.

Suburban Business Booming

Remains of Pasvogel Florists Algonquin rd., Elk Grove township, which was completely gutted by fire last Thursday morning. A passer-by noticed the flames in the greenhouse and stopped at the Pasvogel house next door to tell them of the fire. Cause of the blaze was not certain, but it is believed it started from a faulty boiler. Though all the greenhouses were not destroyed all the plants were frozen due to lack of heat. —Staff Photo

Fire Destroys Pasvogel Flower Shop

A fire early in the morning December 2, completely gutted Pasvogel's Flower shop on Algonquin rd., Elk Grove township. Though most of the greenhouses remained standing all the plants were frozen because the central heating plant was knocked out of commission.

* * *

THE FIRE was discovered by an unidentified passing motorist, who stopped at the Pasvogel home next door to tell them of the blaze. Mount Prospect Rural Fire department answered the call and the Pasvogels are grateful for their wonderful cooperation and team work in fighting the fire. It is believed the fire was caused by a faulty boiler.

All the Christmas items displayed in the gift shop were destroyed, as well as the frame structure which housed them. The building was not covered by fire insurance.

Total amount of damage was not estimated at this time. The Pasvogels plan to rebuild immediately and will be back in business as soon as possible.

Scouts To Collect Paper On North Side Saturday Morning

The regularly scheduled scrap paper pickup will be made in Arlington Heights, in the area lying north of the Northwest highway, this Saturday.

Papers and magazines should be securely tied and placed on the curb by 9:30 a.m. Bundles can, of course, be put out later if it is evident pickups have not been made on the street.

If the truck has gone through the area before a resident has his paper out, the scouts would appreciate it if the bundle were brought to the North school by noon.

The scouts are pleased with the cooperation of the residents of Arlington Heights, but are always hoping for more paper from more homes. Their motto is, "A bundle in front of every house."

Special handling can be arranged by calling CL 3-4224 before 9:30 a.m. Saturday.

Ask Aid In Selecting Candidates To Run For School Board

The board of education of the Arlington Heights public schools sent letters this week to 13 organizations inviting them to appoint delegates to a nominating committee for the selection of candidates for the board.

The organizations included were the Parent-Teacher Association, Woman's club, Lions club, Kiwanis club, Chamber of Commerce, and all property owners' associations in the district. While the representatives of these organizations will make up the 1955 nominating committee, provision will undoubtedly be made for adding other organizations in subsequent years.

The board of education has been considering this step for some time, having made a survey last summer of similar plans in operation in other suburban communities. The board believes that the cooperation of these community organizations will result in the selection of candidates with exbe truly representative of the community.

The board of education is made up of seven members, elected for two or three members elected annually. The annual election is held on the second Saturday in April.

Hold Yule Party For Village Employees

All Arlington Heights village employees, their wives and husbands, will be guests of the village president, manager, engineers, attorney and trustees at a Christmas party Friday night at the Legion hall.

Other guests will include members of the planning commission, building committee and zoning board of appeals.

Festivities will begin at 9 p. m., with music for dancing to highlight the evening's entertainment. A buffet supper will be served at midnight.

Driver's Tests

A testing station for drivers' license applicants has been reopened in Arlington Heights at the village hall. It is open 6 days a week, Monday through Saturday from 9 a.m. to 4 p.m. No appointments are necessary. Applicants for both driver's and chauffeur's licenses may take tests there.

Arlington Seating Putting $85,000 Addition on Plant

One of Arlington Heights' oldest industries broke ground November 24 for an $85,000 addition to its plant. The firm, Arlington Seating Company, was founded in 1901 by Peter and Volz, operating at that time as a foundry.

In 1923 the foundry was changed to a woodworking shop and in 1945 it started using steel in its plant. The company manufactures school and church furniture.

George Volz, who took over as president in 1943, has been active in the firm since 1903.

* * *

THE NEW addition is the second improvement to be made within a year at the plant. Last summer the firm erected a 25x128 foot enclosed loading platform, which is used to unload steel sent in from the mills in 40 foot flatbed semi-trucks. It is equipped with a five ton hoist for unloading.

The present addition is being erected in back of the existing plant, and will be 100x117½ feet. Retangular in shape, it will be made mostly of glass, reinforced with steel sash and brick. Carl M. Teutsch is the architect.

With the plant's completion the company will move its steel and welding departments into the new addition, and the assembly department will be moved into the space now occupied by the steel division. It is hoped the new section will be in operation by the middle of April.

Elected 'Veep' Of Building Association

Fred J. Hammer Jr., Arlington Heights building commissioner, was elected second vice president of the recently organized Illinois Building Officials association.

William A. Rowland, Highland Park, was elected president. The association has applied for a state charter. The organization will hold its first official meeting early next spring.

Santa In Arlington

The most popular twosome in Arlington Heights these days is Santa Claus, currently appearing at both Hagenbring's store and Bowen hardware.

He can be seen at Bowen's from 7-9 nightly, and 2-5 Saturday. At Hagenbring's Santa will be on hand 6-9 nightly, 1-5 and 6:30-9:00 Saturday.

Arlington Stores Sponsor Special 'Men's Night'

Bewildered male shoppers will have holiday gift problems solved for them Monday when Arlington Heights merchants cooperate for a special "Men's Night."

Stores will open their doors for an evening of catering especially to men invited to take advantage of this opportunity to do Christmas shopping.

* * *

MOST STORES will provide special gift wrapping services for men.

Several shops will feature comely models wearing latest fashions for the benefit of husbands and boy friends trying to visualize a Christmas present on a wife or sweetheart.

Men shoppers will be served coffee and cake "on the house" from 7 to 10 p.m. in Arlington Heights pharmacy.

This cooperative effort on the part of merchants is designed to accommodate men unable to find time, or unwilling to buck crowds, during the day. Men with special shopping problems will find Arlington Heights' stores prepared to offer suggestions.

* * *

THESE ARE the 13 merchants sponsoring "Men's Night:"

Arlington Bootery, Arlington Heights Pharmacy, Bowen Hardware, Emerald Shop, Flaherty Jewelers, Giesekes Store, Hagenbring's, Hartmann's Shoe store, Lorraine - Anne Shop, Terri Lee Specialty Shop, The Jewel Box, and the Silhouette Shop.

Chief Skoog Asks For Help On S-D Day

Chief of Police Carl H. Skoog today asked for help.

"Yes, I'm asking for help," Chief Skoog said. "I am asking every driver and pedestrian in Arlington Heights to help reduce traffic accidents to a minimum—zero, if we can—on December 15, S-D Day (Safe Driving Day).

"I am asking every man, woman, and child who uses the streets to accept full personal responsibility for observing the letter and spirit of all traffic regulations.

"S-D Day is being observed all over the country. It is sponsored by the President's action committee for traffic safety and hundreds of local, state and national organizations to demonstrate that traffic accidents can be reduced materially if we all pitch in. We're going to give S-D Day our full support in Arlington Heights but it's a program in which we must all participate.

"Police drivers and civilian employees of the police department are being urged to set a good example on S-D Day. They are being asked to exercise particular caution in their driving and walking on that day. We want to show the people of Arlington Heights that we also practice what we preach.

"In Arlington Heights on an average week-day (or during an average week) this time of the year we have about 5 traffic accidents of all types. These accidents don't have to happen, and they wouldn't happen if every citizen would drive and walk as he would have everyone else drive and walk.

"Remember S-D Day, and then make every day [illegible] Safe Driving Day."

Tax Report Shows Sales Up 15 Per Cent Over Last Year

Suburban sales jumped 15 per cent over last year according to the annual report of state sales tax collections disclosed last week. The report was based on the fiscal year ending July 1.

As a group, the suburbs paid $21,003,554 in sales taxes, compared to $19,194,699 the preceeding year. Chicago decreased from $94,401,481 to $92,116,657, reflecting the "trend to the suburbs."

While doing better business than the preceeding year, Arlington Heights, Northbrook, Park Ridge and Winnetka fell behind other fast-moving suburbs and lost rank, the report shows. On the other hand Palatine, Mt. Prospect, Glenview, Barrington and Niles all improved their rank as well as their sales.

* * *

ARLINGTON HEIGHTS increased sales $51,421 over last year but dropped from 19th to 20th, in competition with 85 Cook county suburban municipalities. Total sales were $345,469. Northbrook dropped from 35th to 38th, with sales reaching $120,984, compared to $106,890 last year.

Park Ridge dropped from 15th to 16th, with sales totaling $394,317, compared to $367,511 last year. Winnetka sales totaled $357,034, this year, topping the previous year's sales by $18,026, but dropping in rank from 18th to 19th.

Palatine climbed from 30th to 29th place, sales totaling $169,115, compared to $143,644 last year. Mount Prospect jumped ahead two places, from 33rd to 31st, with sales totaling $154,174 compared to $111,012 last year.

Glenview moved up from 22nd to 21st, sales totaling $227,215 from $254,931. Barrington jumped ahead four places, from 39th to 35th. Sales increased from $96,033 to $131,507.

Niles made the biggest leap in positioning going from 51st to 41st. Sales totaled $95,232, compared to $55,760 a year ago.

* * *

EVANSTON retained first place among Cook suburbs with $2,312,551 compared to 2,292,625 and 904 retailers reporting, an increase of two over last year. Des Plaines remained ninth, with $622,389 compared to $446,774, passing Maywood, with $514,918. For June, Skokie was in 10th place, with $51,248.

Wheeling suffered a loss in rank as well as a loss in sales. It dropped from 49th to 54th, with sales only reaching $58,847 compared to $63,621 a year ago. Northfield also dropped in rank, from 56th to 59th. Sales increased, however, from $42,614 to $44,150. Morton Grove also dropped in rank, from 37th to 39th, but sales increased from $102,485 to $117,765.

Businessmen Object To License Increase

Businessmen turned out enmasse at the Arlington Heights village board meeting Tuesday night to voice objections to the proposed increase in business licenses.

Spokesman for the group was Nelson Hauff, secretary of the Chamber of Commerce. He said businessmen would like an adjustment on certain inequalities in the proposed increase and they objected strongly to the fact increases were as high as 300 and 400 per cent over what they are now paying.

* * *

THE LICENSE fee ordinance is part of the recently compiled book bringing all village ordinances up to date. This book had its first reading several weeks ago and is now ready for passage. In order not to delay the adoption of the revised ordinance, Attorney Hugo J. Thal advised the board to pass the ordinance in its present form, but delay action on some of the new business fees until further discussion.

The board asked the Chamber of Commerce to select a committee of businessmen to map out what they felt would be a fair fee for the various businessmen and asked them to submit this information to the board at a special meeting January 25. At that time due consideration will be given the entire matter, and adjustments will be made if the board feels they are justified.

Eight Men From Area Inducted Into Army

Eight more men were inducted into the army Friday by Selective Service System, Cook County Area No. 2, Des Plaines.

Three men, Donald Linneman, Thomas Frank Meyer and Harold William Dotts Jr., were from Arlington Heights. Mount Prospect sent Donald Max Deethardt and Robert Elmer Jackisch.

Submit Shopping Center Plan For Dunton Avenue

A preliminary plan for a proposed new shopping area on S. Dunton, on the west side of the street and a little north on Sigwalt, was submitted to the Arlington Hts. plan commission at its meeting Monday. The center would contain approximately 13 shops and would have off-street parking for 43 cars.

The plan was submitted by Tucker and Green, builders, of Chicago. No action was taken since no further information accompanied the plan.

The sub-committee of the planning commission appointed to study the economic development of Arlington Heights made a preliminary report Monday night.

* * *

BEFORE GOING any further the group needs answers to certain basic questions regarding community services supported by the tax dollar and cost for each service. The planning commission authorized the sub-committee to study means to obtain whatever information needed to complete its report on the problem.

The group, headed by George Neurenberger, is to determine what action, if any, is needed to permit Arlington Heights to continue its present standard of government services and to increase services as may be necessary in the future.

Unit No. 6 of the Rolling Meadows subdivision was recommended for approval by the commission, pending the approval by the county board. It will now go to the village board, which will act on the commission's recommendation.

* * *

A 90-LOT subdivision on Kensington rd., bounded on the north by Miner st., on the east by Donald ave., and extending on the west one-half block west of Phelps, was recommended for approval and will be submitted to the village board for final action.

Known as the Lurya addition to Arlington Heights the area is to be developed by Best Built Company of Illinois. Included in the plat is the dedication of a public park, comprising of three adjoining lots, each 66x132 feet.

* * *

APROVAL ON THE Ehler and Wenborg proposed subdivision in Prospect Heights was held up until more information regarding the development of the adjoining property could be obtained. The commission felt subdividing in piecemeal fashion was not good planning, and if the developers owned the adjoining property and eventually planned to subdivide it, they should give some indication of their plans at this time.

The next regular meeting of the planning commission will not be held until January 3. Unless an emergency arises no further meetings will be held this month

Arlington Packing Grand Opening This Weekend

Grand opening of the new building of Arlington Packing Co., 119 W. Campbell st., is Friday and Saturday.

Smorgasbord and refreshments will be served from 9 a.m. to 9 p.m. Friday and from 8:30 a.m. to 9 p.m. Saturday.

A hind quarter of beef processed and ready for the freezer will be given away. No purchase is necessary to be eligible, and the winner does not need to be present at the drawing.

Arlington Police Recover Stolen Car

Lt. Elmer Karstens and Ira Melbourne were able to recover a car stolen from a driveway at 17 S. Evergreen within a few hours after it was reported Tuesday night.

Owner, Bert Taylor, hadn't even time to report it downtown before it was back in his possession. The vehicle was found abandoned on S. State rd. It was still warm and the thief had put about 50 miles on the car. Apparently no damage was done.

Arlington Heights firemen were able to extinguish a garage fire before it did too much damage Wednesday morning. It is believed papers and other items stored in the building, which is located at 740 N. Pine, were ignited by spontaneous combustion.

The Editor's column

By S. R. PADDOCK

"Oh, what a beautiful morning!" We may have first heard that in "Oklahoma," but it was a beautiful, beautiful morning Saturday when, after three days of blindness, we were able to see the sun.

Robert Casey, who wrote of his similar experience in a Chicago newspaper, had nothing on us. It took him seven installments to tell his story. We are going to tell ours in one column.

It was only a week ago that we discovered that practically all our seeing was from one eye and as we were able to enter the hospital, we did not hesitate to turn down an invitation from a national airlines to participate in a press junket to Arizona.

We told them we would not be able to see very much anyway with only one eye.

We were particularly interested in the mechanics of the operation. With both eyes open under a floodlight that nearly blinded us, a half circle cut is made in the iris. The pupil is partially lifted out and a suction spoon removes the lens that is back of the pupil. With the lens out, the muscles of the pupil pull it back in place. All that remains to be done are six stitches.

They did not charge the patient anything extra for the privilege of watching his own operation.

We offered to be responsible for our life if they would be responsible for the eye. We shook hands on it, but they were not quite willing to trust us, and they insisted upon getting the information that they would need in case we fell down on our part of the bargain.

That was the beginning of our experience in a hospital, the first time in the 73 years of our life. It wasn't bad at all. As a nurse told us, "the Eye, Ear, Nose and Throat hospital is an unusual hospital. The average hospital is dedicated to saving lives, our hospital to saving eyes."

It confines itself almost exclusively to cataract operations, but it has a terrible lot of "don't do's." Some people will ask if the operation or the resulting effects were painful. They were not, but it appeared that we never suffered such agony to our muscles as it was required that we lie perfectly motionless on our back for 24 hours. A special nurse was there to see that we obeyed those orders.

When the specialist examined the offending eye this morning, he said, "Somebody must be doing a lot of praying, because your eye is in wonderful shape." We replied, "If it isn't, it's nobody's fault but the doctor's, because pastors of four denominations have told us they were going to do the praying for us."

As our one good eye was uncovered for the first time, we discovered that the nurses were as pretty looking as their hands were soft and their voices were sympathetic. We will no longer wonder why food being given to a young child sometimes overflows the mouth. Even the experienced nurses could not always give all of the spoonful into the opening where it belonged.

This is the first hospital I ever heard of that serves home cooked food. They explain it with the statement that the cook has been with them for years.

We do not know if they count the calories, but we do know that physically aside from the eye, we never felt better.

Visitors tell me I am on my way to being a beachcomber. The no shave edict is a bit disagreeable but if movie actors can stand the discomfort, I can too. I must look as badly as I feel because I note that I do not receive any affectionate greetings from my feminine friends.

The doctors and nurses had many a chuckle over the crayon drawn greetings of 36 primary children of the Palatine Methodist church who meet every Sunday in the Margaret Paddock memorial room.

On our way to the hospital, we discovered that a resident of Northwest Meadows lives so close to Arlington Heights that he has acquired the Good Neighbor spirit. Both of us were strangers to each other as he offered to carry my grip from the depot towards the Loop. He was happy to meet the editor and the editor was happy to learn that his group was successful in defeating smaller lot sizes in the area as was requested of the zoning board.

•

I missed the Sunday paper but, thanks to the radio, I got to church on time although I was not able to sign the attendance register. Palatine Methodist church installed the register, we were told, because they believed that even church members occasionally go AWOL.

It will be interesting to learn what happens next. It is an even bet they won't even discover the omission of our signature on the 8:15 roll.

•

We were happy to receive word today that the Arlington Heights breakfast club is still functioning and still in disagreement as to the truth of statements that we make in this column. The roses were lovely and we don't care whether we got them for telling the truth or prevaricating. Some of the members of the club have never agreed with what we say anyway.

Visitors tell us that the Arlington Heights police department is enforcing the parking regulations to the letter. We couldn't expect anything different. They waited five years for the opportunity.

Naturally, contributors to the Fence Post on this subject will have to stand in line.

Santa Arrives Saturday

Santa Claus advised the Arlington Heights Chamber of Commerce he would arrive in town about 3:45 p.m. this Saturday.

A parade, led by the Arlington Heights police and fire departments and the Arlington Heights high school band, will herald his arrival. In order that parents can have their children at the right place to see the parade the line of march is as follows: Assemble at Miner and Dunton, south on Dunton to Northwest Hwy., east on highway to State road, south on State to Davis, west on Davis to Campbell, continuing west to Vail, then north to the village hall, where Santa will greet the children at his headquarters during the rest of the afternoon.

Santa plans to visit all stores in the business district. He will be in stores south of the railroad tracks from 7 to 9 p.m. Monday, Wednesday and Friday next week, and also Thursday, December 23. He will visit stores north of the tracks next week Tuesday and Thursday, and Monday, December 20 and Wednesday, December 22, also from 7 to 9 p.m. He will be at his headquarters in the village hall December 18, from 4 to 6 p.m.

Local merchants have a wonderful stock of the latest toys which every child would be delighted to receive at Christmas. Gifts to please every member of the family, as well as friends and relatives, can be found in Arlington Heights stores this Christmas season. Merchants invite residents to shop early for best selections. Stores will remain open until 9 p.m., beginning Monday, and continuing until December 23.

The decorations which adorn the loop were made possible through the Chamber of Commerce. All is in readiness for the arrival of Santa and the colorful Christmas lights will be turned on Saturday to put the finishing touch to the holiday scene.

Yule Concert At High School Sunday

About 400 students will take part in the annual Christmas Concert at Arlington Heights high school Sunday afternoon.

The program will get underway at 3 p.m. in the high school gymnasium, with the toyland scene, "A Child Looks at Christmas." This will be followed by "A Teenager Looks at Christmas," featuring a teenage party scene and a caroling scene. The Bible story of Christmas is the principal feature of "An Adult Looks at Christmas." "Christians of All Ages Look at Christmas" is set in a church and the choirs and orchestra will feature familiar religious music.

* * *

THREE of the choruses will present musical interludes between the major scenes. These will feature traditional Christmas music primarily.

The entire music department will take part in the finale of the program, the "Hallelujah" Chorus from the "Messiah."

All the groups in the music department will take part except the beginning band and beginning orchestra, whose members will include the freshmen boys' chorus, freshman girls' chorus, treble clef chorus, the choirs, mixed octette, harmonettes, concert band, and orchestra.

Also appearing in the program are dancers from the special gym classes directed by Elaine Wissen, and members of Larry Jenness' advanced speech classes.

* * *

THE ART department has constructed the scenery and backdrops under the direction of Ed Fischer, and members of Thespians and Paint and Wig society will help with the staging, under the direction of Douglas Murphy.

Teachers in the music department planning and directing the program, June Leick and James Cockrum handling the vocal direction, Martin Dahlberg and Frederick Schmoyer the instrumental.

All who wish to come are invited to attend the program. No admission charge will be made, and no tickets will be required. While past programs have been well attended, the large capacity of the gymnasium should assure everyone of a seat. No seats will be reserved.

400 Parking Tickets Issued During First Week Of Parking Meters

Nearly 400 shoppers in Arlington Heights have called at the police station since December 1 to pay 50 cents for parking violations.

The police department started issuing real tickets for overtime parking as of that date. Most of the offenders have paid their fines good naturedly, while a few have cussed the policemen up and down for daring to issue them a ticket.

To pay her fine one woman literally threw her 50 cents in change at the desk sergeant. On the other hand, a young man asked to keep his ticket after paying the fine. He said it was the first one he had ever received and he wanted to have it for a souvenir.

Several offenders complained the parking meters didn't work, in which case the meters were checked and if found not working the tickets were voided.

Violators are charged 50 cents if the fine is paid within two hours, $1 if paid within 48 hours, and 50 cents for each day the fine remains unpaid after that time.

Airport Residents Begin Migration To New Homes

by CHARLES HAYES

A strange atmosphere of quiet is settling over Arlington airport as the January 1 evacuation deadline nears for families living in the barracks apartments and trailer park.

In the background can be heard the roar of steam shovels and diesel trucks, the shouts of workmen speeding progress on the air force's guided missile center under construction at the old airport.

This is the quiet of worried people, tense people, bewildered and anxious, wondering where to go and what to do.

* * *

IN THE BARRACKS, most of the small apartments are empty and deserted, the families gone to live in Chicago's teeming southside or else home to the distant states they left to find security and happiness in Chicago.

Only three families remain in the building, and soon they will be gone. The shouts of children echo loudly in deserted hallways.

On the first floor, a smiling, congenial woman stands behind a lunch counter and admits she is closing her store and restaurant and moving next Wednesday.

"This is no place to bring up children," she says.

In the next room, a little boy stands tip toe on the wooden seat of a pay phone booth and holds the receiver close to his grimy, questioning face.

"Dada? Dada?" he calls.

There is no answer.

In the dusty trailer park, white patches of crushed rock mark former resting places of trailer homes. Close by is a litter of loose boards, discarded cans, old bricks and blocks.

* * *

FIFTY-FIVE trailers remain, waiting out the few short weeks before the government closes the airport permanently.

Some trailers have moved out of state, back to where they started from.

A few have been sold.

Some have moved to new trailer projects such as one at Lily Lake.

And some have apparently been abandoned by discouraged owners.

Here and there an old toy lies forgotten in dry mud.

A little boy runs up to you, eyes bright, and says he's going to live in a house!

* * *

A MOPPET dressed in coveralls dances around a fence post and tells you she's going to live with her grandma.

Their faces bear no trace of the concern that is their parents.

One woman put it this way:

"We've been happy here. We tried to make a home here. It's hard on us having to leave, but we aren't bitter. After all, most of us have to face something like this in all our lives."

November Building In Heights Totals $733,136

Building permits issued in Arlington Heights during November totaled $733,136.

Included were permits for 35 single family homes amounting to $569,400. Other permits were: 7 private garages, $6,736; 8 alterations to buildings, $12,500; 3 commercial buildings, 10 E. Miner, $33,000; 1706 W. Campbell, $15,000; and 1414 E. Davis, $11,500; and addition to industrial plant, $85,000.

Suburban Business Booming

Remains of Pasvogel Florists Algonquin rd., Elk Grove township, which was completely gutted by fire last Thursday morning. A passer-by noticed the flames in the greenhouse and stopped at the Pasvogel house next door to tell them of the fire. Cause of the blaze was not certain, but it is believed it started from a faulty boiler. Though all the greenhouses were not destroyed all the plants were frozen due to lack of heat. —Staff Photo

Fire Destroys Pasvogel Flower Shop

A fire early in the morning December 2, completely gutted Pasvogel's Flower shop on Algonquin rd., Elk Grove township. Though most of the greenhouses remained standing all the plants were frozen because the central heating plant was knocked out of commission.

* * *

THE FIRE was discovered by an unidentified passing motorist, who stopped at the Pasvogel home next door to tell them of the blaze. Mount Prospect Rural Fire department answered the call and the Pasvogels are grateful for their wonderful cooperation and team work in fighting the fire. It is believed the fire was caused by a faulty boiler.

All the Christmas items displayed in the gift shop were destroyed, as well as the frame structure which housed them. The building was not covered by fire insurance.

Total amount of damage was not estimated at this time. The Pasvogels plan to rebuild immediately and will be back in business as soon as possible.

Scouts To Collect Paper On North Side Saturday Morning

The regularly scheduled scrap paper pickup will be made in Arlington Heights, in the area lying north of the Northwest highway, this Saturday.

Papers and magazines should be securely tied and placed on the curb by 9:30 a.m. Bundles can, of course, be put out later if it is evident pickups have not been made on the street.

If the truck has gone through the area before a resident has his paper out, the scouts would appreciate it if the bundle were brought to the North school by noon.

The scouts are pleased with the cooperation of the residents of Arlington Heights, but are always hoping for more paper from more homes. Their motto is, "A bundle in front of every house."

Special handling can be arranged by calling CL 3-4224 before 9:30 a.m. Saturday.

Ask Aid In Selecting Candidates To Run For School Board

The board of education of the Arlington Heights public schools sent letters this week to 13 organizations inviting them to appoint delegates to a nominating committee for the selection of candidates for the board.

The organizations included were the Parent-Teacher Association, Woman's club, Lions club, Kiwanis club, Chamber of Commerce, and all property owners' associations in the district. While the representatives of these organizations will make up the 1955 nominating committee, provision will undoubtedly be made for adding other organizations in subsequent years.

The board of education has been considering this step for some time, having made a survey last summer of similar plans in operation in other suburban communities. The board believes that the cooperation of these community organizations will result in the selection of candidates with ex- be truly representative of the community.

The board of education is made up of seven members, elected for two or three members elected annually. The annual election is held on the second Saturday in April.

Hold Yule Party For Village Employees

All Arlington Heights village employees, their wives and husbands, will be guests of the village president, manager, engineers, attorney and trustees at a Christmas party Friday night at the Legion hall.

Other guests will include members of the planning commission, building committee and zoning board of appeals.

Festivities will begin at 9 p.m., with music for dancing to highlight the evening's entertainment. A buffet supper will be served at midnight.

Driver's Tests

A testing station for drivers' license applicants has been reopened in Arlington Heights at the village hall. It is open 6 days a week, Monday through Saturday from 9 a.m. to 4 p.m. No appointments are necessary. Applicants for both driver's and chauffeur's licenses may take tests there.

Arlington Seating Putting $85,000 Addition on Plant

One of Arlington Heights' oldest industries broke ground November 24 for an $85,000 addition to its plant. The firm, Arlington Seating Company, was founded in 1901 by Peter and Volz, operating at that time as a foundry.

In 1923 the foundry was changed to a woodworking shop and in 1945 it started using steel in its plant. The company manufactures school and church furniture.

George Volz, who took over as president in 1943, has been active in the firm since 1903.

* * *

THE NEW addition is the second improvement to be made within a year at the plant. Last summer the firm erected a 25x128 foot enclosed loading platform, which is used to unload steel sent in from the mills in 40 foot flatbed semi-trucks. It is equipped with a five ton hoist for unloading.

The present addition is being erected in back of the existing plant, and will be 100x117½ feet. Retangular in shape, it will be made mostly of glass, reinforced with steel sash and brick. Carl M. Teutsch is the architect.

With the plant's completion the company will move its steel and welding departments into the new addition, and the assembly department will be moved into the space now occupied by the steel division. It is hoped the new section will be in operation by the middle of April.

Elected 'Veep' Of Building Association

Fred J. Hammer Jr., Arlington Heights building commissioner, was elected second vice president of the recently organized Illinois Building Officials association.

William A. Rowland, Highland Park, was elected president. The association has applied for a state charter. The organization will hold its first official meeting early next spring.

Santa In Arlington

The most popular twosome in Arlington Heights these days is Santa Claus, currently appearing at both Hagenbring's store and Bowen hardware.

He can be seen at Bowen's from 7-9 nightly, and 2-5 Saturday. At Hagenbring's Santa will be on hand 6-9 nightly, 1-5 and 6:30-9:00 Saturday.

Arlington Stores Sponsor Special 'Men's Night'

Bewildered male shoppers will have holiday gift problems solved for them Monday when Arlington Heights merchants cooperate for a special "Men's Night."

Stores will open their doors for an evening of catering especially to men invited to take advantage of this opportunity to do Christmas shopping.

* * *

MOST STORES will provide special gift wrapping services for men.

Several shops will feature comely models wearing latest fashions for the benefit of husbands and boy friends trying to visualize a Christmas present on a wife or sweetheart.

Men shoppers will be served coffee and cake "on the house" from 7 to 10 p.m. in Arlington Heights pharmacy.

This cooperative effort on the part of merchants is designed to accommodate men unable to find time, or unwilling to buck crowds, during the day. Men with special shopping problems will find Arlington Heights' stores prepared to offer suggestions.

* * *

THESE ARE the 13 merchants sponsoring "Men's Night:"

Arlington Bootery, Arlington Heights Pharmacy, Bowen Hardware, Emerald Shop, Flaherty Jewelers, Giesekes Store, Hagenbring's, Hartmann's Shoe store, Lorraine - Anne Shop, Terri Lee Specialty Shop, The Jewel Box, and the Silhouette Shop.

Chief Skoog Asks For Help On S-D Day

Chief of Police Carl H. Skoog today asked for help.

"Yes, I'm asking for help," Chief Skoog said. "I am asking every driver and pedestrian in Arlington Heights to help reduce traffic accidents to a minimum—zero, if we can—on December 15, S-D Day (Safe Driving Day).

"I am asking every man, woman, and child who uses the streets to accept full personal responsibility for observing the letter and spirit of all traffic regulations.

"S-D Day is being observed all over the country. It is sponsored by the President's action committee for traffic safety and hundreds of local, state and national organizations to demonstrate that traffic accidents can be reduced materially if we all pitch in. We're going to give S-D Day our full support in Arlington Heights but it's a program in which we must all participate.

"Police drivers and civilian employees of the police department are being urged to set a good example on S-D Day. They are being asked to exercise particular caution in their driving and walking on that day. We want to show the people of Arlington Heights that we also practice what we preach.

"In Arlington Heights on an average week-day (or during an average week) this time of the year we have about 5 traffic accidents of all types. These accidents don't have to happen, and they wouldn't happen if every citizen would drive and walk as he would have everyone else drive and walk.

"Remember S-D Day, and then make every day [illegible] Safe Driving Day."

Tax Report Shows Sales Up 15 Per Cent Over Last Year

Suburban sales jumped 15 per cent over last year according to the annual report of state sales tax collections disclosed last week. The report was based on the fiscal year ending July 1.

As a group, the suburbs paid $21,003,554 in sales taxes, compared to $19,194,699 the preceeding year. Chicago decreased from $94,401,481 to $92,116,657, reflecting the "trend to the suburbs."

While doing better business than the preceeding year, Arlington Heights, Northbrook, Park Ridge and Winnetka fell behind other fast-moving suburbs and lost rank, the report shows. On the other hand Palatine, Mt. Prospect, Glenview, Barrington and Niles all improved their rank as well as their sales.

* * *

ARLINGTON HEIGHTS increased sales $51,421 over last year but dropped from 19th to 20th, in competition with 85 Cook county suburban municipalities. Total sales were $345,469. Northbrook dropped from 35th to 38th, with sales reaching $120,984, compared to $106,890 last year.

Park Ridge dropped from 15th to 16th, with sales totaling $394,317, compared to $367,511 last year. Winnetka sales totaled $357,034, this year, topping the previous year's sales by $18,026, but dropping in rank from 18th to 19th.

Palatine climbed from 30th to 29th place, sales totaling $169,115, compared to $143,644 last year. Mount Prospect jumped ahead two places, from 33rd to 31st, with sales totaling $154,174 compared to $111,012 last year.

Glenview moved up from 22nd to 21st, sales totaling $227,215 from $254,931. Barrington jumped ahead four places, from 39th to 35th. Sales increased from $96,033 to $131,507.

Niles made the biggest leap in positioning going from 51st to 41st. Sales totaled $95,232, compared to $55,760 a year ago.

* * *

EVANSTON retained first place among Cook suburbs with $2,312,551 compared to 2,292,625 and 904 retailers reporting, an increase of two over last year. Des Plaines remained ninth, with $622,389 compared to $446,774, passing Maywood, with $514,918. For June, Skokie was in 10th place, with $51,248.

Wheeling suffered a loss in rank as well as a loss in sales. It dropped from 49th to 54th, with sales only reaching $58,847 compared to $63,621 a year ago. Northfield also dropped in rank, from 56th to 59th. Sales increased, however, from $42,614 to $44,150. Morton Grove also dropped in rank, from 37th to 39th, but sales increased from $102,485 to $117,765.

Businessmen Object To License Increase

Businessmen turned out enmasse at the Arlington Heights village board meeting Tuesday night to voice objections to the proposed increase in business licenses.

Spokesman for the group was Nelson Hauff, secretary of the Chamber of Commerce. He said businessmen would like an adjustment on certain inequalities in the proposed increase and they objected strongly to the fact increases were as high as 300 and 400 per cent over what they are now paying.

* * *

THE LICENSE fee ordinance is part of the recently compiled book bringing all village ordinances up to date. This book had its first reading several weeks ago and is now ready for passage. In order not to delay the adoption of the revised ordinance, Attorney Hugo J. Thal advised the board to pass the ordinance in its present form, but delay action on some of the new business fees until further discussion.

The board asked the Chamber of Commerce to select a committee of businessmen to map out what they felt would be a fair fee for the various businessmen and asked them to submit this information to the board at a special meeting January 25. At that time due consideration will be given the entire matter, and adjustments will be made if the board feels they are justified.

Eight Men From Area Inducted Into Army

Eight more men were inducted into the army Friday by Selective Service System, Cook County Area No. 2, Des Plaines.

Three men, Donald Linneman, Thomas Frank Meyer and Harold William Dotts Jr., were from Arlington Heights. Mount Prospect sent Donald Max Deethardt and Robert Elmer Jackisch.

Submit Shopping Center Plan For Dunton Avenue

A preliminary plan for a proposed new shopping area on S. Dunton, on the west side of the street and a little north on Sigwalt, was submitted to the Arlington Hts. plan commission at its meeting Monday. The center would contain approximately 13 shops and would have off-street parking for 43 cars.

The plan was submitted by Tucker and Green, builders, of Chicago. No action was taken since no further information accompanied the plan.

The sub-committee of the planning commission appointed to study the economic development of Arlington Heights made a preliminary report Monday night.

* * *

BEFORE GOING any further the group needs answers to certain basic questions regarding community services supported by the tax dollar and cost for each service. The planning commission authorized the sub-committee to study means to obtain whatever information needed to complete its report on the problem.

The group, headed by George Neurenberger, is to determine what action, if any, is needed to permit Arlington Heights to continue its present standard of government services and to increase services as may be necessary in the future.

Unit No. 6 of the Rolling Meadows subdivision was recommended for approval by the commission, pending the approval by the county board. It will now go to the village board, which will act on the commission's recommendation.

* * *

A 90-LOT subdivision on Kensington rd., bounded on the north by Miner st., on the east by Donald ave., and extending on the west one-half block west of Phelps, was recommended for approval and will be submitted to the village board for final action.

Known as the Lurya addition to Arlington Heights the area is to be developed by Best Built Company of Illinois. Included in the plat is the dedication of a public park, comprising of three adjoining lots, each 66x132 feet.

* * *

APROVAL ON THE Ehler and Wenborg proposed subdivision in Prospect Heights was held up until more information regarding the development of the adjoining property could be obtained. The commission felt subdividing in piecemeal fashion was not good planning, and if the developers owned the adjoining property and eventually planned to subdivide it, they should give some indication of their plans at this time.

The next regular meeting of the planning commission will not be held until January 3. Unless an emergency arises no further meetings will be held this month

Arlington Packing Grand Opening This Weekend

Grand opening of the new building of Arlington Packing Co., 119 W. Campbell st., is Friday and Saturday.

Smorgasbord and refreshments will be served from 9 a.m. to 9 p.m. Friday and from 8:30 a.m. to 9 p.m. Saturday.

A hind quarter of beef processed and ready for the freezer will be given away. No purchase is necessary to be eligible, and the winner does not need to be present at the drawing.

Arlington Police Recover Stolen Car

Lt. Elmer Karstens and Ira Melbourne were able to recover a car stolen from a driveway at 17 S. Evergreen within a few hours after it was reported Tuesday night.

Owner, Bert Taylor, hadn't even time to report it downtown before it was back in his possession. The vehicle was found abandoned on S. State rd. It was still warm and the thief had put about 50 miles on the car. Apparently no damage was done.

Arlington Heights firemen were able to extinguish a garage fire before it did too much damage Wednesday morning. It is believed papers and other items stored in the building, which is located at 740 N. Pine, were ignited by spontaneous combustion.

Eastwood Events

On the afternoon of Sunday, December 19, the Eastwood Christmas party will be held from 3 to 5 p.m. in the field house. The kiddies, and adults too, will enjoy the movies, singing of Christmas carols, and Santa's visit. Refreshments will be served and all the children will receive gifts from Santa.

Mrs. Laura Sailer is doing well at the Norwegian American hospital where she underwent surgery last Friday.

Mrs. Elna Nickelsen has returned home from Detroit, where she spent about 10 days at the home of her brother who had just welcomed a fourth son into the family.

Last Saturday evening, Jeanne Riley entertained neighbors at a buffet supper, which, much to the surprise of Mr. Lee Gustafson, and Gaily Riley, turned out to be a birthday party for them. Mr. and Mrs. Larson and Mr. and Mrs. Lindahl were also guests at the surprise party.

The Richard Bronwell house has been busy with birthdays, too. Caryl Rime, who resides with the Bronwells, celebrated her 13th birthday Dec. 4. Her party guests were the 11 girls from Mr. Tomlinson's room at the Junior high school. Caryl's sisters, Judy, also had a birthday celebration in Nov., and the Bronwell's daughter, Cindy, was 2 years old in October. Mrs. Shirley Bronwell celebrated her birthday Dec. 7.

All the scores from the November playing in the bridge tournament are tallied, and as of now we have Mr. and Mrs. Foster Travis leading, Mr. and Mrs. Glenn Johnson in second place, and Mr. and Mrs. Herman Raasch holding third place. There are no parties scheduled during December, and the playing will be resumed in January. All 28 couples are enjoying this wonderful way of meeting new neighbors.

New neighbors to Eastwood are Mr. and Mrs. August Rath, who have moved into their new home at 627 N. Beverly. The Raths formerly lived in Chicago, and have many acquaintances scattered throughout Arlington Heights. Altho they are alone now, they have a son, August Jr., who is a lieutenant (j.g.) with the navy and is stationed at Treasure Island, Calif. A daughter, Mrs. Dorothy Miller is on her way to Japan to join her husband who is also employed by Uncle Sam these days. Another daughter, Mrs. Evelyn Klein resides in Liverpool, N. Y. Mr. and Mrs. Rath are also blessed with 5 grandchildren

Neighborhood Doings

Mr. and Mrs. Donald Russell spent Saturday evening in Chicago visiting their friends, Mr. and Mrs. John Martin.

Mr. and Mrs. A. Danes had Mr. and Mrs. J. Cominsky, of Lombard, as guests in their home Saturday evening.

Mr. and Mrs. J. Loughman entertained Mr. and Mrs. Skallerup in their home last Saturday evening.

Baby Shower

A shower in honor of Mrs. William Kelly, who expects her baby in January, was held at the home of Mrs. Arthur Kieck last Tuesday evening. Those present in addition to the guest of honor were Mrs. C. Law, Mrs. C. Cronin, Mrs. R. Skallerup, Mrs. J. W. White, and Mrs. J. Loughman.

Vacation

Mr. and Mrs. Ernest Ross and their family spent Thanksgiving in Houston, Tex., with Mr. Ross's parents, Mr. and Mrs. G. S. Ross. While on their two-week vacation, the Ross family also visited New Orleans, and Pensacola. Bobby made quite an impression on his classmates upon his return to school with samples of white sand from the beaches, ocean water, and sugar cane.

Visitors

Mr. and Mrs. Jos. Pecararo were hosts to Mr. Pecararo's sister and niece, Mrs. Ann Milliken and Debbie, of Benton Harbor during Thanksgiving and part of the following week.

Moving

Mr. and Mrs. J. Flodin and family will be leaving the northwest section of Arlington Heights during the coming week to take up residence in their new home at 229 N. Yale ave. Inasmuch as the move is fairly short in distance, the Flodins are happy to be able to keep in touch with their same friends and continue to participate in their various social activities.

Birthdays

Marsha Gray will be 9 years old Saturday and will celebrate with a party for 8 of her little friends. Barbara and Betsy Dailly, Susie Crawford, Nan Rathsam, Janice Rademacher, and Susan and Judy Paul will all be on hand to help Marsha celebrate.

Kent Danes will be 14 this Friday and will celebrate with his parents on a trip downtown to see a show, have dinner, and shop around.

Cindy Flodin will celebrate her seventh birthday this Sunday with her family at home. After the Flodins are settled in their new home, Cindy will be having a group of her friends over for a delayed party.

Brownies

Brownie troop No. 328 had its investiture ceremony recently at which time 15 girls became Brownies. At this time the parents of the girls had a shower on the troop and presented them with gifts of construction paper, paste, scissors, etc., to give the girls a good start on their handicraft equipment. This shower was arranged through the troop committee headed by Mrs. Ethel King. Leaders are Mrs. A. Roeske and Mrs. A. Leu.

Open Sundays; Closed Saturdays

Keene, Texas, a town founded by Seventh-Day Adventists in 1890, is said to be the only community in the United States where the post office is open on Sunday.

Eastwood Events

On the afternoon of Sunday, December 19, the Eastwood Christmas party will be held from 3 to 5 p.m. in the field house. The kiddies, and adults too, will enjoy the movies, singing of Christmas carols, and Santa's visit. Refreshments will be served and all the children will receive gifts from Santa.

Mrs. Laura Sailer is doing well at the Norwegian American hospital where she underwent surgery last Friday.

Mrs. Elna Nickelsen has returned home from Detroit, where she spent about 10 days at the home of her brother who had just welcomed a fourth son into the family.

Last Saturday evening, Jeanne Riley entertained neighbors at a buffet supper, which, much to the surprise of Mr. Lee Gustafson, and Gaily Riley, turned out to be a birthday party for them. Mr. and Mrs. Larson and Mr. and Mrs. Lindahl were also guests at the surprise party.

The Richard Bronwell house has been busy with birthdays, too. Caryl Rime, who resides with the Bronwells, celebrated her 13th birthday Dec. 4. Her party guests were the 11 girls from Mr. Tomlinson's room at the Junior high school. Caryl's sisters, Judy, also had a birthday celebration in Nov., and the Bronwell's daughter, Cindy, was 2 years old in October. Mrs. Shirley Bronwell celebrated her birthday Dec. 7.

All the scores from the November playing in the bridge tournament are tallied, and as of now we have Mr. and Mrs. Foster Travis leading, Mr. and Mrs. Glenn Johnson in second place, and Mr. and Mrs. Herman Raasch holding third place. There are no parties scheduled during December, and the playing will be resumed in January. All 28 couples are enjoying this wonderful way of meeting new neighbors.

New neighbors to Eastwood are Mr. and Mrs. August Rath, who have moved into their new home at 627 N. Beverly. The Raths formerly lived in Chicago, and have many acquaintances scattered throughout Arlington Heights. Altho they are alone now, they have a son, August Jr., who is a lieutenant (j.g.) with the navy and is stationed at Treasure Island, Calif. A daughter, Mrs. Dorothy Miller is on her way to Japan to join her husband who is also employed by Uncle Sam these days. Another daughter, Mrs. Evelyn Klein resides in Liverpool, N. Y. Mr. and Mrs. Rath are also blessed with 5 grandchildren

Older Boys' Conference At Presbyterian Church

Each year the Presbytery of Chicago sponsors the Older Boys' conference which brings together, at a different church each year, high school boys from various churches of Chicagoland. This year, Arlington Heights Presbyterian church is acting as host to the conference December 10, 11 and 12.

About 100 boys are expected to be present to consider the theme "God of Science," and to think about the relation of the Christian faith to the scientific processes and discoveries. Worship aspects of the 3-day conference will be a Friday evening keynote service led by the Arlington Heights delegation, and a Sunday afternoon communion service presided over by the Rev. C. Victor Brown and elders of the local church.

Highlight of the conference will be a Saturday afternoon and evening program of rotating discussion groups. William Metcalfe, M. D. of Cook County hospital will present "Christian Faith and Medical Science;" Roscoe Braham, Ph. D., meteorologist of Chicago university will outline "Christian Faith and Physical Science;" Cornelius Loew, Ph. D., professor at Lake Forest college will discuss "Christian Faith and Social Science." Following these introductory presentations, smaller groups will discuss the topics under leadership of ministers and laymen of the area. Douglas Trout, director of youth at the Arlington Heights church, will lead a group discussing the physical sciences.

During periods of diversion, the boys will participate in bowling, basketball and other sports activities. Two films, "God of Creation" and "God of the Atom" will illustrate the faith-science theme of the conference.

Three meals will be served at the church. The Mr. and Mrs. Club will provide the supper Friday night, and the Presbyterian men will sponsor the lunch Saturday noon. Saturday night the conference banquet will be served by members of the Women's association, and entertainment will include songs by a local barbershop quartet, and a science demonstration by M. Alden Countryman, Ph. D. Homes are being opened for housing and meals provided by many families of the church. (B4

From the Police Blotter . . .

The inhalator squad of the Arlington Heights fire department was called out December 3 to assist Albert Bailey, 63, of 1338 E. Northwest hwy., who was apparently suffering from a heart attack. Dr. Robert Muench was called to the scene and recommended the man be taken to a hospital for further examination. He was later removed to St. Joseph hospital, Elgin.

* * *

A truck abandoned in a no parking area on Dunton ave., between Northwest hwy. and the railroad tracks, was towed in by Arlington Fender and Body shop. The truck contained no name, vehicle tag or license plates.

* * *

F. W. Tremberth, 513 S. Lincoln, reported to police that a Sears roto-spreader, with one-cylinder motor, was stolen from behind the garage of his home. It is valued at $125.

Robert Whiteside of Sullivan Construction Co., reported lumber taken from their Yale ave. building site. Included were five 4x8 pieces of plywood and some 2x4's.

* * *

Thirty-seven cases were handled in traffic court this week, with $284 in fines being paid. Included in the offenders were two Arlington Heights high school boys arrested for disorderly conduct. They were trying to pick up a couple of girls, following them in their car. They were fined a total of $25.

Other violations included no tail lights, speeding, no driver's license, stop sign and no safety sticker on truck.

More Sidelights

A charter member of the Arlington Heights volunteer fire department died last Wednesday in Reed City, Mich. He was Rudolph Weinrich, 79, who was born and reared in Arlington Heights. Burial was last Sunday in Reed City.

To Visit Here

Mrs. John Lindstrom's parents, Dr. and Mrs. Russell Williams, Granville, Ohio, and her sister and brother-in-law, Mr. and Mrs. John Bovington, Cleveland, will arrive in town this weekend to attend the wedding of a niece in Winnetka on Saturday.

Mrs. Adolph Lindstrom has returned from Evanston hospital and is recuperating very nicely.

Flying Home

Mr. and Mrs. Walter Stumpf bade goodbye to her sister and family, Mr. anr Mrs. Vern Verema and son, Jerry, Sunday at Midway airport. The Venemas left for home by air and arrived in Istanbul, Turkey, Wednesday. During the Venema's stay in Chicago the Stumpfs attended a private communion service for Jerry at St. Peter's church in Chicago. Guests at this service included Mrs. Marion Ward Thorne and Mrs. Donohue.

Attend 50th Anniversary

Mr. and Mrs. Ralph Sass attended the golden wedding anniversary celebration of Mr. and Mrs. John Berger of Chicago on Saturday.

Village Theatre To Entertain St. James Catholic Guild

The Village Theatre of Arlington Heights will produce a one-act play at the meeting of the St. James Catholic women's guild to be held at the St. James school December 14 at 8:45 p.m.

Cast in the play will be Debbie Paddock, Robert Tindall, Dennis Malcolmson, Mrs. Charles Opela, Jim Tindall and Greta Paddock. Director of the play is Mrs. Robert Tindall; chairman of the talent bank, Mrs. Dennis Malcolmson.

A short business meeting will follow the play, after which refreshments will be served. All women who are members of the St. James parish are urged to attend this meeting.

Older Boys' Conference At Presbyterian Church

Each year the Presbytery of Chicago sponsors the Older Boys' conference which brings together, at a different church each year, high school boys from various churches of Chicagoland. This year, Arlington Heights Presbyterian church is acting as host to the conference December 10, 11 and 12.

About 100 boys are expected to be present to consider the theme "God of Science," and to think about the relation of the Christian faith to the scientific processes and discoveries. Worship aspects of the 3-day conference will be a Friday evening keynote service led by the Arlington Heights delegation, and a Sunday afternoon communion service presided over by the Rev. C. Victor Brown and elders of the local church.

Highlight of the conference will be a Saturday afternoon and evening program of rotating discussion groups. William Metcalfe, M. D. of Cook County hospital will present "Christian Faith and Medical Science;" Roscoe Braham, Ph. D., meteorologist of Chicago university will outline "Christian Faith and Physical Science;" Cornelius Loew, Ph. D., professor at Lake Forest college will discuss "Christian Faith and Social Science." Following these introductory presentations, smaller groups will discuss the topics under leadership of ministers and laymen of the area. Douglas Trout, director of youth at the Arlington Heights church, will lead a group discussing the physical sciences.

During periods of diversion, the boys will participate in bowling, basketball and other sports activities. Two films, "God of Creation" and "God of the Atom" will illustrate the faith-science theme of the conference.

Three meals will be served at the church. The Mr. and Mrs. Club will provide the supper Friday night, and the Presbyterian men will sponsor the lunch Saturday noon. Saturday night the conference banquet will be served by members of the Women's association, and entertainment will include songs by a local barbershop quartet, and a science demonstration by M. Alden Countryman, Ph. D. Homes are being opened for housing and meals provided by many families of the church. (B4

From the Police Blotter . . .

The inhalator squad of the Arlington Heights fire department was called out December 3 to assist Albert Bailey, 63, of 1338 E. Northwest hwy., who was apparently suffering from a heart attack. Dr. Robert Muench was called to the scene and recommended the man be taken to a hospital for further examination. He was later removed to St. Joseph hospital, Elgin.

* * *

A truck abandoned in a no parking area on Dunton ave., between Northwest hwy. and the railroad tracks, was towed in by Arlington Fender and Body shop. The truck contained no name, vehicle tag or license plates.

* * *

F. W. Tremberth, 513 S. Lincoln, reported to police that a Sears roto-spreader, with one-cylinder motor, was stolen from behind the garage of his home. It is valued at $125.

Robert Whiteside of Sullivan Construction Co., reported lumber taken from their Yale ave. building site. Included were five 4x8 pieces of plywood and some 2x4's.

* * *

Thirty-seven cases were handled in traffic court this week, with $284 in fines being paid. Included in the offenders were two Arlington Heights high school boys arrested for disorderly conduct. They were trying to pick up a couple of girls, following them in their car. They were fined a total of $25.

Other violations included no tail lights, speeding, no driver's license, stop sign and no safety sticker on truck.

More Sidelights

A charter member of the Arlington Heights volunteer fire department died last Wednesday in Reed City, Mich. He was Rudolph Weinrich, 79, who was born and reared in Arlington Heights. Burial was last Sunday in Reed City.

To Visit Here

Mrs. John Lindstrom's parents, Dr. and Mrs. Russell Williams, Granville, Ohio, and her sister and brother-in-law, Mr. and Mrs. John Bovington, Cleveland, will arrive in town this weekend to attend the wedding of a niece in Winnetka on Saturday.

Mrs. Adolph Lindstrom has returned from Evanston hospital and is recuperating very nicely.

Flying Home

Mr. and Mrs. Walter Stumpf bade goodbye to her sister and family, Mr. anr Mrs. Vern Verema and son, Jerry, Sundav at Midway airport. The Venemas left for home by air and arrived in Istanbul, Turkey, Wednesday. During the Venema's stay in Chicago the Stumpfs attended a private communion service for Jerry at St. Peter's church in Chicago. Guests at this service included Mrs. Marion Ward Thorne and Mrs. Donohue.

Attend 50th Anniversary

Mr. and Mrs. Ralph Sass attended the golden wedding anniversary celebration of Mr. and Mrs. John Berger of Chicago on Saturday.

Village Theatre To Entertain St. James Catholic Guild

The Village Theatre of Arlington Heights will produce a one-act play at the meeting of the St. James Catholic women's guild to be held at the St. James school December 14 at 8:45 p.m.

Cast in the play will be Debbie Paddock, Robert Tindall, Dennis Malcolmson, Mrs. Charles Opela, Jim Tindall and Greta Paddock. Director of the play is Mrs. Robert Tindall; chairman of the talent bank, Mrs. Dennis Malcolmson.

A short business meeting will follow the play, after which refreshments will be served. All women who are members of the St. James parish are urged to attend this meeting.

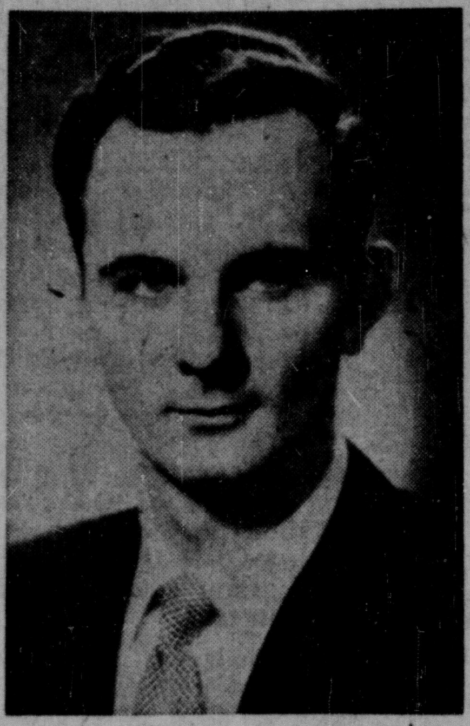
Six Tips for Choosing Toys

1. Shop early as possible. Many of the better toys are sold out early.
2. Buy from a reputable store — one that is an established toy center, if possible.
3. Remember the main purpose of a good toy. It should provide fun for the youngster and help in his or her development — mentally and physically, socially, vocationally.
4. Choose safe toys — avoid sharp edges — toxic materials, flimsy construction.
5. Keep in mind the sex, age, interests and talents of the child for whom you are selecting toys.
6. When in doubt ask help of a trained toy consultant, available at The Village Store.

55-Voice Choir To Present 'Messiah' Dec. 17



EARLE AUGE

To usher in the Christmas season, the combined Tuxis and Chancel choirs of the First Presbyterian church, Arlington Heights, will present selected portions of Handel's "The Messiah" Friday, Dec. 17, 8 p.m. The choirs, of 55 voices, will be under the direction of Earle Auge, director of music at the church. Mr. Auge, a graduate of Northwestern university, is also director of vocal music in a Skokie public school.

The "Messiah" was written by Handel in 24 days and completed in 1741. The German-born organist often accompanied his own masterpiece. Probably the best known chorus is the "Hallelujah Chorus" during which it is the age-old custom to stand while it is sung.

A string quartet will play the pastoral symphony. This quintet was started out of a mutual interest. Members have been playing together for six months and all have had professional experience. The first violin is played by Mrs. Jerry Sirucek, second violin by Mrs. Victor Beisler, viola by Mrs. Lawrence Stocking, cello by Mrs. John Raitt and piano by Mrs. Lyle Ewing.

Mrs. Earle Augue will play the organ accompaniment.

A welcome is extended by the choirs to friends and neighbors to attend their performance.

League of Women Voters Organize At Nov. 30 Meet

The League of Women Voters of Illinois held an organizational meeting November 30 at Arlington Heights high school to explain the function of the League of Women Voters, to read and accept the by-laws, to submit and elect a slate of officers and to choose the program agenda to be studied throughout the year.

Mrs. Fred S. Marks conducted the meeting and Miss Roberta McGowan, organizational secretary of Illinois League of Women Voters and Mrs. William Horne, of Barrington, both instrumental in the starting of this league, were present to answer questions and guide the meeting. It will be known as a provincial league of women voters of Arlington Heights until it is accepted as a regular league.

Mrs. E. J. Robel, Mrs. Leo Rodell and Mrs. J. W. Shannon read the by-laws which were accepted. Mrs. Whitney Jansen read the slate of nominees as follows:

Mrs. Fred Marks, Arlington Heights, president; Mrs. Marc Law Jr., Prospect Heights, vice president; Mrs. W. A. Lewis, Mount Prospect, vice president; Mrs. J. W. Shannon, Arlington Heights, secretary; Mrs. E. J. Roble, Arlington Heights, treasurer and Mrs. R. G. Chambers, Prospect Heights, Mrs. C. L. Emrick, Arlington Heights, Mrs. John Hoppe, Mt. Prospect, Mrs. J. W. Sholder, Arlington Heights as directors. Mrs. Julian Pelletier, Mount Prospect, Mrs. Paul Green, Prospect Heights, and Mrs. Donald H. Shaw, Arlington Heights, are the nominating committee. The slate was voted on and accepted.

The 30 members present heard Mrs. W. A. Lewis and Mrs. John Hoppe review five state issues: judicial reform, welfare, home rule, improved fiscal structures, civil liberties and two national issues: individual liberties and world trade for the purpose of selecting one of these to study. Judical reform and "Know Your Town" (Arlington Heights) will be the agenda.

Any woman citizen of voting age is eligible to join the league regardless of political affiliations. There are to be afternoon and evening unit meetings. The same issues will be studied at both sessions. The date and place for these meetings will appear in Paddock Publications after the first of the year. Dues are $3 and includes membership to the National League of Women Voters, the Illinois League of Women Voters and the Arlington Heights League of Women Voters plus National Voter and state bulletin.

Modern Etiquette

by ROBERTA LEE

Q. Is a member of a bereaved family expected to receive friends or acquaintances who are making calls of condolence?

A. Usually a close friend or a relative receives persons calling to extend sympathy. Of course, in the case of an intimate friend, the family may wish to see him. However, this is always left to the decision of the family, as no one should intrude at such a time.

Q. Is it proper for a woman to "repair" any of her makeup in public?

A. Sometimes at the end of a meal in a public eating place this is necessary, and it is quite all right for a woman to make light use of powder and lipstick.

Q. What is the correct way to eat a banana at the table?

A. It should be peeled into a plate, then eaten with the fork.

Q. Does the person who does the pouring at a tea also put in the sugar, cream or lemon?

A. This is not generally done any more. The person pours the tea into the cup and hands it to the guest who helps himself or herself to sugar, cream or lemon.

Q. Is it ever correct for a man to call for a woman at her home and blow the horn of his car, rather than call for her at her door?

A. Never! Not even for his own wife! This practice is the height of ill-breeding.

Q. What is the correct way to acknowledge an invitation to a christening?

A. Either by letter or telephone is correct.

Q. Is it really necessary to leave a little food on one's plate? I have been told this is a rule of good manners.

A. This is not only silly, but it is sheer wastefulness. Don't hesitate to eat every bit of food on your plate. This, of course, does not mean that you should "polish" your plate.

Q. What is the usual tip to a sleeping-car porter on a train?

A. Usually, a minimum of 50 cents for every night you spent in his car. Needlss to say, extra service warrants extra recompense.

Reject River Road Site For Proposed Toll Route

The proposed River road alternate route for the tri-state toll road was rejected Tuesday by the Illinois State Toll Highways commission.

Three slight changes in the original route of the proposed toll road were approved by the board. This was done in order to miss a housing development, a school and other obstacles at places near Morton Arboretum, Deerfield and Libertyville.

Commission engineers believed that acceptance of the River road route would cost an additional $58 million and would delay the toll road program a year or more.

WILLIAM J. Mortimer, Cook county superintendent of highways, was present at the meeting and said he could not concur in the cost estimates of the engineer.

"In view of the commission's action," he said, "I will recommend to the county board we petition Gov. Stratton for state aid, and that he give priority to our expressways within Chicago."

Among the objections to the River rd. route Morgan Fitch, member of the commission's real estate committee, said it would hit approximately 1,000 homes, 40 apartment units, 21 industrial plants, two schools, a church and a cemetery.

Mortimer disagreed, arguing that the commission's estimates were hasty and inaccurate.

George L. Jackson, chief engineer for the commission, said the toll board would weaken its position if it retreated in the face of criticism.

* * *

"PROTESTS WILL be equally vociferous whatever route is taken," he said.

Herbert Rhoads, Western Springs real estate man, touched off a lengthy discourse by Gov. Stratton on his highway construction program by rising to say:

"Governor, it looks like you are cracking the whip and the engineers are jumping through the hoop. I'd like to know what happens to Highway 83. Why hasn't it been completed, and what will happen to it when the toll highway is built?"

Stratton replied that 83 is another problem and will be considered in due time. He endorsed Mortimers' proposal to speed construction of Chicago expressways to connect with the toll roads.

Plans call for four-laning Milwaukee ave., Rand rd. and Route 20 to Rockford and Freeport.

No action was taken on Mortimer's plea that truck farms in Elk Grove be spared by toll road right-of-ways in the proposed Beloit route.

Paper Eaters

Install Officers Of Saintpaulia Society

New officers of the recently organized Suburban Saintpaulia society were installed in a candlelight ceremony by Mrs. G. P. McGraw of Downers Grove, president of the African Violet Council of Northern Illinois, after a breakfast meeting December 1, at the home of Mrs. Harold Klopp, social chairman. The following officers were installed: Mrs. Edward Moss, president; Mrs. Elmer Busse, vice-president; Mrs. George H. Vogeler, secretary; Mrs. Laddie F. Poduska, treasurer.

Meetings of this group, which is an affiliate of the National African Violet society, are held on the first Wednesday of every month at the homes of members. Special instructive programs of interest to all African violet enthusiasts have been planned for each meeting throughout the year.

Membership is reaching the limited number prescribed in the by-laws. Anyone in Arlington Heights and the surrounding area who is interested in the propagation and culture of African violets may obtain further information regarding membership in the club by contacting Mrs. Michael DeMet, CLearbrook 3-2057, membership chairman.

Raid 2 Inns; Find Slot Machines In Both

Two more raids were made tonight by sheriff's police chief Patrick Tuohy and Captain Edward Witry of the Milwaukee ave. sheriff's police.

In Doherty's Inn at Grand ave. and Oak st. in River Grove. The 30 year old bartender, James Doherty, was arrested for possession of a ten cent and a 25-cent slot machine.

At the Bubbling Inn on Milwaukee ave. in Wheeling the 4 year old owner, Raye Ooley, was arrested for possession of another ten cent and a 25-cent slot machine.

The two were released in $125 bond each for appearance December 8 in the Milwaukee ave. sheriff's police court.

The Bright Side

A shoe-shine patron said to the shine boy, "That's a bad looking cloud in the west, isn't it?" The boy said, "I ain't noticed it; I been too busy shining."

Yule Parties To Fete Anti-Air Battalion

Members of seventh district Illinois Federation of Women's clubs hope to make Christmas a little merrier for the men stationed at Camps Schiller Park and Niles. A party will be held December 21 at 8 p.m. at Camp Schiller Park and December 22 at 8 p.m. at Camp Niles. Board members of seventh district will be hostesses at both parties and will help to decorate the halls and the trees.

These men belong to the 49th Anti-Air Battalion, a part of the Civil Defense program of Chicago. Camp Schiller Park and Niles are stationed in isolated spots outside the City of Chicago, within the boundaries of seventh district to guard homes of the northwest area.

Many of the clubs and members are donating home-made cookies, candy and cakes for the recreation room. Some of their needs are games, cards, books, magazines and records for the juke box. Anyone wishing to donate any of these items may deliver them to Mrs. O. C. Beattie, 311 Carlyle place, Arlington Heights, Ill.

Several parties have already been held for the men, the last one given November 18 for Thanksgiving. Mrs. Max Beth is the servicemen's chairman of seventh district and is in charge of arrangements.

Alpha Phis Will Meet Tonight

The monthly meeting of the newly-organized Alpha Phi alumnae club of the northwest suburban area, will be held today, Thursday, at 8 p.m. at the home of Mrs. H. H. Bullwinkle, 416 We-Go, Mount Prospect.

Alpha Phi, one of the oldest of the national panhellenic sororities, was founded in 1872 at Syracuse university. The Chicago northwest suburban club includes Alpha Phis in the vicinity of Arlington Heights, Mount Prospect, Prospect Heights, Des Plaines and Palatine.

Mrs. Robert Ellis, Arlington Heights, is president of the group and Mrs. Richard R. Johnson, Arlington Heights, is secretary-treasurer.

Cardiac aid has been Alpha Phi's national philanthropy for many years. The local alumnae group is making plans for a hat bar to be held in January with proceeds going to this philanthropy.

New Alpha Phis in the area are invited to call CLearbrook 3-9040 for further information about the organization.

Reject River Road Site For Proposed Toll Route

The proposed River road alternate route for the tri-state toll road was rejected Tuesday by the Illinois State Toll Highways commission.

Three slight changes in the original route of the proposed toll road were approved by the board. This was done in order to miss a housing development, a school and other obstacles at places near Morton Arboretum, Deerfield and Libertyville.

Commission engineers believed that acceptance of the River road route would cost an additional $58 million and would delay the toll road program a year or more.

WILLIAM J. Mortimer, Cook county superintendent of highways, was present at the meeting and said he could not concur in the cost estimates of the engineer.

"In view of the commission's action," he said, "I will recommend to the county board we petition Gov. Stratton for state aid, and that he give priority to our expressways within Chicago."

Among the objections to the River rd. route Morgan Fitch, member of the commission's real estate committee, said it would hit approximately 1,000 homes, 40 apartment units, 21 industrial plants, two schools, a church and a cemetery.

Mortimer disagreed, arguing that the commission's estimates were hasty and inaccurate.

George L. Jackson, chief engineer for the commission, said the toll board would weaken its position if it retreated in the face of criticism.

* * *

"PROTESTS WILL be equally vociferous whatever route is taken," he said.

Herbert Rhoads, Western Springs real estate man, touched off a lengthy discourse by Gov. Stratton on his highway construction program by rising to say:

"Governor, it looks like you are cracking the whip and the engineers are jumping through the hoop. I'd like to know what happens to Highway 83. Why hasn't it been completed, and what will happen to it when the toll highway is built?"

Stratton replied that 83 is another problem and will be considered in due time. He endorsed Mortimers' proposal to speed construction of Chicago expressways to connect with the toll roads.

Plans call for four-laning Milwaukee ave., Rand rd. and Route 20 to Rockford and Freeport.

No action was taken on Mortimer's plea that truck farms in Elk Grove be spared by toll road right-of-ways in the proposed Beloit route.

Junior High Christmas Program Next Tuesday

Combining talents of the vocal music and drama departments, the Christmas play, "A Star in the Window," will be presented next Tuesday at 8:15 p.m. in the junior high gymnasium. Directed by Mrs. Eloise Fink, the play concerns a small miracle which kindness brings to old Otto's gift shop Christmas eve. Both the American customer, and the Christmas carols have come from spirit of peace on earth and good will toward men. Slovak, Danish, Latin, Czech, Chinese, English, Italian, German and Balkan carols will be sung in the course of the play by the mixed chorus, under the direction of Walther Liebenow, vocal music director.

The program will open with a processional of the combined chorus, singing "The Wassail Song." This will be followed by a carol concert, sung by the individual choruses as follows:

Merrie Melodies
It Came Upon A Midnight Clear
Joseph Faithful, Joseph Mine
Angels, We Have Heard on High
Oh, Dearest Jesus
Boys' Chorus
We, Three Kings
Love Came Down
Deck the Halls
Oh, Tell Me
Girls' Chorus
Echo Carol
In Dulci Jubilo
Ring Out, Wild Bells
The Carol of the Bells
I Am So Glad on Christmas

Coordinator for the program is Louis Rubidoux.

Elementary Schools to Perform Dec. 20 and 21

Elementary schools will present their program. The follow-week. Because of the double sessions at South school, two choruses of 30 members each, under the direction of Miss Erwin, will divide between them the singing of Christmas carols. These songs will follow the sequence of the story of the nativity, while other students will depict in pantomime the episodes on which the songs are based. The program will be presented Tuesday evening, Dec. 21, at 7:45 p.m. in the junior high gymnasium.

North school students will also be seen and heard December 21 at 7:45 p.m., when members of Mr. Hetke's fourth grade and Mrs. Harris' third grade will provide choral music. Fifth grade students will present a series of skits depicting Christmas in other lands, while children offstage sing background music.

Ridge school will divide its presentation according to sessions, with morning session children appearing Monday evening, December 20, at 7:45; and afternoon session children the following evening at the same hour. Each grade is preparing its own part of the program, assuring a variety of Christmas entertainment.

Dryden school will present its kindergarten, first and second graders December 20, at 7:45 p. m. and the third, fourth and fifth graders the following evening. A pageant has been planned as the entertainment.

Petition Sent to Gov. Sratton

Mrs. David Zimmerman, legislation chairman of the PTA, reports that the petition circulated recently requesting increased state aid to schools, provision for emergency aid, and revision of property assessments for local taxation purposes, was signed by 1178 people. It has been submitted to Governor Stratton, along with similar petitions from other PTA units all over the state, in the hope that this evidence of support on the part of parents will influence reforms needed to keep Illinois schools adequately housed, supplied, and staffed.

Talent Show Lacks Only One Thing

Ways and means chairman, Mrs. William C. Ball, reports that plans for the Febraury "Winter Revue," an all-adult production, are formulated and rehearsals scheduled, but one thing is still lacking, a gal to sing popular songs! No Dinah Shore, Rosemary Clooney, or Joni James is expected to pop up unexpectedly, but if anyone who reads this plea knows of someone who can carry a tune well and loves to sing, call Mr. or Mrs. Robert Hawley (who are directing the show) at CLearbrook 3-5017. Your identity as an informer will be kept secret.

New Appointees Named to Board

Mrs. C. H. Rosene, president of Arlington Heights PTA, announces the appointment of Mrs. Tadd Wake, 508 S. Lincoln lane, to succeed Mrs. Charles McNary as membership chairman; and Mrs. John Lindstrom, 824 S. Beverley, to succeed Mrs. Everett C. Dovale as Dryden school chairman. Both Mrs. McNary and Mrs. Dovale are leaving Arlington Heights, and the PTA wishes to express its appreciation for the fine work they did while serving on the executive board. Mrs. Wake announces that PTA membership now stands at 2437, a figure which pays tribute to the work done by the membership committee.

To Ease Our Growing Pains

With the relocation of schools and the building of new accomodations for school children in Arlington Heights, some confusion has arisen regarding terminology, location, et cetera. Superintendent of Schools, Ralph E. Clabaugh, suggests that the superintendent's office be referred to as simply that, rather than as "the office" or "the junior high school office." It is located in the north wing of the junior high school, and its mailing address is 301 W. South st. The office of Donald V. Grote, junior high school principal, is located in the south wing and has a mailing address of 314 S. Highland ave.

This building, at the corner of South st. and Highland ave., is no longer the combined junior high and South schools, but simply junior high school. The name "South school" has been transferred to the new building at Park st. and Mitchell ave.

Mr. Clabaugh also wishes to remind parents that telephone calls to any of the four elementary schools, as well as junior high school, are received through the main switchboard located in junior ior high school, whose number is CL 3-6100. Direct connections between the schools serve as a convenience to both the caller and the school staff.

Information on the status and duties of the personnel in the superintendent's office will be given in next week's issue.

St. John Guild Assists At Deaconess Party

Members of the afternoon auxiliary of St John Episcopal church, Mount Prospect, attended the Christmas party for deaconesses at Dixon chapel December 2. They presented the trimmed tree for the party and gifts which the deaconesses distribute to county hospital patients.

Members attending from St. John church were Mrs. Charles E. Black, Mrs. Charles P. Chapman, Mrs. Richard DeZur, Mrs. Kenneth Eade, Mrs. Richard Gardner, Mrs. Ralph McCullough, Mrs. Nestor Pastur and Mrs. Robert Rohner.

The auxiliary will hold its Christmas luncheon party at the home of Mrs. Arthur Skelton December 13 at 1 p.m. Each member is requested to bring a 50 cent grab bag gift.

Mr. and Mrs. Ralph McCullough will represent St. John church at Lawrence Home for Boys Christmas party December 16. Each couple takes the Christmas centerpiece for their table of six boys and shares their gift-opening program.

Wedgewood Terrace Dance Saturday

A merry start to the Christmas holiday social whirl can be had by attending the annual dance of the Wedgewood Terrace Improvement association this coming Saturday night at Fred's place on Rand road.

The gay dancing will be in the form of squares and regula round stepping. Del Franks, a Chicago park district caller, wil do the calling and bring with him his three piece band. Activity starts at 8:15 p.m.

Refreshments will be available. Tickets are priced at $1 per person and will be available at the door if not bought in advance from any member of the association. Oscar Miller and Roy Thompson are on the dance arrangements committee.

Junior High Christmas Program Next Tuesday

Combining talents of the vocal music and drama departments, the Christmas play, "A Star in the Window," will be presented next Tuesday at 8:15 p.m. in the junior high gymnasium. Directed by Mrs. Eloise Fink, the play concerns a small miracle which kindness brings to old Otto's gift shop Christmas eve. Both the American customer, and the Christmas carols have come from spirit of peace on earth and good will toward men. Slovak, Danish, Latin, Czech, Chinese, English, Italian, German and Balkan carols will be sung in the course of the play by the mixed chorus, under the direction of Walther Liebenow, vocal music director.

The program will open with a processional of the combined chorus, singing "The Wassail Song." This will be followed by a carol concert, sung by the individual choruses as follows:

Merrie Melodies
- It Came Upon A Midnight Clear
- Joseph Faithful, Joseph Mine
- Angels, We Have Heard on High
- Oh, Dearest Jesus

Boys' Chorus
- We, Three Kings
- Love Came Down
- Deck the Halls
- Oh, Tell Me

Girls' Chorus
- Echo Carol
- In Dulci Jubilo
- Ring Out, Wild Bells
- The Carol of the Bells
- I Am So Glad on Christmas

Coordinator for the program is Louis Rubidoux.

Elementary Schools to Perform Dec. 20 and 21

Elementary schools will present their program. The following week. Because of the double sessions at South school, two choruses of 30 members each, under the direction of Miss Erwin, will divide between them the singing of Christmas carols. These songs will follow the sequence of the story of the nativity, while other students will depict in pantomime the episodes on which the songs are based. The program will be presented Tuesday evening, Dec. 21, at 7:45 p.m. in the junior high gymnasium.

North school students will also be seen and heard December 21 at 7:45 p.m., when members of Mr. Hetke's fourth grade and Mrs. Harris' third grade will provide choral music. Fifth grade students will present a series of skits depicting Christmas in other lands, while children offstage sing background music.

Ridge school will divide its presentation according to sessions, with morning session children appearing Monday evening, December 20, at 7:45; and afternoon session children the following evening at the same hour. Each grade is preparing its own part of the program, assuring a variety of Christmas entertainment.

Dryden school will present its kindergarten, first and second graders December 20, at 7:45 p. m. and the third, fourth and fifth graders the following evening. A pageant has been planned as the entertainment.

Petition Sent to Gov. Sratton

Mrs. David Zimmerman, legislation chairman of the PTA, reports that the petition circulated recently requesting increased state aid to schools, provision for emergency aid, and revision of property assessments for local taxation purposes, was signed by 1178 people. It has been submitted to Governor Stratton, along with similar petitions from other PTA units all over the state, in the hope that this evidence of support on the part of parents will influence reforms needed to keep Illinois schools adequately housed, supplied, and staffed.

Talent Show Lacks Only One Thing

Ways and means chairman, Mrs. William C. Ball, reports that plans for the Febraury "Winter Revue," an all-adult production, are formulated and rehearsals scheduled, but one thing is still lacking, a gal to sing popular songs! No Dinah Shore, Rosemary Clooney, or Joni James is expected to pop up unexpectedly, but if anyone who reads this plea knows of someone who can carry a tune well and loves to sing, call Mr. or Mrs. Robert Hawley (who are directing the show) at CLearbrook 3-5017. Your identity as an informer will be kept secret.

New Appointees Named to Board

Mrs. C. H. Rosene, president of Arlington Heights PTA, announces the appointment of Mrs. Tadd Wake, 508 S. Lincoln lane, to succeed Mrs. Charles McNary as membership chairman; and Mrs. John Lindstrom, 824 S. Beverley, to succeed Mrs. Everett C. Dovale as Dryden school chairman. Both Mrs. McNary and Mrs. Dovale are leaving Arlington Heights, and the PTA wishes to express its appreciation for the fine work they did while serving on the executive board. Mrs. Wake announces that PTA membership now stands at 2437, a figure which pays tribute to the work done by the membership committee.

To Ease Our Growing Pains

With the relocation of schools and the building of new accomodations for school children in Arlington Heights, some confusion has arisen regarding terminology, location, et cetera. Superintendent of Schools, Ralph E. Clabaugh, suggests that the superintendent's office be referred to as simply that, rather than as "the office" or "the junior high school office." It is located in the north wing of the junior high school, and its mailing address is 301 W. South st. The office of Donald V. Grote, junior high school principal, is located in the south wing and has a mailing address of 314 S. Highland ave.

This building, at the corner of South st. and Highland ave., is no longer the combined junior high and South schools, but simply junior high school. The name "South school" has been transferred to the new building at Park st. and Mitchell ave.

Mr. Clabaugh also wishes to remind parents that telephone calls to any of the four elementary schools, as well as junior high school, are received through the main switchboard located in junior ior high school, whose number is CL 3-6100. Direct connections between the schools serve as a convenience to both the caller and the school staff.

Information on the status and duties of the personnel in the superintendent's office will be given in next week's issue.

St. John Guild Assists At Deaconess Party

Members of the afternoon auxiliary of St John Episcopal church., Mount Prospect, attended the Christmas party for deaconesses at Dixon chapel December 2. They presented the trimmed tree for the party and gifts which the deaconesses distribute to county hospital patients.

Members attending from St. John church were Mrs. Charles E. Black, Mrs. Charles P. Chapman, Mrs. Richard DeZur, Mrs. Kenneth Eade, Mrs. Richard Gardner, Mrs. Ralph McCullough, Mrs. Nestor Pastur and Mrs. Robert Rohner.

The auxiliary will hold its Christmas luncheon party at the home of Mrs. Arthur Skelton December 13 at 1 p.m. Each member is requested to bring a 50 cent grab bag gift.

Mr. and Mrs. Ralph McCullough will represent St. John church at Lawrence Home for Boys Christmas party December 16. Each couple takes the Christmas centerpiece for their table of six boys and shares their gift-opening program.

Wedgewood Terrace Dance Saturday

A merry start to the Christmas holiday social whirl can be had by attending the annual dance of the Wedgewood Terrace Improvement association this coming Saturday night at Fred's place on Rand road.

The gay dancing will be in the form of squares and regular round stepping. Del Franks, a Chicago park district caller, will do the calling and bring with him his three piece band. Activity starts at 8:15 p.m.

Refreshments will be available. Tickets are priced at $1 per person and will be available at the door if not bought in advance from any member of the association. Oscar Miller and Roy Thompson are on the dance arrangements committee.

CHRISTMAS TREES

Big selection choice bushy Balsam Trees. Also large trees for churches, halls and clubs. Our trees are now being cut.

Mrs. Upham Speaks To Wheeling Home Bureau

"Art Principles in Home Decoration" was the subject of the lesson Mrs. Claradehl Upham gave to members of Wheeling Home bureau at its November 29 meeting. Held in the farm bureau building, Mrs. C. Mees and Mrs. L. Lloyd were hostesses.

December meeting of the group will be held December 15 at 10:30 a.m. at the farm bureau building. Pot luck luncheon will be served and a grab bag of 25 cent gifts will be on the program. The lesson will be "Cooking Less Tender Cuts of Meat."

Beautiful Hawaii Next Travel, Lecture Topic

Hawaii is the scene to be brought to the screen of the auditorium of the Arlington Heights high school Tuesday, December 14. Yew Char, who brings this lecture to the Travel and Adventure series, is a native Hawaiian and one of Honolulu's leading professional portrait and commercial photographers.

He has given considerable time to public service, having served as a member of the House of Representatives for 8 terms in the Hawaiian legislature. Char has a fine knowledge of the life and customs of the Islands, and his superb color film gives the audience an intimate look at the Pacific outpost through the experienced eyes of an Island-born citizen.

* * *

MARK TWAIN referred to the Hawaiian Islands as "the loveliest fleet of islands that is anchored in any ocean." In this film the audience sees and hears about the fascinating life of the 500,000 multi-racial people of Hawaii. Colorful pageants, festivities interpretive dances, inture of a lovable people make the ture of a livable people make the film an informative as well as entertaining experience.

Among the beautiful scenes are visits to pineapple and sugar industries, main supports of the island economy. There is an exciting sequence of Hawaiian cowboys roping cattle in the sea.

* * *

THE BLACK sands of Kalapana provide contrast for the scenes of the Iao Valley, as the photographer travels from Niihau to Kauai, Oahu, Molokai, Kahoolawe, Lanai, Maui, and Hawaii.

This full length feature color film of the world's most romantic playground is the product of four years' collection of Island scenes by Yew Char.

Advent Music Festival At Faith Church Sunday

DONALD BUSAROW

Donald Busarow, director of music at Faith Lutheran church, announces an advent music festival for Sunday, Dec. 12, at 10:45 a.m. This sacred concert of advent and Christmas music will be given by the vested junior and senior choirs during the morning church service and will help in preparing for the Christmas festival. A highlight of the service will be the advent cantata, "Rejoice, Beloved Christians," which will be performed with instruments.

Mr. Busarow will be supported by the following musicians from Concordia college, River Forest: Franklin Stecher, guest organist; Ruth Brusco, Joanne Herman, violinists; Eunice Brott, cellist; Daniel Schult, trumpeter and Robert Beckmann, bass soloist. Alec Catherwood, violinist of Faith church, will also assist.

Friends and neighbors are invited to attend. The Rev. Edgar H. Behrens, pastor, will conduct the service and give an advent meditation. Faith Lutheran church, S. State rd. at Park, will have many children's programs and other special services during the Christmas season. These events will be announced in the columns of the Arlington Heights Herald.

Christmas Formal

The Christmas formal of Arlington Heights Cotillion club will be held Saturday, 8 p.m., at Mount Prospect Country club.

There will be a cocktail hour with dinner and dancing following. Music will be furnished by Bud Dinwiddie and his orchestra.

Words & Music

Last Sunday marked the first of a series of concerts for the 1954-55 season given by the Northwest Symphony orchestra.

The program opened with the overture to "The Secret of Suzanne" by Wolf-Ferrari.

The selection next played by the Northwest Symphony was a show-piece so well executed and brilliantly performed that one cannot but believe that this organization "has arrived." Anton Dvorak's Symphony No. 5 "From the New World," a favorite of concert-goers for many years was treated to a refreshing reading under the baton of Perry Crafton.

Guest soloist, William Hector, a member of the violin section of the Chicago Symphony, chose the Mendelssohn Violin Concerto. Mr. Hector's style and beautiful tone lent itself to this famous and melodic concerto.

The "Carmen" Suite gave wide scope for each section of the orchestra. It was a challenge well met by every member of the orchestra, and they are to be congratulated on the performance from the Prelude to the Finale, which ended all too soon.

The last selection on the program, "Espana Rhapsody," was played with fire and color which brought this inspired performance to a fitting close. One left the concert with a feeling of anticipation for the next performance given by this talented group of musicians.

Q. When a person to whom you are being introduced says, "I am very pleased to meet you," what should your response be?

A. "Thank you" is sufficient.

Q. What are some suggestions for appetizers at a cocktail party?

A. Simplest, of course, are peanuts, olives, pretzels and cheese crackers. If you want to be more elaborate, you can serve small sandwiches of various kinds — and the modern cookbooks are full of suggestions on this.

Congregational Dinner For Members Of United Lutheran Church

A congregational dinner will be held by members of the United Lutheran church of Arlington Heights in the south room of the field house next Sunday morning following the regular 10:45 worship service, which will be held in the usual meeting place, Dryden school, Dryden and Rockwell sts. The dinner has been planned as an opportunity for informal fellowship for members of the new mission church.

On the planning committee are Mrs. Donald Petelle, Mrs. Edgar F. Neas, and Mrs. John Hines, who have been contacting families in the congregation to assign dishes to be served at the cooperatively-prepared meal. Any family which has not been called and would like to attend is asked to call Mrs. Petelle at CLearbrook 3-4447.

Organization of the new church school was held last Sunday at room of Dryden school, and classes are now regularly sched- Sunday morning at that time.

Announcement has been made by the Rev. George Hoog, organizing pastor, of the special holiday services of the church. A Christmas eve vesper service which is being planned for children and adults will be conducted by Pastor Hoog at 7:30 p.m. Christmas eve. A morning worship will be held Sunday, Dec. 26, at 10:45 a.m. Services in observance of the New Year will be held at 7:30 p.m. New Year's eve and the regular Sunday morning 10:45 service will be held January 2.

Choir rehearsals are being scheduled for each Thursday evening at Dryden school in preparation for the Christmas services. Mrs. Hoog is director.

No other gas pedal gets action like this!

THIS pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflow Drive,* have *changed their pitch—just like the variable pitch propellers on a modern air liner.*

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's. There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And beneath it all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

First Lutheran Service In Rolling Meadows December 12

Next Sunday will mark the beginning of Lutheran services in Rolling Meadows. The service will begin at 10:30 a.m. in the new public school in Rolling Meadows, located on the corner of South st. and Meadow drive, near Kirchhoff rd., and will continue there every Sunday thereafter. Divine services are also planned for Christmas eve and New Year's eve.

The Lutheran Sunday school, held in the subdivision since last March, will also meet in the new public school in Rolling Meadows December 12 at the usual starting time, 9:15 a.m. This Sunday school is departmentalized and uses the colored Sunday school leaflets of the Lutheran church. The teachers attend a teachers' training course.

The worship services and the Sunday school were begun under the guidance of the Rev. Arnold H. Semmann of Park Ridge, Mission director of the Lutheran church-Missouri synod (Northern Illinois District). The preaching will be done under the leadership of the Rev. Luther V. Stephan and Vicar William H. Bartels of St. Peter Lutheran church, Arlington Heights, and the Rev. Hilmar T. Rosenberg and Vicar Varnes Stringer of Immanuel Lutheran church, Palatine, as well as the Rev. Wilbert C. Koester of St. Paul Lutheran church, Mount Prospect. Mr. Frederick L. Mueller, Arlington Heights, is the superintendent of the Sunday school which has enjoyed a remarkable growth.

All Lutherans as well as any others not affiliated with a Christian church are invited to attend worship hours which are intended as an added service to the new community.

Plans for the future call for the building of a new Lutheran congregation, possibly south of Kirchhoff rd.

FHA Girls Entertain Neighbors At Pot Luck Dinner December 2

The Future Homemakers of America at Arlington Heights high school was hostess to FHA members from Palatine and Evanston high schools at a pot luck dinner December 2.

About 70 girls attended, with most of them taking part in the evening's entertainment. Evanston girls presented a fashion show, "Fashion Through the Ages," featuring garments used more than 100 years ago, as well as modern and in-between clothing.

Palatine girls presented a skit "What Every FHA Girl Should Be." Arlington Heights presented a version of "What's My Line?".

Mrs. Richard Klug, Arlington Heights chapter mother, was presented a corsage in honor of her birthday, which was the following day.

Elmhurst College Choir To Present Concert In St. John Church

Chapel choir of Elmhurst college will present a concert of sacred music next Sunday evening at 8 p.m. at St. John Evangelical and Reformed church, N. Evergreen at St. James, Arlington Heights.

On a weekend tour from Elmhurst college the choir will sing in several churches throughout southern Wisconsin and northern Illinois.

Having a large sacred repertoire, the Chapel choir is a chorus of 40 mixed voices. Its primary function is to assist with the musical portion of the chapel services held at the college. The choir's numbers range from sixteenth century Palestrina to modern twentieth century music of Gustav Holst. Sunday evening's concert will be a Christmas concert.

T. Howard Krueger, director of the Choir, is also the head of the school of music at Elmhurst college. This is his fifth year as director of the choir. The choir has been called "an outstanding group — from one of America's outstanding small colleges."

No tickets are needed as a free-will offering will be received. Following the concert the Women's guild will serve refreshments in the church assembly room. Pastor J. G. Meiners extends an invitation to all to attend the concert this Sunday evening in St. John church.

First Lutheran Service In Rolling Meadows December 12

Next Sunday will mark the beginning of Lutheran services in Rolling Meadows. The service will begin at 10:30 a.m. in the new public school in Rolling Meadows, located on the corner of South st. and Meadow drive, near Kirchhoff rd., and will continue there every Sunday thereafter. Divine services are also planned for Christmas eve and New Year's eve.

The Lutheran Sunday school, held in the subdivision since last March, will also meet in the new public school in Rolling Meadows December 12 at the usual starting time, 9:15 a.m. This Sunday school is departmentalized and uses the colored Sunday school leaflets of the Lutheran church. The teachers attend a teachers' training course.

The worship services and the Sunday school were begun under the guidance of the Rev. Arnold H. Semmann of Park Ridge, Mission director of the Lutheran church-Missouri synod (Northern Illinois District). The preaching will be done under the leadership of the Rev. Luther V. Stephan and Vicar William H. Bartels of St. Peter Lutheran church, Arlington Heights, and the Rev. Hilmar T. Rosenberg and Vicar Varnes Stringer of Immanuel Lutheran church, Palatine, as well as the Rev. Wilbert C. Koester of St. Paul Lutheran church, Mount Prospect. Mr. Frederick L. Mueller, Arlington Heights, is the superintendent of the Sunday school which has enjoyed a remarkable growth.

All Lutherans as well as any others not affiliated with a Christian church are invited to attend worship hours which are intended as an added service to the new community.

Plans for the future call for the building of a new Lutheran congregation, possibly south of Kirchhoff rd.

FHA Girls Entertain Neighbors At Pot Luck Dinner December 2

The Future Homemakers of America at Arlington Heights high school was hostess to FHA members from Palatine and Evanston high schools at a pot luck dinner December 2.

About 70 girls attended, with most of them taking part in the evening's entertainment. Evanston girls presented a fashion show, "Fashion Through the Ages," featuring garments used more than 100 years ago, as well as modern and in-between clothing.

Palatine girls presented a skit "What Every FHA Girl Should Be." Arlington Heights presented a version of "What's My Line?".

Mrs. Richard Klug, Arlington Heights chapter mother, was presented a corsage in honor of her birthday, which was the following day.

Elmhurst College Choir To Present Concert In St. John Church

Chapel choir of Elmhurst college will present a concert of sacred music next Sunday evening at 8 p.m. at St. John Evangelical and Reformed church, N. Evergreen at St. James, Arlington Heights.

On a weekend tour from Elmhurst college the choir will sing in several churches throughout southern Wisconsin and northern Illinois.

Having a large sacred repertoire, the Chapel choir is a chorus of 40 mixed voices. Its primary function is to assist with the musical portion of the chapel services held at the college. The choir's numbers range from sixteenth century Palestrina to modern twentieth century music of Gustav Holst. Sunday evening's concert will be a Christmas concert.

T. Howard Krueger, director of the Choir, is also the head of the school of music at Elmhurst college. This is his fifth year as director of the choir. The choir has been called "an outstanding group — from one of America's outstanding small colleges."

No tickets are needed as a free-will offering will be received. Following the concert the Women's guild will serve refreshments in the church assembly room. Pastor J. G. Meiners extends an invitation to all to attend the concert this Sunday evening in St. John church.

St. John Evening Guild To Hold Christmas Party

The Evening Guild of St. John's Episcopal church will meet December 15 at 8 p.m. in the undercroft of the church for their Christmas party. This meeting will bring the four groups formed in the fall together to make up the full guild membership.

This will be a social evening with the program a demonstration of holiday decorations by Anderson florists located on Golf rd. Mr. Anderson has informed the program chairman, Mrs. William C. Wendling, that he will be bringing very new ideas on Christmas decorating from recent florist conventions he has attended. He will show the guild women how to make various types of decorations suitable for the home and also will show items already made up and available at their shop.

Mrs. Clair B. Owen Jr., will be in charge of the party games and the popular get-acquainted mixer.

Mrs. James O. Turney, social chairman of the guild, will have as her refreshment committee, two women from each of the four groups. Assisting from group I are Mrs. Willard N. Nelson and Mrs. L. L. Green; from group II, Mrs. Henry J. Reilly and Mrs. William G. MacKinzie; from group III, Mrs. Dorothy Graham and Mrs. William B. Winkler; from group IV, Mrs. Richard H. Heineman and Mrs. Bessie Carter.

Is There a Sure Way to Save Money on Food? A&P Says "Yes!" Come See...

COMPARE and CHECK YOUR SAVINGS!

Of course a few occasional low prices save you a little money. But in the long run they don't make much difference in your *total* food bill. It takes many regular low prices to do *that*. And A&P has what it takes . . . scores of money-saving prices in every department every day. What proof? Compare the typically low A&P prices in this ad with the prices you've been paying. Add up the savings they represent and see how they can cut your total food bill. Once you've made this convincing comparison, we believe you'll agree that the sure way to save money on your food bill is to come see . . . come save at A&P.

With The Blue Birds

Arlington Heights Honey Bear blue bird group, under the direction of Mrs. Crommelin and Mrs. Auer, has started working on Christmas handicraft projects. The girls are planning to make gifts, cards and decorations before the holidays. Kathy Crommelin was the hostess for the meeting, serving a treat to the girls.

Helping Pixies blue bird group, meeting at Mrs. Schomburg's home, received instructions in making glitter Christmas tree ornaments under the direction of Mrs. Nicol. The girls also started work on Christmas gifts for their parents. Plans for the holiday season include a gala Christmas party, and Christmas caroling. A special treat was served by Lynne Schomburg, hostess for the meeting.

All blue birds being received into membership at the charter ceremony on December 12, should be at the Junior high school cafeteria at 3 p.m. Pictures of the girls will be taken at this time, and all blue birds should be in complete costume. The ceremony will begin at 3:30 p.m., and all parents, relatives, and friends are invited to attend.

The Honey Bears and Helping Pixies groups will hold a joint charter ceremony this Sunday in the junior high school cafeteria, at 3:30 p. m. Mrs. C. H. Rosene, president of the local Parent-Teacher association, will present the Honey Bear charter to Mrs. Crommelin and Mrs. Auer. A similar charter will be presented to Mrs. Schomburg and Mrs. Nicol by Mrs. Charles Kule, librarian of the Arlington Heights Memorial library.

Twenty new blue birds will be received into membership during this ceremony. The following girls will light their blue bird candles: Carol and Merry Lee Auer, Susan Bahr, Lynne Brodahl, Chris Carle, Jean Ann Collins, Kathy Crommelin, Ellyn Faye Dobbins, Diane Ferrara, Carol Haas, Barbara Johnson, Rae Landmeier, Nancy Lasher, Lynn Maas, Nancy Miles, Janet Nicol, Rhonda Roberts, Lynne Schomburg, Nancy Staadt and Jean Ann Stedry.

Miss Miriam Dedeian, field director for the Chicago Area Council of camp fire girls, will be present to welcome the new blue birds into the large circle of camp fire. Mount Prospect camp fire girls will also take part in the ceremony.

WHY?

AN ELECTRIC DRYER TAKES THE WORK OUT OF WASHDAY
...yet costs only $1.93 a week to own.

Dial clothes dry the way you wash them—inside, in minutes, electrically!

Maybe your wife *has* a good washing machine. But it won't lift water-heavy wash or hang it on the line.

Why must she work so hard *every* washday? An automatic electric dryer is easy to own. Why put it off?

Look, an electric dryer is only a step from the washer. And, nothing touches your clothes but clean, fresh, *electrically* heated air. (Fastest and cleanest for drying clothes.)

Clothes are easier to iron when perfectly conditioned for it in an automatic electric dryer. Many things come out ready to fold and put away—smelling sweet as all outdoors.

What about it? For a few dollars down and $1.93 a week you own a modern automatic electric dryer. See the latest models at your nearby appliance dealer's or our store. Today would be fine.

Christmas Party At Presbyterian Church

A "Mr. and Mrs." Christmas party will be held at the First Presbyterian church, Arlington Heights, December 10 at 6:45 p.m. Each member is asked to bring a 50 cent grab-bag gift marked "Mr." or "Mrs.".

This is not a pot-luck dinner; dinner will be served for 75c per person. After the dinner, a play will be given by the Village Theatre.

Reservations must be made before December 8 by calling Mrs. Clarence Davis at Clearbrook 3-0261 or Mrs. Harold Peter at Clearbrook 3-4504.

Newcomers' Club To Hold Children's Yule Party Saturday

Arlington Heights Newcomers' club annual Christmas party for children will be held Saturday from 2 to 4 p.m. at the fieldhouse. All children of club members, age 1 to 10, are invited and must be accompanied by their parents.

Traditional entertainment will include games, prizes and refreshments. Each child is asked to bring a 25 cent gift wrapped for the grab bag, the boys to bring a boys' gift and the girls a gift for a girl. Reservations must be in by Thursday to program chairman, Mrs. Elmer Boehm, Clearbrook 3-8092 or her assistant, Mrs. A. J. Baugons, Clearbrook 3-8027.

Members of the executive board of the club met December 1 at the home of Mrs. Robert Nicol to discuss the Christmas party and plan for the dance to be held in February at Arlington Heights Country club.

Newcomers interested in bowling may contact Mrs. Richard Hoppe at Clearbrook 3-0323. The bowling group meets each Thursday at 1:15 p.m. at Hi-Way Recreation, 945 Northwest highway.

School Employees Feted At Dinner

The elementary board of education in Arlington Heights were hosts Monday night to more than 200 guests, consisting of all school employees, their husbands and their wives.

The dinner, though prepared by the cafeteria staff at the school, was served by the board members, with some of the high school cafeteria staff assisting.

Among the guests at this annual affair were Miss Irene Russell of Hinsdale, former principal at the South school, and Roland Franzen, township school treasurer, and his wife.

Presbyterian Evening Circles Plan Christmas Parties

Evening circles of the Presbyterian Women's association, are planning Christmas parties December 15, at 8 p.m.

With The Blue Birds

Arlington Heights Honey Bear blue bird group, under the direction of Mrs. Crommelin and Mrs. Auer, has started working on Christmas handicraft projects. The girls are planning to make gifts, cards and decorations before the holidays. Kathy Crommelin was the hostess for the meeting, serving a treat to the girls.

Helping Pixies blue bird group, meeting at Mrs. Schomburg's home, received instructions in making glitter Christmas tree ornaments under the direction of Mrs. Nicol. The girls also started work on Christmas gifts for their parents. Plans for the holiday season include a gala Christmas party, and Christmas caroling. A special treat was served by Lynne Schomburg, hostess for the meeting.

All blue birds being received into membership at the charter ceremony on December 12, should be at the Junior high school cafeteria at 3 p.m. Pictures of the girls will be taken at this time, and all blue birds should be in complete costume. The ceremony will begin at 3:30 p.m., and all parents, relatives, and friends are invited to attend.

The Honey Bears and Helping Pixies groups will hold a joint charter ceremony this Sunday in the junior high school cafeteria, at 3:30 p. m. Mrs. C. H. Rosene, president of the local Parent-Teacher association, will present the Honey Bear charter to Mrs. Crommelin and Mrs. Auer. A similar charter will be presented to Mrs. Schomburg and Mrs. Nicol by Mrs. Charles Kule, librarian of the Arlington Heights Memorial library.

Twenty new blue birds will be received into membership during this ceremony. The following girls will light their blue bird candles: Carol and Merry Lee Auer, Susan Bahr, Lynne Brodahl, Chris Carle, Jean Ann Collins, Kathy Crommelin, Ellyn Faye Dobbins, Diane Ferrara, Carol Haas, Barbara Johnson, Rae Landmeier, Nancy Lasher, Lynn Maas, Nancy Miles, Janet Nicol, Rhonda Roberts, Lynne Schomburg, Nancy Staadt and Jean Ann Stedry.

Miss Miriam Dedeian, field director for the Chicago Area Council of camp fire girls, will be present to welcome the new blue birds into the large circle of camp fire. Mount Prospect camp fire girls will also take part in the ceremony.

EVERY SPARTON SET IS "Custom-Built"

Because Sparton Builds For Quality—Not Quantity—No Mass Produced Set Can Match These Custom-Built Sparton Features:

1. Unlike most TV manufacturers, Sparton makes 70% of its own parts instead of buying them.
2. Sparton owns its own furniture factory—custom-builds its cabinets like your own fine furniture is built.
3. Every Sparton connection is *hand-soldered*—obviously impossible in mass produced sets.
4. All Sparton TV sets are completely assembled in Sparton plants.
5. Every Sparton set is individually inspected as it comes off the line. There is no spot checking as in mass production factories.

Sparton sells direct to the dealer. This eliminates the middleman markup and gives you a finer set at no extra cost.

Here's Scouting

With Explorer Scout Bill Hogate

Blackhawk-Signal

Adult Scouter Kenneth N. Hull, and young secretary, Wayne Rydberg, of the newly formed chapter of the Order of the Arrow, Lakoda Lodge, recently supplied the following report at the threshold of the Here's Scouting office. "The first meeting of the Blackhawk-Signal Hill Chapter, Lakota Lodge, Order of the Arrow, was held Sunday afternoon, at the Arlington Heights field house. Officers for the chapter for the coming year are, Lodge Chief Charles Watson, Vice Chief Gary Young, and Secretary Wayne Rydberg.

"The following plans and projects were discussed: The Lodge-Drum, newspaper, Lodge Constitution, and Camper's Handbook. Announcement was made of the annual lodge banquet to be held at Rand field house, Des Plaines, December 29. Members should make reservations with Bruce Mateer, 320 S. Knight, Park Ridge, for the banquet, at which the new lodge patch will be distributed. It is hoped that all members of the order will attend this important banquet and meeting."

Best wishes and luck to this new organization.

The December 17 meeting of Pack 32 will be a special event for all the young cubers for they will get together with all their buddies for the Pack Christmas party. The dens have been making Christmas tree ornaments for the tree decorating ceremony. The boys have also been working on various handi-craft projects, such as gifts for their folks and other Christmas projects for the Yule season. After the tree decorating festivities, an entertaining skit will be put on by one of the Dens. Slated also for that night, will be an induction of new Cub Scouts. This party will be held at the North School between 7:30 and 8:45 p.m., reports Jim Moore, activity chairman of the pack. Cub master M. Smith is announcing also the Blue and Gold Cub dinner to be held Scout Week, the 10th of February. Scouts! Check with your Cubmaster for the price of tickets and all the other details connected with this affair. Here's Scouting wishes Pack 32, success with their Christmas party and Blue and Gold Father and Son banquet.

Seals Needed To Continue TB Fight

While the tuberculosis death rate has dropped sharply during recent years, the tuberculosis problem is by no means solved — and any letup in the fight against the disease at this time would be dangerous.

This warning came from Dr. Julius B. Novak, medical director of the Tuberculosis Institute of Chicago and Cook county.

"It is true," he said, "that the number of deaths is declining, due to better methods of treatment. However, the same cannot be said of the incidence of tuberculosis, for each year we are finding approximately the same number of new, previously unknown cases.

* * *

"FOR EXAMPLE, last year there were 3737 new, previously unknown cases in Chicago, and 316 new cases in suburban Cook county. Each of these people, of course, until placed under medical care, was capable of spreading the disease to others.

"In 1953," Dr. Novak said, "tuberculosis caused 808 deaths in Chicago, and 60 deaths in the suburban areas. The disease ranked first as a cause of death in the city—and it is the leading cause of death among the communicable disease."

EVERY SPARTON SET IS
"Custom-Built"

Because Sparton Builds For Quality—Not Quantity—No Mass Produced Set Can Match These Custom-Built Sparton Features:

1. Unlike most TV manufacturers, Sparton makes 70% of its own parts instead of buying them.
2. Sparton owns its own furniture factory—custom-builds its cabinets like your own fine furniture is built.
3. Every Sparton connection is *hand-soldered*—obviously impossible in mass produced sets.
4. All Sparton TV sets are completely assembled in Sparton plants.
5. Every Sparton set is individually inspected as it comes off the line. There is no spot checking as in mass production factories.

SPARTON TV

Sparton sells direct to the dealer. This eliminates the middleman markup and gives you a finer set at no extra cost.

SPARTON ENGINEERING FIRSTS

We are justifiably proud of our engineering know-how. Here is but a partial list of important Sparton firsts:

FIRST—All electric radio set
FIRST—Radio tuning eye
FIRST—Push button tuning
FIRST—Fully automatic brightness control for television

Here's Scouting

With Explorer Scout Bill Hogate

Blackhawk-Signal

Adult Scouter Kenneth N. Hull, and young secretary, Wayne Rydberg, of the newly formed chapter of the Order of the Arrow, Lakoda Lodge, recently supplied the following report at the threshold of the Here's Scouting office. "The first meeting of the Blackhawk-Signal Hill Chapter, Lakota Lodge, Order of the Arrow, was held Sunday afternoon, at the Arlington Heights field house. Officers for the chapter for the coming year are, Lodge Chief Charles Watson, Vice Chief Gary Young, and Secretary Wayne Rydberg.

"The following plans and projects were discussed: The Lodge-Drum, newspaper, Lodge Constitution, and Camper's Handbook. Announcement was made of the annual lodge banquet to be held at Rand field house, Des Plaines, December 29. Members should make reservations with Bruce Mateer, 320 S. Knight, Park Ridge, for the banquet, at which the new lodge patch will be distributed. It is hoped that all members of the order will attend this important banquet and meeting."

Best wishes and luck to this new organization.

The December 17 meeting of Pack 32 will be a special event for all the young cubers for they will get together with all their buddies for the Pack Christmas party. The dens have been making Christmas tree ornaments for the tree decorating ceremony. The boys have also been working on various handi-craft projects, such as gifts for their folks and other Christmas projects for the Yule season. After the tree decorating festivities, an entertaining skit will be put on by one of the Dens. Slated also for that night, will be an induction of new Cub Scouts. This party will be held at the North School between 7:30 and 8:45 p.m., reports Jim Moore, activity chairman of the pack. Cub master M. Smith is announcing also the Blue and Gold Cub dinner to be held Scout Week, the 10th of February. Scouts! Check with your Cubmaster for the price of tickets and all the other details connected with this affair. Here's Scouting wishes Pack 32, success with their Christmas party and Blue and Gold Father and Son banquet.

Seals Needed To Continue TB Fight

While the tuberculosis death rate has dropped sharply during recent years, the tuberculosis problem is by no means solved — and any letup in the fight against the disease at this time would be dangerous.

This warning came from Dr. Julius B. Novak, medical director of the Tuberculosis Institute of Chicago and Cook county.

"It is true," he said, "that the number of deaths is declining, due to better methods of treatment. However, the same cannot be said of the incidence of tuberculosis, for each year we are finding approximately the same number of new, previously unknown cases.

* * *

"FOR EXAMPLE, last year there were 3737 new, previously unknown cases in Chicago, and 316 new cases in suburban Cook county. Each of these people, of course, until placed under medical care, was capable of spreading the disease to others.

"In 1953," Dr. Novak said, "tuberculosis caused 808 deaths in Chicago, and 60 deaths in the suburban areas. The disease ranked first as a cause of death in the city—and it is the leading cause of death among the communicable disease."

By MRS. CHARLES KULE

New Fiction: "The View from Pompey's Head," by Hamilton Basso. The story of a young lawyer, who, after an absence of fifteen years, finds it necessary to return to his home town of Pompey's Head on a curious mission. "The Blackboard Jungle," by Evan Hunter. The first novel to dramatize one of the top social problems of our day.

"Blessed Is The Land," by Louis Zara. The story of New Amsterdam in the lusty days of stomping Peter Stuyvesant. Rich with realistic details. "The Cheerful Captive," by Louise Field Cooper. A warmhearted domestic novel. "Speak To Me, Brother," by Anne Miller Downes. The heartwarming story of an unforgettable American family.

* * *

"THE BATTLE DONE," by S. L. Rubinstein. A story of German POW's in a South Carolina prison camp. "The Big Ball of Wax," by Shepherd Mead. A story of tomorrow's happy world. "No Time For Sergeants," by Mac Hyman. It's a four-star, one hundred per cent wowser.

"Modern American Humor," by Bennett Cerf. A selection of the finest humorous literature of recent times. "My Brother's Keeper," by Marcia Davenport. An engrossing novel by the author of "The Valley of Decision" and "East Side, West Side." "Jonathan Blair: Bounty Lands Lawyer," by William Ellis. A gripping and authentic novel of the post-revolutionary frontier. "The Lion at Morning," by Stephen Longstreet. Chock full of story, of characters who spring alive at you from the page.

* * *

"ONLY FADE AWAY," by Bruce Marshall. The story of an old soldier—a stiff-necked Scot who served in the British army in two world wars. "The Spanish Bride," by Walter O'Meara. A masterpiece of historical fiction in the year 1720. "He Who Rides a Tiger," by Bhabani Bhattacharya. A novel of modern India.

"Thirty Years," by John P. Marquand. A collection of stories, articles and essays which have not previously appeared in book form.

"Alexander the God," by Robert Payne. A novel about Alexander the Great. "What Did It Mean?" by Angela Thirkell. A detailed, easy-going, friendly, humorous, and good-natured chronicle of the English county Barsetshire. "Prisoner in Paradise," by Garet Rogers. A startling portrayal of the vicious parasitic world of the medical quacks, cults, and the outright health rackets. "One White Star" by Gladys Carroll. A substantial novel about a normal American woman, aged 39 in 1954.

"The Measure of the Years," by Alice Ross Colver. A rich and turbulent novel about a pioneer family and the founding of Stockbridge, Mass. "Benton's Row," by Frank Yerby. Once again Frank Yerby has combined an authentic historical background with his remarkable storytelling gift to create a novel of the South.

Get Same Numbers

Almost 250,000 Illinois motorists have taken advantage of the state's reassignment law to retain their present motor vehicle license numbers for 1955. an increase of about 25,000 over last year, secretary of state Charles F. Carpentier has said.

United Bus Drivers Sign Pledges For 'Safe-Driving Day'

In preparation of "Safe-Driving Day" (S-D Day) Wednesday, December 15, the police chiefs of the various towns met at the United Motor Coach Co., Des Plaines, November 30 and were given a preview of the Safe-T-Coach and also were briefed in the procedure United is following alerting everyone in their company to "S-D Day."

Of particular interest to the chiefs was the Safety Pledge signed by each employee. According to Elmer Scheumann, Safety Director, 100% of the employees have signed the pledge and are cooperating in this endeavor. The pledge is as follows:

"I Pledge my full support to the program of December 15, 1954 which has been designated "Safe-Driving Day" by the President of the United States Whereas I strive to drive, walk and work safely at all times, I shall endeavor to exert even greater effort on December 15, 1954, in full cooperation with this national safety campaign."

John Hanck, public realtions director for United Motor Coach Co., reports that copies of these pledges will be made available to other companies and their employees in the area.

Here Are Two Questions Asked Most Of Soil Conservation Man

1. How do I go about obtaining the services of the North Cook soil conservation district?

2. What does a conservation farm plan cost?

Anyone interested in a soil conservation farm plan should contact any of the soil conservation district directors, or contact Morry at the district office in the farm bureau building, Clearbrook 3-7656, or Carl F. Mees, farm adviser, Clearbrook 3-6441.

The directors are:

Emil Hattendorf, Chairman, Hanover Township.

Elmer Wente, Vice Chairman, Palatine township.

Arnold Brockmann, Sec. Treas., Palatine township.

Xaver Schmid, Barrington township.

Werner Kastning, Schaumburg township.

When your soil conservation district was organized the district asked the soil conservation service for technical assistance. The services of Morry were obtained by the North-Cook soil conservation district to assist farmers within the district, so there is no charge for his services.

Does a cooperator have to follow his plan? The answer next week.

Channel 11 TV Studios At Museum Of Science

A three-year contract has been signed by the Chicago educational television association for space in the Museum of Science and Industry.

The association will set up studios and offices of WTTW, the forthcoming educational TV station on Channel 11, in the east wing of the museum.

Approximately 13,000 square feet of space has been set aside for two studios, each 60 by 40 feet, a master control room, a film studio and offices of the station. The remainder of the east wing is occupied by the army.

Shoots Deer With Bow And Arrow

Ralph Smith, son of Mr. and Mrs. Robert Smith, N. State rd., Arlington Heights, went hunting last weekend at Necedah, Wis. He shot a buck deer with a bow and arrow which he made himself. Ralph has been interested in archery for many years and this is the first time he has had the opportunity to "bring home the bacon" with the use of his bow and arrow.

Ralph lives in Prospect Heights.

New Fiction: "The View from Pompey's Head," by Hamilton Basso. The story of a young lawyer, who, after an absence of fifteen years, finds it necessary to return to his home town of Pompey's Head on a curious mission. "The Blackboard Jungle," by Evan Hunter. The first novel to dramatize one of the top social problems of our day.

"Blessed Is The Land," by Louis Zara. The story of New Amsterdam in the lusty days of stomping Peter Stuyvesant. Rich with realistic details. "The Cheerful Captive," by Louise Field Cooper. A warmhearted domestic novel. "Speak To Me, Brother," by Anne Miller Downes. The heartwarming story of an unforgettable American family.

* * *

"THE BATTLE DONE," by S. L. Rubinstein. A story of German POW's in a South Carolina prison camp. "The Big Ball of Wax," by Shepherd Mead. A story of tomorrow's happy world. "No Time For Sergeants," by Mac Hyman. It's a four-star, one hundred per cent wowser.

"Modern American Humor," by Bennett Cerf. A selection of the finest humorous literature of recent times. "My Brother's Keeper," by Marcia Davenport. An engrossing novel by the author of "The Valley of Decision" and "East Side, West Side." "Jonathan Blair: Bounty Lands Lawyer," by William Ellis. A gripping and authentic novel of the post-revolutionary frontier. "The Lion at Morning," by Stephen Longstreet. Chock full of story, of characters who spring alive at you from the page.

* * *

"ONLY FADE AWAY," by Bruce Marshall. The story of an old soldier—a stiff-necked Scot who served in the British army in two world wars. "The Spanish Bride," by Walter O'Meara. A masterpiece of historical fiction in the year 1720. "He Who Rides a Tiger," by Bhabani Bhattacharya. A novel of modern India.

"Thirty Years," by John P. Marquand. A collection of stories, articles and essays which have not previously appeared in book form.

"Alexander the God," by Robert Payne. A novel about Alexander the Great. "What Did It Mean?" by Angela Thirkell. A detailed, easy-going, friendly, humorous, and good-natured chronicle of the English county Barsetshire. "Prisoner in Paradise," by Garet Rogers. A startling portrayal of the vicious parasitic world of the medical quacks, cults, and the outright health rackets. "One White Star" by Gladys Carroll. A substantial novel about a normal American woman, aged 39 in 1954.

"The Measure of the Years," by Alice Ross Colver. A rich and turbulent novel about a pioneer family and the founding of Stockbridge, Mass. "Benton's Row," by Frank Yerby. Once again Frank Yerby has combined an authentic historical background with his remarkable storytelling gift to create a novel of the South.

Almost 250,000 Illinois motorists have taken advantage of the state's reassignment law to retain their present motor vehicle license numbers for 1955. an increase of about 25,000 over last year, secretary of state Charles F. Carpentier has said.

United Bus Drivers Sign Pledges For 'Safe-Driving Day'

In preparation of "Safe-Driving Day" (S-D Day) Wednesday, December 15, the police chiefs of the various towns met at the United Motor Coach Co., Des Plaines, November 30 and were given a preview of the Safe-T-Coach and also were briefed in the procedure United is following alerting everyone in their company to "S-D Day."

Of particular interest to the chiefs was the Safety Pledge signed by each employee. According to Elmer Scheumann, Safety Director, 100% of the employees have signed the pledge and are cooperating in this endeavor. The pledge is as follows:

"I Pledge my full support to the program of December 15, 1954 which has been designated "Safe-Driving Day" by the President of the United States Whereas I strive to drive, walk and work safely at all times, I shall endeavor to exert even greater effort on December 15, 1954, in full cooperation with this national safety campaign."

John Hanck, public realtions director for United Motor Coach Co., reports that copies of these pledges will be made available to other companies and their employees in the area.

Here Are Two Questions Asked Most Of Soil Conservation Man

1. How do I go about obtaining the services of the North Cook soil conservation district?

2. What does a conservation farm plan cost?

Anyone interested in a soil conservation farm plan should contact any of the soil conservation district directors, or contact Morry at the district office in the farm bureau building, Clearbrook 3-7656, or Carl F. Mees, farm adviser, Clearbrook 3-6441.

The directors are:

Emil Hattendorf, Chairman, Hanover Township.

Elmer Wente, Vice Chairman, Palatine township.

Arnold Brockmann, Sec. Treas., Palatine township.

Xaver Schmid, Barrington township.

Werner Kastning, Schaumburg township.

When your soil conservation district was organized the district asked the soil conservation service for technical assistance. The services of Morry were obtained by the North-Cook soil conservation district to assist farmers within the district, so there is no charge for his services.

Does a cooperator have to follow his plan? The answer next week.

Channel 11 TV Studios At Museum Of Science

A three-year contract has been signed by the Chicago educational television association for space in the Museum of Science and Industry.

The association will set up studios and offices of WTTW, the forthcoming educational TV station on Channel 11, in the east wing of the museum.

Approximately 13,000 square feet of space has been set aside for two studios, each 60 by 40 feet, a master control room, a film studio and offices of the station. The remainder of the east wing is occupied by the army.

Shoots Deer With Bow And Arrow

Ralph Smith, son of Mr. and Mrs. Robert Smith, N. State rd., Arlington Heights, went hunting last weekend at Necedah, Wis. He shot a buck deer with a bow and arrow which he made himself. Ralph has been interested in archery for many years and this is the first time he has had the opportunity to "bring home the bacon" with the use of his bow and arrow.

Ralph lives in Prospect Heights.

Nation's Business In Modest Upturn

Business is experiencing a "Modest pickup" all across the nation, according to the Federal Reserve Bank of Chicago. Among the more favorable signs listed by the bank in its current monthly review are:

Manufacturers' sales and orders improved in the early fall as order backlogs rose for the first time in nearly two years.

Employment of wage and salary workers gained 240,000 more than usual for September and October. This rise followed a decline of nearly two million from the mid-1953 peak.

* * *

THE AVERAGE manufacturing work week has advanced to its highest point in ten months.

Output of the nation's factories and mines increased slightly in September and October while November probably experienced a further gain. Through midfall, manufacturers of household goods had recovered substantially from the output decline in the last half of 1953.

The improvement in business activity to date, the bank points out, has been considerably less vigorous than had been anticipated by many observers last summer. Yet the rise is noteworthy since it began in the face of continued heavy inventory reductions.

* * *

MARKED SLOWING in the rate of inventory liquidation, however, is not far off. Business stocks have been reduced more than 4 billion dollars in the past year, largely through a 10 per cent cut in durable goods on hand. Most firms which felt that stocks were out of line a year ago have now trimmed their holdings considerably.

As the inventory adjustment apparently nears an end, demand for finished goods is being well maintained via a further rise in construction, a pickup in state and local government spending, and a fairly steady volume of retail sales. Construction outlays are currently running above the high levels of midsummer, while housing starts are especially strong for autumn. Moreover, a further rise in construction is expected next year.

* * *

FOR THE FIRST ten months of this year retail trade was less than 2 per cent below the same period last year. But this showing may improve as a result of the early introduction of 1955 autos. Industry estimates place output in the final two months at 1.1 million cars—double the September-October volume and 45 per cent ahead of a year ago.

Uncertainty regarding future prospects is probably greatest in the producers' durable goods field. Here, expenditures have been dropping steadily since mid-1953. During the third quarter of 1954, for example, production of both industrial machinery and electrical equipment was 15 per cent below the same months of last year.

* * *

IN A SIMILAR comparison, farm machinery lagged 18 per cent below the 1953 rate, truck output was down 35 per cent, and production of railroad equipment was off more than 50 per cent. Reductions in defense spending are partly responsible for the declines in some of these industires.

Arlington High Honor Roll

To obtain Senior Honor Roll recognition a student must maintain each quarter a 4.5 average with no grade below "B" based in the following point system: "A" 5 points, "B" 4 points, "C" 3 points. To obtain Junior Honor Roll recognition a 4.0 average must be maintained for the quarter with no grade below "C."

Deer Roam Over 74 Illinois Counties

The increasing deer population in Illinois has caused conservation officials to consider a legal hunting season for deer in some areas. Deer are now reported present in at least 74 of the state's 102 counties, and a recent study indicates that along the Rock river near Rockford and on the Horseshoe Lake refuge they have become so plentiful as to become a nuisance.

Reports of seeing deer on the roads in the forest preserve areas are not infrequent. Last year several were hit by cars and killed. Last week a motorist driving on a McHenry county rural road struck and killed a 100-pound deer. His automobile was damaged by the impact.

4-Inch Module Cuts Building Cost

A better house at lower cost is being built through "modular coordination," says American Builder magazine. Measurements are based on a 4-inch module; that is, brick, windows, concrete block, wallboard, sheathing, and other structural members are made in dimensions divisible by 4 inches.

Modular materials are easily and precisely lined up, with no costly man-hours wasted in cutting materials to size. There's a minimum of waste.

Postpone Election On Zurich Sanitary Dist.

The special election scheduled to be held in Zurich Heights last week for a referendum on formation of a sanitary district was postponed when representatives of Zurich Heights appeared before Judge Minard E. Hulse in Lake County court to request modification of the district's boundaries.

As originally proposed, the sanitary district would have included the Zurich Heights territory and that portion of Cuba township bounded by Signal Hill, Kimberly, and Miller roads.

Because of opposition by Cuba township residents, proponents of the contemplated sanitary district proposed that the Cuba township territory be excluded and the Cuba-Ela town line be made the western boundary. At the suggestion of Judge Hulse, the Zurich Heights group will re-file a petition based on this boundary line.

A petition seeking a re-hearing has been filed by the Cuba opponents to the proposed district. This petition was signed by the Biltmore Home Owners association, the Biltmore Country club, Leonard Construction Co., Mary and Richard Wild, and Charles and Iris Miller.

Same Old Numbers

Secretary of State Charles F. Carpentier has announced the assignment of 98 of the first 100 automobile license numbers for 1955. Assignment of numbers 6 and 52 has not been completed, he said.

When the entire list is finished, there will be only three changes, since 97 of the holders of the numbers this year used the state's re-assignment law to retain them for next year.

Only one change occurs in the 98. That is Number 3, formerly held by Mrs. Winifred R. Hughes, widow of former secretary of state Edward J. Hughes. Mrs. Hughes died in the last year. Secretary Carpentier has assigned the number to his wife. (G

Watch For Moisture Build-Up In Stored Grain On Farms

Check your farm-stored grain for moisture build-up when cold weather hits.

John C. Campbell, extension agricultural engineer at the University of Illinois college of agriculture, says you can look for trouble in the top two feet of the grain.

Temperature differences in stored grain cause air currents that carry warm, moist air up where the moisture condenses on the cold grain near the surface.

This shifting air may cause even shelled corn stored at a safe 14 per cent moisture contest or lower to increase enough in moisture to spoil at the top.

You can keep the moisture evenly distributed, Campbell says, by using a small ventilating fan that blows air down a perforated duct in the center of the bin.

Or you can empty and refill the whole bin to average the location of the moist grain.

THE AVERAGE manufacturing work week has advanced to its highest point in ten months.

Output of the nation's factories and mines increased slightly in September and October while November probably experienced a further gain. Through midfall, manufacturers of household goods had recovered substantially from the output decline in the last half of 1953.

The improvement in business activity to date, the bank points out, has been considerably less vigorous than had been anticipated by many observers last summer. Yet the rise is noteworthy since it began in the face of continued heavy inventory reductions.

* * *

MARKED SLOWING in the rate of inventory liquidation, however, is not far off. Business stocks have been reduced more than 4 billion dollars in the past year, largely through a 10 per cent cut in durable goods on hand. Most firms which felt that stocks were out of line a year ago have now trimmed their holdings considerably.

As the inventory adjustment apparently nears an end, demand for finished goods is being well maintained via a further rise in construction, a pickup in state and local government spending, and a fairly steady volume of retail sales. Construction outlays are currently running above the high levels of midsummer, while housing starts are especially strong for autumn. Moreover, a further rise in construction is expected next year.

* * *

FOR THE FIRST ten months of this year retail trade was less than 2 per cent below the same period last year. But this showing may improve as a result of the early introduction of 1955 autos. Industry estimates place output in the final two months at 1.1 million cars—double the September-October volume and 45 per cent ahead of a year ago.

Uncertainty regarding future prospects is probably greatest in the producers' durable goods field. Here, expenditures have been dropping steadily since mid-1953. During the third quarter of 1954, for example, production of both industrial machinery and electrical equipment was 15 per cent below the same months of last year.

* * *

IN A SIMILAR comparison, farm machinery lagged 18 per cent below the 1953 rate, truck output was down 35 per cent, and production of railroad equipment was off more than 50 per cent. Reductions in defense spending are partly responsible for the declines in some of these industries.

Arlington High Honor Roll

To obtain Senior Honor Roll recognition a student must maintain each quarter a 4.5 average with no grade below "B" based in the following point system: "A" 5 points, "B" 4 points, "C" 3 points. To obtain Junior Honor Roll recognition a 4.0 average must be maintained for the quarter with no grade below "C."

Deer Roam Over 74 Illinois Counties

The increasing deer population in Illinois has caused conservation officials to consider a legal hunting season for deer in some areas. Deer are now reported present in at least 74 of the state's 102 counties, and a recent study indicates that along the Rock river near Rockford and on the Horseshoe Lake refuge they have become so plentiful as to become a nuisance.

Reports of seeing deer on the roads in the forest preserve areas are not infrequent. Last year several were hit by cars and killed. Last week a motorist driving on a McHenry county rural road struck and killed a 100-pound deer. His automobile was damaged by the impact.

4-Inch Module Cuts Building Cost

A better house at lower cost is being built through "modular coordination," says American Builder magazine. Measurements are based on a 4-inch module; that is, brick, windows, concrete block, wallboard, sheathing, and other structural members are made in dimensions divisible by 4 inches.

Modular materials are easily and precisely lined up, with no costly man-hours wasted in cutting materials to size. There's a minimum of waste.

Postpone Election On Zurich Sanitary Dist.

The special election scheduled to be held in Zurich Heights last week for a referendum on formation of a sanitary district was postponed when representatives of Zurich Heights appeared before Judge Minard E. Hulse in Lake County court to request modification of the district's boundaries.

As originally proposed, the sanitary district would have included the Zurich Heights territory and that portion of Cuba township bounded by Signal Hill, Kimberly, and Miller roads.

Because of opposition by Cuba township residents, proponents of the contemplated sanitary district proposed that the Cuba township territory be excluded and the Cuba-Ela town line be made the western boundary. At the suggestion of Judge Hulse, the Zurich Heights group will re-file a petition based on this boundary line.

A petition seeking a re-hearing has been filed by the Cuba opponents to the proposed district. This petition was signed by the Biltmore Home Owners association, the Biltmore Country club, Leonard Construction Co., Mary and Richard Wild, and Charles and Iris Miller.

Same Old Numbers

Secretary of State Charles F. Carpentier has announced the assignment of 98 of the first 100 automobile license numbers for 1955. Assignment of numbers 6 and 52 has not been completed, he said.

When the entire list is finished, there will be only three changes, since 97 of the holders of the numbers this year used the state's re-assignment law to retain them for next year.

Only one change occurs in the 98. That is Number 3, formerly held by Mrs. Winifred R. Hughes, widow of former secretary of state Edward J. Hughes. Mrs. Hughes died in the last year. Secretary Carpentier has assigned the number to his wife. (G

Watch For Moisture Build-Up In Stored Grain On Farms

Check your farm-stored grain for moisture build-up when cold weather hits.

John C. Campbell, extension agricultural engineer at the University of Illinois college of agriculture, says you can look for trouble in the top two feet of the grain.

Temperature differences in stored grain cause air currents that carry warm, moist air up where the moisture condenses on the cold grain near the surface.

This shifting air may cause even shelled corn stored at a safe 14 per cent moisture contest or lower to increase enough in moisture to spoil at the top.

You can keep the moisture evenly distributed, Campbell says, by using a small ventilating fan that blows air down a perforated duct in the center of the bin.

Or you can empty and refill the whole bin to average the location of the moist grain.

'Messiah' To Be Given In Palatine Sunday

WALTER JOHNSON

BETTY BLAINE

This Sunday, Dec. 12, in Cutting hall of Palatine high school, Town and Country chorus will present its second annual performance of "The Messiah." The program will begin at 8:15 p.m. Tickets at $1 each may be purchased from any member of the chorus. A small block of tickets will be sold at the door.

Director Lorraine Dean promises all who attend an evening of inspiration and keen musical enjoyment.

Two of the soloists this year will be Betty Blaine, contralto, and Walter Johnson, bass.

Betty Blaine has been a member of the chorus since it was organized, and has sung solos on a number of occasions. She is well known for her solo work in First Methodist church of Palatine. She studied voice with Clifford Toren and with Joseph Cleland, dean of music at MacMurray college.

Walter Johnson of Barrington has had a varied career in music. For a number of years he was a staff member of radio, station WTMJ in Milwaukee. Mr. Johnson has been an invaluable member of the chorus since he joined the group last winter.

The performance of Handel's "Messiah" promises to be an outstanding feature of the Christmas season. Everyone who enjoys choral music, capably sung, is invited to attend this sacred concert. (B4

St. Philips Guild Holds 'Raclin' Party

Evening guild of St. Philips Episcopal church, Palatine, sponsored a "raclin" party December 2 in the church basement.

Mrs. Anna Weinberg from Chicago was the demonstrator and kept everyone more than interested with items she had to offer. Christmas toys were the source of enjoyment during the evening.

The auxiliary treasury received a cash bonus on the total sales made and the evening was considered a success both in enjoyment and financially.

Refreshments were served later in the evening by the guild and prizes were awarded.

Junior High Pupils Hear Talk On Flags

Eighth grade junior high pupils of Arlington Heights, met November 30 in assembly to hear an illustrated talk on "Flags That Have Flown Over America." The program was given by Mrs. E. R. Phelps, assisted by Mrs. Robert Prosser. Both ladies reside in Highland Park and are members of North Shore chapter DAR.

Mrs. Phelps has become well-known throughout the country as the "flag lady" due to her keen interest in flags. Her collection consists of 28 flags, all of which played a part in the nation's history. Mrs. Phelps traced the history of flags and showed their development through flags which were handmade by her chapter members.

This program was sponsored by Eli Skinner chapter of Arlington Heights. Mrs. Phelps was introduced by the regent, Mrs. M. W. Grigsby who gave a brief history of the DAR and its objectives — historical appreciation educational training and patriotic endeavor.

Downers Grove To Be Tough Test For Cardinals Friday

THURSDAY, DEC. 9, 1954

MAC SAYS - By G. A. McELROY

A NEW PHILOSOPHY in freshman and junior-varsity basketball is in force at Arlington Heights high school—games for the teams will be used strictly as building programs, giving as many boys as possible opportunities for inter-school competition with the hope of eventually obtaining more boys capable of playing varsity ball on even terms with other schools of the area.

Prime example of this policy took place Saturday when the Card JV's were down seven against Elgin, but gaining rapidly, when an entire team of substitutes was inserted.

Coach Howard Lester is determined to give every boy on the JV's an opportunity to show what he can do under fire, and inter-school games are the only answer. The same holds true with co-coaches "Bus" Ormsbee and Ken Schaller with the freshmen. Results of these games will be reported only in brief, with scores not counting on the school over-all record.

★ ★ ★

ENEMIES CAN BE FRIENDS. That is proven in an announcement from Yale where Dick Winterbauer, Arlington quarterback of '52 and '53, is now rooming at Yale with John Pendexter, former LaGrange guard. The two were members of the championship freshman team at Yale, ending the season in a championship tilt against Harvard, Yale winning, 20-0.

Pendexter has been used at end at Yale, the favorite pass receiver of Winterbauer at quarterback.

LaGrange coach Chuck Bennett recommended he be switched from his old guard post at LaGrange, where he was used in West Suburban circles due to an oversupply of speed. Winterbauer and Pendexter "were enemies" on the high school gridiron, but are cooperating to Yale's advantage in college.

★ ★ ★

THE FIRST WEEKEND in Northwest basketball followed the form charts to the letter. Antioch and Glenbrook had easy victories over Grayslake and Bensenville, Ela-Vernon won their fifth in a row but had trouble at Grant, and the Palatine-Wauconda game billed as a toss up went to Wauconda at home, 51-48.

Following the Tuesday games in which Palatine was rated over Bensenville, Antioch over Grant, Wauconda over Grayslake, and Ela-Vernon-Glenbrook a toss up, the league goes into action again this Friday for a fine set of games.

The Ela-Vernon at Palatine should be an extremely close one. Wauconda, a real contender, hopes to surprise Antioch as they did a year ago. Grant will have injured boys returning for their game at Glenbrook where they are underdogs. Bensenville at Grayslake at this early date in the season looms as a game which may decide whether Grayslake shall be the cellar occupant as doped.

★ ★ ★

NEW FREE THROW RULE makes higher team scores and also is a real help to the high individual scorer. Several boys got off to a fast start in the individual records with George Severance of Ela getting 30, Ken Sirotzki of Bensenville 25 including 13 free throws, Gene Jaskot of Wauconda 21, Bob Boyd of Glenbrook 20, and Dave Nesset of Palatine 20.

Out of 116 points scored by this group of five there were 40 on free throws. The best example of the free throw possibilities is that of Arlington Heights making 36 points from the free throw line to beat Maine.

★ ★ ★

REGIONAL TOURNAMENT SITES have been selected for this area by the state high school association officials with Glenbrook, North Chicago, Leyden, and Elgin being named host schools. The first three named have new gyms, and that is the main reason for their selection.

Winners from these four regionals will advance to the sectional again to be held at Arlington Heights. Assignment of teams to regionals will not be announced until later but with North Chicago added there will be some shifts to keep eight in each region.

★ ★ ★

DUE TO DAMAGES from vandalism when some Lake county delinquents turned on water in the new Libertyville gym, no games have been played there. The floor was ruined and a new one is being installed at a cost of nearly $8,000. Had this not been the case Libertyville probably would have been strongly considered for a turnament.

Next year Bensenville will no doubt make a bid for a tournament in their new gym. Arlington Heights, with more seating capacity than any of the other suburban schools, is pretty certain to hold sectionals every year.

The host school has a real opportunity to add to athletic receipts by being host to a tournament. A sectional is an attractive money maker for the host school but a regional is not too bad. Palatine had a net of about $1,300 for their share of last year's regional.

★ ★ ★

LOOKING OVER THE suburban area conferences and basketball prospects certain teams stand out even after this early point in the season. Morton of Cicero, champ of the Suburban league last year with a young team, looks like the standout, particularly after beating Evanston, expected to be their main rival. Sycamore looms as the team to take over the top in the Little Seven. They whipped a strong West Aurora team, 68-57, Saturday night and have no seniors on their team.

Hinsdale has shown real class in the West Suburban but there are others including Glenbard and York, who may be the eventual winner.

The South Suburban will be one of the strongest and most evenly matched leagues. Lockport has the same team as last year, Thornton is always a tough one, Argo has a veteran team but lacks size, and Kankakee is very highly rated. Antioch is

Pirates Beat Bensenville By 4 Points Tuesday

Palatine came from behind and a 10 point deficit at the half to nip a scrappy Bensenville Bison varsity team Tuesday 58-54 on the Bensenville court. The Bisons took a nip and tuck frosh-soph battle 41-38 after leading 25-24 at the half.

The Pirate varsity team trailed 8-0 after three minutes and were never in the lead until the last minute of the third quarter when John Goetz sank a dribble in shot. Ken Sirrotzki put the Bisons back on top with two free throws but Schutz hit a short one and Eck a long shot for Palatine and the Pirates were never headed. Ken Sirrotzki of the Bisons was the outstanding player in the game with six from the field and 12 out of 15 free throws for 24 points.

THIS TOTAL gives the little Bison star 49 points in two league games for a tie with George Severance of Ela-Vernon for the loop lead. Alan Eck had 18, Dave Nesset 15, John Goetz 12 for Palatine. Palatine was as slo was Bensenville was alert in the first half but superior height and balanced scoring finally won out.

The Bison frosh-sophs took a very close 41-38 decision led by a 15 point effort by Hendrickson. Hahnfeldt had nine and Glynn and Eldridge each eight for Palatine. Bensenville del 16-13, 25-24, and 36-30 at the quarter intervals. Each team has won and lost in league play.

* * *

ELA-VERNON, next home opponent Friday night for the Palatine Pirates took their sixth straight victory of the season at home Tuesday by beating Glenbrook 59-53. Ela had a lead at one time in the game of 48-28 but Glenbrook led by Bob Boyd's 15 points and 14 for Ken Schulteis narrowed the winning margin. George Severance scored 19 and Soos had 16 for Ela.

Bob Whitman, Wauconda forward, had a hot night with eight field goals and 11 free throws for 27 points to lead the Bulldogs to a 70-54 victory over Grayslake Tuesday. Gene Jaskot aided the Wauconda cause with 16 points. It was Wauconda's second league win and five out of six for the season.

Antioch's Sequoits took the measure of Grant Tuesday 61-47. The two teams tied for the title last season. Antioch led 35-22 at the half and led by Ben Floyd's 14 points and 17 by Mike Haviland coasted to an easy victory. Bob Bein, moved to center at Grant, tallied 20 points for Ray Collier's green team. It was the fifth win against no defeats this season for Antioch.

* * *

FRIDAY'S SCHEDULE in the Northwest Conference brings one of the best lineup games for the season as evenly matched quintets clash. Ela-Vernon, winner of six straight, will go after number seven at Palatine in one of the top games. Ela has only George Severance returned from last year's squad but is off to terrific season start. Bensenvills' Bisons take on one of the weaker clubs of the circuit at Grayslake and are favored to win. Wauconda winner of four out of five will challenge Antioch's powerhouse on the road while Glenbrook will entertain a fast improving Grant team.

Palatine League Keglers Have A Field Day

Harvey Helms, proprietor of Hi-Way Recreation, Palatine, was unbeatable in the Elgin bowling association singles tournament which ended Sunday by rolling games of 211-235-220 for a 666 scratch. His 58 handicap gave him a 724 gross, good enough for first place.

In second spot was Tom Kouros of Arlington Heights with a 701 gross, including a 279 game. Other bowling activity found keglers in three Palatine leagues hitting the maples for 16 six hundreds, including a 680 job by Dick Schaefer in the House league. Dick spared in the first frame of the second game, then struck out for a 290.

Thursday night Mabel Haemker, bowling in Lutheran Ladies league at Palatine, hit 267 for a 576 series and top ladies' honors for this area in some time.

Schaefer's 290 game is one of the highest bowling games rolled in Palatine, possibly second only to Bill Kessler's 299 in what was then the Palatine Methodist league at the old alleys eight or nine years ago.

Another Palatine bowler, Shirley Garms racked up a 697 series Monday night in women's classic league play in Chicago. She rolled games of 191-247-259 as a member of Falstaff beer team.

Looking For Games

Trinity Walther League basketball team of Roselle is looking for free lance games, preferably Wednesday and Thursday nights. Age group is 17-22.

Teams interested as asked to contact Dick Ebelling, 212 E. Elm, Roselle, phone Lawrence 9-2501.

Card Wrestlers Seek Starters At Four Weights For York Matches

Arlington wrestlers split with Leyden at the Franklin Park school Friday, the varsity winning, 37-11, and the frosh-sophs losing, 28-25. It was the opening meet for the Cardinals with a match at York scheduled for this Thursday.

Elimination bouts are in progress at four weights for the varsity, five for the frosh-sophs. Varsity mentor Dick Mudge is trying several boys at 103, 120, 138 and 165 pounds to get the best combination for York, determined to change last year's 28-14 loss to York.

* * *

THE CAMERA will follow the Heights boys to the Elmhurst school for the first time, with an eye to showing the boys what they did and didn't do in their bouts. The camera has been a help in football, and wrestling coaches are hoping it can do the same for their sport.

Three boys trying for starting positions at 120 are Bob Gutierrez, Pat Harris and Del Gregory. Jack Ebert and Mickey Harris are vying for the nod at 138 with Al Rose and Ron Pratchen competing at 165.

* * *

FROSH-SOPHS are holding eliminations at 95, 112, 133, 145 and 154 pounds in preparation for York Thursday, according to coach Maurice Kellogg. Already holding starting positions at other weights are Deming at 103, Gregory at 120, Eaton at 127, Plank at 138, Pratchen at 165, Jordan at 175 and Klehm at heavyweight.

Vying for position at 95 are Stine and Ferry, with Leckband and Trausch competing at 112. Lynk, Palmer, Rodriguez and Kennicott are about even at 133, with Cagann and Thackery trying for the 145 nod and Farleigh and Hansen competing at 154.

* * *

FIRST HOME MEET for the Heights wrestlers is scheduled for next week Thursday, starting at 4 p.m., with Elgin the opponent. Parents are urged to watch the local boys perform, with those arriving as late as 4:45 still able to view most of the bouts.

Eligibility dates for the forthcoming Paddock Publications Inter-League Handicap bowling tournament are fast approaching. First place teams of men's leagues as of Saturday, Dec. 18, will be eligible to compete in the tournament at Palatine January 9.

First place teams of women's leagues as of Saturday, Dec. 25, will be eligible to compete in the tournament at Arlington Heights Bowling Lanes January 16.

* * *

ONE QUESTION already arisen this year regarding one of the ladies leagues is 'what if one of the team bowlers is unable to compete on that day?" The answer applies to all leagues.

Final decision as to just what bowlers will represent each league will be left up to league officers. Paddock Publications is asking for first place teams, but do not want to become embroiled in any question in case of ties, missing bowlers, etc.

Thus it is up to league officers to make these decisions, as submitted to the tournament manager by the league secretaries. Generally speaking, in the case of an absentee bowler, someone else from the same league with approximately the same average, should be obtained as a replacement.

THE TOURNAMENT is a handicap affair, with 70% from 1,000 for the men, and 70% from 875 for the ladies prevailing. There will be a 500 pin limit in both cases.

Entry fees, including cost of bowling as well as prize fund, are payable with the official entries supplied to all league secretaries and available at the six local bowling establishments within the immediate area served by Paddock Publications.

Leagues bowling at other establishments nearby are not eligible for this tournament.

Heights Comes Home Saturday To Face Leyden

by BOB PADDOCK

Two squads of boys, with the aid of the alphabet, have established Arlington Heights in first place of both divisions of West Suburban league this week, though three other schools are tied for the honor in each case.

That big letter "A" is first in the hearts of students, and the alphabet as well, thus making the varsity squad of Coach Howard Lester and frosh-soph team of Coach Maurice Klotz the leaders.

* * *

THE ALPHABET won't help on the basketball court this week, however, as the Cardinals travel to Downers Grove Friday night for "a toughie." Downers was one of two squads rated best in veteran material before the season started. Glenbard upset Downers Friday, establishing the Glen Ellyn school as one with which to be reckoned.

But last week's games will all be forgotten when the opening whistle sounds at Downers Friday. Actually, Heights still does not have the scoring punch it should to go places in the league race. The guards have been getting their share, but the front line has been left in the cold.

* * *

SATURDAY'S GAME at home against Leyden will pit the Eagles, who've always done well against Heights, against the Cardinals. The Eagles haven't won any games to date, but play in fast company and have a tall team.

Pirates Beat Bensenville By 4 Points Tuesday

Palatine came from behind and a 10 point deficit at the half to nip a scrappy Bensenville Bison varsity team Tuesday 58-54 on the Bensenville court. The Bisons took a nip and tuck frosh-soph battle 41-38 after leading 25-24 at the half.

The Pirate varsity team trailed 8-0 after three minutes and were never in the lead until the last minute of the third quarter when John Goetz sank a dribble in shot. Ken Sirrotzki put the Bisons back on top with two free throws but Schutz hit a short one and Eck a long shot for Palatine and the Pirates were never headed. Ken Sirrotzki of the Bisons was the outstanding player in the game with six from the field and 12 out of 15 free throws for 24 points.

THIS TOTAL gives the little Bison star 49 points in two league games for a tie with George Severance of Ela-Vernon for the loop lead. Alan Eck had 18, Dave Nesset 15, John Goetz 12 for Palatine. Palatine was as slo was Bensenville was alert in the first half but superior height and balanced scoring finally won out.

The Bison frosh-sophs took a very close 41-38 decision led by a 15 point effort by Hendrickson. Hahnfeldt had nine and Glynn and Eldridge each eight for Palatine. Bensenville del 16-13, 25-24, and 36-30 at the quarter intervals. Each team has won and lost in league play.

ELA-VERNON, next home opponent Friday night for the Palatine Pirates took their sixth straight victory of the season at home Tuesday by beating Glenbrook 59-53. Ela had a lead at one time in the game of 48-28 but Glenbrook led by Bob Boyd's 15 points and 14 for Ken Schulteis narrowed the winning margin. George Severance scored 19 and Soos had 16 for Ela.

Bob Whitman, Wauconda forward, had a hot night with eight field goals and 11 free throws for 27 points to lead the Bulldogs to a 70-54 victory over Grayslake Tuesday. Gene Jaskot aided the Wauconda cause with 16 points. It was Wauconda's second league win and five out of six for the season.

Antioch's Sequoits took the measure of Grant Tuesday 61-47. The two teams tied for the title last season. Antioch led 35-22 at the half and led by Ben Floyd's 14 points and 17 by Mike Haviland coasted to an easy victory. Bob Bein, moved to center at Grant, tallied 20 points for Ray Collier's green team. It was the fifth win against no defeats this season for Antioch.

FRIDAY'S SCHEDULE in the Northwest Conference brings one of the best lineup games for the season as evenly matched quintets clash. Ela-Vernon, winner of six straight, will go after number seven at Palatine in one of the top games. Ela has only George Severance returned from last year's squad but is off to terrific season start. Bensenvills' Bisons take on one of the weaker clubs of the circuit at Grayslake and are favored to win. Wauconda winner of four out of five will challenge Antioch's powerhouse on the road while Glenbrook will entertain a fast improving Grant team.

Palatine League Keglers Have A Field Day

Harvey Helms, proprietor of Hi-Way Recreation, Palatine, was unbeatable in the Elgin bowling association singles tournament which ended Sunday by rolling games of 211-235-220 for a 666 scratch. His 58 handicap gave him a 724 gross, good enough for first place.

In second spot was Tom Kouros of Arlington Heights with a 701 gross, including a 279 game. Other bowling activity found keglers in three Palatine leagues hitting the maples for 16 six hundreds, including a 680 job by Dick Schaefer in the House league. Dick spared in the first frame of the second game, then struck out for a 290. Thursday night Mabel Haemker, bowling in Lutheran Ladies league at Palatine, hit 267 for a 576 series and top ladies' honors for this area in some time.

Schaefer's 290 game is one of the highest bowling games rolled in Palatine, possibly second only to Bill Kessler's 299 in what was then the Palatine Methodist league at the old alleys eight or nine years ago.

Another Palatine bowler, Shirley Garms racked up a 697 series Monday night in women's classic league play in Chicago. She rolled games of 191-247-259 as a member of Falstaff beer team.

Looking For Games

Trinity Walther League basketball team of Roselle is looking for free lance games, preferably Wednesday and Thursday nights. Age group is 17-22.

Teams interested as asked to contact Dick Ebelling, 212 E. Elm, Roselle, phone Lawrence 9-2501.

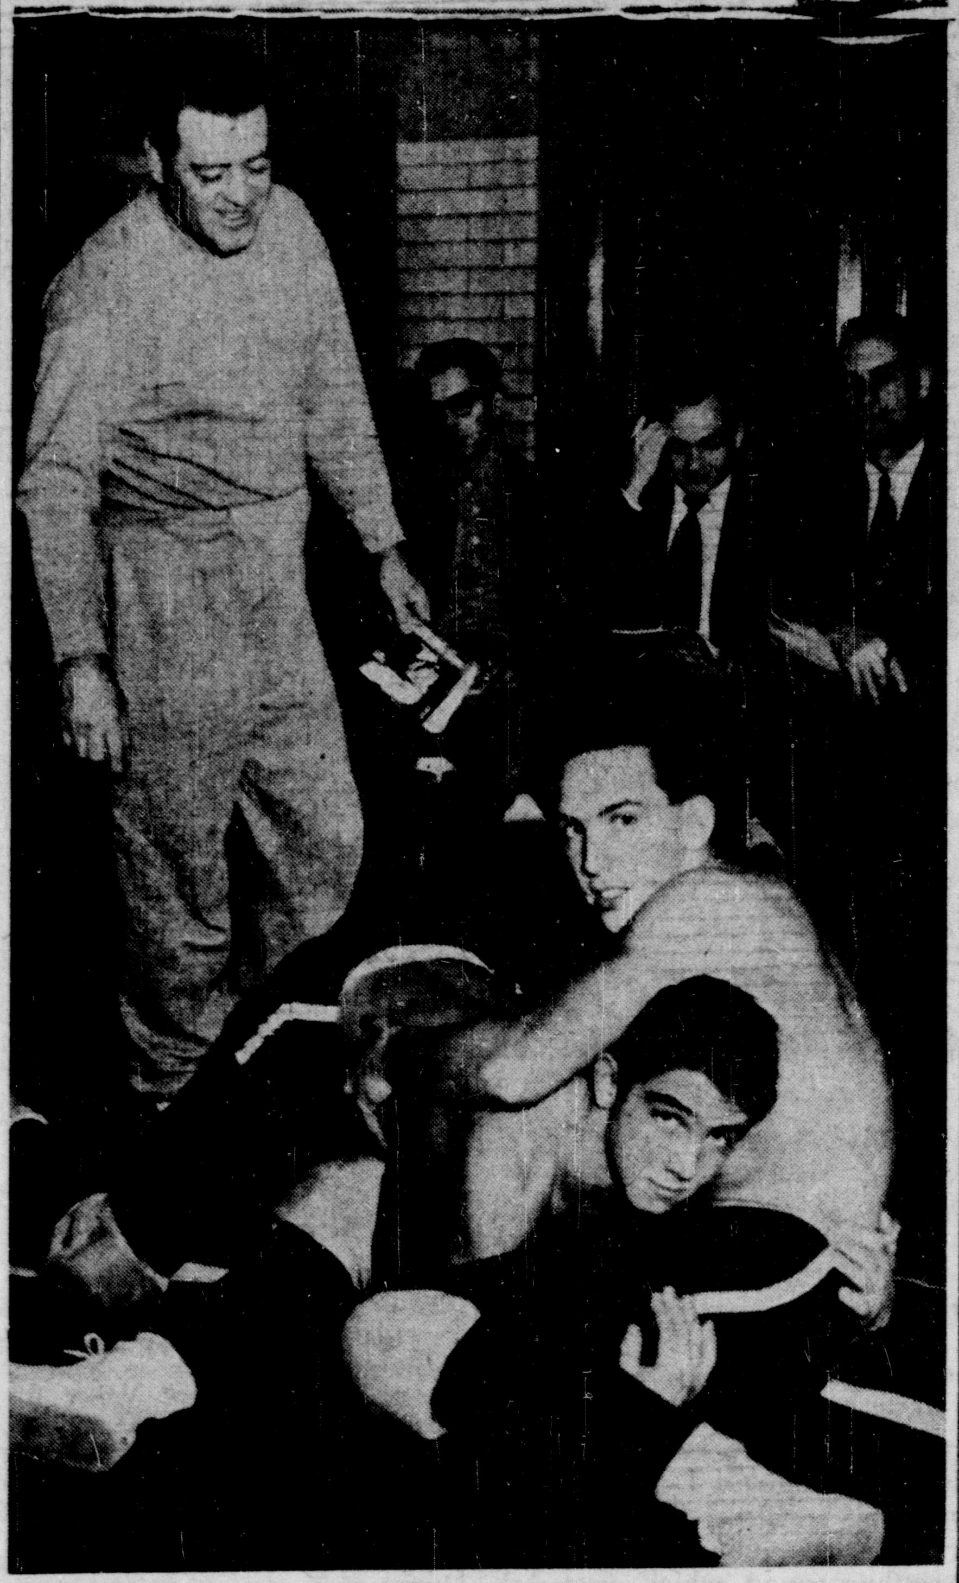
Eligibility Dates Near For Paddock Bowling Meet



Pat Patterson, University of Illinois wrestling coach leads a rules interpretation meeting for 75 wrestling coaches of the area at Arlington Heights high school Tuesday of last week.

Patterson, rule book in hand, is shown watching while Card grapplers Jack Ebert and John Heintz demonstrate. Ebert is holding an inside crotch hold with a tight waist ride on Heintz.

Ela-Vernon Friday reads the Northwest conference schedule for Palatine high school cagers this week. The Pirates already have four games under their belt with Coach Gene Moylan at the helm. Two lettermen back this year are Alan Eck, left, and John Goetz.

Eligibility dates for the forthcoming Paddock Publications Inter-League Handicap bowling tournament are fast approaching. First place teams of men's leagues as of Saturday, Dec. 18, will be eligible to compete in the tournament at Palatine January 9.

First place teams of women's leagues as of Saturday, Dec. 25, will be eligible to compete in the tournament at Arlington Heights Bowling Lanes January 16.

* * *

ONE QUESTION already arisen this year regarding one of the ladies leagues is 'what if one of the team bowlers is unable to compete on that day?" The answer applies to all leagues.

Final decision as to just what bowlers will represent each league will be left up to league officers. Paddock Publications is asking for first place teams, but do not want to become embroiled in any question in case of ties, missing bowlers, etc.

Thus it is up to league officers to make these decisions, as submitted to the tournament manager by the league secretaries. Generally speaking, in the case of an absentee bowler, someone else from the same league with approximately the same average, should be obtained as a replacement.

THE TOURNAMENT is a handicap affair, with 70% from 1,000 for the men, and 70% from 875 for the ladies prevailing. There will be a 500 pin limit in both cases.

Entry fees, including cost of bowling as well as prize fund, are payable with the official entries supplied to all league secretaries and available at the six local bowling establishments within the immediate area served by Paddock Publications.

Leagues bowling at other establishments nearby are not eligible for this tournament.

Card Wrestlers Seek Starters At Four Weights For York Matches

Arlington wrestlers split with Leyden at the Franklin Park school Friday, the varsity winning, 37-11, and the frosh-sophs losing, 28-25. It was the opening meet for the Cardinals with a match at York scheduled for this Thursday.

Elimination bouts are in progress at four weights for the varsity, five for the frosh-sophs. Varsity mentor Dick Mudge is trying several boys at 103, 120, 138 and 165 pounds to get the best combination for York, determined to change last year's 28-14 loss to York.

* * *

THE CAMERA will follow the Heights boys to the Elmhurst school for the first time, with an eye to showing the boys what they did and didn't do in their bouts. The camera has been a help in football, and wrestling coaches are hoping it can do the same for their sport.

Three boys trying for starting positions at 120 are Bob Gutierrez, Pat Harris and Del Gregory. Jack Ebert and Mickey Harris are vying for the nod at 138 with Al Rose and Ron Pratchen competing at 165.

* * *

FROSH-SOPHS are holding eliminations at 95, 112, 133, 145 and 154 pounds in preparation for York Thursday, according to coach Maurice Kellogg. Already holding starting positions at other weights are Deming at 103, Gregory at 120, Eaton at 127, Plank at 138, Pratchen at 165, Jordan at 175 and Klehm at heavyweight.

Vying for position at 95 are Stine and Ferry, with Leckband and Trausch competing at 112. Lynk, Palmer, Rodriguez and Kennicott are about even at 133, with Cagann and Thackery trying for the 145 nod and Farleigh and Hansen competing at 154.

* * *

FIRST HOME MEET for the Heights wrestlers is scheduled for next week Thursday, starting at 4 p.m., with Elgin the opponent. Parents are urged to watch the local boys perform, with those arriving as late as 4:45 still able to view most of the bouts.

Champ Queens Vs 'The Men' In Cage Benefit

A basketball triple header will be sponsored by Immanuel Lutheran church, Palatine, Saturday at 7 p.m. in the old high school gym.

Proceeds from the games will benefit the church athletic association, currently planning a recreational program for men and women. The basketball games will help buy much-needed equipment for the program, to include volley ball, baseballl, etc.

First game at 7 p.m. will be between the Walther League Juniors of Palatine and Marengo.

* * *

CHAMPION QUEENS and Mystic Knights will meet. The Queens are former players on the championship Palatine Lutheran Girls basketball teams which has lost only one championship (1952) since the spring of 1945. They will face the married men of Immanuel congregation.

Final game will be Senior Walther boys versus Marengo.

Tickets are fifty cents for adults and 25 cents for children through eighth grade.

Heights Comes Home Saturday To Face Leyden

by BOB PADDOCK

Two squads of boys, with the aid of the alphabet, have established Arlington Heights in first place of both divisions of West Suburban league this week, though three other schools are tied for the honor in each case.

That big letter "A" is first in the hearts of students, and the alphabet as well, thus making the varsity squad of Coach Howard Lester and frosh-soph team of Coach Maurice Klotz the leaders.

* * *

THE ALPHABET won't help on the basketball court this week, however, as the Cardinals travel to Downers Grove Friday night for "a toughie." Downers was one of two squads rated best in veteran material before the season started. Glenbard upset Downers Friday, establishing the Glen Ellyn school as one with which to be reckoned.

But last week's games will all be forgotten when the opening whistle sounds at Downers Friday. Actually, Heights still does not have the scoring punch it should to go places in the league race. The guards have been getting their share, but the front line has been left in the cold.

* * *

SATURDAY'S GAME at home against Leyden will pit the Eagles, who've always done well against Heights, against the Cardinals. The Eagles haven't won any games to date, but play in fast company and have a tall team.

Arlington Junior High Trips Glenview Twice

Arlington Heights Junior high lightweight cagers easily won their first victory of the season Friday against Glenview Junior high. Coach Ted Wissen's boys drubbed Glenview 49-13 in a fast, compact game played in Arlington Heights junior high gym.

Glenview never quite got hold of the game until a third quarter spurt from center Clark, who dipped in a total of eight points in a late but spirited attempt to save the game.

SCORING FOR Heights were Benrud, Inman, Gustafson, Klages, Double, Warnecke, Dikis, Pratt, Spomer, Curatti, Kennedy, and Bonner.

First quarter started slow with Arlington making four baskets and closing play, 8 to 0. Both teams picked up speed in second quarter with Arlington hoarding 13 points, taking 13 more in third period, and 11 in the final.

Glenview failed to score on 12 out of 15 free throws, while Arlington scored on 8 of their 13 free throws.

* * *

ARLINGTON heavyweights defeated Glenview, 44 to 18, in first game of the season.

Scoring 17 baskets for Coach Spinks of Arlington were Whitelaw, Thoms, Dodge, Garr, Ebert, Meehan, and Barbour. Johnston also scored on a first quarter free throw.

Glenview was near enough to the hoop to score only six times; once in the first and second quarters, twice in the third quarter, and once in fourth quarter. They scored on eight of 18 attempted free throws. Arlington scored on 11 of 29 attempted free throws.

It'll Be 890 Women Versus 902 Men On Alleys December 19

Bison Sophs Lose Thriller To Glenbrook

by MAX ZOLLNER

Opening the regular conference season, Glenbrook came from behind in the final seconds to nip Bensenville Frosh-Sophs, 47-46. Ragland led the Spartans with 14 points, while Henriksen sparked the Bisons with 22 points.

With neither team shooting well, the Bisons managed to hit for 10 points as compared to the Spartans' 8 in the first period. The Bisons increased the difference by going ahead at the half, 24-17.

Gaining momentum, the Spartans started closing the gap as they were only four points behind at the end of the third period.

Ragland and Sawyer kept pushing them in for Glenbrook to go ahead 44-42. Lars Henriksen sank two foul shots for the Bisons. Warren Nelson pushed in a jump shot to put Bensenville ahead, 45-44. But then in the last three seconds, Bohn set one in to give Glenbrook their first conference victory.

Blackhawks Open Season

Wheeling Blackhawks basketball squad opened their 1954-1955 season and their seventh season of play Wednesday evening when they met the Skokie Sports Huddle five at the Arlington South school gym. Results of this game will appear in next week's paper. The locals' first home encounter is scheduled for Sunday afternoon, December 12, when the 'Hawks meet Des Plaines at the Wheeling gym.

The 'Hawks go into this season with an over-all record of 116 wins and 49 defeats in the previous six seasons of play. Last year they set the club all time high with a record of 34 wins and only 8 set-backs, plus two championships: the North Shore league and the McHenry county tourney.

Grant Loses Double Overtime To Racine

Grant high of Fox Lake lost a thriller Saturday night to Washington Park high of Racine, Wisconsin, 73-71 in two overtime periods. Grant frosh-sophs also lost 40-32.

Grant trailed 38-19 at the half but really came to life and at one time in the last quarter had gained a five point lead due to the torrid shooting of Bob Bein who tallied 15 field goals and six free throws for 36 points. With three seconds to go Racine led 69-67 but Bill Parr scored to knot the count.

In the first overtime Racine led 71-70 when Bob Klaus of Grant was fouled with one second to play. Klaus made the first toss to tie the score but missed the bonus throw. In the suden death second overtime both teams had several shots and then Racine sank the winner midway in the period. Last year Grant beat Racine in an overtime.

Palatine And Leyden Wrestling Teams Tie

Palatine and Leyden wrestling teams tied in the opening matches of the season for both teams held at Franklin Park last week Tuesday afternoon. Bears To Meet Lions In Final Sunday In City

The outstanding football game of the 1954 season is in prospect Sunday afternoon when the world champion Detroit Lions [illegible] second place Chicago Bears in Wrigley Field. Kickoff time is 1:05 p.m.

Even though they have clinched the Western Division title, the Lions can be expected to play like real champions, for they wish to show that a previous win scored over the Bears in September was no fluke. The Lions also want to stay on razor edge for their title battle two weeks hence.

The Bears, on the other hand, want to even the score with Detroit. They gained revenge on San Francisco and Los Angeles, and a victory Sunday would conclude the most successful season for the Bears since 1950. A win would be particularly "sweet" with many former Bears in the stands, as Sunday is Homecoming for Halas U.

* * *

ADD TO THIS the fact that the Bear Detroit series has developed into one of the most bitterly contested feuds in football. Both are offensive-minded teams, and a high scoring game is in prospect. The Lions, with such offensive stars as Doak Walker, Dorne Dibble, Leon Hart, Hunchy Hoernschmeyer, Lew Carpenter, Bill Bowman, Cloyce Box, Bobby Layne, Jud Girard and Tom Dublinski, are capable of scoring a touchdown from any spot on the field.

Teh Bears have shown the same prowess this season, particularly with pass receivers like Harlon Hill, Jim Dooley and Gene Schroeder capable of getting behind the secondary.

Sunday's game is the finale of the 1954 season for the Bears and one of the largest turnouts of the year is anticipated.

Intramurals In Bowling And Basketball Start At Heights

Intramural program at Arlington Heights high school stepped into high gear this week with 105 boys starting basketball Wednesday and Thursday, plus 55 reporting for bowling. The latter sport, of course, is at the bowlers' expense.

Two divisions, junoir-senior and frosh-sophs, have been established by Bob Hutton, director of intramural program. Nine teams of junior-seniors, and four teams of frosh-sophs, about eight boys per squad, opened play with initial upperclass games played Wednesday night after supper. Frosh-sophs open competition Thursday.

SCHEDULE of play for the junior-seniors include two games a night, four in the afternoon each week in the girls' gym. Frosh-soph affairs will be all afternoon contests.

A round robin schedule is planned for both divisions, plus a tournament; with the tourney winner meeting the round robin leader for the grand championship. Boys on any of the regular school teams, varsity, junior-varsity, frosh-soph and freshmen, are not eligible for intramurals. Present policy of two freshmen coaches and a squad of 50 playing the regular freshman schedule, held the intramural program at that level to just 30 boys. Seventy-five boys reported, however, for the older group.

* * *

BOWLING STARTED Wednesday afternoon for 55 boys in two practice sessions at Arlington Hts. Bowling Lanes. Attendance at both sessions to determine averages and team rosters is required.

Intramural program at Arlington is slated to run through the months of December, January and February, according to Hutton.

Ela Dumps Grant, 50-37; Antioch Wins

George Severance scored 30 points to lead Ela-Vernon to a 50-37 victory at Grant last Friday. It was Ela's fifth straight victory and 113 points Severance had scored in five games. The Grant frosh-sophs won 40-25.

Grant took a 13-3 lead in the first quarter and was on top 22-14 at the half but then Severance went into high gear and scored 24 points in the final 16 minutes play to give Ela an easy victory. Grant was held without a field goal in the third period.

Arlington Junior High Trips Glenview Twice

Arlington Heights Junior high lightweight cagers easily won their first victory of the season Friday against Glenview Junior high. Coach Ted Wissen's boys drubbed Glenview 49-13 in a fast, compact game played in Arlington Heights junior high gym.

Glenview never quite got hold of the game until a third quarter spurt from center Clark, who dipped in a total of eight points in a late but spirited attempt to save the game.

SCORING FOR Heights were Benrud, Inman, Gustafson, Klages, Double, Warnecke, Dikis, Pratt, Spomer, Curatti, Kennedy, and Bonner.

First quarter started slow with Arlington making four baskets and closing play, 8 to 0. Both teams picked up speed in second quarter with Arlington hoarding 13 points, taking 13 more in third period, and 11 in the final.

Glenview failed to score on 12 out of 15 free throws, while Arlington scored on 8 of their 13 free throws.

* * *

ARLINGTON heavyweights defeated Glenview, 44 to 18, in first game of the season.

Scoring 17 baskets for Coach Spinks of Arlington were Whitelaw, Thoms, Dodge, Garr, Ebert, Meehan, and Barbour. Johnston also scored on a first quarter free throw.

Glenview was near enough to the hoop to score only six times; once in the first and second quarters, twice in the third quarter, and once in fourth quarter. They scored on eight of 18 attempted free throws. Arlington scored on 11 of 29 attempted free throws.

Bison Sophs Lose Thriller To Glenbrook

by MAX ZOLLNER

Opening the regular conference season, Glenbrook came from behind in the final seconds to nip Bensenville Frosh-Sophs, 47-46. Ragland led the Spartans with 14 points, while Henriksen sparked the Bisons with 22 points.

With neither team shooting well, the Bisons managed to hit for 10 points as compared to the Spartans' 8 in the first period. The Bisons increased the difference by going ahead at the half, 24-17.

Gaining momentum, the Spartans started closing the gap as they were only four points behind at the end of the third period.

Ragland and Sawyer kept pushing them in for Glenbrook to go ahead 44-42. Lars Henriksen sank two foul shots for the Bisons. Warren Nelson pushed in a jump shot to put Bensenville ahead, 45-44. But then in the last three seconds, Bohn set one in to give Glenbrook their first conference victory.

Blackhawks Open Season

Wheeling Blackhawks basketball squad opened their 1954-1955 season and their seventh season of play Wednesday evening when they met the Skokie Sports Huddle five at the Arlington South school gym. Results of this game will appear in next week's paper. The locals' first home encounter is scheduled for Sunday afternoon, December 12, when the 'Hawks meet Des Plaines at the Wheeling gym.

The 'Hawks go into this season with an over-all record of 116 wins and 49 defeats in the previous six seasons of play. Last year they set the club all time high with a record of 34 wins and only 8 set-backs, plus two championships: the North Shore league and the McHenry county tourney.

The Lions, with such offensive stars as Doak Walker, Dorne Dibble, Leon Hart, Hunchy Hoernschmeyer, Lew Carpenter, Bill Bowman, Cloyce Box, Bobby Layne, Jud Girard and Tom Dublinski, are capable of scoring a touchdown from any spot on the field.

Teh Bears have shown the same prowess this season, particularly with pass receivers like Harlon Hill, Jim Dooley and Gene Schroeder capable of getting behind the secondary.

Sunday's game is the finale of the 1954 season for the Bears and one of the largest turnouts of the year is anticipated.

Intramurals In Bowling And Basketball Start At Heights

Intramural program at Arlington Heights high school stepped into high gear this week with 105 boys starting basketball Wednesday and Thursday, plus 55 reporting for bowling. The latter sport, of course, is at the bowlers' expense.

Two divisions, junoir-senior and frosh-sophs, have been established by Bob Hutton, director of intramural program. Nine teams of junior-seniors, and four teams of frosh-sophs, about eight boys per squad, opened play with initial upperclass games played Wednesday night after supper. Frosh-sophs open competition Thursday.

SCHEDULE of play for the junior-seniors include two games a night, four in the afternoon each week in the girls' gym. Frosh-soph affairs will be all afternoon contests.

A round robin schedule is planned for both divisions, plus a tournament; with the tourney winner meeting the round robin leader for the grand championship. Boys on any of the regular school teams, varsity, junior-varsity, frosh-soph and freshmen, are not eligible for intramurals. Present policy of two freshmen coaches and a squad of 50 playing the regular freshman schedule, held the intramural program at that level to just 30 boys. Seventy-five boys reported, however, for the older group.

* * *

BOWLING STARTED Wednesday afternoon for 55 boys in two practice sessions at Arlington Hts. Bowling Lanes. Attendance at both sessions to determine averages and team rosters is required.

Intramural program at Arlington is slated to run through the months of December, January and February, according to Hutton.

Ela Dumps Grant, 50-37; Antioch Wins

George Severance scored 30 points to lead Ela-Vernon to a 50-37 victory at Grant last Friday. It was Ela's fifth straight victory and 113 points Severance had scored in five games. The Grant frosh-sophs won 40-25.

Grant took a 13-3 lead in the first quarter and was on top 22-14 at the half but then Severance went into high gear and scored 24 points in the final 16 minutes play to give Ela an easy victory. Grant was held without a field goal in the third period.

ANTIOCH had no trouble with Grayslake as they whipped the rams 68-37 using all their substitutes in the process. The Sequoits ran up an 18-6 first quarter lead which became 37-19 at the half. In the third quarter Antioch pumped in 25 points to make the game a rout. Mike Haviland scored 17 and Ben Floyd 14 for the winners and Vanderspool had 11 and Beck 10 for the losers. Antioch's frosh-sophs had a runaway victory 53-30.

31-Point 3rd Quarter Gives Cards Victory Over Maine

A 31-point third quarter had Arlington Heights high school basketball fans all smiles Friday night as the local varsity cagers tripped Maine, 60-49, in the opening West Suburban league game for both schools.

This week the Cardinals travel to Downers Grove Friday night, then come home to meet Leyden in a non-league affair Saturday. The Heights frosh-sophs won, too, 54-34, with a 17 point second quarter setting the pace.

* * *

TECHNICALLY, it was simply a matter of percentages in the varsity game. The Heights five shot .071 from the floor the first half, .600 the second. In addition, Coach Howard Lester's charges used a press in the third period which iced the game.

First half was an even affair from the scoring standpoint with the locals taking a 11-10 lead the first quarter, then falling to only seven points the second period and the short end of a 23-18 half-time tally.

* * *

JUST AS FANS were wondering if the game was going to be a repeat performance of the past couple of seasons, the relaxed Cardinals took the floor, applied the press, and hit the hoop at a phenomenal pace, particularly at the free throw line.

John Sujack counted seven free tosses, Denny Maher three, Bill Randag two and Dennis Striegel one in the third period alone. The Cards sank 35 of 51 attempts throughout the contest. In addition Maher hit for five baskets in the third quarter to lead the way from the field.

* * *

FINAL QUARTER found Heights changing its attack again, and scoring just one field goal, but counting nine more free throws. Maine, meanwhile, maintained an even scoring pace of 10-13-14-12 points the four quarters.

High scorers for the locals were Sujack with 22 and Maher, with 20. For Maine it was M. Nelson with 12 and Dudley Mitchell with ten.

Bensenville Loses League Opener To Glenbrook Five

by ELI WHITNEY

The Bensenville cagers lost their first conference match to the Glenbrook Spartans, 61-42, Friday on the Glenbrook court. Except for the first quarter, which was a see-saw affair, the Spartans were in control all the way.

The Spartans, leading 19-15 at the end of the first period, started a rally with Bob Boyd, ace extra-point kicker during football season, and right forward on the basketball squad, doing a good job of rebounding and shooting.

* * *

DURING the third quarter, the Bisons gained 2 points to Glenbrook's 1, which brought the count to 47-25, Glenbrook With this large margin, Coach Helfrich of Glenbrook put in his second string team. They tallied 14 points and Bensenville racked up 17 in the last quarter.

Of Bensenville's 42 points, 20 were made by Ken Sirotzki, right guard. Ken made six field goals and 13 of 19 attempted free throws. Spartan Boyd scored 20 points on 6 baskets and a 100% free throw record of 8 out of 8. The Bisons made an average of 53% of their free throws, while Glenbrook hit 63% of theirs.

Glenbrook Frosh Cagers Beat Bisons

Glenbrook frosh cagers made it a clean sweep Saturday morning when the young Spartans drubbed the first year Bisons, 41-32. The hosts led all the way, including 6-4, 18-11 and 25-18 at the quarters.

Noticeable for Coach Bill Jonkheer's Bison cagers was a lack of defense, particularly guarding, with Glenbrook speed paying off for the winners. Bensenville sank 50% of its free throws, a creditable record.

Starters for Bensenville were Bill Emory and Terry Biefeld at guards, Dave Helms at center, and Bob Meyer and Chuck Christiansen at forwards. Meyer was high point man with 15 points for the locals with Patterson swishing through seven buckets for Glenbrook, including four in the second period, three in the fourth.

The HUNGRY SPORTSMAN By Eddie Meier

Broiled Coot Breasts And Corn Sticks

Start of the duck season in our baliwick was pretty bad, due to a combination of high water and bluebird weather. But brother, the coot shooting was super-excellent! And since a large proportion of our bag consisted of young ones — or what we considered young in a size comparison — we broiled them!

Only the breasts were used, of course, which were skinned and all fat scraped off. They were then soaked in salt water (3 tablespoons per quart) for 3 hours after which they were rubbed with lemon juice and allowed to lay at room temperature for about 45 minutes.

They were then placed on the broiler rack 4 inches below the flame (which was set at moderate, 350 degrees) and broiled for about 30 minutes. They were turned every 5 minutes and basted with lemon butter, which is made by mixing 1 tablespoon lemon juice and ⅛ teaspoon pepper with 4 tablespoons melted butter.

Accompanying the broiled breasts to the table were corn sticks, which were made by mixing 1 cup flour, ¾ cup corn meal, 1/3 cup sugar, 1 teaspoon salt and 2 teaspoons combination type baking powder. Into this was stirred ½ cup milk and ½ cup cream, to which 1 beaten egg had been added, and finally ¼ cup melted butter. The final step was baking them 20 minutes in the oven above the broiling coot breasts.

Palatine Wrestlers Defeat Niles, 28-18

Palatine's varsity wrestling team downed Niles township high of the Suburban league Friday night, 28-18, while frosh-sophs lost, 37-17. Palatine victories were scored by Jim McCreery 112, Ron Bessemer 120, Bob Fremd 127, Hans Wehner (pin) 133, John Dilks 154, Harold Verdung (pin) 165, Larry Wheeler 175, and Leonard Rohde heavyweight.

In the frosh-soph section Palatine had to forfeit three matches due to lack of a competitor in the class. Palatine winners were Andrew Anderson (pin) 103, Karl Schwenk (pin) 133, and Howard Redeker (pin) 154. John Gerling 133 wrestled to a draw with his opponent.

Sectional Again At Arlington

Arlington Heights high school will again be host to a sectional tournament.

That was the verdict of the Illinois high school office, directed by executive secretary Albert Willis.

This will be the third year in a row a sectional will be held in the Heights school. Support of the tourney by local fans the past two years was the main reason the meet was again awarded here.

* * *

REGIONAL winners from tournaments at Elgin, Leyden, Glenbrook and North Chicago will compete at Arlington the second weekend in March. Regional tourneys will run the first weekend in March, though actual assignment of schools will not be made until about January 15.

Fifteen sectional winners, plus the Chicago winner, will advance to the Sweet Sixteen tournament March 16-19 at Urbana.

Other sectionals for the suburban area will be held at Hinsdale high school with winners advancing from regionals at West Aurora, Thornton of Harvey, Kankakee and Riverside.

Why Get Married?

A good story about Willie Mays comes out of Cuba, where the New York Giant flash is playing winter baseball. As reported by The Sporting News, someone asked Willie why he didn't get married. "I don't need a wife," Willie said. "My godmother darns my socks and keeps track of me at home, and the Giants take care of my money in the bank. So why should I get married?"

Heights Frosh And JV Cagers Lose To Elgin

Arlington freshmen and junior-varsity basketballl teams lost to Elgin Saturday in the Heights gym, the JV's dropping a 54-40 decision and the frosh 50-30. The games served as building sessions for JV coach Howard Lester and frosh co-coaches "Bus" Ormsbee and Ken Schaller.

The local JV's were behind all the way, though reviving fast at one point when a new crew of five subs went in to show what they could do.

Starters for the frosh were Jack Weber at center, Bob Mors and Dennis Rose at forwards, and Denny Thill and Sam Caltagirone at guards. Looking best for the Heights yearlings was Thill, though the entire squad still has plenty to learn, particularly in ball handling, traveling, shooting, etc.

Lack of height is obviously going to handicap Arlington this year. Frosh doubleheader will probably be included on the docket at Maine this Saturday morning, starting at 9:30.

Decry The Lack Of Catchers Among Nation's New Baseball Prospects

The major leagues have a "Help Wanted" sign out. They need catchers. A good picture of the situation is given in The Sporting News.

The young player of this generation isn't eager to accept the hazards and hard work that go with a catcher's career. As a conbreed. To meet the situation, sequence, there's a shortage of the there has to be conversions. Players are being turned from outfield and infield posts into catchers. In Cleveland, for example, of the several catchers coming up in 1955, only one, Hank Foiles, was a catcher to begin with. All of the others were converted from other positions.

* * *

MANAGER CASEY Stengel of the Yankees says the scarcity of catching material of any kind, let alone those of major league caliber, goes all the way back to the coaches of high school or college teams. "The coach," says Stengel, "picks the biggest and slowest boy in his squad to be the catcher. Then he assigns the second slowest to first base. And the slowest boys," Stengel goes on, "develop into still slower professional ball players."

Stengel says the boys of today don't like to catch, and they can't be blamed too much for it. The job of squatting on your haunches is tiring. The position tends to stretch the leg and thigh muscles and slow up the player more as he goes along with his career. Then there's the danger of injuries. Blocking the plate against a man sliding home [illegible] standing against a player as he crashes smack into you isn't child's play, and can cause injuries.

* * *

THERE ARE OTHER ways to get hurt catching. As Yogi Berra pointed out, a catcher can get beat up by four balls. "They crack you on the shoulders, legs and feet," Berra says, "but who sympathizes with you? You are a catcher and you are supposed to take this beating without opening your trap. That's why," Berra went on, "I say that if Casey wants me to play in the outfield or at third base it's okay with me. Life in the outfield is soft and easy. Nobody hits you. Nobody hurts you with foul balls. Nobody tears into you."

As for converting young men into catchers, that's not an easy job. And that's the word, too, of Bill Dickey, generally rated as the greatest catcher of them all. Dickey trained catchers for the Yankees, and he had no soft job developing Berra, although Yogi was a catcher to begin with. Roy Campanella, another great catcher of our day, also started out as a receiver. and so did such men as Dickey, Gabby Hartnett and Mickey Cochrane.

Danger — Live Kids

Motorists should always expect the unexpected from children. Every youngster should be considered a warning sign whether he is in the street or near it. Only by preparing in advance for the impetuous actions of children can motorists protect them.

Balanced Scoring Pays Off With Libertyville Victory

Palatine defeated Libertyville's varsity cage team 52-48 Saturday night on the home court in a non-league game. It was the Pirates' second victory of the season in five starts and achieved through good team play and balanced scoring. Palatine dropped the preliminary 47-33.

The varsity game was close all the way. Libertyville moved ahead 22-18 at half time after a tie count at the quarter but the Pirates forged ahead 34-32 with eight minutes to go. The final period was a nip and tuck affair right down to the finish with both teams playing very good ball and Palatine scoring 18 to 16 for the Wildcats.

* * *

IT WAS DAVE SCHUTZ who was high scorer with 16 points who sparked Palatine into the lead with seven points in the third quarter and it was Jeff Lehmann who contributed eight in the last segment to keep the Pirates on top. With two minutes to play Palatine worked a slow delayed offense which enabled John Goetz to get some close shots and he came through with three baskets which assured the victory.

Palatine's scoring was well distributed as Schutz had 14, Goetz 12, Dave Nessett nine, and Lehmann and Eck eight apiece. Ray had 18 and Weidner 16 for the Libertyville Wildcats. Both teams scored 19 from the field on 46 shots for Palatine and 50 for Libertyville. Palatine had a four point edge at the charity lead.

LIBERTYVILLE'S frosh-sophs shot 49% from the field to easily outpoint Palatine's fast improving team. The Wildcats got a 12-6 lead the first period, were held even in the second, and then gradually pulled away in the second half. Libertyville guards, Van Acken and Wood, scored 25 points by getting free for drive in layup shots.

Roy Hahnfeldt with 10 and Dave McClung with nine were Palatine's best scorers. The Palatine team had its poorest shooting percentage to date with nine from the field in 41 shots.

Wauconda Takes Lead 2nd Quarter To Beat Palatine

Palatine split the opening Northwest double bill at Wauconda last Friday as the varsity lost, 51-48, and the frosh-sophs were winners, 35-23. Palatine took a 14-9 opening quarter lead in the first period but was outscored 18-5 in the second quarter and never could quite overtake Coach Haley's Bulldogs.

Palatine frosh-sophs led all the way with freshmen playing a big part in the victory.

GENE JASCOT with 21 points and Dan Gorman with 16 led the Wauconda varsity to their fourth victory in five games to date. Few fouls were called in the game, but neither team made half their free throws.

Both teams played well by spurts. Dave Nesset, Palatine center, scored 20 points but Goetz and Eck, who had previously led the point production got all 11 points between them.

FOR COACH Zimmer's Palatine frosh-sophs the scoring was evenly divided with Hahnfeldt and Eldrodge getting eight and Glynn and McClung accounting for seven points apiece. Both teams made nine out of 20 free throws and were charged with 13 fouls but Palatine led on field goals 13 to seven. It was Palatine's first frosh-soph victory after three losses and the varsity's three straight loss after beating Dundee in the season opener.

Friday Palatine is host to El Vernon, one of the stronger teams in the conference.

With Ralph Kiner in the baseball news, The Sporting News takes a look at his slugging record. Only seven players in the history of the major leagues, it says, have hit more home runs than Kiner. He has a total of 351. That's a far cry from Babe Ruth's record of 714, but Kiner can still move up in the list. He's only eight behind Johnny Mize's mark, and ten behind Joe DiMaggio's total.

31-Point 3rd Quarter Gives Cards Victory Over Maine

A 31-point third quarter had Arlington Heights high school basketball fans all smiles Friday night as the local varsity cagers tripped Maine, 60-49, in the opening West Suburban league game for both schools.

This week the Cardinals travel to Downers Grove Friday night, then come home to meet Leyden in a non-league affair Saturday. The Heights frosh-sophs won, too, 54-34, with a 17 point second quarter setting the pace.

* * *

TECHNICALLY, it was simply a matter of percentages in the varsity game. The Heights five shot .071 from the floor the first half, .600 the second. In addition, Coach Howard Lester's charges used a press in the third period which iced the game.

First half was an even affair from the scoring standpoint with the locals taking a 11-10 lead the first quarter, then falling to only seven points the second period and the short end of a 23-18 half-time tally.

* * *

JUST AS FANS were wondering if the game was going to be a repeat performance of the past couple of seasons, the relaxed Cardinals took the floor, applied the press, and hit the hoop at a phenomenal pace, particularly at the free throw line.

John Sujack counted seven free tosses, Denny Maher three, Bill Randag two and Dennis Striegel one in the third period alone. The Cards sank 35 of 51 attempts throughout the contest. In addition Maher hit for five baskets in the third quarter to lead the way from the field.

* * *

FINAL QUARTER found Heights changing its attack again, and scoring just one field goal, but counting nine more free throws. Maine, meanwhile, maintained an even scoring pace of 10-13-14-12 points the four quarters.

High scorers for the locals were Sujack with 22 and Maher, with 20. For Maine it was M. Nelson with 12 and Dudley Mitchell with ten.

Bensenville Loses League Opener To Glenbrook Five

by ELI WHITNEY

The Bensenville cagers lost their first conference match to the Glenbrook Spartans, 61-42, Friday on the Glenbrook court. Except for the first quarter, which was a see-saw affair, the Spartans were in control all the way.

The Spartans, leading 19-15 at the end of the first period, started a rally with Bob Boyd, ace extra-point kicker during football season, and right forward on the basketball squad, doing a good job of rebounding and shooting.

* * *

DURING the third quarter, the Bisons gained 2 points to Glenbrook's 1, which brought the count to 47-25, Glenbrook With this large margin, Coach Helfrich of Glenbrook put in his second string team. They tallied 14 points and Bensenville racked up 17 in the last quarter.

Of Bensenville's 42 points, 20 were made by Ken Sirotzki, right guard. Ken made six field goals and 13 of 19 attempted free throws. Spartan Boyd scored 20 points on 6 baskets and a 100% free throw record of 8 out of 8. The Bisons made an average of 53% of their free throws, while Glenbrook hit 63% of theirs.

Glenbrook Frosh Cagers Beat Bisons

Glenbrook frosh cagers made it a clean sweep Saturday morning when the young Spartans drubbed the first year Bisons, 41-32. The hosts led all the way, including 6-4, 18-11 and 25-18 at the quarters.

Noticeable for Coach Bill Jonkheer's Bison cagers was a lack of defense, particularly guarding, with Glenbrook speed paying off for the winners. Bensenville sank 50% of its free throws, a creditable record.

Starters for Bensenville were Bill Emory and Terry Biefeld at guards, Dave Helms at center, and Bob Meyer and Chuck Christiansen at forwards. Meyer was high point man with 15 points for the locals with Patterson swishing through seven buckets for Glenbrook, including four in the second period, three in the fourth.

The HUNGRY SPORTSMAN By Eddie Meier

Broiled Coot Breasts And Corn Sticks

Start of the duck season in our baliwick was pretty bad, due to a combination of high water and bluebird weather. But brother, the coot shooting was super-excellent! And since a large proportion of our bag consisted of young ones — or what we considered young in a size comparison — we broiled them!

Only the breasts were used, of course, which were skinned and all fat scraped off. They were then soaked in salt water (3 tablespoons per quart) for 3 hours after which they were rubbed with lemon juice and allowed to lay at room temperature for about 45 minutes.

They were then placed on the broiler rack 4 inches below the flame (which was set at moderate, 350 degrees) and broiled for about 30 minutes. They were turned every 5 minutes and basted with lemon butter, which is made by mixing 1 tablespoon lemon juice and ⅛ teaspoon pepper with 4 tablespoons melted butter.

Accompanying the broiled breasts to the table were corn sticks, which were made by mixing 1 cup flour, ¾ cup corn meal, 1/3 cup sugar, 1 teaspoon salt and 2 teaspoons combination type baking powder. Into this was stirred ½ cup milk and ½ cup cream, to which 1 beaten egg had been added, and finally ¼ cup melted butter. The final step was baking them 20 minutes in the oven above the broiling coot breasts.

Palatine Wrestlers Defeat Niles, 28-18

Palatine's varsity wrestling team downed Niles township high of the Suburban league Friday night, 28-18, while frosh-sophs lost, 37-17. Palatine victories were scored by Jim McCreery 112, Ron Bessemer 120, Bob Fremd 127, Hans Wehner (pin) 133, John Dilks 154, Harold Verdung (pin) 165, Larry Wheeler 175, and Leonard Rohde heavyweight.

In the frosh-soph section Palatine had to forfeit three matches due to lack of a competitor in the class. Palatine winners were Andrew Anderson (pin) 103, Karl Schwenk (pin) 133, and Howard Redeker (pin) 154. John Gerling 133 wrestled to a draw with his opponent.

Sectional Again At Arlington

Arlington Heights high school will again be host to a sectional tournament.

That was the verdict of the Illinois high school office, directed by executive secretary Albert Willis.

This will be the third year in a row a sectional will be held in the Heights school. Support of the tourney by local fans the past two years was the main reason the meet was again awarded here.

* * *

REGIONAL winners from tournaments at Elgin, Leyden, Glenbrook and North Chicago will compete at Arlington the second weekend in March. Regional tourneys will run the first weekend in March, though actual assignment of schools will not be made until about January 15.

Fifteen sectional winners, plus the Chicago winner, will advance to the Sweet Sixteen tournament March 16-19 at Urbana.

Other sectionals for the suburban area will be held at Hinsdale high school with winners advancing from regionals at West Aurora, Thornton of Harvey, Kankakee and Riverside.

Why Get Married?

A good story about Willie Mays comes out of Cuba, where the New York Giant flash is playing winter baseball. As reported by The Sporting News, someone asked Willie why he didn't get married. "I don't need a wife," Willie said. "My godmother darns my socks and keeps track of me at home, and the Giants take care of my money in the bank. So why should I get married?"

Heights Frosh And JV Cagers Lose To Elgin

Arlington freshmen and junior-varsity basketballl teams lost to Elgin Saturday in the Heights gym, the JV's dropping a 54-40 decision and the frosh 50-30. The games served as building sessions for JV coach Howard Lester and frosh co-coaches "Bus" Ormsbee and Ken Schaller.

The local JV's were behind all the way, though reviving fast at one point when a new crew of five subs went in to show what they could do.

Starters for the frosh were Jack Weber at center, Bob Mors and Dennis Rose at forwards, and Denny Thill and Sam Caltagirone at guards. Looking best for the Heights yearlings was Thill, though the entire squad still has plenty to learn, particularly in ball handling, traveling, shooting, etc.

Lack of height is obviously going to handicap Arlington this year. Frosh doubleheader will probably be included on the docket at Maine this Saturday morning, starting at 8:30.

Decry The Lack Of Catchers Among Nation's New Baseball Prospects

The major leagues have a "Help Wanted" sign out. They need catchers. A good picture of the situation is given in The Sporting News.

The young player of this generation isn't eager to accept the hazards and hard work that go with a catcher's career. As a conbreed. To meet the situation, sequence, there's a shortage of the there has to be conversions. Players are being turned from outfield and infield posts into catchers. In Cleveland, for example, of the several catchers coming up in 1955, only one, Hank Foiles, was a catcher to begin with. All of the others were converted from other positions.

* * *

MANAGER CASEY Stengel of the Yankees says the scarcity of catching material of any kind, let alone those of major league caliber, goes all the way back to the coaches of high school or college teams. "The coach," says Stengel, "picks the biggest and slowest boy in his squad to be the catcher. Then he assigns the second slowest to first base. And the slowest boys," Stengel goes on, "develop into still slower professional ball players."

Stengel says the boys of today don't like to catch, and they can't be blamed too much for it. The job of squatting on your haunches is tiring. The position tends to stretch the leg and thigh muscles and slow up the player more as he goes along with his career. Then there's the danger of injuries. Blocking the plate against a man sliding home [illegible] standing against a player as he crashes smack into you isn't child's play, and can cause injuries.

* * *

THERE ARE OTHER ways to get hurt catching. As Yogi Berra pointed out, a catcher can get beat up by four balls. "They crack you on the shoulders, legs and feet," Berra says, "but who sympathizes with you? You are a catcher and you are supposed to take this beating without opening your trap. That's why," Berra went on, "I say that if Casey wants me to play in the outfield or at third base it's okay with me. Life in the outfield is soft and easy. Nobody hits you. Nobody hurts you with foul balls. Nobody tears into you."

As for converting young men into catchers, that's not an easy job. And that's the word, too, of Bill Dickey, generally rated as the greatest catcher of them all. Dickey trained catchers for the Yankees, and he had no soft job developing Berra, although Yogi was a catcher to begin with. Roy Campanella, another great catcher of our day, also started out as a receiver, and so did such men as Dickey, Gabby Hartnett and Mickey Cochrane.

Danger — Live Kids

Motorists should always expect the unexpected from children. Every youngster should be considered a warning sign whether he is in the street or near it. Only by preparing in advance for the impetuous actions of children can motorists [illegible] protect them.

Balanced Scoring Pays Off With Libertyville Victory

Palatine defeated Libertyville's varsity cage team 52-48 Saturday night on the home court in a non-league game. It was the Pirates' second victory of the season in five starts and achieved through good team play and balanced scoring. Palatine dropped the preliminary 47-33.

The varsity game was close all the way. Libertyville moved ahead 22-18 at half time after a tie count at the quarter but the Pirates forged ahead 34-32 with eight minutes to go. The final period was a nip and tuck affair right down to the finish with both teams playing very good ball and Palatine scoring 18 to 16 for the Wildcats.

* * *

IT WAS DAVE SCHUTZ who was high scorer with 16 points who sparked Palatine into the lead with seven points in the third quarter and it was Jeff Lehmann who contributed eight in the last segment to keep the Pirates on top. With two minutes to play Palatine worked a slow delayed offense which enabled John Goetz to get some close shots and he came through with three baskets which assured the victory.

Palatine's scoring was well distributed as Schutz had 14, Goetz 12, Dave Nessett nine, and Lehmann and Eck eight apiece. Ray had 18 and Weidner 16 for the Libertyville Wildcats. Both teams scored 19 from the field on 46 shots for Palatine and 50 for Libertyville. Palatine had a four point edge at the charity lead.

LIBERTYVILLE'S frosh-sophs shot 49% from the field to easily outpoint Palatine's fast improving team. The Wildcats got a 12-6 lead the first period, were held even in the second, and then gradually pulled away in the second half. Libertyville guards, Van Acken and Wood, scored 25 points by getting free for drive in layup shots.

Roy Hahnfeldt with 10 and Dave McClung with nine were Palatine's best scorers. The Palatine team had its poorest shooting percentage to date with nine from the field in 41 shots.

Wauconda Takes Lead 2nd Quarter To Beat Palatine

Palatine split the opening Northwest double bill at Wauconda last Friday as the varsity lost, 51-48, and the frosh-sophs were winners, 35-23. Palatine took a 14-9 opening quarter lead in the first period but was outscored 18-5 in the second quarter and never could quite overtake Coach Haley's Bulldogs.

Palatine frosh-sophs led all the way with freshmen playing a big part in the victory.

FOR COACH Zimmer's Palatine frosh-sophs the scoring was evenly divided with Hahnfeldt and Eldrodge getting eight and Glynn and McClung accounting for seven points apiece. Both teams made nine out of 20 free throws and were charged with 13 fouls but Palatine led on field goals 13 to seven. It was Palatine's first frosh-soph victory after three losses and the varsity's three straight loss after beating Dundee in the season opener.

Friday Palatine is host to Elk Vernon, one of the stronger teams in the conference.

With Ralph Kiner in the baseball news, The Sporting News takes a look at his slugging record. Only seven players in the history of the major leagues, it says, have hit more home runs than Kiner. He has a total of 351. That's a far cry from Babe Ruth's record of 714, but Kiner can still move up in the list. He's only eight behind Johnny Mize's mark, and ten behind Joe DiMaggio's total.

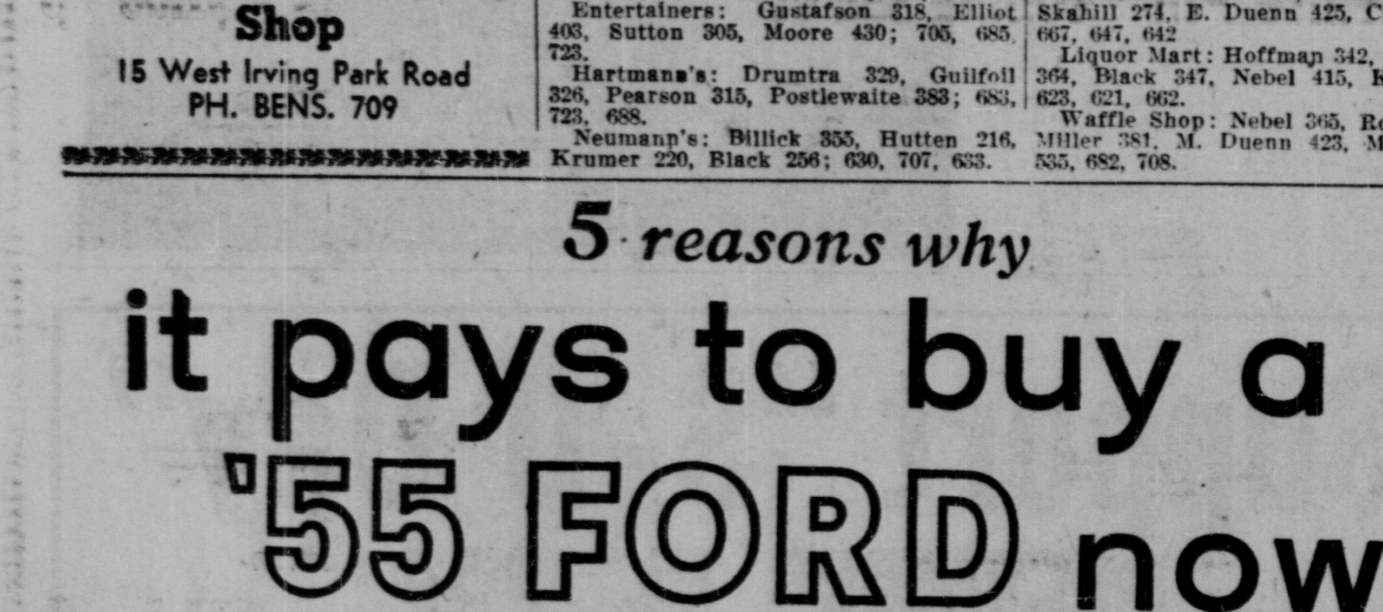
5 reasons why
it pays to buy a '55 FORD now!

HERE'S THE BIG ①
WITH TRIGGER-TORQUE PERFORMANCE
WITH STYLING INSPIRED BY THE THUNDERBIRD
WITH THE SMOOTHEST RIDE EVER



You can be the first in your neighborhood with the fine car of its field!

It's always a thrill to be first in your neighborhood to have the car that everybody wants to see. That's one of the big reasons why it will be a good move to buy a new '55 Ford NOW. Styled to mirror the beauty of the Thunderbird—Ford's distinguished personal car that has won the nation's warmest praise—the *totally new* '55 Ford is getting more attention than any other car today. And it's well-deserved attention, too. For Ford is truly *the* fine car of its field for '55!

② YOU CAN ENJOY MORE PLEASANT AND SAFER DRIVING ALL WINTER LONG—Drive a new '55 Ford that's built to take you through the rough winter driving more safely, more pleasantly.

③ YOU CAN HAVE A V-8 NOW . . . AND IN THE LOW-PRICE FIELD—There's the mighty 162-h.p. Y-block V-8. And the 182-h.p. Y-block Special V-8—offered with Fordomatic in Fairlane and Station Wagon models. And they're both available NOW!

④ YOU CAN HAVE A WONDERFUL NEW FORD IN TIME FOR CHRISTMAS—Can you think of a finer Christmas present for the whole family than a sparkling new '55 Ford?

⑤ YOUR PRESENT CAR WILL NEVER BE WORTH MORE IN TRADE—It's good sound business judgment to buy a new '55 Ford NOW. For your present car is going down in value every day. Make a better trade NOW!

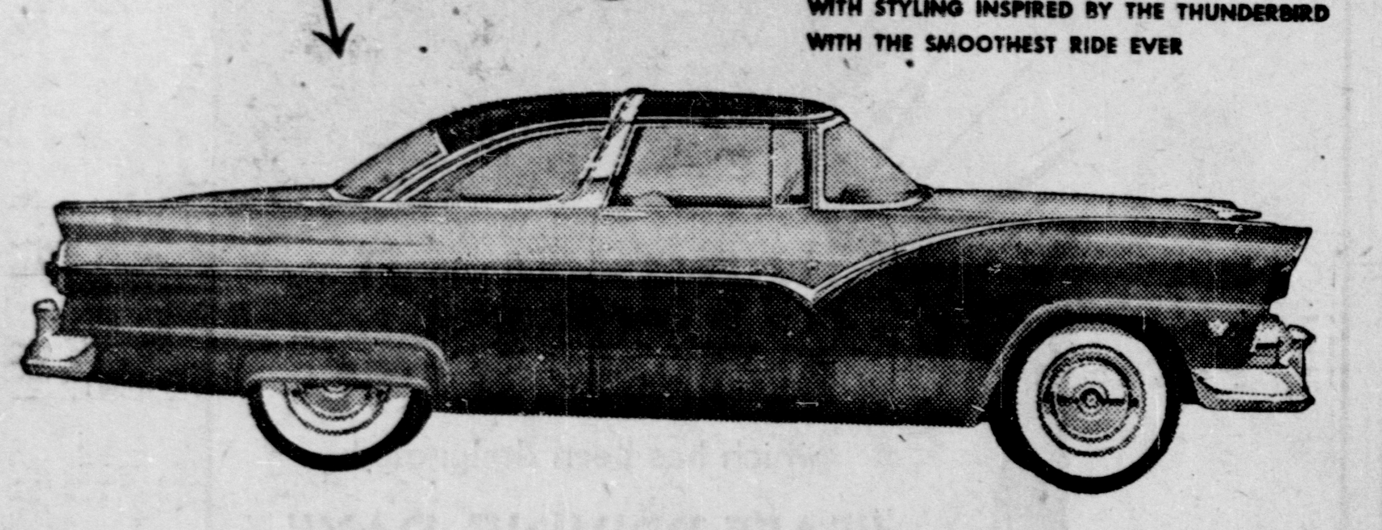
5 reasons why

it pays to buy a '55 FORD now!

HERE'S THE BIG ①

WITH TRIGGER-TORQUE PERFORMANCE
WITH STYLING INSPIRED BY THE THUNDERBIRD
WITH THE SMOOTHEST RIDE EVER



You can be the first in your neighborhood with the fine car of its field!

It's always a thrill to be first in your neighborhood to have the car that everybody wants to see. That's one of the big reasons why it will be a good move to buy a new '55 Ford NOW. Styled to mirror the beauty of the Thunderbird—Ford's distinguished personal car that has won the nation's warmest praise—the *totally new* '55 Ford is getting more attention than any other car today. At Illinois College

Hilltop players of Illinois College, Jacksonville, will present the old fashioned melodrama "Mick of the Woods; or, Telie the Renegade's Daughter" in the authentic old-time style as part of the 125th anniversary celebration of the college. This play is a genuine piece of American folklore written and originally performed in the famous Bowery Theatre in New York in 1838.

Instead of seating the audience in rows of chairs, tables will be supplied to duplicate the old-time methods of enjoying the drama and refreshments will be on sale during the performance. This frontier story, set in the wilderness of "New Kentuck," has the usual villain who falsifies the will and thereby attempts to cheat the hero and heroine.

The role of Telie, the Indian maiden who gives her life for love, is portrayed by Frances Zollner, daughter of Mr. and Mrs. Frank Zollner, R. 2, Box 278, Ellis ave., Bensenville. Miss Zollner, a graduate of Arlington Heights high school with the class of 1952, is a junior on the Illinois College campus.

With Frosh Gridders At Morningside College

Lawrence Hapke, son of Mr. and Mrs. Albert G. Hapke, of 324 W. Slade St., Palatine, was a member of this year's freshman football team at Morningside college in Sioux City. Playing at an end position, Larry saw considerable action.

The Morningside "Little Maroons" went undefeated in their abbreviated campaign with wins over the Augustana freshmen, the Westmar College junior varisty, and tied the University of South Dakota.

The 1954 Morningside varsity were co-champions of the North Central conference with a 5-1 record in loop play.

Receives Ph. D. Degree From Johns Hopkins

Albert J. Kuhn, son of Mr. and Mrs. Albert Kuhn, Wheeling, was awarded the degree of Doctor of Philosophy in October of this year by the John Hopkins university in Baltimore.

After graduating from Blue Mound High school in 1944, Mr. Kuhn spent two years in the Navy, then entered the University of Illinois from which he was graduated in 1950 with Phi Betta Kappa and University Honors. At that time he accepted a three-year President's scholarship from John Hopkins university to major in English literature.

Mr. Kuhn is now on the faculty of the English department of Ohio State unniversity at Columbus. Mrs. Kuhn is the former Roberta Marshall, daughter of Mr. and Mrs. Robert H. Marshall.

At Oberlin

Singing in the musical union at Oberlin college when it presents the Mozart Requiem Mass in D Minor in Finney chapel December 5 were two students from the Palatine area.

The Musical Union, composed of Oberlin students and faculty and members of the community, is one of the oldest choral groups in the country, organized in 1837, four years after the college opened its doors.

Harlan Gephart, son of Mr. and Mrs. Floyd Gephart, 151 N. Mozart, Palatine, is a sophomore in the college of arts and sciences. He is president of his class, and a member of the football and lacrosse squads.

Richard Ross, son of Mr. and Mrs. Stanley Ross., Mtd. R.D. 2, Palatine, is a senior chemistry major. He is a member of the football squad and track team.

At Bradley

Campus Capers

At Monmouth

A traditional event at Monmouth college is the annual presentation of Handel's "Messiah" in early December.

Approximately two hundred students and townspeople formed the chorus for this community-college event December 5.

Among the college students participating in the chorus was Lynne Lommen of 226 S. Bothwell, Palatine.

At Wheaton

Dan Baumann, son of Mr. and Mrs. Roy Baumann of 825 N. Ridge, Arlington Heights, and a junior at Wheaton college, has been awarded his first athletic minor letter in recognition of his service this season in intercollegiate football. He played guard.

At Monmouth

A traditional event at Monmouth college is the annual presentation of Handel's "Messiah" in early December.

Among the college students participating in the chorus were Barbara Rahn, daughter of Mr. Ernest H. Rahn of 22 S. George, Mount Prospect, and Ruth Saudenbaur, daughter of Mr. and Mrs. J. A. Staudenbaur of 116 S. Owen st., Mount Prospect.

Chapel At N. U.

Dr. V. E. Devadutt, dean of the School of Theology, Serampore, India, will deliver the 11 a.m. chapel service sermon on Sunday, Dec. 12, in Northwestern University's Lutkin hall, Orrington ave. and University pl., Evanston.

At Purdue

Richard O. Staib, 124 Linden, Palatine, has received a promotion to cadet second lieutenant in the Purdue university army ROTC, it has been announced by Colonel Stanley Sawicki, professor of military science and tactics.

A junior student at Purdue, Dick is an advanced course student in Army ROTC, currently undergoing his third year of military training. Upon graduation, and provided he has completed six weeks training at an ROTC summer camp, he will be commissioned a second lieutenant in the army reserve.

Cadet Staib is in the signal corps branch.

On Frosh Squad At Iowa State

Jack Tilles son of Mr. and Mrs. J. H. Tilles of 515 Fairview, Mount Prospect, was one of 61 Iowa state college freshmen to receive football numerals this year.

The numerals were presented at a special ceremony in the college armory at the half-time of Iowa college-Carleton college basketball game Monday, December 6.

Jack played tackle on the freshman team which defeated Missouri, 27-7, and Nebraska, 26-6.

Jack is the top prospect on the freshman squad. Despite a three-week layoff with an injured knee, varsity coaches think enough of his performance to include him in first string plans for next year.

At Illinois

Tom Rowader of 306 McDonald road, Prospect Heights is representing the interfraternity council of University of Illinois at the undergraduate conference which convened at Philadelphia Friday for a two-day meeting sponsored by the national interfraternity conference. More than five hundred representatives of American and Canadian college and university fraternities, interfraternity councils and deans of men participated in the graduate and undergraduate sessions of the NIC.

Robert T. McCracken, chairman of the board of trustees of the University of Pennsylvania, on University of, Pennsylvania, spoke on "The Influence of Fraternities" at the opening luncheon Friday.

Letter At Carleton

Dick McAuliffe, a sophomore from Arlington Heights, was one of twenty-six Carleton College football letter-winners at the annual fall sports banquet Monday night.

George McKinnon, U.S. District Attorney from Minneapolis was, the guest speaker.

Yale Frosh Wrestler

David A. Brant, of Arlington Heights, is currently a candidate for the 1954-55 Yale university freshmen wrestling team.

Brant prepared for Yale at Arlington Heights high school where he participated in football and track. He received sectional recognition in both wrestling and football. In addition, he was president of the student council.

At Yale, Brant is planning to major in chemistry with a career in chemistry in mind. He resides at 615 Mayfair road.

The freshmen matmen open their seven game schedule Saturday, January 8, against Columbia in New York.

At Concordia

Hogs, Like Men, Should Have More Muscles And Less Fat

Farmers can sell more pork if they will produce hogs with more muscles and less fat, according to Wilbur L. Plager, field secretary for the Iowa swine producers association.

Pork with little muscles and lots of fat will drive housewives away from the pork section at the market.

"Disposable income spent for meat remains constant. What a housewife spends it for depends on two factors, price and quality," he said. "The American homemaker has the faculty of being able to balance these two factors quite readily.

* * *

"WE HAVE LOST around 10 pounds of pork per capita the last few years, mainly because it's the wrong kind," Plager said. "Each time we lose one pound of pork per capita we must raise one and one half million fewer hogs, a blow to farm income and to our best market for corn," he added.

Breeding will be mainly responsible for any success in achieving the meat-type hog, Plager stated. Pointing out that the price of lard is very low, he said that "Any excess fat beyond that needed to make an acceptable cut of pork is a waste of feed and the producer's time, yes, even the hog's time."

"I would say that a good meat-type hog weighing 200-225 pounds should be 29 to 30½ inches long, and have 1.25 to 1.65 inches of fat back."

* * *

PLAGER ALSO SAID the packing industry must train its buyers to do a better job of hog buying. "Both parties — seller and buyer — must be able to recognize the difference in hogs," he advised.

"Producing meat-type hogs also calls for marketing at more frequent intervals, just when the hogs have the right finish. Marketing must be leveled out to avoid gluts.

"Breed the really true meat-type hog. Market with the right amount of finish," Plager concluded. "These hogs will grow faster, more economically, and you will have a market of which you had never dreamed."

Income Tax Changes

The 1954 Tax Code contains about 3,000 changes representing a complete overhaul of our federal tax laws. Following is a brief digest of some of the major changes affecting farmers:

1. Date Income tax report is due. Final return (no estimate used) February 15, 1955. Final return (estimate used) April 15, 1955. Estimate, January 15, 1955.

2. Soil and water conservation expense. Improvement costs, such as building earth dams, ponds, leveling, grading, terracing, ditching or moving earth, can now be treated as an expense item (instead of a capital item) up to 25 per cent of a farmer's gross income per year. Costs over 25 per cent can be carried forward to succeeding years. This also includes assessments paid to a soil conservation or drainage district — if the expense would have been deductible to the farmer had he done the work himself. Note: the farmer must elect either to list these improvements as expense or to capitalize them on his return (the first year such improvements are made); after that, he cannot switch without permission.

* * *

3. **INVOLUNTARY** conversion of diseased livestock. Livestock destroyed or sold because of disease now come under the involuntary conversion provisions. This means that any profit made is not taxable if the entire proceeds are used to replace such animals within one year from the date of destruction or sale.

4. Depreciation . For depreciable property acquired or constructed before December 31, 1953, the same method of computing depreciation must be used as before. But for new property acquired or constructed after 1953, any of the following methods may be used.

Straight-Line Method. A depreciation rate is twice the "straight-line" rate is multiplied by the unrecovered cost. · For example, if the useful life is 10 years, the straight-line rate is 10 per cent and the declining-balance rate 20 per cent. If the property cost $1,000, depreciation the first year would be $200 ($1,000 times 20 per cent); depreciation the second year, $160 ($800 of unrecovered cost times 20 per cent); and so on.

* * *

SUM-OF-THE-DIGITS Method. The depreciation rate is a fraction, the numerator being the remaining years of life and the denominator being the sum of the years of useful life.

For example, if the property had example, if the property had For example, if the property had an estimated life of 4 years, the denominator would be 10 (4-3-2-1). The first years depreciation would therefore be 4 tenths of the cost; the second year, 2 tenths; would therefore be 4 tenth of the cost; the second year, 2 tenth; and the fourth year, one tenth.

The following table compares these three methods — using a wagon costing $400 with a useful life of 4 years (not very long but it makes the problem simple).

Annual Depreciation

Year	A	B	C
1	$100	$200	$160
2	100	100	120
3	100	50	80
4	100	25	40

A—Straight-line 25 per cent.
B—Declining-balance 50 per cent.
C—Sum of the digits.

Start The New Year With Good Farm Records

A good farm record book will prevent a tax-reporting headache when another year rolls around.

The Illinois farm record book is easy to keep and if accurately kept, is acceptable to the bureau of internal revenue. You can get a copy from farm adviser Carl F. Mees.

It's difficult to satisfy the tax collector with incomplete and inadequate records Mees says. A record book will make your tax-figuring job a lot easier.

* * *

BUT HELP at income tax time is only one of several reasons the modern farmer should depend on good farm records. In these days of high-cost farming, it's next to impossible to manage an efficient and profitable farm business without adequate records on each farming enterprise.

The Illinois farm record book will help you make a simple study and analysis of your farm business. You can see where you're making a profit and where you're losing money.

G. B. Whitman, farm economist at the University of Illinois college of agriculture, reports that more than 30,000 Illinois farmers used this book in 1954.

It Takes Brains And A Bankroll For Farming

It takes brains and a bankroll to succeed in the business of farming.

That statement was made by M. J. Briggs, principal speaker at the annual meeting of Illinois farm supply company.

When the occupation of farming is mentioned, Briggs said, many folks visualize a muscle-bound person with nothing but a strong desire to grow corn and raise hogs.

* * *

BUT FACTS and figures show that highest rewards go to the best-educated and best financed farmers. Briggs cites figures to prove his point.

"Nearly 80 per cent of all farms in the United States return a gross income of less than $5,000 yearly to the operator," he said. "And 61 per cent of the farms have gross incomes of less than $1,600 a year."

This means that agriculture's richest rewards go to the nation's top 20 per cent — putting emphasis on education, Briggs claims.

* * *

"IN SOUTHEASTERN Minnesota during 1950 through 1953, some 317 boys starting farming were asked how much schooling they had.

"Average schooling of veterans was nearly through the second high school year. Non-veterans had completed three years of high school.

"The same survey showed the average operating capital per farm to be $19,315. Beginning farmers estimated that $9,382 would be required to start farming.

"Yet nearly 80 per cent of the boys anticipating agricultural pursuits had less than $8,000 net worth," Briggs said.

Aberdeen-Angus Breeders' Group To Move To Missouri

A proposal to move association headquarters from Chicago to St. Joseph, Missouri, was approved at the 71st annual meeting of the American Aberdeen-Angus Breeders' Association, held Wednesday evening, December 1, at the Palmer House in Chicago. The proposal includes plans to construct a building in the northwest Missouri town. Work is expected to commence on this project as soon as a building site is selected and plans are completed.

A record number of 93 breeder-members and their guests sat down at the annual banquet, held in the grand ballroom of the Palmer House, preceding the meeting. The enthusiastic audience heard retiring president F. B. Davis Jr., of Brays Island Plantation, Yemassee, South Carolina, praise the breed and the association for its remarkable record during 1954. Last year the association registered an all-time high of 213,410 Aberdeen-Angus calves, a 33 per cent increase over the preceding 12-month period, and enjoyed tremendous increases in all phases of breed progress.

2, 4-D Proves Safe For All Young Soybeans

Young soybeans will safely stand up to 1/8 of a pound of amine-type 2, 4—D an acre, according to three years' research at the University of Illinois.

Fred Slife, agronomist in charge of the tests, reports no damage when the soybeans are three to five inches tall. While it isn't hard to put on this amount of 2,-4-D, it is important not to use a heavier application, he warns.

At first the young soybean plants curl up but in a week there is no sign of injury, and the treatment causes no reduction in yield.

* * *

AGRONOMISTS found the sprays gave good control of cocklebur, annual morning glory and pigweed. Spraying should be particularly valuable, Slife thinks, in very weedy fields.

Fortunately, the weeds and the soybeans react in exactly opposite ways to 2, 4-D. Soybeans are more resistant to 2, 4-D when they are young; and the older they get, the more sensitive they get. Weeds on the other hand, are quite sensitive at first and become more resistant as they get older.

Spraying before the beans come up can seriously reduce stands, Slife says. But if you're careful, there is no danger with 2, 4-D on soybeans after they come up.

American Hybrids Can Double Europe's Corn

Use of American hybrids can double corn production in Europe and the Mediterranean countries.

That's the opinion of R. W. Jugenheimer, University of Illinois plant breeder who spent 18 months in 15 countries of the area.

In 141 tests in 13 countries in 1952, for example, American hybrids increased production 60 per cent over the best native open-pollinated varieties. So far, Jugenheimer says, nearly all hybrid corn used in Europe has been bred in America, although native hybrids are being developed.

* * *

CORN IS GROWN on about 30 million acres in the area, and the use of hybrids would raise yields to equal an additional 18 million acres planted to corn. Hybrid corn was seeded to three per cent of the acreage in 1952 and to six per cent in 1953, the plant breeder says.

Even at that rate, the Food and Agriculture Organization of the United Nations estimates that hybrids were responsible for increased production worth 24 million dollars in 1952 and 40 million dollars in 1953.

* * *

IN SOME COUNTRIES the increase in use of hybrids has been rapid. France planted 28 per cent of her corn acreage to hybrids in 1953 and the Netherlands planted more than 75 per cent to hybrids. Northern France, Belgium and the Netherlands are north of the corn belt, and they raised virtually no corn until hybrids came along.

How fast farmers of the area will adopt hybrid corn depends on the value of the hybrids, the effectiveness of extension program and the availability of seed. Seed production in 1953 amounted to 660,000 bushels, double the production of 1952.

The FOA testing program includes plots from Norway to Egypt and from Turkey to Portugal. The five-year program was established at a cost of only $40,000.

Lower Prices Can Increase Milk Sales

One of the best ways to get people to drink more milk is to lower the price, believes R. W. Bartlett, University of Illinois college of agriculture dairy marketing specialist.

A chain grocery in Champaign-Urbana increased its milk sales by 26 per cent in one week by lowering the price of a quart of milk two cents, Bartlett says. The price reduction was announced in full-page ads in two local daily papers.

* * *

FOR EVERY 100 quarts of milk sold during the previous week in 10 stores in the chain, the company sold 126 quarts during the week of the sale.

In the week following the special sale, the price was raised to its original level. Sales were still 9 per cent higher than they were the week before the sale.

This practical experiment shows what stores can do to increase milk sales by cutting their profit margins by a cent or two.

Hogs, Like Men, Should Have More Muscles And Less Fat

Farmers can sell more pork if they will produce hogs with more muscles and less fat, according to Wilbur L. Plager, field secretary for the Iowa swine producers association.

Pork with little muscles and lots of fat will drive housewives away from the pork section at the market.

"Disposable income spent for meat remains constant. What a housewife spends it for depends on two factors, price and quality," he said. "The American homemaker has the faculty of being able to balance these two factors quite readily.

* * *

"WE HAVE LOST around 10 pounds of pork per capita the last few years, mainly because it's the wrong kind," Plager said. "Each time we lose one pound of pork per capita we must raise one and one half million fewer hogs, a blow to farm income and to our best market for corn," he added.

Breeding will be mainly responsible for any success in achieving the meat-type hog, Plager stated. Pointing out that the price of lard is very low, he said that "Any excess fat beyond that needed to make an acceptable cut of pork is a waste of feed and the producer's time, yes, even the hog's time."

"I would say that a good meat-type hog weighing 200-225 pounds should be 29 to 30½ inches long, and have 1.25 to 1.65 inches of fat back."

* * *

PLAGER ALSO SAID the packing industry must train its buyers to do a better job of hog buying. "Both parties — seller and buyer — must be able to recognize the difference in hogs," he advised.

"Producing meat-type hogs also calls for marketing at more frequent intervals, just when the hogs have the right finish. Marketing must be leveled out to avoid gluts.

"Breed the really true meat-type hog. Market with the right amount of finish," Plager concluded. "These hogs will grow faster, more economically, and you will have a market of which you had never dreamed."

LAW on the FARM

Income Tax Changes

The 1954 Tax Code contains about 3,000 changes representing a complete overhaul of our federal tax laws. Following is a brief digest of some of the major changes affecting farmers:

1. Date Income tax report is due. Final return (no estimate used) February 15, 1955. Final return (estimate used) April 15, 1955. Estimate, January 15, 1955.

2. Soil and water conservation expense. Improvement costs, such as building earth dams, ponds, leveling, grading, terracing, ditching or moving earth, can now be treated as an expense item (instead of a capital item) up to 25 per cent of a farmer's gross income per year. Costs over 25 per cent can be carried forward to succeeding years. This also includes assessments paid to a soil conservation or drainage district — if the expense would have been deductible to the farmer had he done the work himself. Note: the farmer must elect either to list these improvements as expense or to capitalize them on his return (the first year such improvements are made); after that, he cannot switch without permission.

* * *

3. **INVOLUNTARY** conversion of diseased livestock. Livestock destroyed or sold because of disease now come under the involuntary conversion provisions. This means that any profit made is not taxable if the entire proceeds are used to replace such animals within one year from the date of destruction or sale.

4. Depreciation . For depreciable property acquired or constructed before December 31, 1953, the same method of computing depreciation must be used as before. But for new property acquired or constructed after 1953, any of the following methods may be used.

Straight-Line Method. A depreciation rate is twice the "straight-line" rate is multiplied by the unrecovered cost. For example, if the useful life is 10 years, the straight-line rate is 10 per cent and the declining-balance rate 20 per cent. If the property cost $1,000, depreciation the first year would be $200 ($1,000 times 20 per cent); depreciation the second year, $160 ($800 of unrecovered cost times 20 per cent); and so on.

* * *

SUM-OF-THE-DIGITS Method. The depreciation rate is a fraction, the numerator being the remaining years of life and the denominator being the sum of the years of useful life.

For example, if the property had example, if the property had For example, if the property had an estimated life of 4 years, the denominator would be 10 (4-3-2-1). The first years depreciation would therefore be 4 tenths of the cost; the second year, 2 tenths; would therefore be 4 tenth of the cost; the second year, 2 tenth; and the fourth year, one tenth.

The following table compares these three methods — using a wagon costing $400 with a useful life of 4 years (not very long but it makes the problem simple).

Annual Depreciation

Year	A	B	C
1	$100	$200	$160
2	100	100	120
3	100	50	80
4	100	25	40

A—Straight-line 25 per cent.
B—Declining-balance 50 per cent.
C—Sum of the digits.

It Takes Brains And A Bankroll For Farming

It takes brains and a bankroll to succeed in the business of farming.

That statement was made by M. J. Briggs, principal speaker at the annual meeting of Illinois farm supply company.

When the occupation of farming is mentioned, Briggs said, many folks visualize a muscle-bound person with nothing but a strong desire to grow corn and raise hogs.

* * *

BUT FACTS and figures show that highest rewards go to the best-educated and best financed farmers. Briggs cites figures to prove his point.

"Nearly 80 per cent of all farms in the United States return a gross income of less than $5,000 yearly to the operator," he said. "And 61 per cent of the farms have gross incomes of less than $1,600 a year."

This means that agriculture's richest rewards go to the nation's top 20 per cent — putting emphasis on education, Briggs claims.

* * *

"IN SOUTHEASTERN Minnesota during 1950 through 1953, some 317 boys starting farming were asked how much schooling they had.

"Average schooling of veterans was nearly through the second high school year. Non-veterans had completed three years of high school.

"The same survey showed the average operating capital per farm to be $19,315. Beginning farmers estimated that $9,382 would be required to start farming.

"Yet nearly 80 per cent of the boys anticipating agricultural pursuits had less than $8,000 net worth," Briggs said.

Aberdeen-Angus Breeders' Group To Move To Missouri

A proposal to move association headquarters from Chicago to St. Joseph, Missouri, was approved at the 71st annual meeting of the American Aberdeen-Angus Breeders' Association, held Wednesday evening, December 1, at the Palmer House in Chicago. The proposal includes plans to construct a building in the northwest Missouri town. Work is expected to commence on this project as soon as a building site is selected and plans are completed.

A record number of 93 breeder-members and their guests sat down at the annual banquet, held in the grand ballroom of the Palmer House, preceding the meeting. The enthusiastic audience heard retiring president F. B. Davis Jr., of Brays Island Plantation, Yemassee, South Carolina, praise the breed and the association for its remarkable record during 1954. Last year the association registered an all-time high of 213,410 Aberdeen-Angus calves, a 33 per cent increase over the preceding 12-month period, and enjoyed tremendous increases in all phases of breed progress.

Start The New Year With Good Farm Records

A good farm record book will prevent a tax-reporting headache when another year rolls around.

The Illinois farm record book is easy to keep and if accurately kept, is acceptable to the bureau of internal revenue. You can get a copy from farm adviser Carl F. Mees.

It's difficult to satisfy the tax collector with incomplete and inadequate records Mees says. A record book will make your tax-figuring job a lot easier.

* * *

BUT HELP at income tax time is only one of several reasons the modern farmer should depend on good farm records. In these days of high-cost farming, it's next to impossible to manage an efficient and profitable farm business without adequate records on each farming enterprise.

The Illinois farm record book will help you make a simple study and analysis of your farm business. You can see where you're making a profit and where you're losing money.

G. B. Whitman, farm economist at the University of Illinois college of agriculture, reports that more than 30,000 Illinois farmers used this book in 1954.

2, 4-D Proves Safe For All Young Soybeans

Young soybeans will safely stand up to 1/8 of a pound of amine-type 2, 4—D an acre, according to three years' research at the University of Illinois.

Fred Slife, agronomist in charge of the tests, reports no damage when the soybeans are three to five inches tall. While it isn't hard to put on this amount of 2,-4-D, it is important not to use a heavier application, he warns.

At first the young soybean plants curl up but in a week there is no sign of injury, and the treatment causes no reduction in yield.

* * *

AGRONOMISTS found the sprays gave good control of cocklebur, annual morning glory and pigweed. Spraying should be particularly valuable, Slife thinks, in very weedy fields.

Fortunately, the weeds and the soybeans react in exactly opposite ways to 2, 4-D. Soybeans are more resistant to 2, 4-D when they are young; and the older they get, the more sensitive they get. Weeds on the other hand, are quite sensitive at first and become more resistant as they get older.

Spraying before the beans come up can seriously reduce stands, Slife says. But if you're careful, there is no danger with 2, 4-D on soybeans after they come up.

American Hybrids Can Double Europe's Corn

Use of American hybrids can double corn production in Europe and the Mediterranean countries.

That's the opinion of R. W. Jugenheimer, University of Illinois plant breeder who spent 18 months in 15 countries of the area.

In 141 tests in 13 countries in 1952, for example, American hybrids increased production 60 per cent over the best native open-pollinated varieties. So far, Jugenheimer says, nearly all hybrid corn used in Europe has been bred in America, although native hybrids are being developed.

* * *

CORN IS GROWN on about 30 million acres in the area, and the use of hybrids would raise yields to equal an additional 18 million acres planted to corn. Hybrid corn was seeded to three per cent of the acreage in 1952 and to six per cent in 1953, the plant breeder says.

Even at that rate, the Food and Agriculture Organization of the United Nations estimates that hybrids were responsible for increased production worth 24 million dollars in 1952 and 40 million dollars in 1953.

* * *

IN SOME COUNTRIES the increase in use of hybrids has been rapid. France planted 28 per cent of her corn acreage to hybrids in 1953 and the Netherlands planted more than 75 per cent to hybrids. Northern France, Belgium and the Netherlands are north of the corn belt, and they raised virtually no corn until hybrids came along.

How fast farmers of the area will adopt hybrid corn depends on the value of the hybrids, the effectiveness of extension program and the availability of seed. Seed production in 1953 amounted to 660,000 bushels, double the production of 1952.

The FOA testing program includes plots from Norway to Egypt and from Turkey to Portugal. The five-year program was established at a cost of only $40,000.

Lower Prices Can Increase Milk Sales

One of the best ways to get people to drink more milk is to lower the price, believes R. W. Bartlett, University of Illinois college of agriculture dairy marketing specialist.

A chain grocery in Champaign-Urbana increased its milk sales by 26 per cent in one week by lowering the price of a quart of milk two cents, Bartlett says. The price reduction was announced in full-page ads in two local daily papers.

* * *

FOR EVERY 100 quarts of milk sold during the previous week in 10 stores in the chain, the company sold 126 quarts during the week of the sale.

In the week following the special sale, the price was raised to its original level. Sales were still 9 per cent higher than they were the week before the sale.

This practical experiment shows what stores can do to increase milk sales by cutting their profit margins by a cent or two.

CHRISTIAN SCIENCE CHURCHES

The effectiveness of scientific prayer in meeting human problems of every kind will be set forth at Christian Science services this Sunday, December 12.

Keynoting the Lesson-Sermon entitled "God the Preserver of Man" is the Golden Text from II Timothy (4:18): "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (16:7-11): "Our Master taught his disciples one brief prayer, which we name after him the Lord's Prayer. Our Master said, 'After this manner therefore pray ye,' and then he gave that prayer which covers all human needs."

From the Bible will be read the account as given in Matthew of Christ Jesus' instructions on how to pray which includes the following (6:7, 8): "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him."

CHRISTIAN SCIENCE CHURCHES

The effectiveness of scientific prayer in meeting human problems of every kind will be set forth at Christian Science services this Sunday, December 12.

Keynoting the Lesson-Sermon entitled "God the Preserver of Man" is the Golden Text from II Timothy (4:18): "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (16:7-11): "Our Master taught his disciples one brief prayer, which we name after him the Lord's Prayer. Our Master said, 'After this manner therefore pray ye,' and then he gave that prayer which covers all human needs."

From the Bible will be read the account as given in Matthew of Christ Jesus' instructions on how to pray which includes the following (6:7, 8): "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him."

Happenings 10, 20, 30, 40, And 50 Years Ago This Week

Fifty Years Ago

December 9, 1904

Some people are interested in building a sidewalk in Schaumburg from the center of town to the German school house.

Mrs. Mary Thies, Hanover, died December 1 in the home of Mrs. Fred Thies. She was 77 years old.

Postmaster J. H. Hattendorf has received instructions to start rural delivery of mail out of the Roselle post office to such places as Schaumburg, Rodenburg and Bloomingdale the first of the year.

Edward Franzen and Lilly Glanz were united in marriage at the Evangelical Friedens church in Bensenville Sunday afternoon.

Henry Grebe and William Davermann got into a heated argument Tuesday afternoon in Grebe's Palatine shoe shop. One word led to another with the fight ending as Davermann drove Grebe out of the place at the point of a revolver. The matter will be aired in criminal court.

Forty Years Ago

December 11, 1914

Roy O'Brien of Bartlett will give a moving picture show following a dance in Benhart's hall in Roselle Saturday evening.

Sixteen men are candidates for the eight Mount Prospect Improvement association memberships. They are J. W. Pohlman, C. D. Busse, Charles Homeyer, William Busse Jr., Herman Meyn, Henry J. Ehard, Albert Wille, Henry Beigel, Henry Holste, Fred Bierman, Ernst Busse, Dick Friedrichs, John Meyn, Fred Mecklenberg, William Wille and Henry Behrens.

Aline Suzanne Torgler, suffering from a severe illness, died in Palatine November 25 at the age of 31. She had served as the village's "hello girl" for a number of years.

Mount Prospect plans to use the money received for saloon licenses to build a 12-feet wide macadamized boulevard parallel to the railroad tracks.

Thirty Years Ago

December 12, 1924

The Arlington Heights State Bank has expressed enough confidence in the future of a business district on the north side of the tracks in the village to buy the site on the northeast corner of Dunton ave. and Miner st. for a new building which will reportedly go up in the spring.

The first of four slides to be built for amateur skiers was completed Sunday at Deer Grove. It is 127 feet long with sliders going far out on the surface of the lake.

There are now approximately 350,000 automobiles owned by Cook county people. It has been estimated that it would take 875 miles of 18-feet wide roadway to hold them all at once, but today only 351 miles of such pavement exists in the county.

The Chicago and North Western and other railroads with suburban service have petitioned the Illinois Commerce commission for permission to increase fares by as much as 20%. The proposed change in Arlington Heights would up monthly fare tickets from $8.14 to $9.77.

The estimated total cost of the Palatine road paving program to completion next year is $362,194. A public hearing on the matter is set for December 22.

About $32,000 has already been pledged to give DuPage county its own hospital. With a population of 80,000 to care for, the hospital is seen as a very worthwhile need.

Twenty Years Ago

December 14, 1934

Charles Taege, an Arlington Heights resident for 47 years, died Saturday morning just short of 10 months after his wife's death. A native of Long Grove, he was 70 years old.

Other deaths this week: Edward Zarndt, well known Roselle resident, at 71 Sunday; Mrs. Elizabeth Caldwell, Bloomingdale township pioneer, at 91 years in Chicago Tuesday, and Mrs. Sophia Hanns, 71, Palatine, Wednesday night.

With the possibilities of a government loan lessening, the Mount Prospect village board has elected to place the question of the water works improvement before the voters as a special referendum proposal. A reservoir is still seen as the best solution.

Honor roll of the fourth grade at the Palatine elementary school lists the following pupils: Jack Kunze, Helen Snyder, Jean Zeisdorf, Herbert Herr and Jean Burkland.

County Treasurer Retta K. Martin, making her final report, disclosed that DuPage taxes are 69% paid at the present time. Of the $3.7 millions charged, $2.5 millions have been received.

Raymond Pfluger, Itasca, George Heimsoth, Wood Dale, and A. A. Frederick, Roselle, are the north DuPage members of the Du Page grand jury.

Ten Years Ago

December 15, 1944

Adolph W. Obermann will be installed Sunday as a new member of the St. Peter Lutheran parish school at Arlington Heights.

The Wheeling township Republican club elected the following top officers: Dr. Gieseke, president; Fred Kehe, vice-president; Arthur Scharringhausen, secretary, and Theodore Studtman, treasurer.

Lorraine Foley, daughter of the E. F. Foleys, Arlington Heights, will be married Saturday to M. Sgt. L. A. Wagner, Arlington Heights.

The Palatine and Arlington Heights fire departments were credited with saving a home and several other buildings Tuesday night at the Vita Chick farm, three miles west of Palatine, but a chicken house was badly damaged and the 5,500 broilers in it were killed.

William Schott, Mount Prospect contractor, died suddenly at his home Thursday night at the age of 57.

Other deaths this week: George Zimmer in his Arlington Heights residence Thursday at 64 years; Emma J. Schmitt, Arlington Heights, December 5 at the age of 71; Maria Balje, 76, at her home Devon ave. and York rd., north of Bensenville, Thursday night, and Joseph Brown, Prospect Heights, Thursday night.

Letters of courtship as conducted in the letter writers published in 1836 and now on file in the Palatine public library.

(The father's answer.)

Sept. 10, 1816

My Dear Sir:

In reply to the letter you did me the honor of writing, I must remark, that neither my wife nor myself have ever interfered with the wishes of our excellent daughter; her whole conduct being governed with such prudence and propriety, that no room was left for advice.

Your affection being mutual, we have only to observe, that we shall be highly gratified in giving our girl to you, and we doubt not but that you will enjoy as much happiness in the married state as this life will admit of. In respect to ourselves, you may be assured that you possess our respect and affection; were this not the case, we should not so readily resign to your protection our greatest treasure.

My good wife entirely coincides with what I have said, we shall therefore expect to see you on Tuesday next, when everything shall be arranged for your union.

I am, dear sir,
Yours, very affectionately.

Next week from the gentleman to the lady, enclosing her father's reply.

83 Years Ago

October 11, 1871. From the front page of a Chicago newspaper of that date:

Fire!

During Sunday night, Monday, and Tuesday this city has been swept by a conflagration which has no parallel in the annals of history, for the quantity of property destroyed, and the utter and almost irremediable ruin which it wrought. A fire in a barn on the West Side was the insignificant cause of a conflagration which has swept out of existence hundreds of millions of property, has reduced to poverty thousands who, the day before, were in a state of opulence, has covered the prairies, now swept by the cold southwest wind, with thousands of homeless unfortunates, which has stripped 2,600 acres of buildings, which has destroyed public improvements that it has taken years of patient labor to build up, and which has set back for years the progress of the city, diminished her population, and crushed her resources. But to a blow, no matter how terrible, Chicago will not succumb.

Incendiaries Killed

Two men, who were caught trying to set fire to the Jesuit church, on the West Side, were disposed of without ceremony, and the lookers-on were pleased to say, Served 'em right.

Commuter Gripe

There are few enough parking places for commuters using the Chicago and North Western railroad as transportation to their jobs without having the few they have used by businessmen and their patrons. It's time the commuters woke up and traded with stores that have their own parking facilities for customers and for their own cars.

It's aggravating for a commuter to try and find a place to park in the railroad parking lots only to find them occupied by cars and service trucks belonging to local businessmen and their patrons.

Bensenville High

It was with considerable surprise and some dismay that I saw my name and Bensenville high school mentioned in a letter in last week's paper. Although I am sure that Mrs. Grant intended her remarks to be complimentary, I am concerned as follows:

1. I should not like to be involved in a community controversy even by implication.
2. Although we are operating with a severe handicap of overcrowding, we would not recommend that any district follow our pattern since we feel the quality of education is impaired and the students do not receive their full consideration.
3. We are now completing our new building which will improve our situation. Although we are grateful to the community for their support, it would have been much better from the standpoint of educational development of our youth had these plans been made five years ago.

I am grateful to Mrs. Grant for her compliment, though I am much concerned about her comparison.

No Parking Signs

Who are the privileged characters who warrant no parking signs in front of their houses in Arlington Heights?

Now with the many unnecessary parking meters placed by the village, the parking problem for the commuter is impossible.

One is lucky to find a place within six blocks of the North Western station. Still some property owners "warrant" the official no parking sign in front of their houses. One is at 104 N. Pine . . . at least four cars could park there which is three blocks from the station. There are at least another dozen such spots.

Who rates them? If the Village has any extra signs, I'd like a couple myself.

Memorial Library

The open letter that appeared in the Fence Post last week, written by Mr. Greschner, calls for a reply, and we will try to do so.

It is very true that our new library was planned and erected to serve as a memorial to those who served our country in its armed services. When we first started to plan the project, a committee from the Library Board met at the Legion Hall one evening with a committee from the Legion and one from the VFW, to talk over the various means of how best to incorporate the memorial idea in the building.

Someone on one of the service men's committees suggested just what Mr. Greschner refers to in his letter. This was discussed at some length, and there appeared to be several rather serious objections to this idea, mainly in the very difficult job of making up the list of names that would be complete, and at the same time take no chance of offending anyone who might feel that their name, or their son's name should have been on it but was not.

* * *

A UNANIMOUS decision was finally reached that it would be better not to use the names, but instead to design a tablet or plaque with an inscription on it so worded as to not only honor or memorialize these men and women who served in World Wars I and II but all the others also. This was done, and there is now on the wall just inside the front entrance of the Library a beautiful bronze plaque bearing the following message:

ARLINGTON HEIGHTS
MEMORIAL LIBRARY
dedicated
by the community council,
the Veterans organizations, and
the citizens of Arlington Heights,
Illinois
in honor of the men and women of
this community who served our
Country in the wars of the nation,
and in memory
of those who made the supreme
sacrifice.
1952.

We on the Library Board do not wish to have it appear that we have any objections to providing space for a tablet with the names on it. Not at all. If it is now the wish of the service men's organizations to have such a plaque, it is not too late. It would hardly be legal to use any of the regular library budget funds for this purpose, so it would probably have to be financed in some other way.

Polio Fund

Our face is very red! We have read Mr. Lipofsky's letter in the November 4 issue of your paper and want to assure you it was the Cook county chapter's error that caused the inclusion of a $12.00 credit to the village of Barrington for the Emergency March of Dimes statistical sheet which you received in September.

Certainly, the people of Barrington have contributed significantly to this year's fight against polio—as well as for many years in the past. However, we do want to point out that Palatine, Mount Prospect, Arlington Heights and other northwest suburban areas have an equally proud record and have done much to help place the polio foundation in the hopeful stage it is now in with the promise of the Salk vaccine.

Again, our most heartfelt thanks to all of your readers for their magnificent help and our deepest possible apology for the mistake in including any Barrington total in the Cook county report.

Safety Day

December 15, has been declared national safety day on the highways of the United States. It will be interesting to notice whether the public really wants to be given a chance to live or whether it takes the attitude — "It can't happen to me; it only happens to the other person, so why worry?"

Accidents on our highways take a life every six minutes and cause an injury every three seconds. Will this extensive campaign "Accidents on the Highway Take a Holiday" have any effect on our public drivers, or, is it just a waste of time? If we would all just "watch the man behind the man in front of us" and keep him from having an accident, we have a chance to make this campaign a big success

I do not feel that declaring one day out of 365 days for safety on the highways is the solution to the highway problem, but it could be a starter.

All people, driving slower, acting courteously, and carefully for just one day might have a carry over to the next day and the next, and the ultimate hope is that the impression might be a lasting one.

The effect of this safety on the highway campaign will be weighed by the number of lives we save during "D-S DAY." The success of the day is left in our hands. If this program is a success, and that will depend on you, it could be expanded throughout all areas — "The National Accident Free Day on the Highway" might be changed to read "National Accident Free Day."

Fire Is Out

The editors feel there is no need to "add any fuel to the fire "with regard to the Arlington Heights high school situation. Enough "pros and cons" were said and repeated almost a year ago.

The citizens committee to study the situation was the outcome with hours and hours of discussion included. Then came a recommendation presented to the board.

The editors feel they are going along with this committee and the board, and believe no more letters on this subject could serve any purpose.

Dr. Zuckerman's letter in an adjoining column is published, but will be the last on the subject.

'Violent Death Can Be Prevented,' Says Dr. Hall

The director of the Cook county public health department, Dr. John B. Hall, commented this week on the many deaths which occur from violent and unnatural causes in the county.

Dr. Hall said that "the death certificates passing through our department number more than 100 violent or unnatural deaths during the past six months. The statistics department now classifies these deaths by specific cause and by community in which they occur."

He expanded the category of violent deaths by saying "almost one-third of the violent deaths result from motor vehicle accidents." Many of these fatalities were pedestrians struck by autos, as well as passengers killed in collisions.

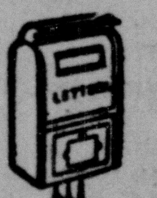
Suicides were next in importance among violent and unnatural deaths. In a six month period 24 suicides were reported. Of these, more than half were 50 years of age or over.

Three-fourths of the suicides were males. The third most prevalent group were homicides and transport accidents other than motor vehicles. There were nine deaths as the result of each of these causes.

Dr. Hall noted that while these figures are relatively small and incomplete, the total nevertheless represents a considerable loss of life.

"These causes of death are of particular concern." he said, "because most, if not all, could have been prevented."

THE MAILMAN'S CORNER



BY LELAND ELLIS TRUXELL

Just recently the young son of a wealthy family was arrested as a narcotics addict and drunken driver. Asked by a kindly judge how he got into such difficulties, the youth replied:

"Mother never had time for me. All she thought about was clubs and social life. Father was too busy to think about me, too interested in business and golf. I was bored and lonesome. I had to do something!"

Not long ago a girl of fifteen was hailed into court charged with disorderly conduct and drinking. When the judge asked about her home life, the girl snapped back scornfully: "Home! There's nothing but bickering and quarreling around the house. I have no home. Every time I got home from school, mother yells for us kids to 'get to hell out from under my feet'! I wanted love and companionship. I got it the only way I knew how!"

* * *

DID THIS GENERATION of parents grow up without thought or love for their children? Do they think that children can "raise themselves" without council, guidance or discipline? Want to find where many of the young people raised in loveless homes end up? You'll find them in the juvenile courts, in houses of correction, in drug addict hospitals. Unless children enjoy the confidence, advice, discipline and love of their parents while they are growing up, that is what they may graduate into.

Children come into the world devoid of knowledge of right or wrong. They have no principles or moral standards to live by. Schools and churches help, but they find it hard to get close to a child, unless the parents show an interest in them, is interested in what they teach, the goals they set. The foundation of society, however, rests on the moral integrity, love, discipline and companionship found in the home. A child without the love, companionship and council of his parents in like a ship without a rudder—more likely than not to founder and sink.

* * *

GOD KNOWS that the average parent is often bewildered by the problem of child raising. It requires thought, time, unselfishness, love, discipline and faith to teach a child to be self reliant, courageous and moral. It requires moral integrity of the highest calibre in the parent. Far to many of us parents, lacking these things, allow our children, like Topsy, to just "grow up."

JUST AROUND THE CORNER

FROM PATTY McARDLE

Dear Peg:

We were just a few miles from Eaton, Ohio, when I announced, "We'll have to drive 50 miles in 30 minutes to get there on time!"

"Well," Bob replied, "in that case, we'll have to drive 100 miles an hour."

Having failed to project my figures, his answer startled me, however, I quickly concluded that we couldn't possibly be in Dayton by 6:30 and suggested that we stop in the next town and call Dot and Westi. While Bob made the call, I sat in the car wondering why it was taking us so long to get there. According to Dot, it only took a little over two hours to drive from Indianapolis to Dayton and we started when she told us to—3:30 our time. With the difference in time, this was supposed to get us to their house by 6:30—plenty of time to change and make the 7 o'clock dinner party. I decided that she hadn't considered the fact that a good deal of the trip had to be made at night, on an unfamiliar road, along with a good deal of traffic. Bob returned shortly, said they would wait for us rather than go ahead as he urged them to do, and off we sped toward Dayton.

* * *

DOT AND WESTI are such good friends of ours—you see we knew them in school, were married about the same time they were and had wonderful times together when they still lived in Chicago. Their first move was to Saginaw where we spent several grand weekends with them. From there, they were transferred to Dayton, where they've been living for about a year.

It was just 7:15 when we parked in their driveway, snatched our suitcases out and hurried up to the front door of their darling, red brick, ranch style apartment. Despite the rush and confusion to get changed, it was wonderful to feel that warm glow that only old friends, meeting again after a long time, know.

Of course, we didn't have time either before or during the party to catch up on each other's activities, so upon arriving back at the apartment around 2:00 a. m., we proceeded to sit up and chat until 4:00 a. m.

Imagine my shock when I opened my eyes the next (what I thought was) morning and discovered that it was 1:00 p. m. in the afternoon! Fortunately, Dot and Westi had just awakened shortly before—I was afraid they'd been up for hours. Really, it was a very luxurious feeling to be getting up at this ridiculous hour—in fact, if I had my way, I'd stay up all night and sleep all morning. Now, if I could just get Megan and Bridget to see things my way.

* * *

AFTER "BRUNCH" the boys settled down in front of the television to watch football and Dot and I went out antique-looking. Dot was especially interested in having me see this one dealer who lives on a farm and has a barn full of antique cupboards, drop leaf tables, chairs, benches, dressers, etc. It was absolutely intoxicating! I saw one piece after another that I felt I positively had to have—especially a precious little walnut dresser, with a carved oval mirror—perfect for a teen-age girl's room. all of his things were moderately priced compared to prices asked around here. For instance the dresser was only $35.00. On our way back to Dot's apartment, we took the "scenic route" through the lovely residential district of Dayton, which is as beautiful as any I've ever seen.

We had a good time just chatting and playing bridge that evening and after breakfast, church and fond farewells the next morning, we left for Indianapolis. On the way home, we saw the most surprising thing! I was thoroughly enjoying the scenery, on both sides of the highway, watching the cows, horses and sheep grazing in the fields, when all of a sudden I realized I was looking at three shaggy camels grazing in one field.

Now, I'm telling the truth—just the facts as they happened—and Bob saw them too! I wish now that we'd investigated to find out whether or not some small circus was wintering its animals at this farm. In any event, I couldn't have been more surprised if there had been three wise men sitting on top of them.

We all are back home now in our own apartment after a fun-filled holiday in Dayton and Indianapolis.

My love,
Patty.

We could wish that some of the speed with which December passes could be transmitted to January and February. December just whizzes by with the days so full of things to do which we don't get done. January and that other horrid month seem to be spent in bending small heads over the vaporizer and wiping small noses. We think that no one has time to be sick Christmas month.

We were glancing through a magazine the other day and were literally struck by the number of ads showing new cars. Each automobile company has put out the best looking thing since the Stutz Bearcat hit the roads. All of them are trying to outdo themselves on horsepower, lowness, foam rubber seats and such.

What a body is going to do with all that horsepower under the hood is beyond us. We have heard nothing to the effect that the speed limits have been changed. And, if it is getaway power the purchaser is after, what is about to happen when everyone uses two hundred little horses to zoom away from a stop? It will make a pretty sight and the lovely sound of metal grinding merrily on metal as everyone meets everyone head-on will soon be more popular than "Let Me Go, Lover."

We are forced to admit that the new models sort of fascinate us though. We too, would like to slither along the Arlington streets in something underslung, shining and sleek. All this glitter of new autos makes us wish that our own Stanley Steamer had a little more git up and go to it.

We see that Alger Hiss with his time off for good behavior has been let out of the pen. We say pen for prison to let our readers know that we are hep to gangster talk. That television influence showing again. Now that the man is out, what? We are willing to wager that we know what. He will now sit himself down at a hot little typewriter and write a book telling what an innocent little pawn of fate he was.

This book will then be taken up with great hew and cry by one of the book clubs. They will advertise that here is the story of Alger right from his own ruby lips. Millions of people will get the book because they were too lazy to send in the slip saying they didn't want it. This will cause it to be a best seller. Alger will retire to loll around on his royalties and look sad that the world has done him so. Poor little misunderstood chappie.

SPRED SATIN

FOR WALLS • CEILINGS • WOODWORK

For the first time, you can paint rooms in winter and know that they will still have "freshly painted" beauty next summer. Spred SATIN'S smooth film has less porosity to absorb and hold household dirt. It stays clean longer and when necessary, mild soap and water washes it clean again in a jiffy.

- Goes on in half the time.
- Dries in 20 minutes.
- No laps or brushmarks.
- No offensive or painty odor.
- Use room right away.
- No messy brush clean-up . . . just soap and water.

You could even pour harsh lye on it . . . not that you'll want to —but it indicates the ability of Spred SATIN to withstand all kinds of abuse in your home.

Happenings 10, 20, 30, 40, And 50 Years Ago This Week

Fifty Years Ago

December 9, 1904

Some people are interested in building a sidewalk in Schaumburg from the center of town to the German school house.

Mrs. Mary Thies, Hanover, died December 1 in the home of Mrs. Fred Thies. She was 77 years old.

Postmaster J. H. Hattendorf has received instructions to start rural delivery of mail out of the Roselle post office to such places as Schaumburg, Rodenburg and Bloomingdale the first of the year.

Edward Franzen and Lilly Glanz were united in marriage at the Evangelical Friedens church in Bensenville Sunday afternoon.

Henry Grebe and William Davermann got into a heated argument Tuesday afternoon in Grebe's Palatine shoe shop. One word led to another with the fight ending as Davermann drove Grebe out of the place at the point of a revolver. The matter will be aired in criminal court.

Forty Years Ago

December 11, 1914

Roy O'Brien of Bartlett will give a moving picture show following a dance in Benhart's hall in Roselle Saturday evening.

Sixteen men are candidates for the eight Mount Prospect Improvement association memberships. They are J. W. Pohlman, C. D. Busse, Charles Homeyer, William Busse Jr., Herman Meyn, Henry J. Ehard, Albert Wille, Henry Beigel, Henry Holste, Fred Bierman, Ernst Busse, Dick Friedrichs, John Meyn, Fred Mecklenberg, William Wille and Henry Behrens.

Aline Suzanne Torgler, suffering from a severe illness, died in Palatine November 25 at the age of 31. She had served as the village's "hello girl" for a number of years.

Mount Prospect plans to use the money received for saloon licenses to build a 12-feet wide macadamized boulevard parallel to the railroad tracks.

Thirty Years Ago

December 12, 1924

The Arlington Heights State Bank has expressed enough confidence in the future of a business district on the north side of the tracks in the village to buy the site on the northeast corner of Dunton ave. and Miner st. for a new building which will reportedly go up in the spring.

The first of four slides to be built for amateur skiers was completed Sunday at Deer Grove. It is 127 feet long with sliders going far out on the surface of the lake.

There are now approximately 350,000 automobiles owned by Cook county people. It has been estimated that it would take 875 miles of 18-feet wide roadway to hold them all at once, but today only 351 miles of such pavement exists in the county.

The Chicago and North Western and other railroads with suburban service have petitioned the Illinois Commerce commission for permission to increase fares by as much as 20%. The proposed change in Arlington Heights would up monthly fare tickets from $8.14 to $9.77.

The estimated total cost of the Palatine road paving program to completion next year is $362,194. A public hearing on the matter is set for December 22.

About $32,000 has already been pledged to give DuPage county its own hospital. With a population of 80,000 to care for, the hospital is seen as a very worthwhile need.

Twenty Years Ago

December 14, 1934

Charles Taege, an Arlington Heights resident for 47 years, died Saturday morning just short of 1? months after his wife's death. A native of Long Grove, he was 70 years old.

Other deaths this week: Edward Zarndt, well known Roselle resident, at 71 Sunday; Mrs. Elizabeth Caldwell, Bloomingdale township pioneer, at 91 years in Chicago Tuesday, and Mrs. Sophia Hanns, 71, Palatine, Wednesday night.

With the possibilities of a government loan lessening, the Mount Prospect village board has elected to place the question of the water works improvement before the voters as a special referendum proposal. A reservoir is still seen as the best solution.

Honor roll of the fourth grade at the Palatine elementary school lists the following pupils: Jack Kunze, Helen Snyder, Jean Zeisdorf, Herbert Herr and Jean Burkland.

County Treasurer Retta K. Martin, making her final report, disclosed that DuPage taxes are 69% paid at the present time. Of the $3.7 millions charged, $2.5 millions have been received.

Raymond Pfluger, Itasca, George Heimsoth, Wood Dale, and A. A. Frederick, Roselle, are the north DuPage members of the Du Page grand jury.

Ten Years Ago

December 15, 1944

Adolph W. Obermann will be installed Sunday as a new member of the St. Peter Lutheran parish school at Arlington Heights.

The Wheeling township Republican club elected the following top officers: Dr. Gieseke, president; Fred Kehe, vice-president; Arthur Scharringhausen, secretary, and Theodore Studtman, treasurer.

Lorraine Foley, daughter of the E. F. Foleys, Arlington Heights, will be married Saturday to M. Sgt. L. A. Wagner, Arlington Heights.

The Palatine and Arlington Heights fire departments were credited with saving a home and several other buildings Tuesday night at the Vita Chick farm, three miles west of Palatine, but a chicken house was badly damaged and the 5,500 broilers in it were killed.

William Schott, Mount Prospect contractor, died suddenly at his home Thursday night at the age of 57.

Other deaths this week: George Zimmer in his Arlington Heights residence Thursday at 64 years; Emma J. Schmitt, Arlington Heights, December 5 at the age of 71; Maria Balje, 76, at her home Devon ave. and York rd., north of Bensenville, Thursday night, and Joseph Brown, Prospect Heights, Thursday night.

Letters of courtship as conducted in the letter writers published in 1836 and now on file in the Palatine public library.

(The father's answer.)....

Sept. 10, 1816

My Dear Sir:

In reply to the letter you did me the honor of writing, I must remark, that neither my wife nor myself have ever interfered with the wishes of our excellent daughter; her whole conduct being governed with such prudence and propriety, that no room was left for advice.

Your affection being mutual, we have only to observe, that we shall be highly gratified in giving our girl to you, and we doubt not but that you will enjoy as much happiness in the married state as this life will admit of. In respect to ourselves, you may be assured that you possess our respect and affection; were this not the case, we should not so readily resign to your protection our greatest treasure.

My good wife entirely coincides with what I have said, we shall therefore expect to see you on Tuesday next, when everything shall be arranged for your union.

I am, dear sir,
Yours, very affectionately.

Next week from the gentleman to the lady, enclosing her father's reply.

83 Years Ago

October 11, 1871. From the front page of a Chicago newspaper of that date:

Fire!

During Sunday night, Monday, and Tuesday this city has been swept by a conflagration which has no parallel in the annals of history, for the quantity of property destroyed, and the utter and almost irremediable ruin which it wrought. A fire in a barn on the West Side was the insignificant cause of a conflagration which has swept out of existence hundreds of millions of property, has reduced to poverty thousands who, the day before, were in a state of opulence, has covered the prairies, now swept by the cold southwest wind, with thousands of homeless unfortunates, which has stripped 2,600 acres of buildings, which has destroyed public improvements that it has taken years of patient labor to build up, and which has set back for years the progress of the city, diminished her population, and crushed her resources. But to a blow, no matter how terrible, Chicago will not succumb.

Incendiaries Killed

Two men, who were caught trying to set fire to the Jesuit church, on the West Side, were disposed of without ceremony, and the lookers-on were pleased to say, Served 'em right.

Commuter Gripe

There are few enough parking places for commuters using the Chicago and North Western railroad as transportation to their jobs without having the few they have used by businessmen and their patrons. It's time the commuters woke up and traded with stores that have their own parking facilities for customers and for their own cars.

It's aggravating for a commuter to try and find a place to park in the railroad parking lots only to find them occupied by cars and service trucks belonging to local businessmen and their patrons.

Bensenville High

It was with considerable surprise and some dismay that I saw my name and Bensenville high school mentioned in a letter in last week's paper. Although I am sure that Mrs. Grant intended her remarks to be complimentary, I am concerned as follows:

1. I should not like to be involved in a community controversy even by implication.

2. Although we are operating with a severe handicap of overcrowding, we would not recommend that any district follow our pattern since we feel the quality of education is impaired and the students do not receive their full consideration.

3. We are now completing our new building which will improve our situation. Although we are grateful to the community for their support, it would have been much better from the standpoint of educational development of our youth had these plans been made five years ago.

I am grateful to Mrs. Grant for her compliment, though I am much concerned about her comparison.

No Parking Signs

Who are the privileged characters who warrant no parking signs in front of their houses in Arlington Heights?

Now with the many unnecessary parking meters placed by the village, the parking problem for the commuter is impossible.

One is lucky to find a place within six blocks of the North Western station. Still some property owners "warrant" the official no parking sign in front of their houses. One is at 104 N. Pine . . . at least four cars could park there which is three blocks from the station. There are at least another dozen such spots.

Who rates them? If the Village has any extra signs, I'd like a couple myself.

Memorial Library

The open letter that appeared in the Fence Post last week, written by Mr. Greschner, calls for a reply, and we will try to do so.

It is very true that our new library was planned and erected to serve as a memorial to those who served our country in its armed services. When we first started to plan the project, a committee from the Library Board met at the Legion Hall one evening with a committee from the Legion and one from the VFW, to talk over the various means of how best to incorporate the memorial idea in the building.

Someone on one of the service men's committees suggested just what Mr. Greschner refers to in his letter. This was discussed at some length, and there appeared to be several rather serious objections to this idea, mainly in the very difficult job of making up the list of names that would be complete, and at the same time take no chance of offending anyone who might feel that their name, or their son's name should have been on it but was not.

* * *

A UNANIMOUS decision was finally reached that it would be better not to use the names, but instead to design a tablet or plaque with an inscription on it so worded as to not only honor or memorialize these men and women who served in World Wars I and II but all the others also. This was done, and there is now on the wall just inside the front entrance of the Library a beautiful bronze plaque bearing the following message:

ARLINGTON HEIGHTS
MEMORIAL LIBRARY
dedicated
by the community council,
the Veterans organizations, and
the citizens of Arlington Heights,
Illinois
in honor of the men and women of
this community who served our
Country in the wars of the nation,
and in memory
of those who made the supreme
sacrifice.
1952.

We on the Library Board do not wish to have it appear that we have any objections to providing space for a tablet with the names on it. Not at all. If it is now the wish of the service men's organizations to have such a plaque, it is not too late. It would hardly be legal to use any of the regular library budget funds for this purpose, so it would probably have to be financed in some other way.

Polio Fund

Our face is very red! We have read Mr. Lipofsky's letter in the November 4 issue of your paper and want to assure you it was the Cook county chapter's error that caused the inclusion of a $12.00 credit to the village of Barrington for the Emergency March of Dimes statistical sheet which you received in September.

Certainly, the people of Barrington have contributed significantly to this year's fight against polio—as well as for many years in the past. However, we do want to point out that Palatine, Mount Prospect, Arlington Heights and other northwest suburban areas have an equally proud record and have done much to help place the polio foundation in the hopeful stage it is now in with the promise of the Salk vaccine.

Again, our most heartfelt thanks to all of your readers for their magnificent help and our deepest possible apology for the mistake in including any Barrington total in the Cook county report.

Willard K. Jaques
Chapter Chairman

Safety Day

December 15, has been declared national safety day on the highways of the United States. It will be interesting to notice whether the public really wants to be given a chance to live or whether it takes the attitude — "It can't happen to me; it only happens to the other person, so why worry?"

Accidents on our highways take a life every six minutes and cause an injury every three seconds. Will this extensive campaign "Accidents on the Highway Take a Holiday" have any effect on our public drivers, or, is it just a waste of time? If we would all just "watch the man behind the man in front of us" and keep him from having an accident, we have a chance to make this campaign a big success

I do not feel that declaring one day out of 365 days for safety on the highways is the solution to the highway problem, but it could be a starter.

All people, driving slower, acting courteously, and carefully for just one day might have a carry over to the next day and the next, and the ultimate hope is that the impression might be a lasting one.

The effect of this safety on the highway campaign will be weighed by the number of lives we save during "D-S DAY." The success of the day is left in our hands. If this program is a success, and that will depend on you, it could be expanded throughout all areas — "The National Accident Free Day on the Highway" might be changed to read "National Accident Free Day."

Fire Is Out

The editors feel there is no need to "add any fuel to the fire "with regard to the Arlington Heights high school situation. Enough "pros and cons" were said and repeated almost a year ago.

The citizens committee to study the situation was the outcome with hours and hours of discussion included. Then came a recommendation presented to the board.

The editors feel they are going along with this committee and the board, and believe no more letters on this subject could serve any purpose.

Dr. Zuckerman's letter in an adjoining column is published, but will be the last on the subject.

'Violent Death Can Be Prevented,' Says Dr. Hall

The director of the Cook county public health department, Dr. John B. Hall, commented this week on the many deaths which occur from violent and unnatural causes in the county.

Dr. Hall said that "the death certificates passing through our department number more than 100 violent or unnatural deaths during the past six months. The statistics department now classifies these deaths by specific cause and by community in which they occur."

He expanded the category of violent deaths by saying "almost one-third of the violent deaths result from motor vehicle accidents." Many of these fatalities were pedestrians struck by autos, as well as passengers killed in collisions.

Suicides were next in importance among violent and unnatural deaths. In a six month period 24 suicides were reported. Of these, more than half were 50 years of age or over.

Three-fourths of the suicides were males. The third most prevalent group were homicides and transport accidents other than motor vehicles. There were nine deaths as the result of each of these causes.

Dr. Hall noted that while these figures are relatively small and incomplete, the total nevertheless represents a considerable loss of life.

"These causes of death are of particular concern." he said, "because most, if not all, could have been prevented."

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

Just recently the young son of a wealthy family was arrested as a narcotics addict and drunken driver. Asked by a kindly judge how he got into such difficulties, the youth replied:

"Mother never had time for me. All she thought about was clubs and social life. Father was too busy to think about me, too interested in business and golf. I was bored and lonesome. I had to do something!"

Not long ago a girl of fifteen was hailed into court charged with disorderly conduct and drinking. When the judge asked about her home life, the girl snapped back scornfully: "Home! There's nothing but bickering and quarreling around the house. I have no home. Every time I got home from school, mother yells for us kids to 'get to hell out from under my feet'! I wanted love and companionship. I got it the only way I knew how!"

* * *

DID THIS GENERATION of parents grow up without thought or love for their children? Do they think that children can "raise themselves" without council, guidance or discipline? Want to find where many of the young people raised in loveless homes end up? You'll find them in the juvenile courts, in houses of correction, in drug addict hospitals. Unless children enjoy the confidence, advice, discipline and love of their parents while they are growing up, that is what they may graduate into.

Children come into the world devoid of knowledge of right or wrong. They have no principles or moral standards to live by. Schools and churches help, but they find it hard to get close to a child, unless the parents show an interest in them, is interested in what they teach, the goals they set. The foundation of society, however, rests on the moral integrity, love, discipline and companionship found in the home. A child without the love, companionship and council of his parents in like a ship without a rudder—more likely than not to founder and sink.

* * *

GOD KNOWS that the average parent is often bewildered by the problem of child raising. It requires thought, time, unselfishness, love, discipline and faith to teach a child to be self reliant, courageous and moral. It requires moral integrity of the highest calibre in the parent. Far to many of us parents, lacking these things, allow our children, like Topsy, to just "grow up."

JUST AROUND THE CORNER

FROM PATTY McARDLE

Dear Peg:

We were just a few miles from Eaton, Ohio, when I announced, "We'll have to drive 50 miles in 30 minutes to get there on time!"

"Well," Bob replied, "in that case, we'll have to drive 100 miles an hour."

Having failed to project my figures, his answer startled me, however, I quickly concluded that we couldn't possibly be in Dayton by 6:30 and suggested that we stop in the next town and call Dot and Westi. While Bob made the call, I sat in the car wondering why it was taking us so long to get there. According to Dot, it only took a little over two hours to drive from Indianapolis to Dayton and we started when she told us to—3:30 our time. With the difference in time, this was supposed to get us to their house by 6:30—plenty of time to change and make the 7 o'clock dinner party. I decided that she hadn't considered the fact that a good deal of the trip had to be made at night, on an unfamiliar road, along with a good deal of traffic. Bob returned shortly, said they would wait for us rather than go ahead as he urged them to do, and off we sped toward Dayton.

* * *

DOT AND WESTI are such good friends of ours—you see we knew them in school, were married about the same time they were and had wonderful times together when they still lived in Chicago. Their first move was to Saginaw where we spent several grand weekends with them. From there, they were transferred to Dayton, where they've been living for about a year.

It was just 7:15 when we parked in their driveway, snatched our suitcases out and hurried up to the front door of their darling, red brick, ranch style apartment. Despite the rush and confusion to get changed, it was wonderful to feel that warm glow that only old friends, meeting again after a long time, know.

Of course, we didn't have time either before or during the party to catch up on each other's activities, so upon arriving back at the apartment around 2:00 a. m., we proceeded to sit up and chat until 4:00 a. m.

Imagine my shock when I opened my eyes the next (what I thought was) morning and discovered that it was 1:00 p. m. in the afternoon! Fortunately, Dot and Westi had just awakened shortly before—I was afraid they'd been up for hours. Really, it was a very luxurious feeling to be getting up at this ridiculous hour—in fact, if I had my way, I'd stay up all night and sleep all morning. Now, if I could just get Megan and Bridget to see things my way.

* * *

AFTER "BRUNCH" the boys settled down in front of the television to watch football and Dot and I went out antique-looking. Dot was especially interested in having me see this one dealer who lives on a farm and has a barn full of antique cupboards, drop leaf tables, chairs, benches, dressers, etc. It was absolutely intoxicating! I saw one piece after another that I felt I positively had to have—especially a precious little walnut dresser, with a carved oval mirror—perfect for a teen-age girl's room. all of his things were moderately priced compared to prices asked around here. For instance the dresser was only $35.00. On our way back to Dot's apartment, we took the "scenic route" through the lovely residential district of Dayton, which is as beautiful as any I've ever seen.

We had a good time just chatting and playing bridge that evening and after breakfast, church and fond farewells the next morning, we left for Indianapolis. On the way home, we saw the most surprising thing! I was thoroughly enjoying the scenery, on both sides of the highway, watching the cows, horses and sheep grazing in the fields, when all of a sudden I realized I was looking at three shaggy camels grazing in one field.

Now, I'm telling the truth—just the facts as they happened—and Bob saw them too! I wish now that we'd investigated to find out whether or not some small circus was wintering its animals at this farm. In any event, I couldn't have been more surprised if there had been three wise men sitting on top of them.

We all are back home now in our own apartment after a fun-filled holiday in Dayton and Indianapolis.

My love,
Patty.

QUALITY PRODUCTS
SPRED SATIN

FOR WALLS • CEILINGS • WOODWORK

For the first time, you can paint rooms in winter and know that they will still have "freshly painted" beauty next summer. Spred SATIN'S smooth film has less porosity to absorb and hold household dirt. It stays clean longer and when necessary, mild soap and water washes it clean again in a jiffy.

- Goes on in half the time.
- Dries in 20 minutes.
- No laps or brushmarks.
- No offensive or painty odor.
- Use room right away.
- No messy brush clean-up . . . just soap and water.

You could even pour harsh lye on it . . . not that you'll want to — but it indicates the ability of Spred SATIN to withstand all kinds of abuse in your home.

Eleanore Dahms Bride Of John J. Killinger

First Presbyterian church of Arlington Heights was the scene of a marriage ceremony November 26 in which Miss Eleonore Dahms, daughter of Mr. and Mrs. Walter Dahms, Arlington Hts., became the bride of John J. Killinger, son of Mrs. Dana Killinger, Topeka, Kan.

The Rev. C. Victor Brown, pastor of the church, officiated with Mrs. Earle Auge rendering the nuptial selections on the organ. White mums and smilax decorated the church for the 7 o'clock ceremony.

The bride, given in marriage by her father, wore an eggshell bengaline gown fashioned ballerina length, princess style, with sweetheart neckline and long pointed sleeves. She wore a half hat of the same fabric with pearl and gold beaded edging. Her veil was shoulder-length of off-white illusion, and her bridal bouquet was a cascade of gardenias and gold roses.

Miss Carolyn Kimble of Paris, Ill., served as maid of honor wearing a rust bengaline princess gown, also ballerina length, with boat neckline. A cutaway bolero matched her gown and she carried a cascade of tawney and gold roses. Bridesmaids were Miss Mary Ruth Shaw of Paris and Mrs. Loren Fincham of Des Plaines. Their gowns were fashioned identically to Miss Kimble's gown, but in brown bengaline. They also carried bouquets of the same flowers.

Dana Killinger Jr. of Topeka was his brother's best man and Loren Fincham, Des Plaines, and John Jamieson of Chicago, were ushers.

Fellowship hall of the church was the setting for the reception at which Mrs. Dahms received the guests in a steel blue silk taffeta dress with black accessories and a corsage of yellow roses. The groom's mother wore a navy blue taffeta dress with navy and white accessories and a white mum corsage.

Mr. Killinger and his bride will reside in Topeka where the groom is employed as a pharmacist. He is a graduate of Kansas university where he received a B. S. degree in pharmacy and was affiliated with Delta Chi fraternity. A navy veteran of two years' service, he is now attending Washburn university law school in Topeka and is pledged to Phi Alpha Delta, a law fraternity.

The new Mrs. Killinger attended James Millikin university in Decatur and was graduated from the University of Cincinnati with a B. A. A. degree from the college of applied arts. She was a member of the honorary, Delta Phi Delta, and was employed as a draftsman for Western Electric company, Chicago.

John A. Swanson, son of Mr. and Mrs. Swen Swanson, 6735 Beckwith rd., Morton Grove, carries his bride, the former Eleanor Mary Dyrssen, over the threshold of the young couple's new home at 6115 Lincoln ave., Morton Grove, following their wedding October 7 at St. Martha Catholic church, Morton Grove.

The bride, daughter of Mr. and Mrs. George W. Dyrssen, 8541 Ferris ave., Morton Grove, has been organist and choir director of St. Martha church for seven years.

The Rev. Raymond J. Wilhelmi officiated at the 7:30 a.m. ceremony amid a setting of mums and gladioli. Richard Meyers sang the nuptial selections during the mass and organist was Gregory Knold.

For her marriage, the bride wore a white lace ballerina-length gown over net and satin with pleated cumberbund. She carried a bouquet of white roses. The white shawl worn by the bride was given to her by her grandmother, Mrs. Joseph Engels for her christening and was also worn by the bride when she made her first holy communion. Miss Doris Hogan, Skokie, was maid of honor wearing a silk shantung ballerina-length gown with brown mink accessories. She carried a bouquet of fall colored flowers.

Best man was Robert Swanson, brother of the groom from Wilmette.

The bride's mother wore a brown wool dress with matching accessories and the groom's mother a navy blue silk taffeta dress with accessories to match. Both mothers wore corsages of fall colored flowers.

A wedding breakfast was held at El Gaucho restaurant in Skokie following the ceremony.

The new Mrs. Swanson changed to a navy blue suit before she and her bridegroom left on a 2-week wedding trip to Florida.

Favorites For Flavor

Two fine recipes for Christmas goodies are being shared with us this week by an excellent cook. Mrs. Alva R. Roeske has been collecting recipes since she was 12 years old and has an extensive repertoire of wonderful things to eat.

You'll want to try the two unusual ones we are featuring today, which Mrs. Roeske always makes at Christmastime.

One, for Spiced Raisins, will delight the children. Raisins are coated with a sugar sirup containing several different spices. Then they are dried in the oven, shaken in granulated sugar and dried again. The raisins will have a slightly crisp coating, be moist inside and will have a captivating spicy flavor.

Dates are traditional at holiday time, and Mrs. Roeske's Stuffed Dates are a delicacy which will be the piece de resistance among your Christmas goodies.

The dates are stuffed with a creamy fondant flavored with different ingredients. One-third of the fondant is colored red and flavored with creme de cacao. The second part is flavored with sherry and colored green, and the third is flavored with concentrated orange juice. Then the dates are coated with colored sugar to match their fillings.

The Roeskes live at 717 N. Fernandez, Arlington Heights. They have two children, Rodman, 13, and Diane, 8. Mrs. Roeske is a member of the Woman's club and a co-leader of a Brownie troop.

Spiced Raisins

¼ cup water
1 cup sugar
¼ teaspoon cloves
¼ teaspoon allspice
½ teaspoon cinnamon
¼ teaspoon nutmeg
1/8 teaspoon ginger
1 pound seedless raisins.

Cook sugar, water and spices until the sirup spins a thread. Add raisins and stir until all are coated.

Separate in clumps or singly on waxed paper which has been placed on cookie sheet. Dry in a slow oven for five minutes.

Shake raisins in a bag with one-fourth cup granulated sugar until evenly coated. Spread on waxed paper and dry again for five minutes in a slow oven.

Stuffed Dates

1 package pitted dates

Take two inches from a stick of butter and work into one-half pound confectioners sugar with a pinch of salt. Moisten just enough to make a very stiff fondant. Chopped walnuts can be added if desired.

Divide fondant into three parts. Flavor the first part with creme de cacao and color with red.

Color the second part green and flavor with sherry. Flavor the third part with concentrated orange juice. Grated rind may be used. More sugar can be added to the fondant to stiffen it, if necessary.

Stuff the dates and let stand for four or five hours or overnight under waxed paper and a towel.

Roll in colored sugar to match the filling.

Women Of The Moose Plan Box Social

The academy of friendship of Women of the Moose, chapter 835, held a combined business meeting and Christmas party December 2 in Moose hall, Des Plaines. Members planned a hard times party and box social to be held December 11 at the hall for entertainment of all couples. There will be dancing to music of "The Glow Notes." Each lady is asked to pack a lunch for two into a box, together with her name. The boxes, which will be gift wrapped by the donors, will be auctioned off to the highest bidder.

Social service chairman, Mrs. John Ermeling and her committee, have charge of the program for the chapter night meeting tonight, Thursday, at 8:30. Each member is asked to bring a gift of canned goods or staple groceries for filling a Christmas basket for needy persons of the community.

The combined business meeting and Christmas party of the chapter will be held December 16.

Ingeborg Nienhold Is Now Mrs. Paul Sutton

Palms, candelabra and bouquets of white mums decorated the altar of St. Paul Lutheran church, Mount Prospect, for the marriage December 5 of Miss Ingeborg Nienhold, daughter of Mr. and Mrs. Arthur K. Nienhold, S. Louis st., Mount Prospect and Paul Sutton, son of Mrs. Mina Sutton, Hopkinsville, Ky.

The Rev. J.E.A. Mueller officiated at the 4:30 o'clock candlelight ceremony during which Miss Carol Faulstich, soloist, sang "The Lord's Prayer" and "Today, O Lord." Elmer Jackish accompanied her at the organ. Pews of the church were tied with satin bows and sprigs of holly.

Escorted by her father, the bride wore a waltz-length gown of chantilly lace with a scalloped scoop neckline, satin cummerbund and lace skirt combined with pleated nylon tulle. Her fingertip veil was held in place with a pearl crown and she carried a cascade bouquet of white poinsettias and stephanotis with holly.

Miss Louise Nienhold served as her sister's only attendant wearing a coral berry red ballerina-length gown of crystalette trimmed in velveteen. She wore matching slippers and headpiece and carried a cascade of white poinsettias with holly.

Haden T. McGuire of Mount Sterling, Ky. served as best man to the groom and ushers were John Graessle of Chicago and David Koehler of Park Ridge.

A buffet supper was served to 100 guests at Mount Prospect Country club. Mrs. Nienhold received in a Dior blue irridescent dress with dusty pink accessories. The groom's mother was in a navy blue crepe dress with white accessories. Both mothers wore corsages of pink baby roses. Among the out-of-town guests present for the double ring ceremony and reception were Mr. and Mrs. Gilbert Sutton and Wallace McCord of Hopkinsville and Mr. and Mrs. Hans Bauer of Elkhart Lake, Wis.

Mr. Sutton and his bride honeymooned in Michigan and will be at home after December 13 in Lexington, Ky.

Lois Mai Messner Wed To William Lee Hogue

In a six o'clock ceremony that took place in the Presbyterian church of Arlington Heights November 27, Miss Lois Mai Messner, daughter of Mr. and Mrs. Theodore A. Messner, Arlington Heights, became the bride of William Lee Hogue, son of Mr. and Mrs. Mathew Hogue of Monticello, Ark.

Baskets of white mums decorated the church as Rev. C. Victor Brown officiated. Mrs. Earl Auge served as organist.

The bride chose a ballerina-length gown of white lace over a nylon tulle fashioned with low neckline, fitted bodice and pleated skirt. Rhinestones trimmed the neckline of the gown and a crown of seed pearls and rhinestones held her veil in place. She carried a crescent cascade bouquet of white Amazon lilies and lily of the valley with dark green accents.

Maid of honor was Miss Kathryn Davis of Des Plaines. Her gown was of toast colored crystalline fashioned with pleated ballerina-length skirt, halter neckline and small jacket of the same material. She carried a colonial bouquet of yellow mums edged in yellow lace with a crown of yellow mums in her hair.

The bride's sister, Miss Barbara Messner, served as bridesmaid wearing a gown identical to the maid of honor's gown. Her bouquet was edged with rust-colored mums and yellow lace. Her crown was of gold and rust-colored mums. The bride's sisters, Betty and Gail Messner, served as junior bridesmaids. They wore ballerina-length gowns of yellow taffeta with brown velvet sashes and carried the same bouquets as the senior bridesmaid.

The bride's brother, Theodore Messner Jr., served as best man and John Watson of Des Plaines and Lee Keener of Hicksville, O., were ushers.

For her daughter's wedding, Mrs. Messner chose a steel blue crepe cress with black velvet accessories. The groom's mother chose an aqua dress with winter white accessories. Both Mrs. Messner and Mrs. Hogue wore pink carnation corsages.

A reception was held at Fred's Community hall, Mt. Prospect, immediately following the ceremony. Guests were present from Palatine, Wauconda, Skokie, Glen Ellyn, Highland Park, Riverside, Chicago, Park Ridge and Des Plaines.

The bride is a graduate of Maine Township high school and is employed by Luminator corporation of Chicago as a secretary. The groom attended Arkansas A and M and is now employed by Rand McNally & Co., Skokie.

The couple will reside at 2611 Rosemont, Chicago.

Little Tot

Pictured next is Dinah Minarik, daughter of Mr. and Mrs. Edward Minarik of 111 S. Highland, Arlington Heights.

Twenty-one month old Dinah has dark blond hair and blue eyes. She likes to play with dolls and her teddy bear and is very fond of little puppy dogs.

This little miss has just started talking. She enjoys playing outdoors and loves to go bye by in the car or her stroller.

Her grandparents are Mr. and Mrs. George Minarik of Arlington Heights and Mr. and Mrs. William Shay of Melrose Park.

Sisters

Pam and Kim Hodges, daughters of Mr. and Mrs. Donald O. Hodges of 301 S. Vail, Arlington Heights, are pictured last.

Pam is 15 months old, has blond hair and blue eyes. Teddy bears are her favorite toys and she likes to build blocks. Pam also loves to go for walks, but best of all she likes to play roughhouse with her older sister.

Blond hair and blue eyes also describes Kim's coloring, and she is 3½ years old.

Her favorite activity is drawing on her blackboard and coloring in coloring books. She also likes to go to the library and select her own books.

Kim enjoys playing army with her own guns, and she likes to play with her dolls. Outdoors this young lady has fun playing ball and playing in her sand box.

The children's grandparents are Mr. and Mrs. W. H. Tipton of Chicago and Mrs. Joseph Hodges of Oak Park.

To Wed In England

MISS VAN ETTEN

Miss Fran Van Etten, daughter of Mr. and Mrs. F. Van Etten of New York City, sailed November 18 on the "Queen Mary" for England with wedding plans for her marriage to Lt. Daniel E. Magnus, son of Dr. and Mrs. Magnus of Arlington Heights. Lt. Magnus was graduated from Arlington Heights Township high school in 1947. He was Arlington Heights' first student to enter M.I.T. where he spent six years and obtained three degrees in engineering. He entered the armed service in June 1953 and has been stationed since July 5 at Bad Kreutnach, Germany.

The wedding will take place December 11 at the home of the bride's aunt, Mrs. J. Hood, Aintree, Liverpool, England. Edward Magnus, who is attending medical school at Zurich, Switzerland, will be his brother's best man. After a brief honeymoon, the newlywedded couple will return to Germany until Lt. Magnus finishes his army service in June 1955.

Junadel Donaldson And Melvin Kronn Wed November 26

Miss Junadel Donaldson, daughter of Mr. and Mrs. Ernest Donaldson of Seaton, Ill., and a teacher at the Dryden school, was united in marriage with Melvyn Kronn, son of the Frank Kronns of Northbrook at the Trinity Lutheran church, Glencoe, Friday, November 26. Mr. and Mrs. Thomas Banbow, friends of the bridegroom, attended the couple.

Following the small, informal ceremony, Mr. and Mrs. Kronn took a short wedding trip to the northern part of the country.

Mr. Kronn is attending the Milwaukee school of engineering in Milwaukee, and Mrs. Kronn is continuing her teaching at the local school.

Shortly before the marriage, Mrs. Kronn was honored with a miscellaneous shower at the home of Mrs. Robert W. Phillips, 538 S. Pine. There were 35 guests present, including the mothers of the fourth grade pupils whom Mrs. Kronn teaches as well as the teachers from Dryden school. Also present were Miss Martha Sapp from the school, Mrs. Ralph Clabaugh, and Mrs. Robert P. Campbell.

Favorites For Flavor

Two fine recipes for Christmas goodies are being shared with us this week by an excellent cook.

Mrs. Alva R. Roeske has been collecting recipes since she was 12 years old and has an extensive repertoire of wonderful things to eat.

You'll want to try the two unusual ones we are featuring today, which Mrs. Roeske always makes at Christmastime.

One, for Spiced Raisins, will delight the children. Raisins are coated with a sugar sirup containing several different spices. Then they are dried in the oven, shaken in granulated sugar and dried again. The raisins will have a slightly crisp coating, be moist inside and will have a captivating spicy flavor.

Dates are traditional at holiday time, and Mrs. Roeske's Stuffed Dates are a delicacy which will be the piece de resistance among your Christmas goodies.

The dates are stuffed with a creamy fondant flavored with different ingredients. One-third of the fondant is colored red and flavored with creme de cacao. The second part is flavored with sherry and colored green, and the third is flavored with concentrated orange juice. Then the dates are coated with colored sugar to match their fillings.

The Roeskes live at 717 N. Fernandez, Arlington Heights. They have two children, Rodman, 13, and Diane, 8. Mrs. Roeske is a member of the Woman's club and a co-leader of a Brownie troop.

Spiced Raisins

¼ cup water
1 cup sugar
¼ teaspoon cloves
¼ teaspoon allspice
½ teaspoon cinnamon
¼ teaspoon nutmeg
1/8 teaspoon ginger
1 pound seedless raisins.

Cook sugar, water and spices until the sirup spins a thread. Add raisins and stir until all are coated.

Separate in clumps or singly on waxed paper which has been placed on cookie sheet. Dry in a slow oven for five minutes.

Shake raisins in a bag with one-fourth cup granulated sugar until evenly coated. Spread on waxed paper and dry again for five minutes in a slow oven.

Stuffed Dates

1 package pitted dates

Take two inches from a stick of butter and work into one-half pound confectioners sugar with a pinch of salt. Moisten just enough to make a very stiff fondant. Chopped walnuts can be added if desired.

Divide fondant into three parts. Flavor the first part with creme de cacao and color with red.

Color the second part green and flavor with sherry. Flavor the third part with concentrated orange juice. Grated rind may be used. More sugar can be added to the fondant to stiffen it, if necessary.

Stuff the dates and let stand for four or five hours or overnight under waxed paper and a towel.

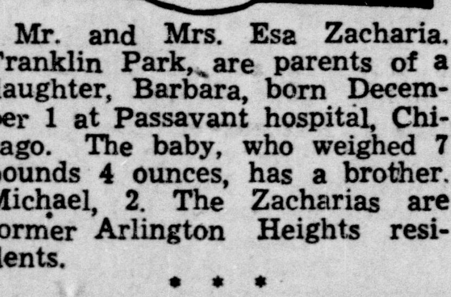
Roll in colored sugar to match the filling.

Hellenic Club Raises Funds With Party

The Hellenic Northwest Suburban Women's club held it's first affair to raise funds for their Greek Orthodox Sunday and Greek language school when a card party was held at the VFW hall in Park Ridge. The club hopes to have its school under way by the first of the year.

Next meeting of the club will be at the home of Mrs. Greta Chelonis, 1001 Mayfair rd., Arlington Heights, today, Thursday, at 8 p.m.

The club is still interested in obtaining new members and information may be obtained by calling Mrs. Chris Demmie, Palatine 1766-J or Mrs. Marguerite Poulos, CL. 5-0727.



Mr. and Mrs. Esa Zacharia, Franklin Park, are parents of a daughter, Barbara, born December 1 at Passavant hospital, Chicago. The baby, who weighed 7 pounds 4 ounces, has a brother, Michael, 2. The Zacharias are former Arlington Heights residents.

James Scott Hestrup was born at Sherman hospital, Elgin, December 2 to Mr. and Mrs. Chuck Hestrup, 267 N. Smith, Palatine. James Scott, the first child of the Hestrups, weighed 7 pounds 14 ounces. His grandparents are the John Poetsches of Barrington and the Edward Doyles of Palatine.

* * *

Mr. and Mrs. Lewis A. Gordon Jr. are parents of a daughter, Julie Anne, born November 28 at Resurrection hospital, Chicago. Julie Anne weighed 7 pounds 5½ ounces at birth and has a sister, Virginia, and a brother, Lewis III. Her maternal grandparents are Mr. and Mrs. Thomas Concidine, Chicago.

* * *

Mr. and Mrs. Marvin Zoellick, Rte. 2, Elgin, announce the birth of Mary Beth, born November 29 at Sherman hospital, Elgin, weighing 5 pounds, 13½ ounces. Twins, Cindy Lou and Steven Lloyd, 3½, and Roger Dale, 15½ months, are Mary Beth's sister and brothers. Mr. and Mrs. James Taylor, Palatine, and Mr. and Mrs. Herman Zoellick, also of Palatine, are the baby's grandparents.

* * *

Guy Robert Tichy was born to Mr. and Mrs. Joseph Tichy III, Oakton st., Arlington Heights, November 27 at St. Francis hospital, Evanston. Guy weighed 6 pounds 12½ ounces. He has a sister, Rebecca Jo, 3. His grandparents are Mr. and Mrs. Robert Schnell and Mr. and Mrs. Joseph Tichy Jr., all of Arlington Hts.

* * *

Twin daughters were born to Mr. and Mrs. Elmer O. Neumann of Arlington Heights November 21 at St. Francis hospital, Evanston. The girls, Robin Elyse and Randy Alyne, are the first children of the Neumanns. They weighed 6 pounds 8 ounces and 6 pounds 13 ounces respectively. They are the grandchildren of Mrs. Emma Neumann of Arlington Heights and Mr. and Mrs. Alexander White of Jersey City, N. J.

Women Of The Moose Plan Box Social

The academy of friendship of Women of the Moose, chapter 835, held a combined business meeting and Christmas party December 2 in Moose hall, Des Plaines. Members planned a hard times party and box social to be held December 11 at the hall for entertainment of all couples. There will be dancing to music of "The Glow Notes." Each lady is asked to pack a lunch for two into a box, together with her name. The boxes, which will be gift wrapped by the donors, will be auctioned off to the highest bidder.

Social service chairman, Mrs. John Ermeling and her committee, have charge of the program for the chapter night meeting tonight, Thursday, at 8:30. Each member is asked to bring a gift of canned goods or staple groceries for filling a Christmas basket for needy persons of the community.

The combined business meeting and Christmas party of the chapter will be held December 16.

Ingeborg Nienhold Is Now Mrs. Paul Sutton

Palms, candelabra and bouquets of white mums decorated the altar of St. Paul Lutheran church, Mount Prospect, for the marriage December 5 of Miss Ingeborg Nienhold, daughter of Mr. and Mrs. Arthur K. Nienhold, S. Louis st., Mount Prospect and Paul Sutton, son of Mrs. Mina Sutton, Hopkinsville, Ky.

The Rev. J.E.A. Mueller officiated at the 4:30 o'clock candlelight ceremony during which Miss Carol Faulstich, soloist, sang "The Lord's Prayer" and "Today, O Lord." Elmer Jackish accompanied her at the organ. Pews of the church were tied with satin bows and sprigs of holly.

Escorted by her father, the bride wore a waltz-length gown of chantilly lace with a scalloped scoop neckline, satin cummerbund and lace skirt combined with pleated nylon tulle. Her fingertip veil was held in place with a pearl crown and she carried a cascade bouquet of white poinsettias and stephanotis with holly.

Miss Louise Nienhold served as her sister's only attendant wearing a coral berry red ballerina-length gown of crystalette trimmed in velveteen. She wore matching slippers and headpiece and carried a cascade of white poinsettias with holly.

Haden T. McGuire of Mount Sterling, Ky. served as best man to the groom and ushers were John Graessle of Chicago and David Koehler of Park Ridge.

A buffet supper was served to 100 guests at Mount Prospect Country club. Mrs. Nienhold received in a Dior blue irridescent dress with dusty pink accessories. The groom's mother was in a navy blue crepe dress with white accessories. Both mothers wore corsages of pink baby roses. Among the out-of-town guests present for the double ring ceremony and reception were Mr. and Mrs. Gilbert Sutton and Wallace McCord of Hopkinsville and Mr. and Mrs. Hans Bauer of Elkhart Lake, Wis.

Mr. Sutton and his bride honeymooned in Michigan and will be at home after December 13 in Lexington, Ky.

Lois Mai Messner Wed To William Lee Hogue

In a six o'clock ceremony that took place in the Presbyterian church of Arlington Heights November 27, Miss Lois Mai Messner, daughter of Mr. and Mrs. Theodore A. Messner, Arlington Heights, became the bride of William Lee Hogue, son of Mr. and Mrs. Mathew Hogue of Monticello, Ark.

Baskets of white mums decorated the church as Rev. C. Victor Brown officiated. Mrs. Earl Auge served as organist.

The bride chose a ballerina-length gown of white lace over a nylon tulle fashioned with low neckline, fitted bodice and pleated skirt. Rhinestones trimmed the neckline of the gown and a crown of seed pearls and rhinestones held her veil in place. She carried a crescent cascade bouquet of white Amazon lilies and lily of the valley with dark green accents.

Maid of honor was Miss Kathryn Davis of Des Plaines. Her gown was of toast colored crystalline fashioned with pleated ballerina-length skirt, halter neckline and small jacket of the same material. She carried a colonial bouquet of yellow mums edged in yellow lace with a crown of yellow mums in her hair.

The bride's sister, Miss Barbara Messner, served as bridesmaid wearing a gown identical to the maid of honor's gown. Her bouquet was edged with rust-colored mums and yellow lace. Her crown was of gold and rust-colored mums. The bride's sisters, Betty and Gail Messner, served as junior bridesmaids. They wore ballerina-length gowns of yellow taffeta with brown velvet sashes and carried the same bouquets as the senior bridesmaid.

The bride's brother, Theodore Messner Jr., served as best man and John Watson of Des Plaines and Lee Keener of Hicksville, O., were ushers.

For her daughter's wedding, Mrs. Messner chose a steel blue crepe cress with black velvet accessories. The groom's mother chose an aqua dress with winter white accessories. Both Mrs. Messner and Mrs. Hogue wore pink carnation corsages.

A reception was held at Fred's Community hall, Mt. Prospect, immediately following the ceremony. Guests were present from Palatine, Wauconda, Skokie, Glen Ellyn, Highland Park, Riverside, Chicago, Park Ridge and Des Plaines.

The bride is a graduate of Maine Township high school and is employed by Luminator corporation of Chicago as a secretary. The groom attended Arkansas A and M and is now employed by Rand McNally & Co., Skokie.

The couple will reside at 2611 Rosemont, Chicago.

Alumnae Party

The Stephens countryside alumnae club will have a Christmas party next Wednesday evening, December 15, at 8 p.m., in the home of Mrs. Robert van Ee, 732 S. Vail, Arlingon Heights.

Mrs. van Ee will have Mrs. John Otzen as her co-hostess for the evening, and they are planning special entertainment for the members of the group. One of the highlights of the evening will be drawing grab-bag gifts contributed by the members. There will also be card playing or "Scrabble" as entertainment.

News Of Rolling Meadows

Barn Warming

The "barn warming" last Saturday evening was successful far beyond expectations, and has been estimated that at least 500 people were there. The "pot luck" supper was so well attended that every seat was taken during the entire two hours, and the spread of hot dishes was so great you could hardly make up your mind what to eat. The bazaar which was held by the Women's association of the Community church was crowded all night long, especially that "fish pond" grab bag for the children. There were games and dances for the children, too, and later in the evening there was dancing for the parents, with Jay Dahm's orchestra.

The Barn itself which is still in the stages of rough construction was decorated beautifully, and the Christmas trees which were used so liberally were not only beautiful but added a wonderful "piney" scent to the entire building.

On hand to enjoy the festivities was Kimball Hill, who donated the barn to the Community church to be used as a church building and community center. Mr. Hill has also been donating the materials necessary for the rehabilitation of the barn.

Community Church

A motorcade to "The Barn" for the first service of the Community church in its new home took place last Sunday morning, starting at 10:30 a. m. The motorcade traveled up and down Rolling Meadows streets gathering cars filled with families on every street, until more than 80 cars had joined. Many people sat on makeshift benches after every seat was filled. Many, many others had to stand—a truly wonderful demonstration of faith in such rude surroundings. The senior choir and the junior choir, both in full robes, formed a processional, and the organ, which had just been installed, blended with their voices. A moving highlight to the first service was the rendition by the choirs of "Bless This House," a thought fervently echoed by the more than 300 in attendance.

Next Sunday, December 12, the Sunday school classes will be resumed at the Barn at their regular times since heat and electricity are now available. The regular service will also be held at the Barn at 10:30. It should not be necessary to have "standing room" during the service next Sunday as the many children who accompanied their parents to the first church service in the Barn will be attending their own Sunday school class.

Anniversary Celebration

Their fourth anniversary was the occasion for a real celebration by Will and Marie Langhoff of 2300 Sigwalt st. Saturday, November 27, the Langhoffs were hosts to many of their friends with music, dancing and refreshments. Among the guests were Mr. and Mrs. Harold Jessogne, Mr. and Mrs. Art Hammann, Mr. and Mrs. Les Grasshorn, Mr. and Mrs. Earl Schinkowski, Mr. and Mrs. Richard Klug, all of Arlington Heights; Mr. and Mrs. Joe Pojack of Mt. Prospect, and Mr. and Mrs. James Langhoff of Des Plaines.

Little Linda Langhoff who is almost three years old was the guest at three birthday parties within that same week. The Langhoff family also entertained Mrs. Langhoff's sister and her family, Mr. and Mrs. Harlan Messling, from Waukesha, Wis. The Messling family visited Rolling Meadows during the Thanksgiving holiday.

Little League

The Rolling Meadows Little League board of directors held its monthly meeting Sunday, December 5. Plans were discussed for a series of social-educational evenings for the little league boys and their parents. No definite dates have been set for these meetings, but they will be initiated sometime after the holidays.

Rolling Meadowites are reminded that any boy between 8 and 13 years of age is welcome to join the little league. If you have a boy who would be interested in playing little league baseball, and you have not as yet been contacted by the little league organization, you are invited to contact Ed Garrity of 2504 South st., who is the chairman of the recruiting committee for the little league. Mr. Garrity will give you any information you would like regarding the little league, and will arrange for a visit by a little league representative if you desire. Mr. Garrity's telephone number is Clearbrook 3-8346.

The Mystery of the Broken Windows

The strange appearance of a broken back door window didn't seem to bother Al Ledding of 2403 Campbell st. too much the first time it happened last week, but when the second window was broken it seemed like the matter needed investigation. After carefully probing the subject it was found that Al's wife, Ruth, had inadvertently locked herself out—and their litle daughter, Kathy, in—twice in one week, and had, naturally, taken the only logical way to re-entering her home.

Cub Scouts

The Cub Scout dens are holding their regular weekly den meetings and the boys are progressing in their cub work with a considerable amount of hard work and fun, too. In the meantime, the adult workers of the pack—the den mothers, assistant den mothers, and the pack committee, not to mention the cub master himself, Leif Maseng—are making plans for the next pack meeting which is scheduled for December 20 at the Barn. To further their Cub work and to make final arrangements for the pack meeting, the committee and den mothers will hold a meeting at the Barn Monday, December 13.

Birthday Celebration

Mrs. Fred Schultz of George st. celebrated her birthday last weekend. On hand to help with the observance were Mr. and Mrs. Paul Davis of Chicago, Mr. and Mrs. Fred Schultz Sr. of Des Plaines and Mr. and Mrs. Charles Sedevic of Cary.

Welcome World!

When Nancy Dahlquist's card club had its little "shower" meeting Tuesday, November 30, neither she nor the other members realized how soon their gift would be used to advantage. The regular card club meeting was held at the home of Marion Birt of Campbell st., and a surprise shower was held for Nancy following their evening of card playing. The table was decorated with a baby doll, and fancy pastries decorated with storks were the main features of the refreshments. The very next evening, Wednesday, December 1, the newest member of the Dahlquist family, Daniel George, arrived at St. Francis hospital in Evanston. Litle Daniel's sister, Diane, is staying with her grandparents, Mr. and Mrs. George Olson of Evanston. Nancy and "Danny" will be joining Diane when they leave the hospital and will spend a short time visiting with the happy grandparents.

Another new Rolling Meadows citizen is little Gerald Glen Gunderson, who checked in at 7 pounds 12 ounces at St. Joseph hospital in Elgin Friday, November 26. Gerald's parents are Edward and Mary Gunderson of Oriole lane, who are as proud as can be of their first son. Gerald and his mother came home to Rolling Meadows last Wednesday, to the delight of Gerald's "big" sister, Laura Rose, who is two years old.

Home Parties

Julie Reynolds entertained a group of her neighbors from Wilke rd. last Friday, December 3, at a toy demonstration. Among those present were Irene Notke, Vera Wachholz, Grace Martin, Alice Schurak, Shirley Adduci, Dolores Messina, Ann Jacobson, Patty Pollard, Eleanor Keller and Arlene Pina. While the women were engrossed with the demonstration and the following refreshments, several of the husbands enjoyed a poker session at the home of Bob Jacobson next door.

Friday, December 3, was also the date of a home demonstration party at the home of Donna Anderson of Dove st. Several of her neighbors, including Mrs. Marge Schmidt and Mrs. Emmie Macior, were in attendance as well as several friends and relatives from Chicago.

Another home demonstration gathering was held at the home of Doris Tatar of Campbell st. Thursday evening, December 2. Several of Mrs. Tatar's neighbors were present, as well as her mother, Mrs. Stein of Arlington Heights, her sister-in-law, Mrs. Roy Stein of Bensenville, and several other relatives. The demonstrator was another Rolling Meadowite, Mrs. Dolores Szwiec of Fremont st. Cake and coffee were served following the party.

Christmas Trees

Rolling Meadows residents are reminded that the Women's association of the Community church is selling Christmas trees at the Barn on Kirchhoff rd., just west of Meadow drive. There is a complete selection of trees, assuring you of a good variety from which to choose. The prices are reasonable, comparing very favorably with prices being asked in the area. The trees are on sale weekday evenings from now until Christmas from 7 to 9 p. m. and from 2 to 4 p. m. on Saturday and Sunday.

Sympathy

Their many friends and neighbors in Rolling Meadows have expressed their sympathy to the Frank Romolo family of 2206 Wing st. Little Bruce Francis, who was born prematurely November 29 at St. Francis hospital in Evanston died last Friday, December 3. The baby, who weighed only 1 pound 15 ounces at birth, was buried last Saturday, December 4 in All Saints cemetery in Des Plaines. Father O'Connor of Our-Lady-Of-The-Wayside church in Arlington Heights conducted the services.

Lutheran Church

The first Lutheran worship service in Rolling Meadows will be conducted in the new Rolling Meadows Public school next Sunday, December 12, at 10:30 a. m. The Sunday school will also meet in the public school at Meadow dr. and South at 9:15 a. m. The Sunday school and the worship service will continue to be conducted every Sunday morning thereafter. A canvass of the community made last Sunday afternoon revealed a large number of Lutheran families. Residents are urged to bring their children to join the Sunday school this Sunday so that the children can take part in the Christmas Eve children's service. All residents are invited to attend the church service.

Visitors

Meadow Drive has been the site to which several out-of-town visitors have been migrating recently, especially over the Thanksgiving holidays. Ruth and Luther Gruenbaum of 2315 Meadow dr., entertained Mrs. Gruenbaum's brother and his family from Kirkwood, Mo., Mr. and Mrs. Robert Hartmann and their two daughters.

Bonnie and Paul Werfelmann of 2404 Meadow dr., also had an important Thanksgiving guest. Bonnie's father, Mr. Elmer Sandholm, came from Minnesota to join the Werfelmann family for the holiday.

Dolores and George Scheidler of 2309 Meadow dr., were Thanksgiving hosts, too. Mrs. Scheidler's sister and her family visited Rolling Meadows over the holiday. Mr. and Mrs. Victor Moon and their three daughters, joined the Scheidlers and their two children for the important feast. Mrs. Moon, who lives in Macomb, Ill., had planned a day of Christmas shopping with her sister, Dolores, during their visit, and the two men were left as baby sitters with the five young cousins—all under seven years of age. The women smiled when the men planned a card game during their shopping tour, and were thoroughly surprised upon their return to find that is exactly what had happened, while the children had enjoyed their mothers' absence to play throughout the house. They could not understand why their wives always make such a fuss about taking care of the children when "they hadn't been any trouble at all."

Shirley and Ray Sorensen of 2311 Meadow dr. have a visitor from far away, too. Mrs. Sorensen's mother, Mrs. Irene Houck, of Seattle, Wash., has been visiting in Rolling Meadows for several weeks. Mrs. Houck has alternated her stay with the Sorensen family to visit her other daughter in Chicago.

Birthday Parties

Last weekend was full of birthday celebrating. Billie Adducci of Wilke rd. was observing his ninth birthday. Saturday, Billie's parents, Pat and Shirley Adduci held a family birthday party for their son. Sunday Billie was host at a party for a group of his young friends, including Terry Martin, Bobby Keller and Bobby Reynolds, as well as his young brothers, Pat and Mike.

A double birthday party was celebrated Thanksgiving day by the Louis Trenton family, 2402 Meadow dr. Little Marilyn Trenton was one year old November 11, and her mother, Mirium, observes her birthday November 27. The two celebrations were combined with the Thanksgiving holiday observance.

Welcome Home

The homecoming of Dorothy Churchill of St. James st. is happy news to her family and many friends and neighbors. Dorothy is the director of the nursery department of the Community church, and her recovery is good news to everyone. Mrs. Churchill was in the Evanston hospital for several weeks suffering with an attack of polio. Fortunately she has almost completely recovered and is suffering no permanent after-effects. While she must still undergo therapy treatment to strengthen weakened muscles and have plenty of rest, she is in excellent spirits and would probably enjoy a few visitors for short periods of time in the morning or late afternoon. On hand to take care of Dorothy, not to mention her two year old grandson, Mark, is Mrs. Homer Churchill of Glens Falls, N. Y. When the elder Mrs. Churchill heard from her son, Richard, of Dorothy's illness, she came to Rolling Meadows to lend helping hand.

Anniversary Celebration

November 28 was the date of the eleventh wedding anniversary of Lt. Commander and Mrs. Robert Robbins of 2602 Campbell st. Bob and his wife Sybil celebrated the important event, with their daughter, Rita, with a day "on the town" in Chicago, including a trip to the International Livestock show.

Rolling Meadows Junior Women's Club

The bake sale of the Junior Women's club was held last Friday, December 3. The club, which has just been organized, appreciates the response given the bake sale by their neighbors and friends, not only as customers but as donors.

The next meeting of the Junior Women's club will be Monday, December 13, at 8:00 p. m. The meeting will be held in the home of Mrs. Muriel Schrock, 2805 Dove st. All women interested in the promotion of community service, friendship, social activity and philanthropy are cordially invited to attend the meeting—the club is open to any Rolling Meadows woman who would like to join her neighbors in the improving of her community while enjoying pleasant social contacts with friends. The meeting of December 13 has been planned as a Christmas observance by the club, and everyone attending should bring a 50c grab-bag gift.

Monday, December 6, was the date for the birthday celebration of little Artie Eggert who was 3 years old. Artie, who is the son of Mr. and Mrs. Art Eggert of 2413 Wing st., was host at a special birthday party for a group of his young friends and his little brother, Jimmie, who is one year old. Among his little Wing st. playmates on hand to help Artie celebrate, were Georgia and Sandra Fackler and Mary and Maureen Mahoney.

Shower

Last Wednesday, December 1, Mrs. Doris Tatar of Campbell st. held a baby shower for Mrs. Helene Bristol, reporter for this column. Rolling Meadows friends, Doris Tatar, Shirley Roeing, Lucille Doyle, Billie Traub, Ginger Groves, Eleanor Keller, Shirley Piekarski and Rene Jaremus, as well as Carole Wendt, Martha Meyers and

800 Attend Opening Of Rolling Meadows Church

More than 800 persons participated in the barn warming and opening services Saturday and Sunday in the new building of Rolling Meadows Community church.

"It was a happy success," beamed the Rev. S. Nelson Ringsmuth.

Five hundred neighbors gathered in the barn on the Wild estate at Kirchhoff rd. Saturday night for the "barn warming" officially opening the building as a church.

The crowds of people meandered through the remodeled and decorated barn and enjoyed dancing, games, and shopping at a small bazaar set up by the ambitious Women's association, headed by Helen Bol.

The Sunday morning service was led by a loud-speaker car summoning residents of Rolling Meadows to join in a motorcade, which stretched nearly a mile long and included 101 automobiles before it reached the new church property.

It was "standing room only" for this first series.

A full processional of robed choirs marched to the opening hymn, "God of Our Father Whose Almighty Led Forth in Glory All the Starry Band."

Rev. Ringsmuth said to the 310 persons in the church: "If you will bring to this truth in consecrated loyalty the highest and best that you have, I promise you in the name of the Almighty God and His Indomitable Son Jesus Christ, to create together the most meaningful, joyful, and wholesome fellowship that the children of God can know."

The service was concluded with these words of Christ: "Fear not Little Flock, it is the Father's good pleasure to give you the Kingdom."

The church barn was donated by Kimball Hill, developer of Rolling Meadows, who also remodeled the building for cost.

Regular church services and Sunday school will be at 10:30 a.m. every Sunday.

Voluntary work on the barn is still going on with the pulpit being constructed out of an ancient hand-hewn oxen yoke. A comprehensive family social and youth recreational program is being planned also.

Dedication and chartering of the church will take place next month.

(RM

Violet Drase of Arlington Hts., attended the affair, which was climaxed with a buffet supper.

December 19 is the important day! Santa Claus will arrive in Rolling Meadows at 1 o'clock in the afternoon. Every child in Rolling Meadows is invited to come and see Santa at his temporary headquarters in the parking lot at Wilke and Campbell. Santa will personally talk to every child in attendance and will have a little gift for each.

Santa's appearance is being sponsored by the Rolling Meadows Home Owners' association, who sincerely hope that parents will bring every Rolling Meadows child to participate in the big event. There will also be a huge Christmas tree at Santa's headquarters as well as appropriate Christmas music.

Approve Sale of Bonds For High School Project

Sale of $500,000 in 20-year bonds to finance additions to Glenbrook high school was approved by the Glenbrook board of education at its meeting last week.

The general contract of the project, approved recently by the voters of the district, is scheduled to be awarded in January. It is anticipated that the additions will be completed by next September.

Barn Warming

The "barn warming" last Saturday evening was successful far beyond expectations, and has been estimated that at least 500 people were there. The "pot luck" supper was so well attended that every seat was taken during the entire two hours, and the spread of hot dishes was so great you could hardly make up your mind what to eat. The bazaar which was held by the Women's association of the Community church was crowded all night long, especially that "fish pond" grab bag for the children. There were games and dances for the children, too, and later in the evening there was dancing for the parents, with Jay Dahm's orchestra.

The Barn itself which is still in the stages of rough construction was decorated beautifully, and the Christmas trees which were used so liberally were not only beautiful but added a wonderful "piney" scent to the entire building.

On hand to enjoy the festivities was Kimball Hill, who donated the barn to the Community church to be used as a church building and community center. Mr. Hill has also been donating the materials necessary for the rehabilitation of the barn.

Community Church

A motorcade to "The Barn" for the first service of the Community church in its new home took place last Sunday morning, starting at 10:30 a. m. The motorcade traveled up and down Rolling Meadows streets gathering cars filled with families on every street, until more than 80 cars had joined. Many people sat on makeshift benches after every seat was filled. Many, many others had to stand—a truly wonderful demonstration of faith in such rude surroundings. The senior choir and the junior choir, both in full robes, formed a processional, and the organ, which had just been installed, blended with their voices. A moving highlight to the first service was the rendition by the choirs of "Bless This House," a thought fervently echoed by the more than 300 in attendance.

Next Sunday, December 12, the Sunday school classes will be resumed at the Barn at their regular times since heat and electricity are now available. The regular service will also be held at the Barn at 10:30. It should not be necessary to have "standing room" during the service next Sunday as the many children who accompanied their parents to the first church service in the Barn will be attending their own Sunday school class.

Anniversary Celebration

Their fourth anniversary was the occasion for a real celebration by Will and Marie Langhoff of 2300 Sigwalt st. Saturday, November 27, the Langhoffs were hosts to many of their friends with music, dancing and refreshments. Among the guests were Mr. and Mrs. Harold Jessogne, Mr. and Mrs. Art Hammann, Mr. and Mrs. Les Grasshorn, Mr. and Mrs. Earl Schinkowski, Mr. and Mrs. Richard Klug, all of Arlington Heights; Mr. and Mrs. Joe Pojack of Mt. Prospect, and Mr. and Mrs. James Langhoff of Des Plaines.

Little Linda Langhoff who is almost three years old was the guest at three birthday parties within that same week. The Langhoff family also entertained Mrs. Langhoff's sister and her family, Mr. and Mrs. Harlan Messling, from Waukesha, Wis. The Messling family visited Rolling Meadows during the Thanksgiving holiday.

Little League

The Rolling Meadows Little League board of directors held its monthly meeting Sunday, December 5. Plans were discussed for a series of social-educational evenings for the little league boys and their parents. No definite dates have been set for these meetings, but they will be initiated sometime after the holidays.

Rolling Meadowites are reminded that any boy between 8 and 13 years of age is welcome to join the little league. If you have a boy who would be interested in playing little league baseball, and you have not as yet been contacted by the little league organization, you are invited to contact Ed Garrity of 2504 South st., who is the chairman of the recruiting committee for the little league. Mr. Garrity will give you any information you would like regarding the little league, and will arrange for a visit by a little league representative if you desire. Mr. Garrity's telephone number is Clearbrook 3-8346.

The Mystery of the Broken Windows

The strange appearance of a broken back door window didn't seem to bother Al Ledding of 2403 Campbell st. too much the first time it happened last week, but when the second window was broken it seemed like the matter needed investigation. After carefully probing the subject it was found that Al's wife, Ruth, had inadvertently locked herself out—and their litle daughter, Kathy, in—twice in one week, and had, naturally, taken the only logical way to re-entering her home.

Cub Scouts

The Cub Scout dens are holding their regular weekly den meetings and the boys are progressing in their cub work with a considerable amount of hard work and fun, too. In the meantime, the adult workers of the pack—the den mothers, assistant den mothers, and the pack committee, not to mention the cub master himself, Leif Maseng—are making plans for the next pack meeting which is scheduled for December 20 at the Barn. To further their Cub work and to make final arrangements for the pack meeting, the committee and den mothers will hold a meeting at the Barn Monday, December 13.

Birthday Celebration

Mrs. Fred Schultz of George st. celebrated her birthday last weekend. On hand to help with the observance were Mr. and Mrs. Paul Davis of Chicago, Mr. and Mrs. Fred Schultz Sr. of Des Plaines and Mr. and Mrs. Charles Sedevic of Cary.

Welcome World!

When Nancy Dahlquist's card club had its little "shower" meeting Tuesday, November 30, neither she nor the other members realized how soon their gift would be used to advantage. The regular card club meeting was held at the home of Marion Birt of Campbell st., and a surprise shower was held for Nancy following their evening of card playing. The table was decorated with a baby doll, and fancy pastries decorated with storks were the main features of the refreshments. The very next evening, Wednesday, December 1, the newest member of the Dahlquist family, Daniel George, arrived at St. Francis hospital in Evanston. Litle Daniel's sister, Diane, is staying with her grandparents, Mr. and Mrs. George Olson of Evanston. Nancy and "Danny" will be joining Diane when they leave the hospital and will spend a short time visiting with the happy grandparents.

Another new Rolling Meadows citizen is little Gerald Glen Gunderson, who checked in at 7 pounds 12 ounces at St. Joseph hospital in Elgin Friday, November 26. Gerald's parents are Edward and Mary Gunderson of Oriole lane, who are as proud as can be of their first son. Gerald and his mother came home to Rolling Meadows last Wednesday, to the delight of Gerald's "big" sister, Laura Rose, who is two years old.

Home Parties

Julie Reynolds entertained a group of her neighbors from Wilke rd. last Friday, December 3, at a toy demonstration. Among those present were Irene Notke, Vera Wachholz, Grace Martin, Alice Schurak, Shirley Adduci, Dolores Messina, Ann Jacobson, Patty Pollard, Eleanor Keller and Arlene Pina. While the women were engrossed with the demonstration and the following refreshments, several of the husbands enjoyed a poker session at the home of Bob Jacobson next door.

Friday, December 3, was also the date of a home demonstration party at the home of Donna Anderson of Dove st. Several of her neighbors, including Mrs. Marge Schmidt and Mrs. Emmie Macior, were in attendance as well as several friends and relatives from Chicago.

Another home demonstration gathering was held at the home of Doris Tatar of Campbell st. Thursday evening, December 2. Several of Mrs. Tatar's neighbors were present, as well as her mother, Mrs. Stein of Arlington Heights, her sister-in-law, Mrs. Roy Stein of Bensenville, and several other relatives. The demonstrator was another Rolling Meadowite, Mrs. Dolores Szwiec of Fremont st. Cake and coffee were served following the party.

Christmas Trees

Rolling Meadows residents are reminded that the Women's association of the Community church is selling Christmas trees at the Barn on Kirchhoff rd., just west of Meadow drive. There is a complete selection of trees, assuring you of a good variety from which to choose. The prices are reasonable, comparing very favorably with prices being asked in the area. The trees are on sale weekday evenings from now until Christmas from 7 to 9 p. m. and from 2 to 4 p. m. on Saturday and Sunday.

Sympathy

Their many friends and neighbors in Rolling Meadows have expressed their sympathy to the Frank Romolo family of 2206 Wing st. Little Bruce Francis, who was born prematurely November 29 at St. Francis hospital in Evanston died last Friday, December 3. The baby, who weighed only 1 pound 15 ounces at birth, was buried last Saturday, December 4 in All Saints cemetery in Des Plaines. Father O'Connor of Our-Lady-Of-The-Wayside church in Arlington Heights conducted the services.

Lutheran Church

The first Lutheran worship service in Rolling Meadows will be conducted in the new Rolling Meadows Public school next Sunday, December 12, at 10:30 a. m. The Sunday school will also meet in the public school at Meadow dr. and South at 9:15 a. m. The Sunday school and the worship service will continue to be conducted every Sunday morning thereafter. A canvass of the community made last Sunday afternoon revealed a large number of Lutheran families. Residents are urged to bring their children to join the Sunday school this Sunday so that the children can take part in the Christmas Eve children's service. All residents are invited to attend the church service.

Visitors

Meadow Drive has been the site to which several out-of-town visitors have been migrating recently, especially over the Thanksgiving holidays. Ruth and Luther Gruenbaum of 2315 Meadow dr., entertained Mrs. Gruenbaum's brother and his family from Kirkwood, Mo., Mr. and Mrs. Robert Hartmann and their two daughters.

Bonnie and Paul Werfelmann of 2404 Meadow dr., also had an important Thanksgiving guest. Bonnie's father, Mr. Elmer Sandholm, came from Minnesota to join the Werfelmann family for the holiday.

Dolores and George Scheidler of 2309 Meadow dr., were Thanksgiving hosts, too. Mrs. Scheidler's sister and her family visited Rolling Meadows over the holiday. Mr. and Mrs. Victor Moon and their three daughters, joined the Scheidlers and their two children for the important feast. Mrs. Moon, who lives in Macomb, Ill., had planned a day of Christmas shopping with her sister, Dolores, during their visit, and the two men were left as baby sitters with the five young cousins—all under seven years of age. The women smiled when the men planned a card game during their shopping tour, and were thoroughly surprised upon their return to find that is exactly what had happened, while the children had enjoyed their mothers' absence to play throughout the house. They could not understand why their wives always make such a fuss about taking care of the children when "they hadn't been any trouble at all."

Shirley and Ray Sorensen of 2311 Meadow dr. have a visitor from far away, too. Mrs. Sorensen's mother, Mrs. Irene Houck, of Seattle, Wash., has been visiting in Rolling Meadows for several weeks. Mrs. Houck has alternated her stay with the Sorensen family to visit her other daughter in Chicago.

Birthday Parties

Last weekend was full of birthday celebrating. Billie Adducci of Wilke rd. was observing his ninth birthday. Saturday, Billie's parents, Pat and Shirley Adduci held a family birthday party for their son. Sunday Billie was host at a party for a group of his young friends, including Terry Martin, Bobby Keller and Bobby Reynolds, as well as his young brothers, Pat and Mike.

A double birthday party was celebrated Thanksgiving day by the Louis Trenton family, 2402 Meadow dr. Little Marilyn Trenton was one year old November 11, and her mother, Mirium, observes her birthday November 27. The two celebrations were combined with the Thanksgiving holiday observance.

Welcome Home

The homecoming of Dorothy Churchill of St. James st. is happy news to her family and many friends and neighbors. Dorothy is the director of the nursery department of the Community church, and her recovery is good news to everyone. Mrs. Churchill was in the Evanston hospital for several weeks suffering with an attack of polio. Fortunately she has almost completely recovered and is suffering no permanent after-effects. While she must still undergo therapy treatment to strengthen weakened muscles and have plenty of rest, she is in excellent spirits and would probably enjoy a few visitors for short periods of time in the morning or late afternoon. On hand to take care of Dorothy, not to mention her two year old grandson, Mark, is Mrs. Homer Churchill of Glens Falls, N. Y. When the elder Mrs. Churchill heard from her son, Richard, of Dorothy's illness, she came to Rolling Meadows to lend helping hand.

Anniversary Celebration

November 28 was the date of the eleventh wedding anniversary of Lt. Commander and Mrs. Robert Robbins of 2602 Campbell st. Bob and his wife Sybil celebrated the important event, with their daughter, Rita, with a day "on the town" in Chicago, including a trip to the International Livestock show.

Rolling Meadows Junior Women's Club

The bake sale of the Junior Women's club was held last Friday, December 3. The club, which has just been organized, appreciates the response given the bake sale by their neighbors and friends, not only as customers but as donors.

The next meeting of the Junior Women's club will be Monday, December 13, at 8:00 p. m. The meeting will be held in the home of Mrs. Muriel Schrock, 2805 Dove st. All women interested in the promotion of community service, friendship, social activity and philanthropy are cordially invited to attend the meeting—the club is open to any Rolling Meadows woman who would like to join her neighbors in the improving of her community while enjoying pleasant social contacts with friends. The meeting of December 13 has been planned as a Christmas observance by the club, and everyone attending should bring a 50c grab-bag gift.

Monday, December 6, was the date for the birthday celebration of little Artie Eggert who was 3 years old. Artie, who is the son of Mr. and Mrs. Art Eggert of 2413 Wing st., was host at a special birthday party for a group of his young friends and his little brother, Jimmie, who is one year old. Among his little Wing st. playmates on hand to help Artie celebrate, were Georgia and Sandra Fackler and Mary and Maureen Mahoney.

Shower

Last Wednesday, December 1, Mrs. Doris Tatar of Campbell st. held a baby shower for Mrs. Helene Bristol, reporter for this column. Rolling Meadows friends, Doris Tatar, Shirley Roeing, Lucille Doyle, Billie Traub, Ginger Groves, Eleanor Keller, Shirley Piekarski and Rene Jaremus, as well as Carole Wendt, Martha Meyers and Violet Drase of Arlington Hts., attended the affair, which was climaxed with a buffet supper.

December 19 is the important day! Santa Claus will arrive in Rolling Meadows at 1 o'clock in the afternoon. Every child in Rolling Meadows is invited to come and see Santa at his temporary headquarters in the parking lot at Wilke and Campbell. Santa will personally talk to every child in attendance and will have a little gift for each.

Santa's appearance is being sponsored by the Rolling Meadows Home Owners' association, who sincerely hope that parents will bring every Rolling Meadows child to participate in the big event. There will also be a huge Christmas tree at Santa's headquarters as well as appropriate Christmas music.

800 Attend Opening Of Rolling Meadows Church

More than 800 persons participated in the barn warming and opening services Saturday and Sunday in the new building of Rolling Meadows Community church.

"It was a happy success," beamed the Rev. S. Nelson Ringsmuth.

Five hundred neighbors gathered in the barn on the Wild estate at Kirchhoff rd. Saturday night for the "barn warming" officially opening the building as a church.

The crowds of people meandered through the remodeled and decorated barn and enjoyed dancing, games, and shopping at a small bazaar set up by the ambitious Women's association, headed by Helen Bol.

The Sunday morning service was led by a loud-speaker car summoning residents of Rolling Meadows to join in a motorcade, which stretched nearly a mile long and included 101 automobiles before it reached the new church property.

It was "standing room only" for this first series.

A full processional of robed choirs marched to the opening hymn, "God of Our Father Whose Almighty Led Forth in Glory All the Starry Band."

Rev. Ringsmuth said to the 310 persons in the church: "If you will bring to this truth in consecrated loyalty the highest and best that you have, I promise you in the name of the Almighty God and His Indomitable Son Jesus Christ, to create together the most meaningful, joyful, and wholesome fellowship that the children of God can know."

The service was concluded with these words of Christ: "Fear not Little Flock, it is the Father's good pleasure to give you the Kingdom."

The church barn was donated by Kimball Hill, developer of Rolling Meadows, who also remodeled the building for cost.

Regular church services and Sunday school will be at 10:30 a.m. every Sunday.

Voluntary work on the barn is still going on with the pulpit being constructed out of an ancient hand-hewn oxen yoke. A comprehensive family social and youth recreational program is being planned also.

Dedication and chartering of the church will take place next month.

Christmas Operetta

A Christmas operetta based on Charles Dickens' "A Christmas Carol" will be presented by students of Wilson school at Prospect Heights school auditorium December 16, at 8 p.m. This will be an "All Wilson" performance in response to parent opinions voiced at the November PTA meeting. It is under the direction of Mrs. Wilson, who is being assisted by each classroom teacher. A great deal of parent help is needed to make this the finest Christmas program ever. Parents or friends who would like to assist in any costuming, make-up, etc., are urged to contact any room mother or Mrs. Wilson immediately.

Christmas vacation will begin at 1 p.m. December 22 and classes will resume at 9 a.m. January 3. Early dismissal December 22 is made in order to accomodate teachers and students whose fami- and wish to make convenient train schedules from Chicago.

New Duplicator

Wilson School Community club has purchased a new A. B. Dick "Azograph" duplicator for the use of Wilson teachers and school organizations. The last parent bulletin had a "new look" incorporating both neatness and easy legibility.

This seems to be the season for new things—new classrooms, new teachers, many new students, new duplicator, new athletic court and now beautiful new furniture. Furnishings for the faculty room arrived this week. It was purchased by the PTA which also sponsors the school milk program and scouting in addition to this year's new project, a central library. The potted plants and ash trays in the faculty room are a gift from Mr. and Mrs. Donald Nygren.

A boy scout committee has been formed and troop 34 is ready to come to life again. There was a father-son night at the school on Wednesday.

A special thank you to Ken Schaller for officiating at the basketball game Monday. Wilson school played St. James at Prospect Heights gym, and although our Wilson boys did not win, it was a great game.

Open House

Mr. and Mrs. Don Nygren will hold open house for the Village Theatre players Sunday afternoon. Both Mr. and Mrs. Nygren have been active with this group since moving to Arlington Heights, and have given a number of performances.

Mrs. Arthur Hanson VA 4-4788

Feehanville School

School board regrets to announce the resignation of Mrs. Paul Kleeman as cook at the Feehanville school. Mrs. Kleeman is one of the pioneers in the school lunch program of this district. Although considerably handicapped in the early years of the program by the lack of proper equipment and adequate space, Mrs. Kleeman valiantly carried the program through to its present well-equipped status, without ever lowering its high nutritional standards. However, as Mrs. Kleeman stated at a school board meeting, "I am over 70 years old now, I'm getting a little tired and I would like to rest for a while, but I would like to help out off and on as I am going to miss my children."

The new cooks at the school are Mrs. Malvina Alexander and Mrs. Dorothy Karnuth.

Civic Association

Two separate nominating committees met independently last week Monday to work out a slate for the coming election of officers. The two chairmen, Red Bischof of the regular nominating committee, and Irwin Phar of the members nominating committee, turned their lists over to the secretary, and the combined results were as follows: President, Charles Badalamenti. Directors: Northwest area, Roman Anderson and Charles Badalamenti. Northeast area, Frank Wilbacher and Alfred Kirste. Southwest area, Mary Kozel, Jeanne Duncanson and James Brewer. Southeast area, Louis Young.

As provided for in the by-laws, "The annual election for president and directors shall be held on the second Saturday in December of each year between the hours of 4 p.m. and 9 p.m., at the community hall." A special meeting of the board of directors was called for last Monday, to complete preparations for election day.

Christmas party committee is sending out postcards to the parents of all the children in Forest River, notifying them of the party which is to be held at 4 o'clock December 19. Should anyone fail to receive a postcard, due to possible errors in the list of names, this party is for all the children in Forest River up to and including eighth grade. There will be entertainment, refreshments, and Santa Claus will be there to give out the gifts.

Scout News

Mrs. Marguerite Broberg, newly-elected chairman of the North Neighborhood of Des Plaines, attended the training course of new chairmen last Friday at the Girl Scout office in Park Ridge. Newly-elected chairmen from the entire Northwest area were present.

Guild News

Mrs. Rita Badalamenti, chairman of Our Lady of Lourdes guild, attended the executive meeting of the Altar and Rosary society last Friday, and reports: "'Lady of Legend' night has been planned for the open meeting of the society on Thursday, December 9, at 8:15 p.m., in the school hall at St. Mary's in Des Plaines. Mary Conen will show her collection of Madonnas from all over the world, and will tell the legend behind each one."

Each member is asked to bring a 25c gift for the grab bag and some staples or canned goods to make up Christmas baskets for the needy of the parish. This meeting is for all the guild members, and new women in the church are urged to come and join in the wonderful times.

Several young men from Moody Bible institute will be guests at the evening services December 12. They are bringing their musical instruments and will play several selections.

Instead of having the Christmas program on Sunday morning, this year the Sunday school will have their program at 7:30, December 23. There will be singing, recitations and a play. Awards will be given out for perfect attendance.

Sunday school has decided to give Christmas baskets again this year. The children are going to bring canned goods and non-perishables to Sunday school the next two Sundays, and the well-filled baskets will be delivered just before Christmas.

The TFC's are having their December party Saturday at 7:30 at the home of the Fred Kramers on Anita st. Bonnie Levine, Robert Martens and Ruth Pierson are planning the activities for the evening. All junior high and high school people are welcome.

Community News

Congratulations to William and Cynthia Martens on the birth of their son, David, at 10:30 a.m., December 1. David weighed in at 7 lbs., 1½ ounces, in Tacoma, Wash., and will be back here to get acquainted with his grandparents, William and Evelyn Martens, in April when his father is out of the service.

Mr. and Mrs. James Leavy and with the Charles Badalamenti family.

Mrs. Rudy Gerstung has been very ill for several weeks.

Mary Jane Arkell has been confined to bed with a long-lasting illness.

Mr. and Mrs. Swiatowy had a visit from Mrs. Swiatowy's sister's family, the Rudy Moburgs and their three children from Boston. The Moburgs had spent Thanksgiving in Nebraska, at the home of her parents, and were on their way back to Connecticut, to visit his parents.

Wedgewood Terrace

Mrs. Oscar Miller and Pam visited Mr. and Mrs. George Knollenberg in Lincoln, Ill., for a week. The Knollenbergs are Pam's grandparents and recently moved from a farm into the town of Lincoln. Mrs. Miller helped make draperies for the new home. Pam had an opportunity to visit the farm, however, as her one uncle was running it and also visited a second uncle on another farm. With a riding horse, a pony, and a cow and other animals to see, this was a happy vacation trip for Pam.

The Vernon Keppens moved to Arlington Heights on one of the last days of November.

The 45 trees which the Wedgewood Terrace Improvement association obtained for planting have all been planted and the new street signs are up. Some other signs have also been erected which warn the automobile and truck drivers: "Danger — Live Kids."

A thank you goes to Barney Runge for his help in improving the drainage system.

Furnishings for the faculty room arrived this week. It was purchased by the PTA which also sponsors the school milk program and scouting in addition to this year's new project, a central library. The potted plants and ash trays in the faculty room are a gift from Mr. and Mrs. Donald Nygren.

A boy scout committee has been formed and troop 34 is ready to come to life again. There was a father-son night at the school on Wednesday.

A special thank you to Ken Schaller for officiating at the basketball game Monday. Wilson school played St. James at Prospect Heights gym, and although our Wilson boys did not win, it was a great game.

Open House

Mr. and Mrs. Don Nygren will hold open house for the Village Theatre players Sunday afternoon. Both Mr. and Mrs. Nygren have been active with this group since moving to Arlington Heights, and have given a number of performances.

Feehanville School

School board regrets to announce the resignation of Mrs. Paul Kleeman as cook at the Feehanville school. Mrs. Kleeman is one of the pioneers in the school lunch program of this district. Although considerably handicapped in the early years of the program by the lack of proper equipment and adequate space, Mrs. Kleeman valiantly carried the program through to its present well-equipped status, without ever lowering its high nutritional standards. However, as Mrs. Kleeman stated at a school board meeting, "I am over 70 years old now, I'm getting a little tired and I would like to rest for a while, but I would like to help out off and on as I am going to miss my children."

The new cooks at the school are Mrs. Malvina Alexander and Mrs. Dorothy Karnuth.

Civic Association

Two separate nominating committees met independently last week Monday to work out a slate for the coming election of officers. The two chairmen, Red Bischof of the regular nominating committee, and Irwin Phar of the members nominating committee, turned their lists over to the secretary, and the combined results were as follows: President, Charles Badalamenti. Directors: Northwest area, Roman Anderson and Charles Badalamenti. Northeast area, Frank Wilbacher and Alfred Kirste. Southwest area, Mary Kozel, Jeanne Duncanson and James Brewer. Southeast area, Louis Young.

As provided for in the by-laws, "The annual election for president and directors shall be held on the second Saturday in December of each year between the hours of 4 p.m. and 9 p.m., at the community hall." A special meeting of the board of directors was called for last Monday, to complete preparations for election day.

Christmas party committee is sending out postcards to the parents of all the children in Forest River, notifying them of the party which is to be held at 4 o'clock December 19. Should anyone fail to receive a postcard, due to possible errors in the list of names, this party is for all the children in Forest River up to and including eighth grade. There will be entertainment, refreshments, and Santa Claus will be there to give out the gifts.

Scout News

Mrs. Marguerite Broberg, newly-elected chairman of the North Neighborhood of Des Plaines, attended the training course of new chairmen last Friday at the Girl Scout office in Park Ridge. Newly-elected chairmen from the entire Northwest area were present.

Guild News

Mrs. Rita Badalamenti, chairman of Our Lady of Lourdes guild, attended the executive meeting of the Altar and Rosary society last Friday, and reports: "'Lady of Legend' night has been planned for the open meeting of the society on Thursday, December 9, at 8:15 p.m., in the school hall at St. Mary's in Des Plaines. Mary Conen will show her collection of Madonnas from all over the world, and will tell the legend behind each one."

Each member is asked to bring a 25c gift for the grab bag and some staples or canned goods to make up Christmas baskets for the needy of the parish. This meeting is for all the guild members, and new women in the church are urged to come and join in the wonderful times.

Several young men from Moody Bible institute will be guests at the evening services December 12. They are bringing their musical instruments and will play several selections.

Instead of having the Christmas program on Sunday morning, this year the Sunday school will have their program at 7:30, December 23. There will be singing, recitations and a play. Awards will be given out for perfect attendance.

Sunday school has decided to give Christmas baskets again this year. The children are going to bring canned goods and non-perishables to Sunday school the next two Sundays, and the well-filled baskets will be delivered just before Christmas.

The TFC's are having their December party Saturday at 7:30 at the home of the Fred Kramers on Anita st. Bonnie Levine, Robert Martens and Ruth Pierson are planning the activities for the evening. All junior high and high school people are welcome.

Community News

Congratulations to William and Cynthia Martens on the birth of their son, David, at 10:30 a.m., December 4. David weighed in at 7 lbs., 1½ ounces, in Tacoma, Wash., and will be back here to get acquainted with his grandparents, William and Evelyn Martens, in April when his father is out of the service.

Mr. and Mrs. James Leavy and with the Charles Badalamenti family.

Mrs. Rudy Gerstung has been very ill for several weeks.

Mary Jane Arkell has been confined to bed with a long-lasting illness.

Mr. and Mrs. Swiatowy had a visit from Mrs. Swiatowy's sister's family, the Rudy Moburgs and their three children from Boston. The Moburgs had spent Thanksgiving in Nebraska, at the home of her parents, and were on their way back to Connecticut, to visit his parents.

Wedgewood Terrace

Mrs. Oscar Miller and Pam visited Mr. and Mrs. George Knollenberg in Lincoln, Ill., for a week. The Knollenbergs are Pam's grandparents and recently moved from a farm into the town of Lincoln. Mrs. Miller helped make draperies for the new home. Pam had an opportunity to visit the farm, however, as her one uncle was running it and also visited a second uncle on another farm. With a riding horse, a pony, and a cow and other animals to see, this was a happy vacation trip for Pam.

The Vernon Keppens moved to Arlington Heights on one of the last days of November.

The 45 trees which the Wedgewood Terrace Improvement association obtained for planting have all been planted and the new street signs are up. Some other signs have also been erected which warn the automobile and truck drivers: "Danger — Live Kids."

A thank you goes to Barney Runge for his help in improving the drainage system.

Elk Grove News

Spelling Bee

Elk Grove school is participating in the ninth annual Chicago Daily News Spelling Bee. A contest was conducted at the school on Friday, December 3 to select a representative for the sectional spelling bee. Competing in the contest were six seventh graders and six eighth graders who had won spelling bees conducted in their spelling classes. Representing the seventh grade were Judy Kessler, Carol Loeding, Frank McCammon, John Stockham and Judy Wille. Eighth graders were Lorenzo Duran, Karen Fisher, Jacob Klamer, Maria Ortiz, Bernice Pfluger and William Walden.

Judy Wille won the contest by spelling correctly "distribution," the word missed by the runner up, Lorenzo Duran. Judy will represent Elk Grove in the sectional spelling bee which will be at Arlington Heights South school Thursday, December 9, at 7:30 p.m.

Christmas News

At Elk Grove school one Christmas tree has been decorated by the lower grade students and stands in the hall near the office, and the other is in the hall on the second floor and has been decorated by the upper grades.

Pupils of each grade will present a Christmas program for the parents Thursday, December 16 at 7:30 p.m. Mr. Case, music director, is in charge of the program, and the band will also present several Christmas carols. Room parties will be held on Friday afternoon, December 17.

Mothers' Club

The regular meeting of the Elk Grove school's Mothers' club, will be held Thursday, December 9 at 1:30 p.m. This meeting will include a book fair. Children will be able to see the books and make their selection on Wednesday when the books will be on display in the new building. Books for ages are available and in a variety of price ranges.

The Arlington area superintendents' meeting was held at Elk Grove Wednesday, December 8.

Mrs. Grosche, fifth grade teacher at Elk Grove, attended the assembly of the Illinois Education association Saturday at the Sherman hotel.

John Popp of Elmhurst rd. returned with a deer from his recent hunting trip in northern Wisconsin.

Twins Born

Congratulations to Mr. and Mrs. Robert Warnecke, 834 N. Dryden ave., on the arrival of their unexpected twins. Little Nancy, 4 pounds 1 ounce, arrived a few minutes after 4 a.m. November 22 at Augustana hospital, and 3 pound 12 ounce Robert followed soon after. At home, Michael 13, Kay 10, and Joan 7 are all ready to help with their new sister and brother. They also have a maternal grandmother, Mrs. Irene Sterenberg, of Warrenville, Ill.

Kathleen Clemmons had a family party November 23 to celebrate her ninth birthday. November 19 Mrs. Clemmons had a surprise birthday party for her husband, Sy, at their home, 906 N. Dryden ave. The B. Franks, L. Johnsons, R. Funks, F. Slagles and R. Kirschenbergs were there to help celebrate with a game of canasta.

Emmett Quill, 921 N. Douglas ave., has been convalescing at home this week from a sprained back which he got last Friday. He hopes to return to work next week.

Don't forget to send in your cards stating whether or not you will attend the Christmas party and how many children you are bringing if you are coming.

Meeting Tonight

Tonight the Property Owners association meets at 424 Larkdale at 8 p.m. Ballots have already gone out and been collected for the election of new officers. They will be counted and the winners announced at the meeting. It is also hoped to terminate most of the unfinished business on the books.

Girl Scout News

The intermediate scouts met November 24 at the Doyle home. Joan Hehnan had completed her tenderfoot rank and was formally invested during a candlelight ceremony. At the same ceremony the following girls received their second-class badge: Sheilla Altvatter, Linda Larson, Nancy Doyle, Ann Wyatt, and Sherry Seward. Another event marked the Wednesday meeting. Sheilla Altvatter celebrated her fourteenth birthday. She brought a chocolate whipped cream cake and chocolate milk for a party.

At yesterday's meeting, the scouts began work on a Christmas gift for their moms and dads. The meeting ended at 8 p.m. so the leaders could attend the evening auxiliary meeting.

Cub Scout News

The cub scouts met Friday at the Doyle home. In addition to their practice session for the forthcoming, investiture ceremony they worked on making Christmas ornaments. Each boy in all the dens is working on an ornament. Then on December 17 all the dens will meet at North school to trim a Christmas tree. They will also bring a gift for the grab bag fun.

Parties

Mrs. Jean Seeber did a double take last Friday night. What was supposed to be a short stop at Dorolees Morales' home turned out to be a surprise baby shower. Jean, who is expecting her baby in January, was feted by Doralees Morales and Ruth Larson. Guests who enjoyed the fun and refreshments were: Fern Waldron Barbara Sell, Mary Jane Schmitt, Lorra ne Brazeau, Lorraine Geraci, and Marie Robotky.

Mrs. Valentine of Bob-O-Link rd. had nothing but praise for her young son's guests last week. Donn Valentine celebrated his fourth birthday with the help of his brothers, Dean and Dane and friends, Mike Pelletier and Jay and Debbie Peregrine. After gobbling up whipped cream cake and fruit juice the children played a few games. Then they got down to some serious business with a few of Donn's gifts. They constructed bridges with building blocks and made a myriad of colorful designs on a blackboard with odd-shaped pieces of adhesive plastic. Vera Valentine and her neighbor, Marilyn Peregrine enjoyed a quiet cake and kaffee klatsch during the party. Quiet at a four year old's birthday party is nearly unheard of. That's why Mrs. Valentine spoke words of praise "good as gold." What's the secret?

Back Home

Lucky, lucky people the Lou Nyes of Bunting lane. Lou, Lynn, and their children, Andrea and Scott just returned from a vacation in Miami. They left by automobile November 6 for Florida and were joined a week later by Mrs. Janet Nye Sr. Though it was partly a business trip for Lou they still found time to visit his aunt and uncle, Mr. and Mrs. Bert Warner, and, of course, the "usual" swims in the ocean. (At this point don't we all wish we were doing the "usual?") A high point in their trip was their visit to the Cypress Gardens. "Worth the whole trip," Lynn said. They traveled through the Smokies on the journey home. All in all, 'twas very, very pleasant!

Attend Game

Frank Brodnan and son, Gary, and Michael Koenig attended the Bears-Cardinals football game Sunday.

Sunday evening visitors at the Fred Gorr home were Mr. and Mrs. Laddie Bezdek of Wauconda.

Juanita Graves did an acrobatic act at the Christmas party held at the Palatine high school Saturday afternoon.

Candlelight Ceremony

Mr. and Mrs. William Meyer and Mrs. Willard Consoer and sons, Anthony and Michael, attended the marriage of the Meyers' nephew, Donald Christensen of Des Plaines, to Eloise Schaefer of Barrington, December 4. A candlelight ceremony was performed in the Salem Evangelical church in Barrington at 7:30 p.m. Reception was held for about 350 guests at the Palatine fireman's hall.

In a previous column it was stated that Michael Scussel lived here 12 years ago. That is incorrect. He lived here on Seegers rd. for 12 years up until 2 years ago when he and his family permanently settled in Tampa, Fla.

Belated Birthday

Belated birthday congratulations to Mrs. Chuck Jevne, whose birthday was December 1. The following ladies were over for home-made ice cream, cake, and coffee: Mesdames Virginia Brodnan, Ruth Grismer, Shirley Robb, Fran Burton and Julia Luczak.

Jane Tagge attended Ronnie Gosch's birthday party December 3.

Anniversary Party

The Forest View mothers' club held its anniversary party, a combination square dance, card and bunco party, Saturday, December 4, at the Forest View school.

The rooms were decorated with Christmas lights, tree branches, and ornaments by mothers on the committee. The members of the club wish to thank everyone who helped make this party a success.

Alvin Weitzel called the square dancing. Mrs. Frank Brodnan sold pop during the evening. Patricia June Hartman, Tom Sullivan Jr., Sharon Luczak, Patsy and Judy Sullivan donated their services in the wardrobe. Carl Klehm donated tulip bulbs for door prizes, and many other mothers made prize donations and baked refreshments. Mrs. Howard Koepke, president of the club, served coffee.

The committee in charge of the party was Mrs. Marty Sundbald, chairman; Mrs. Julia Luczak, cochairman; Mrs. Dorothy Hartman, Mrs. Marge Gorr, and Mrs. Irene Sundblad. Mrs. Elaine Walerius recently sewed all the curtains for the newly-decorated school basement.

Ronald Graves played with the El Rey music center's annual suburban concert at the Arlington Heights high school Sunday afternoon. Ronald played a Hawaiian guitar in his group.

Mrs. Ferne E. McGuire CL. 3-3946

ARLINGTON GREENS

Dance

The Arlington Greens community association held its first dance December 3 at the Mount Prospect country club. Music was furnished by the "Captivators." Seventeen prizes were donated by the merchants of Arlington Heights. A vote of thanks to the officers and members of the social committee for the work and time they spent in making this first affair such a success. There were over 200 members present to enjoy an evening of dancing and a chance to become better acquainted with the neighbors.

Mr. and Mrs. Bernard Johnson are the parents of a baby girl, Constance Elizabeth, born November 30 at the Sherman hospital in Elgin. Grandparents are Mr. and Mrs. Matthew Wahalen and Mrs. Valborg Johnson. Constance was welcomed home by her two brothers, Jack and Richard, and her sister, Suzan. Mrs. Valborg Johnson will spend a month at the Bernard Johnson home.

Birthday Party

Barbara Evans, daughter of Mr. and Mrs. William Evans, celebrated her eleventh birthday November 20. Those present to enjoy cake and ice cream were Sharon Kadleckic, Susan Bowdle, Kathleen Gorge, Cora Sue Boehn, Pat Crockett, Carol Bedingfield, Georgia Goey and Anne Warren.

Christine Johnson celebrated her third birthday December 7 by being hostess to her grandparents, Mr. and Mrs. Emil Hellberg of Mount Prospect, and Mrs. Valborg Johnson of Centralia, Mo.

Joyce Gran celebrated her third birthday December 4 by visiting her grandmother, Mrs. Irene Gran of Chicago. Two of Joyce's playmates, Valerie Peterson and Roseann Scalibba, were present to help her enjoy her birthday cake and ice cream.

Honored on Birthday

Mr. and Mrs. Robert Morrisett and sons, Ralph and Billy, were guests December 2 of Mr. and Mrs. W. E. Nicolaisen Jr. of Palos Heights. Guests of honor for the evening was Mrs. Morrisett's mother, Mrs. W. E. Nicolaisen, who was 70 years old. Mr. and Mrs. L. C. Willard and Mr and Mrs E. W. Willard of Chicago were present to help celebrate th occasion.

North Cook Rural Youth Christmas Party At Arlington Dec. 15

North Cook rural youth will hold their regular meeting and Christmas party in the basement of the farm bureau building, 201 N. Dunton, Arlington Heights, December 15 at 8 p.m.

Everyone present must bring a 75c funny grab-bag gift to be exchanged later in the evening.

Children's Choir Concerts In City

For the eighth consecutive year, Christmas concerts will be presented by the Chicagoland Lutheran Children's choir, under the direction of John G. Rieck.

The first of two holiday concerts will be given Sunday, December 12 at 4 p. m. at Pilgrim Lutheran church, 4300 North Winchester avenue, Chicago.

The second one will be at the Lowell School theatre, 965 Lake street, Oak Park, on Saturday evening, December 18, beginning at 8 o'clock.

Public Notice

Notice of Proposed Changes in Schedule E-3-R.

COMMONWEALTH EDISON COMPANY (Public Service Company Division) hereby gives notice to the public that it has filed with the Illinois Commerce Commission on December 1, 1954, changes in its Schedule E-3-R, Information and Requirements for the Supply of Electric Service.

In this filing it is proposed that the Company will share during the year 1955 the expense of installations of improved service entrance equipment with certain residential customers who purchase and install equipment requiring 240 volt, single-phase service.

Other changes are filed to clarify the rules under which three-phase service is supplied to residential customers and to make other minor changes for the purposes of clarification and modernization.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed changes may be inspected by any interested party at any business office of this Company.

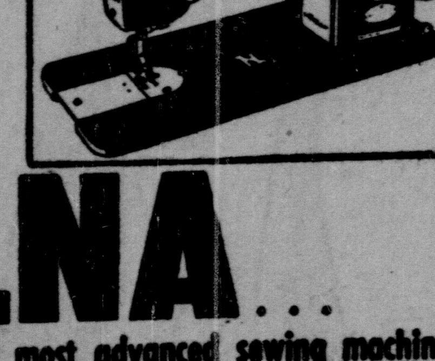
NECCHI
or
ELNA . . .
the world's most advanced sewing machines!

NECCHI, world's most advanced cabinet machine



ELNA, world's most advanced portable

A "Magic Disc" sewing machine will not only make the ideal Christmas gift for the woman in your life — but, with it, she'll be able to turn out the the most wonderful gifts for others . . . beautifully decorated handbags, luncheon sets, children's clothes, slips, blouses.

Best of all, she doesn't have to be experienced. She just picks a stitch, slips in a magic disc — and the machine does the rest.

Completely automatically it turns out scores of intricate designs. Without attachments it sews on buttons, makes buttonholes, darns and mends . . . monograms and appliques . . . sews zig-zag and straight, forward and reverse. With one of these machines she can clothe herself and your family — and save the cost of the machine in no time at all.

Birthday Luncheon

A birthday luncheon will be given for Kathleen Brown, 1504 W. Oakton, to celebrate her second birthday today. Attending the party will be Timmy Trummer, Felicity and Anne Frisbie, Leslie Yates and Kathleen's sister Marianne.

Congratulations to Margery and Dick Frisbie, 1512 W. Oakton, on the arrival of their fourth baby. Little Ellen was born at St. Francis hospital on December 2.

Not newcomers to Virginia Terrace, but residents are Mary and Jack Gedney, who moved into 1211 N. Wilke the end of July. Mary and Jack are originally from Mamaranek, a suburb of New York City, but more recently of Evanston. They have two children, Kathleen 3½ and Mike 2. The family recently returned from a trip to New York. Jack is with the Air-Preheater corp.

Recent visitors to the Arthur Salzmans of 1215 Wilke were Mrs. Shim Lawson and her daughter Laurie Gale of Seattle, Wash. Mrs. Lawson is Mrs. Salzman's sister. Arthur and Bernice moved from Chicago the end of June.

New Residents

Jo Anne and Dave Whittier, 1219 N. Wilke rd., moved to Virginia Terrace from Menominee, Mich., the end of July. They have two children, Steven 4½ and Susan 1 year. Mr. and Mrs. James Spies of Menominie, Mich., Jo Anne's parents, visited with the family.

The first people to move in on Wilke were Carolyn and Robert Burra, 1223 N. Wilke rd. They moved from Chicago June 16. They have a little girl, Nancy 2.

Tess and Tom Rossell, 1425 N. Wilke, moved in July 1. They are originally from Greenfield, Ind., but moved here from Chicago. Tom has been having very busy weekends taking flying lessons.

Betty and Francis Buckeridge live at 1325 N. Wilke. Francis is a lieutenant in the air force and is now taking a 2-year course in the graduate student school at Northwestern university. Betty and Francis both are from Detroit, but lately of Tampa, Fla They moved in November 1.

Cub Scouts in Play

The cub scouts pack 234 of Wilson school held a meeting November 29. Members of the pack from Virginia Terrace are Kenny Gerstein, Dennis O'Brien, John Calhoun, and Kenny Williams. A Thanksgiving play was given at the meeting and all four boys from Virginia Terrace participated.

Elk Grove News

Spelling Bee

Elk Grove school is participating in the ninth annual Chicago Daily News Spelling Bee. A contest was conducted at the school on Friday, December 3 to select a representative for the sectional spelling bee. Competing in the contest were six seventh graders and six eighth graders who had won spelling bees conducted in their spelling classes. Representing the seventh grade were Judy Kessler, Carol Loeding, Frank McCammon, John Stockham and Judy Wille. Eighth graders were Lorenzo Duran, Karen Fisher, Jacob Klamer, Maria Ortiz, Bernice Pfluger and William Walden.

Judy Wille won the contest by spelling correctly "distribution," the word missed by the runner up, Lorenzo Duran. Judy will represent Elk Grove in the sectional spelling bee which will be at Arlington Heights South school Thursday, December 9, at 7:30 p.m.

Christmas News

At Elk Grove school one Christmas tree has been decorated by the lower grade students and stands in the hall near the office, and the other is in the hall on the second floor and has been decorated by the upper grades.

Pupils of each grade will present a Christmas program for the parents Thursday, December 16 at 7:30 p.m. Mr. Case, music director, is in charge of the program, and the band will also present several Christmas carols. Room parties will be held on Friday afternoon, December 17.

Mothers' Club

The regular meeting of the Elk Grove school's Mothers' club, will be held Thursday, December 9 at 1:30 p.m. This meeting will include a book fair. Children will be able to see the books and make their selection on Wednesday when the books will be on display in the new building. Books for ages are available and in a variety of price ranges.

The Arlington area superintendents' meeting was held at Elk Grove Wednesday, December 8.

Mrs. Grosche, fifth grade teacher at Elk Grove, attended the assembly of the Illinois Education association Saturday at the Sherman hotel.

John Popp of Elmhurst rd. returned with a deer from his recent hunting trip in northern Wisconsin.

Twins Born

Congratulations to Mr. and Mrs. Robert Warnecke, 834 N. Dryden ave., on the arrival of their unexpected twins. Little Nancy, 4 pounds 1 ounce, arrived a few minutes after 4 a.m. November 22 at Augustana hospital, and 3 pound 12 ounce Robert followed soon after. At home, Michael 13, Kay 10, and Joan 7 are all ready to help with their new sister and brother. They also have a maternal grandmother, Mrs. Irene Sterenberg, of Warrenville, Ill.

Kathleen Clemmons had a family party November 23 to celebrate her ninth birthday. November 19 Mrs. Clemmons had a surprise birthday party for her husband, Sy, at their home, 906 N. Dryden ave. The B. Franks, L. Johnsons, R. Funks, F. Slagles and R. Kirschenbergs were there to help celebrate with a game of canasta.

Emmett Quill, 921 N. Douglas ave., has been convalescing at home this week from a sprained back which he got last Friday. He hopes to return to work next week.

Don't forget to send in your cards stating whether or not you will attend the Christmas party and how many children you are bringing if you are coming.

Meeting Tonight

Tonight the Property Owners association meets at 424 Larkdale at 8 p.m. Ballots have already gone out and been collected for the election of new officers. They will be counted and the winners announced at the meeting. It is also hoped to terminate most of the unfinished business on the books.

Girl Scout News

The intermediate scouts met November 24 at the Doyle home. Joan Hehnan had completed her tenderfoot rank and was formally invested during a candlelight ceremony. At the same ceremony the following girls received their second-class badge: Sheilla Altvatter, Linda Larson, Nancy Doyle, Ann Wyatt, and Sherry Seward. Another event marked the Wednesday meeting. Sheilla Altvatter celebrated her fourteenth birthday. She brought a chocolate whipped cream cake and chocolate milk for a party.

At yesterday's meeting, the scouts began work on a Christmas gift for their moms and dads. The meeting ended at 8 p.m. so the leaders could attend the evening auxiliary meeting.

Cub Scout News

The cub scouts met Friday at the Doyle home. In addition to their practice session for the forthcoming, investiture ceremony they worked on making Christmas ornaments. Each boy in all the dens is working on an ornament. Then on December 17 all the dens will meet at North school to trim a Christmas tree. They will also bring a gift for the grab bag fun.

Parties

Mrs. Jean Seeber did a double take last Friday night. What was supposed to be a short stop at Dorolees Morales' home turned out to be a surprise baby shower. Jean, who is expecting her baby in January, was feted by Doralees Morales and Ruth Larson. Guests who enjoyed the fun and refreshments were: Fern Waldron Barbara Sell, Mary Jane Schmitt, Lorraine Brazeau, Lorraine Geraci, and Marie Robotky.

Mrs. Valentine of Bob-O-Link rd. had nothing but praise for her young son's guests last week. Donn Valentine celebrated his fourth birthday with the help of his brothers, Dean and Dane and friends, Mike Pelletier and Jay and Debbie Peregrine. After gobbling up whipped cream cake and fruit juice the children played a few games. Then they got down to some serious business with a few of Donn's gifts. They constructed bridges with building blocks and made a myriad of colorful designs on a blackboard with odd-shaped pieces of adhesive plastic. Vera Valentine and her neighbor, Marilyn Peregrine enjoyed a quiet cake and kaffee klatsch during the party. Quiet at a four year old's birthday party is nearly unheard of. That's why Mrs. Valentine spoke words of praise "good as gold." What's the secret?

Back Home

Lucky, lucky people the Lou Nyes of Bunting lane. Lou, Lynn, and their children, Andrea and Scott just returned from a vacation in Miami. They left by automobile November 6 for Florida and were joined a week later by Mrs. Janet Nye Sr. Though it was partly a business trip for Lou they still found time to visit his aunt and uncle, Mr. and Mrs. Bert Warner, and, of course, the "usual" swims in the ocean. (At this point don't we all wish we were doing the "usual?") A high point in their trip was their visit to the Cypress Gardens. "Worth the whole trip," Lynn said. They traveled through the Smokies on the journey home. All in all, 'twas very, very pleasant!

Frances Shillington CL 3-9521

Attend Game

Frank Brodnan and son, Gary, and Michael Koenig attended the Bears-Cardinals football game Sunday.

Sunday evening visitors at the Fred Gorr home were Mr. and Mrs. Laddie Bezdek of Wauconda.

Juanita Graves did an acrobatic act at the Christmas party held at the Palatine high school Saturday afternoon.

Candlelight Ceremony

Mr. and Mrs. William Meyer and Mrs. Willard Consoer and sons, Anthony and Michael, attended the marriage of the Meyers' nephew, Donald Christensen of Des Plaines, to Eloise Schaefer of Barrington, December 4. A candlelight ceremony was performed in the Salem Evangelical church in Barrington at 7:30 p.m. Reception was held for about 350 guests at the Palatine fireman's hall.

In a previous column it was stated that Michael Scussel lived here 12 years ago. That is incorrect. He lived here on Seegers rd. for 12 years up until 2 years ago when he and his family permanently settled in Tampa, Fla.

Belated Birthday

Belated birthday congratulations to Mrs. Chuck Jevne, whose birthday was December 1. The following ladies were over for home-made ice cream, cake, and coffee: Mesdames Virginia Brodnan, Ruth Grismer, Shirley Robb, Fran Burton and Julia Luczak.

Jane Tagge attended Ronnie Gosch's birthday party December 3.

Anniversary Party

The Forest View mothers' club held its anniversary party, a combination square dance, card and bunco party, Saturday, December 4, at the Forest View school. The rooms were decorated with Christmas lights, tree branches, and ornaments by mothers on the committee. The members of the club wish to thank everyone who helped make this party a success.

Alvin Weitzel called the square dancing. Mrs. Frank Brodnan sold pop during the evening. Patricia June Hartman, Tom Sullivan Jr., Sharon Luczak, Patsy and Judy Sullivan donated their services in the wardrobe. Carl Klehm donated tulip bulbs for door prizes, and many other mothers made prize donations and baked refreshments. Mrs. Howard Koepke, president of the club, served coffee.

The committee in charge of the party was Mrs. Marty Sundbald, chairman; Mrs. Julia Luczak, cochairman; Mrs. Dorothy Hartman, Mrs. Marge Gorr, and Mrs. Irene Sundblad. Mrs. Elaine Walerius recently sewed all the curtains for the newly-decorated school basement.

Ronald Graves played with the El Rey music center's annual suburban concert at the Arlington Heights high school Sunday afternoon. Ronald played a Hawaiian guitar in his group.

Mrs. Ferne E. McGuire CL. 3-3946

ARLINGTON GREENS

Dance

The Arlington Greens community association held its first dance December 3 at the Mount Prospect country club. Music was furnished by the "Captivators." Seventeen prizes were donated by the merchants of Arlington Heights. A vote of thanks to the officers and members of the social committee for the work and time they spent in making this first affair such a success. There were over 200 members present to enjoy an evening of dancing and a chance to become better acquainted with the neighbors.

Mr. and Mrs. Bernard Johnson are the parents of a baby girl, Constance Elizabeth, born November 30 at the Sherman hospital in Elgin. Grandparents are Mr. and Mrs. Matthew Wahalen and Mrs. Valborg Johnson. Constance was welcomed home by her two brothers, Jack and Richard, and her sister, Suzan. Mrs. Valborg Johnson will spend a month at the Bernard Johnson home.

Birthday Party

Barbara Evans, daughter of Mr. and Mrs. William Evans, celebrated her eleventh birthday November 20. Those present to enjoy cake and ice cream were Sharon Kadleckic, Susan Bowdle, Kathleen Gorge, Cora Sue Boehn, Pat Crockett, Carol Bedingfield, Georgia Goey and Anne Warren.

Christine Johnson celebrated her third birthday December 7 by being hostess to her grandparents, Mr. and Mrs. Emil Hellberg of Mount Prospect, and Mrs. Valborg Johnson of Centralia, Mo.

Joyce Gran celebrated her third birthday December 4 by visiting her grandmother, Mrs. Irene Gran of Chicago. Two of Joyce's playmates, Valerie Peterson and Roseann Scalibba, were present to help her enjoy her birthday cake and ice cream.

Honored on Birthday

Mr. and Mrs. Robert Morrisett and sons, Ralph and Billy, were guests December 2 of Mr. and Mrs. W. E. Nicolaisen Jr. of Palos Heights. Guests of honor for the evening was Mrs. Morrisett's mother, Mrs. W. E. Nicolaisen, who was 70 years old. Mr. and Mrs. L. C. Willard and Mr and Mrs E. W. Willard of Chicago were present to help celebrate th occasion.

North Cook Rural Youth Christmas Party At Arlington Dec. 15

North Cook rural youth will hold their regular meeting and Christmas party in the basement of the farm bureau building, 201 N. Dunton, Arlington Heights, December 15 at 8 p.m.

Everyone present must bring a 75c funny grab-bag gift to be exchanged later in the evening.

Children's Choir Concerts In City

For the eighth consecutive year, Christmas concerts will be presented by the Chicagoland Lutheran Children's choir, under the direction of John G. Rieck.

The first of two holiday concerts will be given Sunday, December 12 at 4 p. m. at Pilgrim Lutheran church, 4300 North Winchester avenue, Chicago.

The second one will be at the Lowell School theatre, 965 Lake street, Oak Park, on Saturday evening, December 18, beginning at 8 o'clock.

Public Notice

Notice of Proposed Changes in Schedule E-3-R.

COMMONWEALTH EDISON COMPANY (Public Service Company Division) hereby gives notice to the public that it has filed with the Illinois Commerce Commission on December 1, 1954, changes in its Schedule E-3-R, Information and Requirements for the Supply of Electric Service.

In this filing it is proposed that the Company will share during the year 1955 the expense of installations of improved service entrance equipment with certain residential customers who purchase and install equipment requiring 240 volt, single-phase service.

Other changes are filed to clarify the rules under which three-phase service is supplied to residential customers and to make other minor changes for the purposes of clarification and modernization.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed changes may be inspected by any interested party at any business office of this Company.

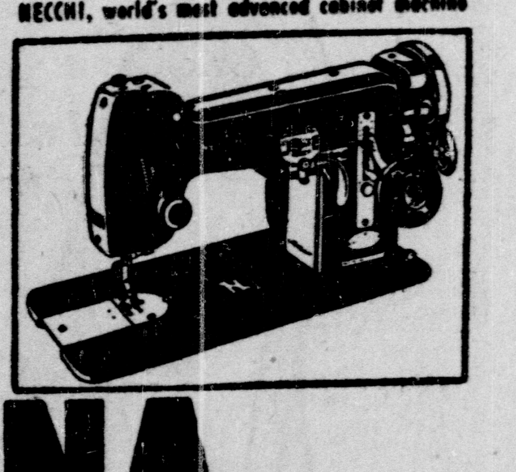
NECCHI, world's most advanced cabinet machine



this Christmas . . . give her a useful gift

NECCHI or ELNA...
the world's most advanced sewing machines!

ELNA, world's most advanced portable

A "Magic Disc" sewing machine will not only make *the* ideal Christmas gift for the woman in your life — but, with it, she'll be able to turn out the the most wonderful gifts for others . . . beautifully decorated handbags, luncheon sets, children's clothes, slips, blouses.

Best of all, she doesn't have to be experienced. She just picks a stitch, slips in a magic disc — and the machine does the rest.

Completely automatically it turns out scores of intricate designs. Without attachments it sews on buttons, makes buttonholes, darns and mends . . . monograms and appliques . . . sews zig-zag and straight, forward and reverse. With one of these machines she can clothe herself and your family — and save the cost of the machine in no time at all.

These and other exquisite items can be produced as simply as sewing an ordinary seam

Farming About With Your Farm Advisor

by CARL F. MEES

Numerous inquiries have been received already from farmers about oat varieties for 1955. The most recent tests on varieties in Northern Illinois by the agronomy department of the college at the DeKalb station shows Rodney to be the highest yielder, with 86.7 bushel. Its test weight is lower than average, but it stands well.

Branch is next in yield with 78.3 bushel, but also is light in test weight and doesn't stand well.

Clarion yielded 71.1 bushel, has a good test weight and is a good stander. Clinton 11 and Marion yielded 66.5 and 64.2 respectively both had excellent test weight and stood poorly.

Sank and Clintland yielded 63 bushel. Sank's test weight was very low and Clintland was very high, both stood fair.

* * *

THE OLD 60 day oat out-yielded Missouri Columbia, and Andrew by about 5 bushels per acre. This brings up the old contention by many grain growers that varieties run out. This is not true according to long term tests. Sixty day oats have been grown since 1905 and the 10 year average yields of this variety have been 57, 54, 64, 62 and 57 bushels per acre since then.

Clinton has yielded at Urbana since 1946 as follows — 72, 93, 63, 44, 49, 57, 62, 54, and 68. Memories are bad as to why yields go down; weather soil, diseases, insects and many other factors affecting yield are easily forgotten. Heredity doesn't change unless mixing occurs.

* * *

PEOPLE in other lands are important buyers of United States Farm Products. In each of the past two years foreign buyers took nearly 3 billion dollars worth of our farm products, about 9 per cent of all U. S. farm production. Farm exports are expected to increase slightly in the year ending June 30.

Substantial amounts of four Illinois farm products are sold in foreign lands. These products are soybeans, wheat, corn and lard.

In 1953 twenty-one per cent of the total U. S. soybean production was exported. In the past two years, exports have taken about 20% of all the lard that has been produced.

In The Future

A home knitting machine will turn out a sweater in two hours, or a dress in seven ... A sun-operated gadget rolls up store awnings when the sun isn't bright, rolls them down again when it shines ... Do-it-yourself has reached the home heating plant. A kit with everything but the furnace is offered ... Used car lots and farm markets are offered winter heating from fused quartz lamps which throw heat instead of light.

24,375 Enrolled At University Of Illinois

Eighty-eight per cent of University of Illinois students are Illinois residents, coming from every one of the state's 102 counties, according to statistics just completed.

The other 11 per cent come from all the other 47 states, District of Columbia, Hawaii, Puerto Rico, Panama Canal Zone, and 64 foreign countries.

University enrollment of 24,375 is up 5 per cent from last year.

Scene along Olive street in the village limits of Arlington Heights littered with garbage and cans dumped by unknown persons. Every effort is being made to ascertain the identity of the culprits and if caught they will be prosecuted to the full extent of the law. Persons apprehended for this offense can be fined a minimum of $25 and a maximum of $200, said Chief of Police Carl H. Skoog. This is just one of the many areas in Arlington Heights and Mount Prospect blighted by such debris. —Staff Photo.

A bear and a deer were the loot when John Olson, Dundee and Sanders roads, Northbrook, and Alan Esford, 623 N. Parkside, Chicago, returned recently from a hunting trip in Northern Michigan, west of Escanaba. The two animals are pictured above before being cut up for the freezer. Shown with John are sons, Leonard, left, and Vernon.

Reid's Apparel of Bensenville won the women's division of Paddock Publications Inter-League Handicap bowling tournament a year ago, held at Palatine. Smiling winners in the front row, left to right, Evelyn Baumgartner and Jean Jankers. Back row, Ethel Dehlinger, Ida Wendt and Grace Grobe.

This year's tournament for the ladies will be held January 16 at Arlington Heights Bowling Lanes with first place squads of all women's leagues as of Dec. 25 eligible to compete. Five individual trophies, as well as the large traveling team trophy, will be presented to the winners.

The men's tournament, slated for January 9 at Hi-way Recreation in Palatine, will include first place teams as of December 18.

Newsstand Of The Week

Bill's Royal Blue store, bus service, garage, and service station, another of the 62 newsstands selling more than 3,000 copies of the eight Paddock Publications weekly, was opened five years ago on Higgins road at Touhy. The store was originally part of the garage building purchased by William H. Miller in 1946, but was moved to its present new structure two years ago.

Bill, pictured above, operated garages in Chicago before coming out "to the wide open spaces," locating on Higgins road at the suggestion of a brother. The area has grown considerably in the past eight years with Oscar's bus service, carrying students from Elk Grove school, part of that growth.

Running the grocery store are Bill's daughter, Catherine, and sister-in-law, Grace Latko. In addition to groceries and meats, the store sells daily papers as well as Paddock Publications.

Newsstand Of The Week

Bill's Royal Blue store, bus service, garage, and service station, another of the 62 newsstands selling more than 3,000 copies of the eight Paddock Publications weekly, was opened five years ago on Higgins road at Touhy. The store was originally part of the garage building purchased by William H. Miller in 1946, but was moved to its present new structure two years ago.

Bill, pictured above, operated garages in Chicago before coming out "to the wide open spaces," locating on Higgins road at the suggestion of a brother. The area has grown considerably in the past eight years with Oscar's bus service, carrying students from Elk Grove school, part of that growth.

Running the grocery store are Bill's daughter, Catherine, and sister-in-law, Grace Latko. In addition to groceries and meats, the store sells daily papers as well as Paddock Publications.

Home Owners Attention

TRADE IN YOUR HOME ON A NEW ONE

WHY NOT?

When you need a car or a radio you make a trade, don't you? Then why not trade that older home that you have outgrown for a NEW one that we will build to meet Your Needs.

We Are

CUSTOM BUILDERS

and will build a NEW HOME for you on YOUR LOT with YOUR PLANS or we have many lots available, and over 40 different plans to choose from. We appraise your home and will make you a TRADE-IN GUARANTEE if your home qualifies. The amount of the guarantee will then be applied against the cost of the new home that we will build. By this method you eliminate a possible sales commission and the worry of selling your home and are assured of sufficient money to pay down on the new home even before selling it.

Drive To Arlington Heights and Let Us Explain Details of This Trade-In Plan

Have you a photo, blue print or sketch of your present home? No obligation on your part to hear our plan.

Home Owners Attention

TRADE IN YOUR HOME ON A NEW ONE

WHY NOT?

When you need a car or a radio you make a trade, don't you? Then why not trade that older home that you have outgrown for a NEW one that we will build to meet Your Needs.

We Are

CUSTOM BUILDERS

and will build a NEW HOME for you on YOUR LOT with YOUR PLANS or we have many lots available, and over 40 different plans to choose from. We appraise your home and will make you a TRADE-IN GUARANTEE if your home qualifies. The amount of the guarantee will then be applied against the cost of the new home that we will build. By this method you eliminate a possible sales commission and the worry of selling your home and are assured of sufficient money to pay down on the new home even before selling it.

Drive To Arlington Heights and Let Us Explain Details of This Trade-In Plan

Have you a photo, blue print or sketch of your present home? No obligation on your part to hear our plan.

IN MEMORIAM

Bencic—Dora. In loving memory of our wife and mother who passed away one year ago, Dec. 11, 1953.

Softly the stars are shining upon
a precious grave;
Beneath lies one we dearly loved,
but whom we could not save.
Friends may think we had forgotten when at times they see us
smile.
Little do they know the heartache
that our smiles hide all the
while.

21st TMP Post
Soldier Of the Week
Was Selected From
This Organization

Bob Christensen of Palatine was named soldier of the week recently at camp at Inchon, Korea. Pfc. Bob is shown, above, receiving the plaque from Lt. Col. Thomas H. Claunch, executive officer of 21st TMP and Inchon military post. The son of Mr. and Mrs. Fred Christensen, 131 S. Brockway, Bob is presently a crane operator in Korea.

Fall Enrollments Under Korean GI Bill At High Level

Fall enrollments of Illinois veterans training under the Korean GI bill have more than doubled the peak reached a year ago and show signs of reaching still higher levels, Robert D. Beer, Manager, VA Regional Office announced.

Also, this fall's flood of Korean GI trainees has far outstripped a corresponding drop in World War II GI Bill enrollments.

On November 1, trainees under the Korean GI Bill totaled a record breaking 21,586 of whom almost half, or 10,353, were attending college. The rest were training in below-college-level schools, on-the-job and on-the-farm. The total was more than twice the size of last year's figure of 10,440 veteran-trainees.

In contrast, November 1 enrollments in Illinois under the waning World War II GI training program numbered 8,055 — less than half of the 15,839 World War II veterans in training last year this time.

Mr. Beer said the 21,586 Korean GI Bill total for November 1 is increasing about 400 daily and would grow to a still larger figure by the end of December when the 1954 crest is reached.

Painters' Show

Chicagoland painters,, sculptors and craftsmen are being invited to compete for prizes and to display and sell their work in the December exhibition and art fair, sponsored by the International Ballet club—The Artist's league—are invited to contact Miss Mar at the Sheridan Plaza hotel in Chicago, December 12-16. On Sunday, December 12, there will be a tea from 3 to 5 p.m., to which the public is invited.

Artists, sculptors and craftsmen who are interested in participating are invited to contact Mis sMarian Rockafellow, 2410 Hartrey avenue, Evanston, or Madame Violetta Andre, president, International Ballet club, 1054 Wilson avenue, Chicago.

Tips on Traffic Safety

If you are going to operate a motor vehicle you must have the proper type of license or permit (Section 12a, Drivers License Law.) And the term, "motor vehicle," includes motor scooter, motor bicycles, homemade cars and similar vehicles which differ from the family type of car. (Section 1, Motor Vehicle Law.)

In recent years, with the increased popularity of motor scooters and bicycles with small motors, the impression has arisen that because these are small vehicles and more readily operated by youngsters than standard size automobiles, the operator does not need a driver license. This impression is completely wrong.

The operator of any motor vehicle traveling on any street or highway in the state must have a driver license, and to obtain a driver license he must meet the minimum requirements of the Drivers License Law with respect to age, ability, physical condition and knowledge of traffic laws.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

In Texas

Master Sergeant Walter J. Heck, in charge of local air force recruiting with offices at 1518 Park pl., Des Plaines, reports that Carl Bailey of 303 Park pl., Arlington Heights has re-enlisted in the air force for a period of four years. Mr. Bailey went to Lackland air force base, Texas, Nov. 23.

Prior to entering the air force Mr. Bailey taught school in the Arlington airport school. He has a degree in physical education and one in English.

Mr. Bailey is married and his wife, Evelyn, works as a private secretary in the Baird and Warner Real Estate office.

In Maryland

Second lieutenant Robert J. Hinds, son of Mr. and Mrs. Lonnie Hinds, 520 State road, Arlington Heights, has been assigned to the plants division of the army chemical center in Maryland.

A graduate of Arlington Heights township high school, Lieutenant Hinds received his B S and MS from Massachusetts Institute of Technology.

Before coming to this center for chemical research and development 25 miles north of Baltimore, Lieutenant Hinds was stationed at Fort McClellan, Ala.

In Kansas

Cpl. Charles H. Greenwood, 21, son of Frank Greenwood, Rand rd., Palatine, is serving with the 10th infantry division at Fort Riley, Kan.

The 10th division, a fully trained and equipped unit, is ready to move into action on short notice.

Greenwood, a gunner in the 43d anti-aircraft artillery battalion's battery D, completed basic training at Camp Chaffee, Ark.

Before entering the army in April, 1953, he was employed by English Construction Co. His wife, Joan, lives in Manhattan, Kan.

IN MEMORIAM

Bencic—Dora. In loving memory of our wife and mother who passed away one year ago, Dec. 11, 1953.

Softly the stars are shining upon
a precious grave;
Beneath lies one we dearly loved,
but whom we could not save.
Friends may think we had forgotten when at times they see us smile.
Little do they know the heartache
that our smiles hide all the while.

Bob Christensen of Palatine was named soldier of the week recently at camp at Inchon, Korea. Pfc. Bob is shown, above, receiving the plaque from Lt. Col. Thomas H. Claunch, executive officer of 21st TMP and Inchon military post. The son of Mr. and Mrs. Fred Christensen, 131 S. Brockway, Bob is presently a crane operator in Korea.

Tips on Traffic Safety

If you are going to operate a motor vehicle you must have the proper type of license or permit (Section 12a, Drivers License Law.) And the term, "motor vehicle," includes motor scooter, motor bicycles, homemade cars and similar vehicles which differ from the family type of car. (Section 1, Motor Vehicle Law.)

In recent years, with the increased popularity of motor scooters and bicycles with small motors, the impression has arisen that because these are small vehicles and more readily operated by youngsters than standard size automobiles, the operator does not need a driver license. This impression is completely wrong.

The operator of any motor vehicle traveling on any street or highway in the state must have a driver license, and to obtain a driver license he must meet the minimum requirements of the Drivers License Law with respect to age, ability, physical condition and knowledge of traffic laws.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

In Texas

Master Sergeant Walter J. Heck, in charge of local air force recruiting with offices at 1518 Park pl., Des Plaines, reports that Carl Bailey of 303 Park pl., Arlington Heights has re-enlisted in the air force for a period of four years. Mr. Bailey went to Lackland air force base, Texas, Nov. 23.

Prior to entering the air force Mr. Bailey taught school in the Arlington airport school. He has a degree in physical education and one in English.

Mr. Bailey is married and his wife, Evelyn, works as a private secretary in the Baird and Warner Real Estate office.

In Maryland

Second lieutenant Robert J. Hinds, son of Mr. and Mrs. Lonnie Hinds, 520 State road, Arlington Heights, has been assigned to the plants division of the army chemical center in Maryland.

A graduate of Arlington Heights township high school, Lieutenant Hinds received his B S and MS from Massachusetts Institute of Technology.

Before coming to this center for chemical research and development 25 miles north of Baltimore, Lieutenant Hinds was stationed at Fort McClellan, Ala.

In Kansas

Cpl. Charles H. Greenwood, 21, son of Frank Greenwood, Rand rd., Palatine, is serving with the 10th infantry division at Fort Riley, Kan.

The 10th division, a fully trained and equipped unit, is ready to move into action on short notice.

Greenwood, a gunner in the 43d anti-aircraft artillery battalion's battery D, completed basic training at Camp Chaffee, Ark.

Before entering the army in April, 1953, he was employed by English Construction Co. His wife, Joan, lives in Manhattan, Kan.

Fall Enrollments Under Korean GI Bill At High Level

Fall enrollments of Illinois veterans training under the Korean GI bill have more than doubled the peak reached a year ago and show signs of reaching still higher levels, Robert D. Beer, Manager, VA Regional Office announced.

Also, this fall's flood of Korean GI trainees has far outstripped a corresponding drop in World War II GI Bill enrollments.

On November 1, trainees under the Korean GI Bill totaled a record breaking 21,586, of whom almost half, or 10,353, were attending college. The rest were training in below-college-level schools, on-the-job and on-the-farm. The total was more than twice the size of last year's figure of 10,440 veteran-trainees.

In contrast, November 1 enrollments in Illinois under the waning World War II GI training program numbered 8,055 — less than half of the 15,839 World War II veterans in training last year this time.

Mr. Beer said the 21,586 Korean GI Bill total for November 1 is increasing about 400 daily and would grow to a still larger figure by the end of December when the 1954 crest is reached.

Make It Yourself

Vee Powell

POWELL STUDIOS
Northwest Hwy. &
Glencoe Rd.
Palatine Ill

Subject:
Pre-holiday Scramble

Having this sort of a Studio gives us a bird's eye view of many Make It Yourself projects that are in the process of being made—or finished up—right at this time and right in our own community ... Young and old—male and female . . . all are working with ideas gleaned from newspapers, magazines, books, TV, radio, schools ... telephones are buzzing ... and a lot of scurrying around for materials.

Both the Brownies and Cubs have almost bought out our glitter supply—and it's probably a top secret—but they must be scattering it over everything they touch! And the sheets of styrofoam ... and the bells and the balls ... and the ribbons! And we know of at least one troop who is decorating beer cans with colored glazes—and then adding glitter before the paint dries ... Shades of Milwaukee!

Whatever has happened to the ubiquitous "pen-wiper?" Years ago, it was a favorite "present" for Dad ... Dear ol' Pop ... footing all the bills .. and lucky to receive a tie—or a "shaving aid" (sheets of tissue carefully cut and then strung into book form) or a pen wiper! Ball points and Kleenex certainly outmoded both of the home made presents—although a use for the latter might still be found at the postoffice or bank ..

We have never carried any crochet or knitting materials but judging from the calls, such items are still in demand ... does anyone ever tat anymore? Grandmother considered tatting as one of those things that every young girl should know, and at the age of 10, we finally got one whole apron edged with the stuff. And speaking of aprons, the plastic waist-rings continue to move out, so women are either making up useful items for themselves or to package as gifts ... Those imported placemats, woven out of soft bamboo and then finished with laquer, have developed into a "best seller" ... Hand-decorated with an initial, we sell them at 35c each—and plain, at 25c each. One of the students came up with a wonderful idea, using "iron-on" designs that take about a minute and look exactly like an elaborate hand-painted design ... and it was her husband's suggestion!

We are clearing out those big (20" x 48") slabs of solid maple hardwood, natural color finish. Add legs and they make wonderful coffee tables, add foam rubber cushions and you have a fireside or window bench that can take abuse and never show it. We also have a number of other gift items in beautiful natural wood—carving-boards, shoeboxes, trays, including a big lazy Suzan that "stores" as a wall decoration ... some are hand decorated.

The nylon and vicara long-sleeved pull-over sweaters, decorated with a name, initial or yoke of rhinestones and pearls have proved to be good Make It Yourself items, so soft and "cashmere-ish" and wash like a dream —and so reasonably priced at $5.95. Several dollars worth of "jewels" and several hours work with the gem setter turns them into handsome gifts that any gal, young or old, would love! And right along with this holiday glamour go the Christmas corsage sets, including earrings ... have you ever seen tiny "pine-cone" earrings? Just one out of dozens of ideas ... Ready-made sets at $1.25—complete "makings" for 75c . . . Grand "home" gifts of imported Irish linens and English twills and chintzes that can be used for drapes, cafe curtains, luncheon cloths, napkins, etc. A cinch to make since the quality of the material makes the "easy" (unlined) way, the best way. To keep costs down on these very handsome materials (hand screened "original" designs that are most unusual) we take orders from yard samples but the N.Y. importers give us wonderfully quick service.

As we make our busy preparations to celebrate the coming holidays, it seems that all Americans should pause now and then for a moment of thankfulness that our land is at peace. And if our family units are unbroken with no real problems of health or of emotional or marital disturbances, how fortunate! If nothing is wrong except "lack of lettuce"—be glad — and be grateful ! Counting blessings is a lot nicer than counting sheep!

BUSINESS BRIEFS

Gains Promotion

Benjamin A. Ragir, president of Ekco Products Co., has announced the appointment of Donald R. Long, sales manager of Ekco's Geneva-Byesville division, to position of assistant vice-president.

Long, who comes from Winamac, Ind., was a track and cross-country star at Purdue university, graduating in 1939. He was at Montgomery Ward seven years, resigning to join Ekco's merchandising department in 1946. He then went into sales, handling national accounts, and was made sales manager of the Geneva-Byesville division in December, 1953. He will continue in that capacity. He, Mrs. Long and their four children live in Mt. Prospect.

Tree Lovers Get Down To Cases—Bagworm, That Is

It is now open season for bagging bagworms.

During the growing season, bagworms are common defoliators of arborvitae, cedar, maples, sycamores and many other trees and shrubs. With the lower-growing plants, the bagworms are particularly vulnerable during the dormant season, being readily seen and easy to collect, according to E. J. Ledger, field representative of the Davey Tree Expert Co.

Bags are brown in color, about two inches long and are attached to the twig with a silken thread Each contains hundreds of over-wintering eggs for next year's ravenous broods.

If the cases are left intact, the bagworms hatch in late spring and make their exodus to tender foliage. After chomping the greenery, the larvae begin spinning their own bags around them, enlarging their quarters as growth requires. They expose only their heads and legs. After a three-week pupal stage, the male moth deserts the case for mating. The female remains to lay her eggs.

The tree authority says a good degree of control can be achieved by handpicking the cases on small trees and shrubs. He advises that collected cases be burned or soaked in kerosene. The bagworm is a serious pest in the East and Midwest.

Bits O' Business

Aluminum production set a quarterly record of 743.5 million pounds in third-quarter 1954 ... Construction activity in October, at $3.5 billion put in place, was an all-time high for the month ... Television set production in September was the greatest in any month in history—947,796 ... Corporate dividend payments in October amounted to $594.2 million, up $40.9 million from the year-earlier month.

Make It Yourself

Vee Powell

POWELL STUDIOS
Northwest Hwy & Glencoe Rd.
Palatine Ill

Subject:
Pre-holiday Scramble

Having this sort of a Studio gives us a bird's eye view of many Make It Yourself projects that are in the process of being made—or finished up—right at this time and right in our own community . . . Young and old—male and female . . . all are working with ideas gleaned from newspapers, magazines, books, TV, radio, schools . . . telephones are buzzing . . . and a lot of scurrying around for materials.

Both the Brownies and Cubs have almost bought out our glitter supply—and it's probably a top secret—but they must be scattering it over everything they touch! And the sheets of styrofoam . . . and the bells and the balls . . . and the ribbons! And we know of at least one troop who is decorating beer cans with colored glazes—and then adding glitter before the paint dries . . . Shades of Milwaukee!

Whatever has happened to the ubiquitous "pen-wiper?" Years ago, it was a favorite "present" for Dad . . . Dear ol' Pop . . . footing all the bills .. and lucky to receive a tie—or a "shaving aid" (sheets of tissue carefully cut and then strung into book form) or a pen wiper! Ball points and Kleenex certainly outmoded both of the home made presents—although a use for the latter might still be found at the postoffice or bank ..

We have never carried any crochet or knitting materials but judging from the calls, such items are still in demand . . . does anyone ever tat anymore? Grandmother considered tatting as one of those things that every young girl should know, and at the age of 10, we finally got one whole apron edged with the stuff. And speaking of aprons, the plastic waist-rings continue to move out, so women are either making up useful items for themselves or to package as gifts . . . Those imported placemats, woven out of soft bamboo and then finished with laquer, have developed into a "best seller" . . . Hand-decorated with an initial, we sell them at 35c each—and plain, at 25c each. One of the students came up with a wonderful idea, using "iron-on" designs that take about a minute and look exactly like an elaborate hand-painted design . . . and it was her husband's suggestion!

We are clearing out those big (20" x 48") slabs of solid maple hardwood, natural color finish. Add legs and they make wonderful coffee tables, add foam rubber cushions and you have a fireside or window bench that can take abuse and never show it. We also have a number of other gift items in beautiful natural wood—carving-boards, shoeboxes, trays, including a big lazy Suzan that "stores" as a wall decoration . . . some are hand decorated.

The nylon and vicara long-sleeved pull-over sweaters, decorated with a name, initial or yoke of rhinestones and pearls have proved to be good Make It Yourself items, so soft and "cashmere-ish" and wash like a dream—and so reasonably priced at $5.95. Several dollars worth of "jewels" and several hours work with the gem setter turns them into handsome gifts that any gal, young or old, would love! And right along with this holiday glamour go the Christmas corsage sets, including earrings . . . have you ever seen tiny "pine-cone" earrings? Just one out of dozens of ideas . . . Ready-made sets at $1.25—complete "makings" for 75c . . . Grand "home" gifts of imported Irish linens and English twills and chintzes that can be used for drapes, cafe curtains, luncheon cloths, napkins, etc. A cinch to make since the quality of the material makes the "easy" (unlined) way, the best way. To keep costs down on these very handsome materials (hand screened "original" designs that are most unusual) we take orders from yard samples but the N.Y. importers give us wonderfully quick service.

As we make our busy preparations to celebrate the coming holidays, it seems that all Americans should pause now and then for a moment of thankfulness that our land is at peace. And if our family units are unbroken with no real problems of health or of emotional or marital disturbances, how fortunate! If nothing is wrong except "lack of lettuce"—be glad — and be grateful ! Counting blessings is a lot nicer than counting sheep!

BUSINESS BRIEFS

Gains Promotion

Benjamin A. Ragir, president of Ekco Products Co., has announced the appointment of Donald R. Long, sales manager of Ekco's Geneva-Byesville division, to position of assistant vice-president.

Long, who comes from Winamac, Ind., was a track and cross-country star at Purdue university, graduating in 1939. He was at Montgomery Ward seven years, resigning to join Ekco's merchandising department in 1946. He then went into sales, handling national accounts, and was made sales manager of the Geneva-Byesville division in December, 1953. He will continue in that capacity. He, Mrs. Long and their four children live in Mt. Prospect.

Tree Lovers Get Down To Cases— Bagworm, That Is

It is now open season for bagging bagworms.

During the growing season, bagworms are common defoliators of arborvitae, cedar, maples, sycamores and many other trees and shrubs. With the lower-growing plants, the bagworms are particularly vulnerable during the dormant season, being readily seen and easy to collect, according to E. J. Ledger, field representative of the Davey Tree Expert Co.

Bags are brown in color, about two inches long and are attached to the twig with a silken thread Each contains hundreds of overwintering eggs for next year's ravenous broods.

If the cases are left intact, the bagworms hatch in late spring and make their exodus to tender foliage. After chomping the greenery, the larvae begin spinning their own bags around them, enlarging their quarters as growth requires. They expose only their heads and legs. After a three-week pupal stage, the male moth deserts the case for mating. The female remains to lay her eggs.

The tree authority says a good degree of control can be achieved by handpicking the cases on small trees and shrubs. He advises that collected cases be burned or soaked in kerosene. The bagworm is a serious pest in the East and Midwest.

City To Wreck Shacks In Suburban Area

Chicago's public works commissioner George Dement revealed this week what the city is doing about its suburban slum shacks.

The city came into possession of the shacks when it obtained land for the eventual expansion of O'Hare Field northwest of Chicago. Attention was focussed on them when a little girl died in a flash fire last Wednesday in one of them.

Dement said the city owns five shacks at Lawrence ave. and Wolf rd. Three of these are occupied by squatters and the city started wrecking them Monday. The other two, which Dement says the city has rented in the past, had their leases cancelled in August and also began wrecking them Monday.

* * *

THERE ARE 11 shacks on Alta st., south of Irving Park rd. Two have been sold to be removed by the purchasers, but one of the two is still occupied and the other is vacant.

Two more will be wrecked beginning Monday and the other 7 are still to be sold.

There are 5 shacks on Lee st., south of Irving Park. One has been sold and is vacant, the other four are occupied and are being sold.

One more building on Irving Park, between Lee and Alta sts., is being sold and will be removed. Two shacks on Mount Prospect rd., north of Irving Park, are also being sold by the city.

Dement says that families still living in the shacks have been ordered to get out by Monday.

In the Shadow of + + + The Steeple

by William O. McGill

Of all the parts of the prayer which our Lord taught to His disciples, "Lead us not into temptation, but deliver us from evil," is easily the most confusing. Does God tempt us? If He wants us to resist evil why does He let us get near it in the first place?

Perhaps the first thing we ought to do is to try to understand what temptation usually meant to these who first heard the prayer. For Judaism and for the early Christians, temptation was, above everything else, religious persecution, persecution for righteousness sake. sake.

* * *

IT WAS A trial they were forced to undergo by those who did not like their faith. They were forced to submit to indignities which might lead them to curse their God in the presence of their tormenters. This is moral testing, probably on a higher level than the impulse to theft or adultery. For this testing is in the area of the final meaning of life and goodness rather than in terms of the present act.

This was the approach of the Tempter to Jesus in the wilderness: "If you are the Son of God . . . ," striking at Him through His nobility, rather than through personal weakness. Apostasy, denial of God, or rebellion against God was the greatest sin of the early Christian or of the Jew. This was the eternal denial of one's relation to God, the sin against the Holy Spirit.

THIS WAS THE sense in which Cardinal Mindszenty scribbled a note to the clergy on the margin of last pastoral letter to the churches of Hungary. He told them to remember that if at any time they should see a confession coming over his signature, "it would only be a result of human frailty." He knew that he might be drugged or tortured into such confession, but he wanted it known that he had no intention of submission.

"Lead us not into temptation," is an implicit confession of human frailty. We know that we are not strong enough. The church was established to invite sinners to return to God. Sin and the invitation to return implies freedom of moral choice. Moral choice implies an uneasy conscience.

Ogden Nash describes the illogic of the problem in "A Clean Conscience Never Relaxes." In this, remorse is "a violent dyspepsia of the mind," "one man's remorse is another man's reminiscence," "the wrong people suffer" at least immediately.

* * *

THE FACT that one suffers from an uneasy conscience seems to be the first indication of an orderly life. Those infected with a moral streptococcus feel no remorse whatever. So "remorse ought to stop biting the conscience that feeds it."

It's clever, and it sounds good—until you look at it carefully. Without a troubled conscience, what have you? Without a troubled conscience, what you do does not really matter—neither immediately nor eternally. "A clean conscience never relaxes;" it is always aware of temptation and evil, and it says its prayers.

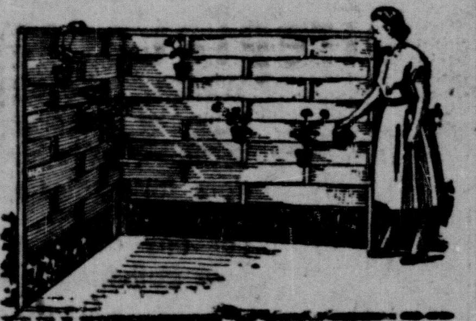
Basket Weave Fence

A NEW idea in fencing can provide privacy to your patio, or it may be used as a lawn divider. Some families have used this attractive basket weave design to screen an unsightly corner.

Built in units 6 feet long and 5 feet high, the fence may be set up to form a corner enclosure. It may be set up also as a straight or a staggered fence.



Pliable but strong Masonite Tempered Presdwood is used for weaving this fence between lumber supports. Available at lumber yards, the panels may be cut readily with a cross-cut saw. They take a beautiful paint job which, with the unusual basket weave design, will enhance the appearance of any lawn.

Flower pots may be hung on holders formed from wire coat hangers that are hooked over the Tempered Presdwood near a post.

The plan may be obtained by sending 20 cents in coin to Craft Patterns, Elmhurst, Ill., and requesting pattern No. 436.

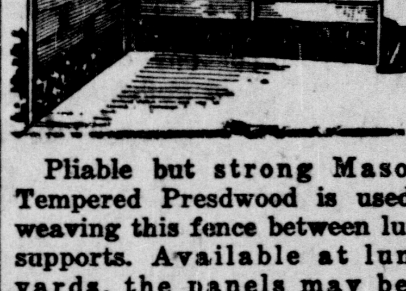
Basket Weave Fence

A NEW idea in fencing can provide privacy to your patio, or it may be used as a lawn divider. Some families have used this attractive basket weave design to screen an unsightly corner.

Built in units 6 feet long and 5 feet high, the fence may be set up to form a corner enclosure. It may be set up also as a straight or a staggered fence.



Pliable but strong Masonite Tempered Presdwood is used for weaving this fence between lumber supports. Available at lumber yards, the panels may be cut readily with a cross-cut saw. They take a beautiful paint job which, with the unusual basket weave design, will enhance the appearance of any lawn.

Flower pots may be hung on holders formed from wire coat hangers that are hooked over the Tempered Presdwood near a post.

The plan may be obtained by sending 20 cents in coin to Craft Patterns, Elmhurst, Ill., and requesting pattern No. 436.

Being 'Americanized' Painful Way For Turks To Obtain Education

by BILL DILLINGHAM

Being "Americanized" can be painful. The benefits of the American way of life—when taught to a foreigner—can be a source of extreme unhappiness.

Take, as a good example, a Turk (although it applies to most other nationalities as well) who leaves his country, receives his education in the U.S. and then returns home with ideas about building those needed bridges and hospitals, and cleaning the refuse out of the classroom.

* * *

HE STEPS OFF the boat onto his homeland, perhaps with a crew-cut and a perfect American accent as baggage, and runs straight into a stone wall that knocks him cold with the first punch.

If he is the average Turkish student who was given a B.S. education, he didn't pay for it himself. His government laid out the money. In return, he is supposed to come home and develop the country. But when he gets home he is immediately thrown into the bottom drawer of his field and rests there until someone dies and a vacancy appears.

* * *

ONE TURKISH fellow spent seven years in the U.S. studying American methods at engineering. When he got back to Turkey, he was put behind a desk to read the newspaper, paid a ridiculous thirty dollars per month, and directly forbidden to practice his American ideas at getting the factory to function better. His first act was to put on a pair of overalls and step among the laborers to show them newer ways of handling problems. His second act was to get back behind the desk as soon as the boss learned of this insurrection. Such a thing had never been done before.

When a bridge was to be built, ironically enough the Turkish government hired an American engineer who had been in the same university with the Turk, only one class lower!

* * *

FOR EVERY YEAR that the Turkish government pays for a student's education aborad, two years must be spent in Turkey. Most students are "condemned" from eight to fifteen years work in their country — land of frustrating contradictions where they pasturize the milk but never sterilize the bottles-

When their time is served, it is no wonder they pull out. There is an estimated 700 Turkish physicians living in America, and Turkey is so badly in need of medical assistance that they have hospitals where two people sleep in each bed head to toe!

* * *

THAT AMERICANIZED quality gets the fellow in trouble every time he turns around. At the job he is considered a radical. At home his mother "just doesn't know what got into him." He doesn't want his marriage arranged for him. His father finds him unmanageable. He is willing to speak to a waiter or a bootblack with a tone of equality and familiarity.

He has learned a thousand new attitudes that just don't mix with the customs of the old country. And he has to pay for it with his happiness because he cannot leave. He is one of a vanguard, so to speak.

A Dollar Helps Hungry, Suffering

For only a dollar you can become an internationalist.

That is all it costs now, under a new CARE program of food distribution, to send two packages, or 28 pounds, of surplus farm food to a hungry family or individual in any of 32 countries overseas.

Such an amount of food would sustain some families a month.

Currently, South Vietnam, where there are 500,000 refugees from the Communists in North Vietnam, is one of the target areas for CARE.

Elsewhere, there are still 247,000 displaced persons and refugees in Austria. There are eight million refugees in Germany, many thousands in Hong Kong, and 10 to 11 million people still need aid in Korea.

One may contribute as little as 50 cents and still send one 14-lb. package on its way. Donations may be sent to CARE, 175 W. Madison st., Chicago.

Be sure to include your name and address so CARE can acknowledge the gift and place your name on one or more of the CARE packages you might thereby send.

Air Force Recruiting At High Level

After four months of operation as an independent organization; the air force recruiting service tallied a personnnel procurement average of 99.8% according to master sergeant Walter J. Heck, in charge of the local air force recruiting station located at 1518 Park Place, Des Plaines.

"The achievement is notable," while we were building towards an organization in July we were also operational. Even with this handicap we managed to wind up July's recruiting efforts with a 88.8 percentage."

Since then the program gained impetus and in August the recruiting service wound up with 96.8%. September was the most fruitful and netted 114.9%. October, which was a nip and tuck month, ended with 98.2%.

Chainless Power Saw
